Dear Shareholder:

You are cordially invited to attend the Annual Meeting of Shareholders of First Farmers and Merchants Corporation (“First Farmers” or the “Company”) on April 19, 2016 beginning at 1:00 a.m., Central Time, to be held on the 2<sup>nd</sup> Floor, in the First Farmers and Merchants Bank Northside Office, 901 Nashville Highway, Columbia, Tennessee, 38401.

At the Annual Meeting of Shareholders, you will be asked to consider and vote on a proposal to approve an Agreement and Plan of Merger which provides for the merger of FFMC Merger Corporation, a newly formed, wholly-owned subsidiary of First Farmers, with and into First Farmers, with First Farmers as the surviving entity in what is commonly referred to as a “going private” transaction. The purpose of the merger is to reduce the number of First Farmers’ shareholders of record to fewer than 1,200, which will permit First Farmers to suspend filing reports with the Securities and Exchange Commission, eliminating the burden and expense associated with those reports, and eliminate smaller shareholder accounts and the expense of maintaining those accounts.

If the merger agreement is approved and the merger is subsequently completed, shareholders owning fewer than 400 shares of First Farmers common stock (other than shareholders who properly exercise their rights as dissenting shareholders) will receive \$30.25 in cash for each share they own as of the effective time of the merger. All other shares will remain outstanding and be unaffected by the merger.

At the Annual Meeting of Shareholders, you will also be asked to consider and vote on the election of 10 individuals to serve as directors of the Company until the Annual Meeting of Shareholders in 2017 or until their successors are qualified and elected.

The board of directors of First Farmers believes that the merger agreement and the election of the nominees as directors are in the best interests of First Farmers and its shareholders and unanimously recommends that you vote FOR approval of the merger agreement and FOR the election of each of the nominees for director. The approval of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of First Farmers common stock and directors are elected by a plurality of the votes cast by the shareholders of First Farmers common stock entitled to vote at the Annual Meeting of Shareholders. Whether or not you plan to attend the Annual Meeting of Shareholders, please complete and return the enclosed proxy card. If you sign, date and return your proxy card without indicating how you want to vote, your proxy will be counted as a vote FOR approval of the merger agreement and FOR approval of the election of the nominees as directors.

Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form PRER14A

The enclosed Proxy Statement gives you detailed information about the Annual Meeting of Shareholders, the merger, the election of the nominees as directors and related matters. You are urged to carefully read the enclosed Proxy Statement, including the considerations discussed under “Special Factors” beginning on page 2, and the appendices to the Proxy Statement, which include the merger agreement. You may also obtain information about First Farmers from documents it has filed with the Securities and Exchange Commission. See “Where You Can Find More Information” on page 68.

**As a shareholder of First Farmers, you have the right to dissent from the merger and obtain payment in cash of the fair value of your shares of First Farmers common stock under applicable provisions of Tennessee law.** See “Proposal I—Approval of the Merger Agreement—Dissenters’ Rights of Shareholders” ~~Appendix~~ *Appendix C*.

Sincerely,

T. Randy Stevens

Chairman and Chief Executive Officer

**PROXY STATEMENT**

**ANNUAL MEETING OF SHAREHOLDERS**

To Be Held on April 19, 2016

The accompanying proxy is solicited by and on behalf of the Board of Directors of First Farmers and Merchants Corporation ("First Farmers" or the "Company") for use at the Annual Meeting of Shareholders to be held on April 19, 2016, at 11:00 a.m., Central Time, and any adjournment thereof (the "Annual Meeting"). The time and place of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Shareholders. All expenses incurred in preparing, printing and mailing the proxy, notices of internet availability and all materials used in the solicitation of proxies will be borne by the Company. In addition to the use of the mail, proxies may be solicited in person or by telephone by directors, officers and other personnel of the Company or its subsidiary, First Farmers and Merchants Bank (the "Bank"), none of whom will receive additional compensation for such services. The Company will also request custodians and nominees to forward soliciting materials to the beneficial owners of the Company's common stock held of record by them and will pay reasonable expenses of such persons for forwarding such material.

**PURPOSES OF THE MEETING**

The Annual Meeting will be held for the purposes of (i) approving the merger agreement, (ii) electing directors, and (iii) transacting such other business as may properly come before the meeting or any adjournments or postponements thereof.

Pursuant to the merger agreement, FFMC Merger Corporation will merge with and into First Farmers, with First Farmers as the surviving corporation. If shareholders approve the merger agreement and the merger is subsequently completed, shareholders owning fewer than 400 shares of First Farmers common stock, in the aggregate, whether of record or in street name (other than shareholders who properly exercise their rights as dissenting shareholders), will receive \$30.25 in cash for each share they own as of the effective time of the merger. All other shares will remain outstanding and be unaffected by the merger. After the merger, First Farmers anticipates that it will have fewer than 1,200 shareholders of record. As a result, First Farmers will be able to terminate its registration under the Securities Exchange Act of 1934, as amended, and suspend its reporting obligations, thereby eliminating the significant expense required to comply with the periodic reporting and related requirements under the Exchange Act.

The merger cannot occur unless the merger agreement is approved by the holders of a majority of the outstanding shares of First Farmers' common stock. As of the record date, the directors and executive officers of First Farmers (13 persons) were entitled to vote 296,001 shares, or 6.2% of the outstanding shares of First Farmers common stock entitled to vote at the Annual Meeting of Shareholders. These shares are expected to be voted for approval of the merger agreement and for the election of all nominees for directors.

**QUORUM AND VOTING**

At the close of business on February 29, 2016, the Company had 4,739,502 shares of common stock issued and outstanding. Only holders of record of common stock at the close of business on February 29, 2016 are entitled to notice of and to vote on matters that properly come before the Annual Meeting or any adjournment thereof. A shareholder is entitled to one vote at the Annual Meeting for each share of common stock held of record in his or her name, voted in person or by proxy.

