PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

May 6, 2003

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of C.H. Robinson Worldwide, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Tuesday, May 6, 2003, at 9:00 a.m., local time, at the executive offices of the Company located at 8100 Mitchell Road, Eden Prairie, Minnesota, and at any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about April 4, 2003.

Only stockholders of record of the Common Stock, par value \$0.10 per share, of the Company (the "Common Stock") at the close of business on March 21, 2003 will be entitled to vote at the Annual Meeting. As of that date, approximately 84,577,327 shares of Common Stock were outstanding, each share being entitled to one vote. There is no cumulative voting.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares of the Company's Common Stock represented by proxies in the accompanying form, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in the manner directed by the stockholder. If no direction is given, the proxy will be voted FOR the election of the nominees for director named in this Proxy Statement, and FOR the ratification of Deloitte & Touche LLP as the Company's independent auditors. A stockholder may revoke a proxy at any time prior to its exercise by giving to an officer of the Company a written notice of revocation of the proxy's authority, by submitting a duly executed proxy bearing a later date or by delivering a written revocation at the Annual Meeting.

If a stockholder returns a proxy withholding authority to vote the proxy with respect to a nominee for director, then the shares of the Common Stock covered by such proxy shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of

Edgar Filing: C H ROBINSON WORLDWIDE INC - Form DEF 14A

calculating the vote with respect to such nominee, but shall not be deemed to have been voted for such nominee. If a stockholder abstains from voting as to any matter, then the shares held by such stockholder shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. If a broker returns a non-vote proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Annual Meeting for purposes of determining a quorum but shall not be deemed to be present and entitled to vote at the Annual Meeting for purposes of calculating the vote with respect to such matter.

The Company did not receive written notice of any stockholder proposal prior to January 31, 2003 as required by the Company's Bylaws, and as of the date of this Proxy Statement, the Board of Directors of the Company knows of no business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will vote the proxies in accordance with their best judgment.

PROPOSAL ONE: ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into three classes. The members of each class are elected to serve three-year terms with the term of office of each class ending in successive years. John P. Wiehoff and Gerald A. Schwalbach are directors in the class whose term expires at the Annual Meeting. Greg Goven is also a director in the class whose term expires at the Annual Meeting. Mr. Goven retired as Senior Vice President of the Company in December 2002, and has decided to retire as a director to pursue other ventures. The Board of Directors has determined to decrease the size of the Board to seven members. Following the recommendation of our Nominating and Corporate Governance Committee, the Board of Directors has nominated Messrs. Wiehoff and Schwalbach for election to the Board of Directors at the Annual Meeting for terms of three years, and each has indicated a willingness to serve. The other directors of the Company will continue in office for their existing terms. D.R. Verdoorn and Barry W. Butzow serve in the class whose term expires in 2004, and Robert Ezrilov, Wayne M. Fortun and Brian P. Short serve in the class whose term expires in 2005. Upon the expiration of the term of a class of directors, directors in such class will be elected for three-year terms at the annual meeting of stockholders in the year in which such term expires. The affirmative vote of a majority of the shares of Common Stock present and entitled to vote at the Annual Meeting is necessary to elect the nominees for director.

The persons named as proxies in the enclosed form of proxy will vote the proxies received by them for the election of Messrs. Wiehoff and Schwalbach, unless otherwise directed. In the event that any nominee becomes unavailable for election at the Annual Meeting, the persons named as proxies in the enclosed form of proxy may vote for a substitute nominee in their discretion as recommended by the Board of Directors.

Meetings and Committees of the Board of Directors

During 2002, the Board of Directors held five meetings. Each director holding office during the year attended 100% of the total number of meetings of the Board of Directors (held during the period for which he has been a director) and committees of the Board on which he served. The Board of Directors has an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee, which are described below.

The Audit Committee is comprised of Messrs. Ezrilov, Schwalbach and Fortun. All members are independent under applicable NASDAQ listing standards. The Audit Committee has the sole authority to appoint, review and discharge our independent auditors. In addition, the Audit Committee is responsible for (1) reviewing the scope, results, timing and costs of the audit with the Company's independent auditors and reviewing the results of the annual audit examination and any accompanying management letters, (2) assessing the independence of the outside auditors, (3) reviewing and approving in advance the services provided by the independent auditors, (4) overseeing the internal audit function, and (5) reviewing the Company's significant accounting policies and the adequacy of the Company's internal controls and procedures. In March 2003, the Board of Directors adopted a restated written charter for the Audit Committee which is attached as Exhibit A to this Proxy Statement. The Audit Committee held six meetings during 2002.

