Owen John Onsum, President and Chief Executive Officer stated, We are very pleased to report First Northern Community Bancorp has had a much better year than we ever could have expected. Earnings continued to be strong in spite of the interest rate environment and our current growth initiatives. This can be attributed in large part to our loan growth, our low cost deposit mix, and the real estate finance boom. In addition, our friendly and skilled relationship managers, with the help of a great team of support staff, continue to build good quality business for the Bank through expansion of the products and services provided to existing customers, as well as developing new customer relationships.

At their regular meeting on January 23, 2002, the Board of Directors of First Northern Community Bancorp declared a 6% stock dividend, payable March 31, 2003 to shareholders of record as of February 28, 2003. All income per share amounts have been adjusted to give retroactive effect to the stock dividend. This dividend represents the 38th consecutive year the Company has paid a stock dividend.