The presence in person or by proxy of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting or any adjournment thereof. Abstentions and broker non-votes are included for purposes of determining if a quorum exists. Abstentions will not constitute a vote "FOR" or to "WITHHOLD" the shareholder vote for the proposal for election of the nominees as directors presented for shareholder approval at the annual meeting and will be disregarded in the calculation of a plurality or of "votes cast" for such proposal. Because approval of the merger agreement requires the approval of at least a majority of the outstanding shares of common stock entitled to vote, abstentions and broker non-votes have the same effect as if you voted against the merger agreement, unless you attend the Annual Meeting and vote in person. Broker non-votes occur when a broker or nominee returns a proxy but does not have discretionary authority to vote on a particular proposal because the proposal does not concern a routine matter and the broker has not received voting instructions from the beneficial holder. Your broker or other nominee *will not* be able to vote your shares for the merger agreement or the election of directors, or any other matters properly brought before the Annual Meeting, without your specific instruction because these are not considered routine matters. For purposes of determining the outcome of any matter as to which a broker or nominee has physically indicated on the proxy that it does not have discretionary authority to vote, those shares will be treated as not entitled to vote with respect to that matter.

If a quorum is not present at the time of the Annual Meeting, the Chairman of the meeting has the power to adjourn the Annual Meeting until a quorum is present or represented by proxy.

If the enclosed proxy is properly executed, returned and not revoked, it will be voted in accordance with the instructions, if any, given by the shareholder. Unless shares are held by a broker, if a proxy is executed and returned but no specification is made, the proxy will be voted "FOR" the merger agreement and "FOR" election of all nominees as directors of the Company. If any other business is properly presented at the meeting, the proxy holders will vote your proxy in accordance with their discretion.

Any shareholder has the power to revoke his or her proxy at any time, prior to the vote being taken at the Annual Meeting, by written notice or subsequently dated proxy received by the Company, or by revocation by the shareholder in person at the Annual Meeting or any adjournment thereof. If you wish to attend the Annual Meeting and need directions to the First Farmers and Merchants Northside Branch in Columbia, Tennessee, please contact Michelle Gardner, the Secretary of the Company, at (931) 388-3145.

Please see "Where You Can Find More Information" on page 68 for additional information about First Farmers on file with the Securities and Exchange Commission.

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of this transaction, passed upon the merits or fairness of this transaction, or passed upon the accuracy or adequacy of the information contained in this Proxy Statement. Any representation to the contrary is a criminal offense.**

## **SUMMARY TERM SHEET**

*The following summary term sheet, together with the “Questions and Answers” following this summary term sheet, highlight selected information from this Proxy Statement and may not contain all of the information that is important to you. We urge you to carefully read this entire document and the other documents that we refer to in this document. These documents will give you a more complete description of the transaction that we are proposing. We have included page references in this summary to direct you to other places in this Proxy Statement where you can find a more complete description of the matters that we have summarized.*

### **Structure of the Merger (page 37)**

The merger agreement provides for the merger of FFMC Merger Corporation with and into First Farmers, with First Farmers surviving the merger. FFMC Merger Corporation is a newly formed Tennessee corporation organized as a wholly owned subsidiary of First Farmers for the sole purpose of facilitating the merger. After the merger, we expect our business and operations to continue as they are currently being conducted. We will continue to operate as a bank holding company and the parent corporation for the Bank, but will no longer file reports with the Securities and Exchange Commission (the “SEC”). We expect to complete the merger in April 2016, although delays could occur.

*We have attached the merger agreement to this document as Appendix A. Please read the merger agreement. It is the legal document that governs the merger.*

### **What You Will Receive in the Merger (page 37)**

If the merger is completed, shareholders who own fewer than 400 shares of First Farmers common stock in the aggregate, whether of record or in street name by a broker who holds in the aggregate fewer than 400 shares, except for dissenting shares, will receive \$30.25 in cash for each share they own as of the effective time of the merger. Shareholders who own 400 or more shares of First Farmers common stock will continue to hold their shares of First Farmers common stock and will not be entitled to receive any cash payment from us upon completion of the merger, except for dissenting shares.

If you are the holder of fewer than 400 shares of our common stock, you must surrender your stock certificates representing your shares in order to receive the cash consideration for your shares. Do not send in your certificates until you receive written instructions regarding the certificate exchange process after the completion of the merger.

### **Determination of Shares Held (page 37)**

## Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form PRER14A

A shareholder who owns fewer than 400 shares of First Farmers common stock in the aggregate, whether of record or in street name, will receive \$30.25 per share in cash as a result of the merger. A shareholder "of record" is the shareholder whose name is listed on the front of the stock certificate, regardless of who ultimately has the power to vote or sell the shares. Shares held by a broker in "street name" on a shareholder's behalf are held of record by the broker. Each broker holding less than 400 shares in the aggregate for the account of one or more beneficial holders will receive cash in the merger for those shares held in "street name." Shares held by the First Farmers and Merchants Bank Profit Sharing Plan will not be affected in the merger or included for purposes of determining which shareholders are to receive cash in the merger.

Under the Securities Exchange Act of 1934, as amended (the Exchange Act ) securities registered in substantially similar names where we have reason to believe, because of the address or other indications, that such names represent the same person, may be included as held of record by one person. If a shareholder holds any shares in street name, these shares may not be combined with shares held of record by the same shareholder for purposes of determining the number of shares owned.

There is a risk that the SEC may change its rules regarding shareholder counting with respect to beneficial holders and that First Farmers' number of record shareholders could be higher than it had anticipated.

