Item 5. Other Events and Regulation FD Disclosure

As previously reported on Coram Healthcare Corporation's Current Report on Form 8-K, dated July 11, 2003, two competing proposed plans of reorganization have been filed in the United States Bankruptcy Court for the District of Delaware (the Bankruptcy Court) in the jointly administered bankruptcy cases of Coram Healthcare Corporation (CHC) and Coram, Inc. (CI) (CHC and CI are hereinafter collectively referred to as the Debtors). The two competing plans of reorganization have been proposed by (i) Arlin M. Adams, the Chapter 11 Trustee for the Debtors' estates, (the Chapter 11 Trustee) and (ii) the Official Committee of Equity Security Holders of Coram Healthcare Corporation (the Equity Committee). Such proposed plans of reorganization, as well as modifications, supplements and amendments thereto, can be found as exhibits to CHC's Current Reports on Form 8-K previously filed with the United States Securities and Exchange Commission.

The hearings to consider confirmation of the two competing proposed plans of reorganization commenced on September 30, 2003. The related briefing period concluded on June 14, 2004; however, such proposed plans of reorganization remain subject to Bankruptcy Court confirmation. No assurances can be given that either plan will ultimately be confirmed by the Bankruptcy Court.

Pursuant to a request from legal counsel for FFF Enterprises, Inc. (FFF), the Chapter 11 Trustee's legal counsel disclosed at a recent Bankruptcy Court hearing that FFF, a privately held company incorporated under the laws of the State of California, forwarded a non-binding letter of intent to the Chapter 11 Trustee wherein an unsolicited offer to acquire substantially all of the assets of the Debtors and their operating subsidiaries (collectively the Company) was proffered. FFF is headquartered in Temecula, California and, as more fully discussed in CHC's Annual Report on Form 10-K for the year ended December 31, 2003, is one of the Company's significant vendors. On June 30, 2004, FFF filed in the Bankruptcy Court its Notice Of Submission Of FFF Enterprises, Inc.'s Letter of Intent To Purchase Assets Of The Estate And Request For Consideration Thereof (the FFF Notice). Among other things, the FFF Notice (i) describes certain details of the unsolicited offer to acquire substantially all of the Company's assets (the FFF Offer) and (ii) requests that the Bankruptcy Court consider the FFF Offer at the Debtors' July 19, 2004 omnibus hearing. The FFF Notice has been attached to this report as exhibit 99.1.

On July 12, 2004, the Chapter 11 Trustee filed his Response Of Chapter 11 Trustee To Notice Of Submission Of FFF Enterprises, Inc.'s Letter of Intent To Purchase Assets Of The Estate And Request For Consideration Thereof (the Chapter 11 Trustee's Response) wherein, among other things, the FFF Offer was rejected for the reasons set forth therein. The Chapter 11 Trustee's Response has been attached to this report as exhibit 99.2. The Equity Committee, as well as Cerberus Partners, L.P., Goldman Sachs Credit Partners L.P. and Wells Fargo Foothill, Inc. (hereinafter collectively referred to as the Company's Noteholders), also filed responses to the FFF Notice in the Bankruptcy Court on July 12, 2004. The responses of the Equity Committee and the Company's Noteholders, both of which also reject the FFF Offer and certain other relief requested in the FFF Notice, can be found at docket numbers 3891 and 3883, respectively, in the Debtors' jointly administered bankruptcy proceedings.

Management can provide no assurances as to how or when the Bankruptcy Court will rule on the FFF Notice, the Chapter 11 Trustee's Response or the other responses filed by interested parties.

Note: Except for historical information, all other statements in this report are forward-looking within the meaning of the Private Securities Litigation Reform Act of 1995. The Company's actual results may vary materially from these forward-looking statements due to important risk factors, including the Company's historical lack of profitability; uncertainties associated with the outcomes of certain pending legal matters, including the bankruptcy proceedings; the Company's leveraged financial structure; the Company's ability to comply with certain governmental regulations; the Company's need to obtain additional financing or equity; the Company's limited liquidity; the Company's dependence upon its relationships with third party payers and the prices paid by such third party payers for the Company's services; and certain other factors. Risk factors are described in greater detail in CHC's Annual Reports on Form 10-K, Form 10-Q Quarterly Reports and Current Reports on Form 8-K on file with the United States Securities and Exchange Commission.
