PROXY STATEMENT

APPROXIMATE DATE PROXY MATERIAL FIRST SENT TO SHAREHOLDERS:

September 11, 2006

ANNUAL MEETING OF SHAREHOLDERS—SEPTEMBER 26, 2006

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished by the Board of Directors of PPOL, Inc., a California corporation (the “Board” and the “Company,” respectively), in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders (the “Annual Meeting”) of the Company to be held on Tuesday, September 26, 2006, at 10:00 a.m. local time, at the Conference Center of Griffin Towers 5, located at 5 Hutton Centre Drive, Santa Ana, California 92707 and at any adjournments or postponements thereof. Our principal executive office is 1 City Boulevard West, Suite 820, Orange, California 92868 and our telephone number is (714) 937-3211. The purposes of the Annual Meeting are set forth in the accompanying Notice of Annual Meeting of Shareholders.

ANY PROXY IN WHICH NO DIRECTION IS SPECIFIED WILL BE VOTED IN FAVOR OF EACH OF THE MATTERS FOR WHICH NO DIRECTION IS SPECIFIED.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

The close of business on July 31, 2006 has been fixed as the record date for the determination of Shareholders entitled to receive notice of and to vote at the Annual Meeting. On that date, the Company’s outstanding voting securities consisted of 20,542,875 shares of Common Stock. On all matters that come before the Annual Meeting, each stockholder or his or her proxy will be entitled to one (1) vote for each share of Common Stock held by the stockholder on the record date.

If a broker, bank or other nominee holds your shares, you will receive instructions from them that you must follow in order to have your shares voted.

The holders of a majority of the Company’s stock issued and outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment thereof. Abstentions will be counted for purposes of determining if a quorum is present at the Annual Meeting for the transaction of business. Accordingly, if you have returned valid proxy instructions or attend the Annual Meeting in person, your Common Stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. Broker nominee votes will be counted as present or represented for purposes of determining the presence of a quorum.

Abstentions are included in determining the number of shares voted on the proposals submitted to Shareholders (other than the election of directors) and will have the same effect as a vote against such proposals. Although broker “non-votes” and abstentions will be counted for the purposes of attaining a quorum for Proposal One and Two (to elect

Yoshihiro Aota, Richard Izumi and Masao Yamamoto as directors and to ratify Windes & McLaughry as the Company's independent accountants, respectively), directors are elected by a plurality of the votes of the shares of Common Stock represented and voted at the Annual Meeting and, therefore, broker non-votes and abstentions will have no effect on the outcome of the election of directors.

If any shareholder gives notice at the Meeting prior to commencement of voting that the shareholder intends to cumulate his or her votes, then the directors shall be elected by the cumulative voting method. In such event, the shareholders shall have the right to cast that number of votes equal to the number of shares which they hold multiplied by the number of directors to be elected by them, i.e., for the purpose of this election, three votes for each share. Each shareholder may cast the whole number of votes for one candidate, or distribute them among two or more candidates. The persons named in the accompanying proxy will have discretionary authority to cumulate votes in the election of directors in favor of one or more candidates.

Richard H. Izumi will serve as proxy holder, with full power of substitution, at the annual shareholders meeting of stockholders to be held on September 26, 2006. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. However, if no specific instructions are given, the shares will be voted in accordance with the following recommendations of our Board of Directors:

- “FOR” the election of Yoshihiro Aota, Richard Izumi and Masao Yamamoto to serve for one (1) year and until their successors are duly elected and qualified.
- “FOR” the ratification of Windes & McClaughry as the Company’s independent accountants.

We are not aware of any matters to be presented other than those described in this Proxy Statement. If any matters not described in the Proxy Statement are properly presented at the meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time prior to its use by (i) delivering a written notice of revocation to the principal financial officer of the Company, (ii) filing a duly executed proxy bearing a later date with the Company or (iii) attending the Annual Meeting and voting in person.

The costs of this solicitation will be borne by the Company. The Company will request brokerage houses and other nominees, custodians and fiduciaries to forward soliciting material to beneficial owners of the Company’s Common Stock. The Company may reimburse brokerage firms and other persons representing beneficial owners for their expenses in forwarding solicitation materials to beneficial owners. Proxies may also be solicited by certain of the Company’s directors, officers and regular employees, without additional compensation, either personally, by telephone, facsimile or other means.

PROPOSAL ONE

ELECTION OF DIRECTORS

GENERAL

The Bylaws of the Company provide that the Board of Directors is to be fixed at no less than three (3) and no more than seven (7) directors. The current number of directors is currently fixed at three (3).