### **Fairness of the Transaction (page 17)**

We believe that the merger is fair to our unaffiliated shareholders who will receive cash in the merger and to our unaffiliated and affiliated shareholders who will retain their shares. Our Board of Directors has approved the merger agreement and the transactions contemplated thereby. The Board's decision is based on several factors, which are summarized beginning on page17. These factors include:

- *Independent Valuation:* According to an independent valuation prepared by Sheshunoff & Co., the "fair value" of our common stock as of December 31, 2015 as that term is used in the Tennessee statute governing dissenters' rights was between \$28.50 and \$30.60 per share.

- *Opinion of Independent Financial Advisor:* Sheshunoff & Co. has delivered its opinion to our Board of Directors that the \$30.25 per share price to be paid in the merger is fair, from a financial point of view, to our shareholders, both those who will receive cash in the merger and those who will retain their shares in the merger. A copy of the opinion is attached as *Appendix B*. See “Special Factors—Opinion of Independent Financial Advisor” on page 48 for additional information.
- *Historical Market Prices of First Farmers Common Stock:* Based on transactions of which we are aware, the low and high sales prices of our common stock over the past two years have ranged from \$25.00 to \$29.00 per share, with trades during 2015 within that same range. See “Information about First Farmers and its Affiliates— First Farmers Common Stock Purchase and Sale Information” on page 49, and “—Market for Common Stock and Dividends” on 48 for more specific information regarding prices at which our shares have been sold.
- *Premium to Book Value:* The price per share to be paid in the merger reflects a multiple of 1.22 times our December 31, 2015 book value per share, representing a 21.8% premium over book value.
- *Going Concern Value:* The price per share to be paid in the merger reflects First Farmers’ value as a going concern and was not based on an amount that might be realized in a sale of 100% of our stock, because the merger will not result in a change in control of First Farmers.
- *Earnings Multiple:* The price per share to be paid in the merger reflects a multiple of 14.2 times our earnings per share for the year ended December 31, 2015.
- *Liquidity Event:* The merger will allow our shareholders owning fewer than 400 shares to liquidate their holdings without incurring brokerage costs. The Board believes this provides a benefit to our shareholders, particularly given the limited trading volume for our shares.

In addition, based on the same factors discussed above, each of the other persons who filed the Schedule 13E-3, which consists of each of the directors and executive officers of First Farmers and FFMC Merger Corporation, believe that the merger is fair to First Farmers’ unaffiliated shareholders who will receive cash in the merger and to unaffiliated shareholders who will retain their shares.

#### **Effects of the Merger on Shareholders (pages 25 and 26)**

The merger will have various effects on our shareholders:

For shareholders who retain their shares in the merger, these effects include:

- continued ownership of our common stock;

- decreased access to publicly available information about First Farmers;
- a reduction in book value as of December 31, 2015, on a pro forma basis;
- an increase in earnings per share for the year ended December 31, 2015, on a pro forma basis; and
- a slight increase in their respective percentage ownership of our common stock.

For shareholders receiving cash in the merger, these effects include:

- receipt of \$30.25 per share in cash, the price determined by our Board;
- loss of their equity and voting interest in First Farmers and loss of the ability to sell their shares at the time and for the price they choose;
- federal income tax liability for any cash received in the merger;
- loss of future dividends; and
- liquidation of their ownership interest in First Farmers without incurring brokerage costs.

**Additional Effects of the Merger on Affiliated Shareholders (page 26)**

Because of their positions, the directors and executive officers of First Farmers and FFMC Merger Corporation are deemed affiliates engaged in the transaction and are filing persons on the Schedule 13E-3 transaction statement filed by First Farmers and FFMC Merger Corporation in connection with the merger. Our directors and executive officers have no financial interests in the merger that differ from the interests of our unaffiliated shareholders. The merger will, however, have the following additional effects on our directors and executive officers:

- elimination of individual reporting obligations under federal securities laws; and
- potential elimination of a “safe harbor” for dispositions of their shares under federal securities laws.

**Effects of the Merger on First Farmers (page 23)**

As a result of the merger:

- we will no longer be classified as a public company and will suspend indefinitely our filing of annual and periodic reports and proxy statements with the SEC;
- the number of record shareholders, measured as of February 29, 2016, will be reduced from approximately 2,099 to approximately 1,102, and the number of outstanding shares of our common stock will decrease from 4,739,502 to approximately 4,626,366;
- the percentage of ownership of our common stock beneficially held by executive officers and directors (13 persons) as a group as of February 29, 2016, will increase from 6.2% to approximately 6.4%;
- earnings per share of our common stock for the year ended December 31, 2015, would increase by approximately 2.8% from \$2.13 on a historical basis to approximately \$2.19 on a pro forma basis;
- total shareholders’ equity as of December 31, 2015, would be reduced from approximately \$117.8million on a historical basis by approximately \$3.4 million on a pro forma basis, assuming 113,136 shares are cashed out in the merger;
- the book value per share of our common stock as of December 31, 2015, would be reduced from \$24.83 per share on a historical basis to approximately \$24.71 per share on a pro forma basis, assuming 113,136 shares are cashed out in the merger; and
- the reduction in our shareholders’ equity described above will cause a corresponding decrease in our regulatory capital ratios. Assuming 113,136 shares are cashed out in the merger, our common equity tier 1 capital ratio would decrease from 13.28% as of December 31, 2015, to approximately 12.87% on a pro forma basis; our leverage capital ratio would decrease from 8.87% as of December 31, 2015, to approximately 8.57% on a pro forma basis; our tier 1 capital to risk-weighted assets ratio would be reduced from 13.28% as of December 31, 2015, to approximately 12.87% on a pro forma basis; and our total risk-based capital ratio would decrease from 14.32% as of December 31, 2015, to approximately 13.91% on a pro forma basis.

**First Farmers Plans to Continue to Pay Semi-Annual Dividends (page 47)**

Following the merger, subject to applicable statutory and regulatory restrictions, First Farmers intends to continue its practice of paying semi-annual cash dividends. For the semi-annual period ended December 31, 2015, First Farmers paid a cash dividend of \$0.37 per share. First Farmers expects that because of the projected cost savings, the merger will have no adverse effect on First Farmers' ability to pay cash dividends in the near future.

**Conditions to the Completion of the Merger (page 39)**

The completion of the merger depends upon the satisfaction of a number of conditions, unless waived, including:

- approval of the merger agreement by the holders of a majority of the outstanding shares of our common stock;
- all of the representations and warranties made in the merger agreement must be true and correct in all material respects as of the effective time of the merger;
- absence of pending or threatened litigation regarding the merger; and
- that the aggregate number of shares to be cashed out in the merger, plus the number of shares held by shareholders who delivered their notice to exercise their rights to dissent from the merger pursuant to the provisions of the Tennessee Business Corporation Act ("TBCA"), does not exceed 150,000 shares.

**Material U.S. Federal Income Tax Consequences (page 28)**

The receipt of cash in the merger will be taxable for United States federal income tax purposes. You will be treated as either having sold your shares of our common stock for the cash received or as having received the cash as a dividend. In general, your receipt of cash in exchange for your shares of our common stock will be treated as a sale or exchange and you will recognize gain or loss in an amount equal to the cash received less your adjusted tax basis of your shares exchanged for such cash if you actually and constructively own no shares of our common stock immediately after the exchange. If you actually or constructively own shares of our common stock after the exchange, your receipt of cash in exchange for your shares of our common stock may be taxed as a dividend. Shareholders who do not receive cash should not recognize any gain or loss on continuing to hold their shares of First Farmers common stock as a result of the merger.

For a more complete description of the United States federal income tax consequences to you as a result of the merger, please read the discussion under “Special Factors—Material U.S. Federal Income Tax Consequences.”

#### **Reasons for the Merger (page 12)**

Our principal reasons for effecting the merger are:

- the direct and indirect cost savings of approximately \$250,000 per year that we expect to experience as a result of the deregistration of our common stock under the Exchange Act and suspension of our SEC filings; and
- our belief that our shareholders have not benefited proportionately from the costs relating to the registration of our common stock, principally as a result of the thin trading market for our stock.

#### **Dissenters’ Rights of Shareholders (page40)**

As a shareholder of First Farmers, under the provisions of the TBCA you have the right to dissent from the merger. If the merger is approved by the shareholders and consummated, any shareholder who properly perfects his or her right to dissent to the merger will be entitled to receive an amount of cash equal to the fair value of his or her shares rather than the consideration provided by the merger agreement. Shareholders of First Farmers are cautioned that if they dissent, they may receive a “fair value” that is less than the value received by shareholders cashed out in the merger.

#### **Shares Entitled to Vote and Vote Required (page 35)**

Approval of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock on February 29, 2016, and directors are elected by a plurality of the votes cast by the shares of our common stock entitled to vote at the Annual Meeting. As of the close of business on February 29, 2016, there were 4,739,502 shares of our common stock entitled to notice of and to vote at the Annual Meeting. As of the record date, our directors and executive officers were entitled to vote 296,001 shares, or 6.2% of our outstanding common stock at the Annual Meeting. These shares are expected to be voted for approval of the merger agreement and for approval of the election of the nominees as directors. Accordingly, 2,073,751 shares held by unaffiliated shareholders, or 43.8% of our outstanding common stock, must be voted in favor of the merger agreement in order to approve the transaction.

#### **Effective Time of the Merger (page 38)**

## Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form PRER14A

The merger will be effective at the date and time specified in the Articles of Merger to be filed with the Secretary of State of Tennessee. As soon as practicable after shareholder approval of the merger agreement, we will file Articles of Merger with the Secretary of State of Tennessee and will send a Letter of Transmittal to all record holders of First Farmers common stock who are entitled to receive cash in the merger. We anticipate that this will occur on or around April 20, 2016, although delays could occur.

### **Financing of the Merger (page 39)**

We estimate that approximately \$3.4 million will be required to pay for the shares to be exchanged in the merger and that the expenses related to the merger will be approximately \$165,000. We intend to use existing cash generated from our operations to fund the merger. Although it is not anticipated that we will need funds in excess of cash on hand to finance the merger, if additional funds are required, it is likely we will borrow such funds from the Federal Home Loan Bank of Cincinnati.

## QUESTIONS AND ANSWERS

**Q: What is the time and place of the Annual Meeting?**

A: The Annual Meeting will be held on April 19, 2016, beginning at 11:00 a.m., Central Time, on the 2<sup>nd</sup> Floor, in the First Farmers and Merchants Bank Northside Office, 901 Nashville Highway, Columbia, Tennessee, 38401.

**Q: What are the shareholders being asked to vote upon?**

A: At the Annual Meeting, the shareholders are being asked:

- to consider and vote upon a proposal to approve the merger agreement that provides for the merger of FFMC Merger Corporation with and into First Farmers;
- to consider and vote upon a proposal to elect ten individuals to serve as directors of the Company until the annual meeting of shareholders in 2017 or until their successors are qualified and elected; and
- to act on any other matters that may be submitted to a vote at the Annual Meeting or any adjournments or postponements of the Annual Meeting.

**Q: What votes are required for approval?**

A: Approval of the merger agreement requires the affirmative vote of the holders of a majority of the outstanding shares of our common stock on February 29, 2016, and directors are elected by a plurality of the votes cast by the shares of our common stock entitled to vote at the Annual Meeting. As of this date, there were 4,739,502 shares of our common stock outstanding.