The Board of Directors knows of no reason why the nominees should be unable or unwilling to serve, but if any nominee should, for any reason, be unable or unwilling to serve, the proxies will be voted for the election of such other person to the office of director as the Board of Directors may recommend in the place of such nominee.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF THE
NOMINEES FOR ELECTION AS MEMBERS OF THE BOARD OF DIRECTORS.**

VOTING INFORMATION

Proxies solicited by the Board of Directors will, unless otherwise directed, be voted to elect all nominees proposed by the Board. A stockholder submitting a proxy may vote for all or any of the nominees for election to the Board of Directors or may withhold his or her vote from all or any of such nominees. If a quorum is present and voting, the nominees receiving the highest number of votes, up to the number of directors to be elected, will be elected to the Board. An abstention from voting on this matter by a stockholder, while included for purposes of calculating a quorum for the Annual Meeting, has no effect. In addition, although broker “non-votes” will be counted for purposes of attaining a quorum, they too will have no effect on the vote. The persons designated in the enclosed proxy will vote your shares FOR each nominee unless instructions otherwise are indicated in the enclosed proxy.

Each nominee has agreed to serve the Company as a director if elected. However, as noted above, should any nominee become unwilling or unable to serve if elected, the Proxy agents named in the proxy will exercise their voting power in favor of such other person as the Board of Directors of the Company may recommend.

In addition, the Committee will review and report to the Board on a periodic basis with regard to matters of corporate governance. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file certain reports of ownership with the Securities and Exchange Commission (the "SEC") and with the National Association of Securities Dealers, Inc. Such officers, directors and shareholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, all reports required to be filed during fiscal year ended March 31, 2006 pursuant to Section 16(a) of the Exchange Act by directors, executive officers and 10% shareholders have been filed.

CODE OF ETHICS

The Company adopted a code of ethics applicable to all of its directors, officers and employees which is a "code of ethics" as defined by the applicable rules of the Securities and Exchange Commission (SEC). This code of ethics is found as exhibit 14 to our 10-K for fiscal 2004 as filed with the SEC. If the Company makes any amendments to this code of ethics other than technical, administrative or other non-substantive amendments, or grants any waiver, including implicit waivers, from a provision of this code of ethics, the Company will disclose the nature of the amendments or waivers, its effective date and to whom it applies in a report on Form 8-K filed with the SEC.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS*Green Capital*

On May 30, 2005, the Company completed the acquisition of K.K. U Service, a Japanese corporation ("USC") based in Tokyo, Japan pursuant to a Purchase Agreement dated May 30, 2005, by and between the Company, USC and K.K. Green Capital, a Japan corporation (the Seller or Green Capital). The Company purchased all of the issued and outstanding shares of USC for \$3,522,000. Seller is the majority investor in Foster Strategic Investment Partnership (FSIP), a Singapore partnership, which owns approximately 10,547,594 shares of the Company's common stock, representing approximately 51.34% of the Company's issued and outstanding stock.

The following summarizes the assets acquired and liabilities assumed in connection with the acquisition described in the preceding paragraph:

Current assets	\$ 899,000
Deposits	1,455,000
Intangibles	84,000
Total assets acquired	2,438,000
Liabilities assumed	(883,000)
Net assets acquired	\$ 1,555,000

The purchase price represented a significant premium over the recorded net worth of USC's assets. In determining to pay this premium, we considered various factors, including the opportunities that USC offers to enhance our future growth opportunities, synergies with our present operations, cost and time advantages of establishing a comparable company on our own, contacts with prospective vendors and elimination of a potential competitor.

By virtue of the Seller's relationship with FSIP, it has been determined that PPOL and USC are de facto entities under common control. Accordingly, we have accounted for the acquisition of USC in a manner that is similar to the pooling method to comply with paragraph 11 of Financial Accounting Standards Board's Statement of Financial Accounting

Standards Statement No. 141 Business Combinations. For accounting purposes, the excess of purchase price over the net assets of USC will be treated as a dividend to Green Capital.

Advanced Communications

During the year ended March 31, 2006, PPOL entered into the following transactions with Advanced Communications K.K., a Japanese corporation that is 79.55% owned by Green Capital:

Inventory purchases	\$ 12,123,000
Information technology services	13,925,000

Forval

Effective March 31, 2005 (the "Effective Date"), the Company entered into a Purchase Agreement (the "Purchase Agreement"), as discussed below, with Forval, which at the time of the Effective Date owned approximately 10,547,594 shares of common stock of the Company, representing approximately 58.62% of the Company's issued and outstanding common stock. Forval's Chief Executive Officer ("CEO"), Hideo Ohkubo, also served as the CEO and Chairman of the Board of the Company at the time of the Effective Date of the Purchase Agreement. The Company was the 100% owner of the common stock of Gatefor (the "Gatefor Shares"), a Japan joint stock company.. The Company was also the owner of 1,500 shares (the "OI Shares") of common stock of Object Innovation, Inc., a Florida corporation ("OI") representing a 15% interest in OI. The Company and OI were parties to a certain Exclusive Distribution Agreement, dated May 26, 2004 (the "Exclusive Distribution Agreement"), which agreement the Company assigned (the "Assignment") to Gatefor pursuant to that certain Exclusive Distribution Right License Agreement (the "Distribution Right License Agreement"), dated October 1, 2004, between the Company and Gatefor. In connection with the Assignment, OI and Gatefor entered into a revised letter of understanding, dated August 11, 2004 (the "Revised Letter of Understanding"), providing for, among other things, OI's right to purchase 5% of the equity of Gatefor and certain payments to be made by Gatefor to OI.

In furtherance of the Purchase Agreement, the Company sold to Forval the Gatefor Shares and the OI Shares, and assigned to Forval the Company's receivable from Gatefor (the "Gatefor Receivable") in the principal amount of \$1,643,000, plus accrued interest. The Purchase Agreement approximately valued the Gatefor Shares at \$1,395,000, and the OI Shares at \$279,000. In connection with Forval's acquisition of the Gatefor Shares, OI Shares and Gatefor Receivable, Forval cancelled the Company's debt to Forval in the principal amount of approximately \$3,161,000 plus accrued interest, and further paid the Company approximately \$143,000. As further consideration in the transaction, the Company assigned to Forval all of the Company's right, title and interest in and to, and Forval assumed all obligations under, the Exclusive Distribution Agreement and the Distribution Right License Agreement, except that

the payment of approximately \$930,000 previously made by Gatefor to the Company pursuant to the Distribution Right License Agreement was deemed non-refundable.

For accounting purposes, the transaction described in the preceding paragraph, the difference between the sum of amount of Forval's cancellation of the Company's debt plus accrued interest, approximately \$143,000 cash consideration, combined with approximately \$930,000 deemed non-refundable and PPOL's net book value in Gatefor immediately preceding the transaction was accounted for as a capital contribution from the then majority shareholder, Forval. A Special Committee (the "Committee") of independent directors of The Company's Board of Directors was formed to review the terms and conditions of the Purchase Agreement. The Committee approved The Company's execution, delivery and performance of the Purchase Agreement.

PPOL entered into separate agreements with Forval and Leo Global Fund, which collectively held approximately 94% the Company's common stock, in which PPOL was to provide certain consulting services during fiscal 2003. As provided for in the agreements, PPOL received a prepayment of \$483,858 from Forval and Leo Global Fund in fiscal 2003. Since the Company did not complete the consulting services called for in the agreements prior to March 31, 2003, the payments received were included in "deferred revenue," as a liability, at March 31, 2003. The consulting services were completed in fiscal 2004 at which time the consulting revenues were recognized. There is no assurance that PPOL will receive such projects from Forval and Leo Global Fund in the future.

Common stock offering:

On May 30, 2005, the Company sold to four purchasers a total of 2,549,129 shares of its common stock, \$0.001 par value per share ("Common Stock") for an aggregate consideration of JPY1,100,000,000 (US \$10,196,516) at \$4 per share. The Company entered into separate Stock Purchase Agreements ("Stock Purchase Agreements"), each dated as of May 30, 2005, with (i) K.K. Contents Provider Tokyo, a Japan corporation, which paid JPY400,000,000 (US\$3,707,824); (ii) K.K. Seagull, a Japan corporation, which paid JPY400,000,000 (US\$3,707,824); (iii) K.K. H.I. Consultants, a Japan corporation, which paid JPY200,000,000 (US\$1,853,912); and (iv) K.K. System Partners, a Japan corporation, which paid JPY100,000,000 (US\$926,956) (collectively, the "Investors"). The Company issued the Common Stock in a private placement without registration under the Securities Act of 1933, as amended (the "Act"), in reliance on one or more exemptions from the registration requirements under the Act, including Regulation D.

Pursuant to the Stock Purchase Agreements, the Company entered into a Registration Rights Agreement ("Registration Rights Agreement"), dated May 30, 2005, with each of the four Investors, which granted "piggy-back" registration rights to the Investors. Pursuant to the Registration Rights Agreement, if the Company at any time files a registration statement (other than a Form S-4 or Form S-8 registration statement) with the Securities and Exchange Commission under the Act, Registrant agrees to use its best efforts to include in such registration statement such shares of the Investors' Common Stock as the Investors may request, subject to the terms and conditions of the Registration Rights Agreement.

The Company used the proceeds from the above noted sale of equity securities to purchase 100% of the issued and outstanding common stock of K.K. U Service, a Japanese corporation.

The CEO of PPOL is also the Representative Director of K.K. H.I. Consultants.