**Q: How does the board of directors recommend that I vote?**

A: Our board of directors has approved and authorized the merger agreement and recommends that you vote FOR approval of the merger agreement and FOR approval of the election of the nominees as directors.

In considering the recommendation of the Board of Directors, you should be aware that the members of our Board and the executive officers (13 persons) beneficially own approximately 6.2% of the outstanding shares of our common stock as of February 29, 2016, and all of such persons are expected to continue as shareholders and beneficially own approximately 6.4% of our common stock following the merger. Also, our current executive officers and directors will continue as our executive officers and directors following the merger. See “Special Factors—Interests of Executive Officers and Directors in the Merger” and “Information About First Farmers and its Affiliates—Security Ownership of Certain Beneficial Owners and Management.”

**Q: What happens if I transfer my shares after the record date?**

A: The record date for the Annual Meeting is earlier than the expected date of the merger. Therefore, if you transfer your shares of First Farmers common stock after the record date, but prior to the merger, you will retain the right to vote at the Annual Meeting, but the right to receive any merger consideration will transfer with the shares of our common stock.

**Q: What do I need to do now?**

A: After you have thoroughly reviewed this Proxy Statement, simply indicate on your proxy card how you want to vote and sign, date and complete your proxy card and mail it in the enclosed envelope so that your shares can be represented at the Annual Meeting. You may also vote by the Internet at [www.proxyvote.com](http://www.proxyvote.com) or by telephone by calling 1-800-6903.

**Q: What happens if I don't return a proxy card?**

A: Because approval of the merger agreement requires the approval of at least a majority of the outstanding shares of our common stock entitled to vote, the failure to return your proxy card has the same effect as if you voted against the merger agreement, unless you attend the Annual Meeting and vote in person. The failure to return your proxy card will not constitute a vote "FOR" or to "WITHHOLD" the shareholder vote for the proposal for election of the nominees as directors presented for shareholder approval at the annual meeting and will be disregarded in the calculation of a plurality or of "votes cast" for such proposal.

**Q: May I change my vote after I have mailed my signed proxy card?**

A: Yes. Just send by mail a written revocation or a later-dated, completed and signed proxy card before the Annual Meeting or attend the Annual Meeting and notify the Secretary of the Company that you want to vote in person. You may not change your vote by facsimile or telephone.

**Q: If my shares are held in “street name” by my broker, how will my shares be voted?**

A: Your broker will vote your shares only if you provide instructions on how to vote. You should instruct your broker how to vote your shares, following the directions your broker provides. If you do not provide instructions to your broker, your shares will not be voted, which (i) will have the same effect as a vote against the merger agreement and (ii) will not constitute a vote “FOR” or to “WITHHOLD” the shareholder vote for the proposal for election of the nominees as directors presented for shareholder approval at the annual meeting and will be disregarded in the calculation of a plurality or of “votes cast” for such proposal.

**Q: Will my shares held in “street name” or another form of record ownership be combined for voting purposes with shares I hold of record?**

A: No. Because any shares you may hold in street name will be deemed to be held by a different shareholder than any shares you hold of record, any such shares will not be combined for voting purposes with shares you hold of record. Similarly, if you own shares in various registered forms, such as jointly with your spouse, as trustee of a trust or as custodian for a minor, you will receive, and will need to sign and return, a separate proxy card for those shares because they are held in a different form of record ownership. Shares held by corporation or business entity must be voted by an authorized officer of the entity, and shares held in an IRA account must be voted under the rules governing the account.

**Q: Do I have any rights to avoid participating in the merger?**

A: Yes. You have the right to withhold your vote for the merger agreement, dissent from the merger and seek the fair value of your shares as described in “Proposal I: Approval of the Merger Agreement—Dissenters’ Rights of Shareholders” beginning on ~~42~~ 43. Shareholders of First Farmers are cautioned that if they dissent, they may receive a “fair value” that is less than the value received by shareholders cashed out in the merger. In order to perfect your right to dissent, you must provide us written notice of your intent to dissent from the merger prior to the Annual Meeting and you must not vote in favor of the merger agreement.

**Q: If I am receiving cash in the merger, when will I get my money?**

A: After the Annual Meeting and the completion of the merger, we will mail you instructions on how to exchange your stock certificate(s) for cash. After you sign the forms provided and return your stock certificate(s), we will send you your payment.

**Q: If I hold shares in street name, how will they be treated in the merger?**

A: Any shares you hold in street name will not be added to the number of shares you hold directly in record name in determining the number of shares you hold. Shares held of record by street name holders will be accounted for in the aggregate; a street name holder holding less than 400 shares in all accounts for beneficial holders will be cashed out. The merger agreement has detailed provisions regarding the treatment of shares held in street name. Please read the discussion under “Proposal I: Approval of the Merger Agreement—Conversion of Shares in the Merger” for a description of these provisions generally as well as the terms of the merger agreement.

**Q: How will shares held by the First Farmers and Merchants Bank Profit Sharing Plan be treated in the merger?**

## Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form PRER14A

A: Any shares held by the First Farmers and Merchants Bank Profit Sharing Plan will not be affected by the merger. Because the Plan is counted as a single record holder holding more than 400 shares of First Farmers common stock, the Plan will continue to hold those shares after the merger.

**Q: What if I cannot find my stock certificate?**

A: The materials we will send you will include an affidavit and indemnity agreement that you will need to sign attesting to the loss of your certificate. First Farmers and its transfer agent will also require that you provide a bond to cover any potential loss to First Farmers.

**Q: Who can help answer my questions?**

A: If you have additional questions about the merger or the Annual Meeting, you should contact Robert E. Krimmel, Chief Financial Officer and Treasurer, at First Farmers and Merchants Corporation, P.O. Box 1148, Columbia, Tennessee 38402-1148, telephone (931) 388-3145.

## SPECIAL FACTORS

### Purpose and Reasons for the Merger

The primary purpose of the merger is to enable us to terminate the registration of our common stock under Section 12(g) of the Exchange Act. Although we intend to keep our shareholders informed regarding our business operations and financial results after the merger, we anticipate that such termination will enable us to save significant legal, accounting and administrative expenses relating to our public disclosure and reporting requirements under the Exchange Act. As a secondary matter, it is likely to decrease the administrative expense we incur in servicing a large number of shareholders of record who own relatively small numbers of shares.

Our shares of common stock are registered with the SEC because we have over 1,200 common shareholders of record and more than \$10 million in total assets. As a locally owned community bank holding company whose shares are not listed on any exchange or traded on any quotation system, we have incurred the costs associated with being a public company, while not enjoying many of the benefits associated with being a public company.

On April 5, 2012, the Jumpstart Our Business Startups Act (the "JOBS Act") was enacted, which, among other things, raises the threshold for the number of shareholders that a company must have to be required to register a class of securities. The JOBS Act also raised the threshold number of shareholders that banks and bank holding companies must fall below to deregister their securities under the Exchange Act. Specifically, the JOBS Act amended the Exchange Act to permit banks and bank holding companies to deregister under the Exchange Act if their shares are held by less than 1,200 record holders.

We had approximately 2,099 shareholders of record as of February 29, 2016, but approximately 97.6% of the outstanding shares as of that date were held by approximately 1,102 shareholders of record. As a result, there is a limited market for our shares and our Board of Directors believes there is little likelihood that a more active market will develop. However, because we have more than 1,200 shareholders of record and our common stock is registered under Section 12(g) of the Exchange Act, we are required to comply with the disclosure and reporting requirements under the Exchange Act and the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"). These requirements include preparing and filing current and periodic reports with the SEC regarding our business, financial condition, Board of Directors and management team, having these reports reviewed by outside counsel and independent auditors and documenting our internal controls in preparation for an internal control assessment, the results of which must be filed with the SEC.

After the merger, we intend to keep our shareholders informed about our business operations and financial results by delivering annual audited financial statements and quarterly unaudited financial statements to them. We also plan to post these financial statements on our website at [www.myfirstfarmers.com](http://www.myfirstfarmers.com), which also contains other information about our business. Moreover, our business operations are primarily conducted through our banking subsidiary, First Farmers and Merchants Bank, which is required to file quarterly financial reports with the Federal Deposit Insurance Corporation ("FDIC"). These reports are available online at [www.fdic.gov](http://www.fdic.gov). Further, for a period of 90 days following the filing of a Form 15 with the SEC, we and our shareholders will continue to be subject to certain provisions of the Exchange Act, such as the reporting and short-swing profit provisions of Section 16 and the reporting obligations under Section 13 with respect to certain acquisitions of shares of our common stock.

We are currently required to comply with many of the same securities law requirements that apply to large public companies with substantially greater compliance resources. Our resources are more limited and securities law compliance activities represent a significant administrative and financial burden to a company of our relatively small size and market capitalization. Our efforts to comply with these

requirements also cause us to incur less tangible, but nonetheless significant, costs in management time and attention that could otherwise be deployed toward revenue enhancing activities. The cost of compliance is substantial, representing an estimated direct and indirect annual cost to us of approximately \$250,000. See page 13 for a detailed break-down of these estimated costs. In light of this expense and the limited trading volume in our common stock, our Board of Directors believes that we and our shareholders receive little relative benefit from being registered under the Exchange Act.

In light of the relatively small benefit we believe our shareholders have received as a result of our status as a public company, we believe the merger will provide a more efficient means of using our capital to benefit our shareholders. As a locally owned community bank holding company whose shares are not listed on any exchange or traded on any quotation system, we have incurred the costs associated with being a public company, while not enjoying many of the benefits associated with being a public company. We determined that the cost savings and reduced burden on management to be achieved by terminating registration of our common stock under the Exchange Act outweighed any potential detriment from terminating such registration.

The merger is designed to substantially reduce the number of our shareholders of record. As of February 29, 2016, we had approximately 997 shareholders who owned fewer than 400 shares of record. By reducing our number of record shareholders to fewer than 1,200, thereby allowing us to terminate our registration under the Exchange Act and suspend our reporting obligations, the merger will result in a reduction of the significant administrative, accounting, and legal expenses incurred in complying with disclosure, reporting and compliance requirements under the Exchange Act and the Sarbanes-Oxley Act.

In addition to relieving us of the administrative burden and costs associated with our public disclosure and otherwise complying with the periodic reporting requirements of the Exchange Act as well as decreasing the expense and burden of dealing with our large number of shareholders holding relatively small positions in our common stock, the merger will also allow us to:

- permit cashed-out shareholders to receive cash for their shares, without having to pay brokerage commissions, at a price that our Board believes to be fair that represents a premium of 4.3% over the most recent sales price reported to us of our common stock prior to announcement of the merger of \$29.00 and a premium of 10.8% over the median sales price in the three-month period prior to announcement of the merger of \$27.29. If the merger is completed, our executive officers and directors (and all other holders of 400 or more shares) will benefit by a slight increase in their percentage ownership of our common stock and an increase in earnings per share, although the net book value of their holdings will decrease; and
- increase management's flexibility to consider and initiate actions that may produce long-term benefits and growth.

Our Board of Directors considered that some shareholders may prefer to continue as shareholders of a public company. There are certain advantages to being a public company, including potentially a more active trading market and the enhanced ability to use company stock to raise capital or make acquisitions. There is a limited market for our common stock; therefore, a more active trading market has not been of benefit to our shareholders. Another potential advantage of being a public company is the ability to access capital to meet additional capital needs. Since becoming a SEC-reporting company in 1983, however, we have not made any public offerings of common stock or any other equity or debt securities. We used our common stock as consideration for a single acquisition which occurred in 1999.

Nonetheless, the Board believes that the disadvantages of having us continue to be a public company outweigh the advantages of being a public company. The Board has no present intention to raise capital through sales of securities in a public offering or to acquire other business entities using our stock as the consideration for any such acquisition. Accordingly, we are not likely to make use of any advantage that our status as a public company may offer.

We incur significant direct costs attributable to our compliance with the SEC's filing and reporting requirements imposed on public companies. We also incur substantial indirect costs as a result of, among other things, the executive time spent to prepare and review such filings. Although it is impossible to specifically quantify these indirect costs, we estimate that our management and staff spend an average of 4% of their time (equating to approximately 16 days per quarter) on activities directly related to compliance with federal securities laws such as preparing and reviewing SEC-compliant financial statements and periodic reports, maintaining and overseeing our disclosure and internal controls, monitoring and reporting transactions and other data related to insiders' stock ownership and consulting with independent auditors and counsel on compliance matters. Our direct and indirect costs related to being a public company are estimated to approximate \$250,000 annually, as follows:

*Direct Costs*

Independent registered public accounting firm	\$	100,000
SEC counsel		30,000
Accounting/internal controls consulting fees		40,000

### Alternatives Considered

The 400-share level for shareholders to be cashed out was chosen by management and recommended to our Board of Directors based on an analysis of our shareholder list as of September 30, 2015. Because shareholders are free to buy or transfer shares until the effective time of the merger, we expect that some shareholders will acquire additional shares before the effective time through market purchases or other transactions in order to own more than the threshold number of shares and thus remain a shareholder after the merger. Because the number of shareholders above the threshold could increase before the effective time, it was necessary to select a threshold high enough to allow for possible changes in the composition of the shareholder list without defeating the purpose of the proposed transaction.

In making our determination, we considered other means of achieving the same result, but rejected these alternatives because we believed that the merger would be the means that is most efficient, most cost-effective, and least disruptive to our shareholders and would be most likely to achieve the desired result. These other alternatives considered included:

- **Issuer Tender Offer.** We considered an issuer tender offer to repurchase shares of our outstanding common stock. Because acceptance of the tender offer would be voluntary, the results would be unpredictable and we were uncertain as to whether this alternative would result in participation by a sufficient number of shareholders to accomplish the going private objective. Accordingly, we rejected this alternative.
- **Reverse Stock Split.** We also considered the use of a process known as a reverse stock split as an alternative to the merger. In a reverse stock split, we would reduce the number of issued and outstanding shares of our common stock through an amendment to our charter, so that shareholders owning a certain number of shares would own less than one full share of our common stock, and we would pay cash for the resulting fractional share interests. While the reverse stock split and the merger would both achieve the same objective of reducing the number of shareholders in a predictable manner, we chose the merger because we concluded that a reverse stock split would be disruptive to all of our shareholders and cost us more in that we would have to pay cash to large shareholders for their fractional shares, even though they would remain shareholders after the transaction. We also considered structuring the transaction as a reverse stock split coupled with a forward stock split, but we determined these structures to be too expensive and disruptive to shareholders.
- **Share Reclassification.** In addition, the Board considered a share reclassification, which would involve authorization of a new class of stock and the exchange by certain shareholders of common stock for the new stock. However, the Board rejected this alternative because it would not provide any liquidity for shareholders owning a small number of shares and would not reduce our costs with respect to servicing a large number of shareholders.
- **Stock Repurchase Program.** We currently have in place a stock repurchase program that the Board has authorized the Company to purchase up to 200,000 shares at a market rate through December 31, 2016. Because the stock repurchase plan is voluntary, the Board concluded that it was highly unlikely the Company could acquire shares from a sufficient number of holders through a stock repurchase program to accomplish the Board's objectives.

We did not consider other methods to reduce expenses other than going private because (1) these types of transactions are inconsistent with the narrower purpose of the proposed transaction, which is to discontinue our SEC reporting obligations and (2) we were not aware of other methods of achieving expense reductions that were comparable with those reductions possible through the merger. In addition, we did not consider the possibility of a third-party buyout because we believe that we can best maximize shareholder value by remaining an independent banking organization. Remaining independent will enable us to focus our growth in our target markets and capitalize on our local market presence, which we believe will enhance our earnings.

*Other Considerations.* In approving and recommending the proposed merger transaction, our directors were aware of potential conflicts of interest, or appearances of conflicts of interest issues. The transaction will result in an increase in the percentage of ownership of all directors and executive officers. As a group, our directors and officers beneficially own approximately 6.2% of the outstanding shares of our common stock and following the effective time of the merger, our directors and executive officers would beneficially own approximately 6.4% of the shares. However, this benefit is shared proportionally by all remaining shareholders. In addition, it is expected that the transaction will, after it is concluded, reduce the risk of litigation and liability to which directors and officers of public companies are exposed.

While the foregoing narration of the factors considered by our Board of Directors is intended to discuss in reasonable detail the material factors on which the Board relied, it does not necessarily reflect all factors involved in the process. In view of the variety of factors

considered in connection with the Board's evaluation of the merger proposal, we did not find it practicable to quantify or otherwise assign relative weights to the specific factors considered in reaching our determination. We considered all the factors as a whole in reaching our determination. In addition, individual members of our Board of Directors may have given different weights to different factors.

The merger proposal is being made at this time because the sooner the proposal can be implemented, the sooner we will cease to incur the expenses and burdens associated with the reporting requirements of the Exchange Act and the sooner shareholders who are to receive cash in the merger will receive and be able to reinvest or otherwise make use of such cash payments. We determined that the merger proposal was the best choice for the shareholders and us. We estimate that following the proposed merger approximately 1,102 shareholders of record will remain, which will leave us comfortably below the maximum of 1,200 shareholders of record necessary to terminate our registration under the Exchange Act and no longer be subject to the related reporting requirements.

### **Background of the Going Private Merger Proposal**

First Farmers was incorporated under the laws of the State of Tennessee in 1982 to serve as the bank holding company for First Farmers and Merchants Bank, which was chartered as a bank in 1909.

As of December 31, 2015, there were 4,739,502 shares of First Farmers common stock issued and outstanding held by 2,099 record holders. Approximately 991 of these record shareholders held fewer than 400 shares (not including beneficial owners whose shares may be registered in "street" name). Collectively, these 991 record holders own an aggregate of approximately 112,491 shares, representing approximately 2.4% of our issued and outstanding shares. Additionally, based on available information, we estimate that approximately 645 shares are held in street name by brokers or other nominees who each hold in the aggregate fewer than 400 shares of our common stock. These shares will also be cashed out in the merger.

Our common stock has never traded on a national securities exchange and we have filed reports under the Exchange Act since 1983. These reports include: annual, quarterly and current reports presenting and analyzing our business, financial condition, results of operations and management structure; ongoing reports regarding insiders' stock transactions and potential short-swing profit liability; and proxy statements disclosing information about our directors and executive officers, their compensation and our corporate governance process. Although we have been subject to public reporting obligations since 1983, the costs of meeting all legal and accounting requirements for maintaining our status as a public company have grown significantly, particularly after passage of the Sarbanes-Oxley Act in 2002. As a result of a number of changes in federal law and regulations, we have become subject to heightened compliance and documentation requirements in a variety of areas, including disclosure and internal controls, internal and external audit relationships, and the duties and qualifications of our Board committees. We have also become subject to accelerated and expanded disclosure requirements relating to our corporate and trading activities. As a result of these new requirements, our cost of compliance has increased, particularly relative to our limited personnel resources and market capitalization. See "—Purpose and Reasons for the Merger" on page 12. Since becoming a public reporting company, however, we have not raised any capital through the issuance of equity or debt securities in public markets and have only used our common equity as acquisition currency in a single business combination that closed in 1999.

Before passage of the JOBS Act in April 2012, our senior management and Board of Directors began to discuss generally the relative benefits and costs, both direct and indirect, relating to continuing our status as a public company. The Board authorized a committee comprised of certain independent Board members and members of our senior management team to review First Farmers' options and to make recommendations to the Board as to alternatives. This committee considered the pros and cons of listing First Farmers' common stock on a national securities exchange, establishing an Employee Stock Ownership Plan, implementing a stock repurchase program, and effecting various "going private" strategies such as a reverse stock split, a recapitalization and an issuer tender offer. This effort was eventually abandoned, because a "going private" transaction prior to the JOBS Act would have had a larger impact on First Farmers' shareholder base (5,330,000 shares held by more than 2,200 record holders at the end of 2011) and capital position than the currently proposed transaction. The JOBS Act increased the number of record holders that bank holding companies can have before being required to file reports with the SEC from 300 to 1,200.

In July 2012 a newly formed Board committee (the Corporate Vision Committee) consisting of Board members Dalton Mounger, Jonathan Edwards and Lacy Upchurch was formed to consider various options to decrease the costs and management time associated with Exchange Act compliance in a post-JOBS Act environment. The Corporate Vision Committee consulted with outside legal counsel and other parties as to the advantages and disadvantages as well as the possible methods First Farmers could use to eliminate the burden of First Farmers' status as a public reporting company. This Committee explored the possibility of implementing a reverse stock split, then considered a cash merger, which would have applied to all holders of less than 1,000 shares, a threshold that would take the number of record holders below 1,200 with a reasonable cushion to absorb fluctuations in the record holder count. This transaction as proposed would have affected approximately 1,500 record holders owning approximately 423,000 shares. After considering this and other information provided by outside counsel, the Corporate Vision Committee recommended to the Board at a meeting on June 18, 2013, that First Farmers not proceed with a going private transaction at that time due to the number of shares that would need to be purchased and the number of record holders impacted. The Corporate Vision Committee was then dissolved.

## Edgar Filing: FIRST FARMERS & MERCHANTS CORP - Form PRER14A

In the second quarter of 2015, senior management began to re-evaluate the expense and burden of First Farmers' status as a public company against any benefits it was getting from this status. Management concluded that any benefits First Farmers received as a result of SEC registration was far outweighed by the expense and burden of being a public company. Management reviewed First Farmers' history and determined that, since becoming a public reporting company, First Farmers had not raised any capital through the issuance of equity or debt securities in public markets and had only used common equity as acquisition currency in a single business combination. After weighing the disadvantages of remaining public against the advantages, management consulted with outside legal counsel and other third parties and concluded that a going private transaction through a cash merger would be desirable. In addition, senior management examined the shareholder list of First Farmers to evaluate the effects of various cash-out thresholds.

At a Board meeting on October 27, 2015, First Farmers' senior management presented a report regarding its recommendation as to the appropriate cash-out threshold and on the costs and benefits of proceeding with a going private transaction. Management reported to the Board that management had considered the four alternative structures described under "Alternatives Considered" on page 15 in addition to the merger proposal, but determined that the merger proposal was the best choice for First Farmers and its shareholders. At that meeting, the Board authorized management to proceed with any additional steps necessary to bring this proposal to the point where it could be considered and voted upon. As a result, senior management selected Sheshunoff & Co. to prepare an initial "fair value" report.