The Nominating and Corporate Governance Committee (formerly known as the Nominating Committee) is comprised of Messrs. Ezrilov, Schwalbach and Fortun. All members are independent under applicable NASDAQ listing standards. The Nominating and Corporate Governance Committee is responsible for (1) identifying and recommending candidates for membership in the Board of Directors, (2) adopting and revising the Company's Corporate Governance Guidelines, (3) leading the Board of Directors in its annual review of the Board's and the Chief Executive Officer's performance, and (4) recommending director nominees for Board committees. With respect to Board of Director nominees, the Nominating and Corporate Governance Committee will consider nominees recommended by stockholders that are submitted in accordance with the Company's bylaws. The Nominating and Corporate Governance Committee held two meetings during 2002.

The Compensation Committee is comprised of Messrs. Ezrilov, Schwalbach and Fortun. All members are independent under applicable NASDAQ listing standards. The Compensation Committee is responsible for (1) reviewing corporate performance and determining the compensation and benefits for the Chief Executive Officer and other executive officers of the Company, (2) establishing the Company's compensation policies and practices, and (3) administering the Company's incentive compensation and stock plans. The Compensation Committee held three meetings during 2002.

Compensation of Directors

During 2002, each non-employee director of the Company received \$1,500 for each meeting of the Board of Directors and \$750 for each committee meeting attended, and an annual retainer of \$6,000. Pursuant to the Company's Directors' Stock Plan, the Company may pay such fees in Common Stock. Each non-employee director also received non-qualified stock options to purchase 3,000 shares on February 15, 2002, at an exercise price of \$29.25 per share. These options were exercisable immediately upon grant. The Company also reimburses non-employee directors for reasonable expenses incurred in attending Board meetings.

Directors who are also employees of the Company are not separately compensated for any services provided as a director.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors (the "Compensation Committee"), which consists of three independent directors, is responsible for determining the compensation and benefits of the executive officers of the Company. The Compensation Committee is also responsible for ensuring proper design and administration of the Company's incentive compensation and stock plans, including the 1997 Omnibus Stock Plan (the "Omnibus Stock Plan") and the Robinson Companies Nonqualified Deferred Compensation Plan (the "Deferred Compensation Plan").

Objectives and Philosophy

The Compensation Committee has adopted a compensation philosophy intended to achieve the following basic goals: (i) provide a level of total compensation necessary to attract and retain high quality executives; (ii) provide incentive compensation based on the alignment of corporate performance objectives and the interests of the stockholders; (iii) emphasize team performance; (iv) balance incentive compensation to achieve both short-term and long-term profitability and growth; and (v) encourage executives to make long-term career commitments to the Company and its stockholders.

The Compensation Committee reviews market data and assesses the Company's competitive position in each of the three primary components of executive compensation: base salary, annual bonus and long-term incentive compensation. The following descriptions of the primary components of compensation contain additional detail regarding the Committee's objectives and philosophy. The Compensation Committee does not allocate a fixed percentage to each of the three components. Compensation decisions regarding individual executives may also be based on factors such as individual performance, level of responsibility, unique skills of the executive and demands of the position.

Components of Compensation

Base salary. Annual base salary is designed to compensate executives for sustained performance and is intended to provide a minimum level of guaranteed compensation. In 2002, base salary levels and annual increases for executive officers were determined based on an evaluation of the responsibilities of the position held and the experience of the particular individuals. During 2000, the Company eliminated its executive automobile program and increased base salaries to compensate for the elimination of an automobile allowance. The Committee believes that a significant percentage of total compensation should be variable and incentive based.

Bonus compensation. The Company's Management Bonus Plan pays cash bonuses to executives (including the executives named in the Summary Compensation Table below) when the Company achieves certain corporate financial performance objectives. The extent of an executive's participation in the Management Bonus Plan is variable depending on the executive's individual performance, position, and if the particular executive achieves certain objectives established on a prior year basis. The amount of such bonus increases in relation to the Company's earnings, up to a determined maximum amount. The bonus column of the Summary Compensation Table below contains the annual incentive payments for 2002 for the Chief Executive Officer and each of the other named executive officers.

Edgar Filing: C H ROBINSON WORLDWIDE INC - Form DEF 14A

Long-Term Incentive Compensation. Pursuant to the Omnibus Stock Plan, officers, other employees, trusts for the benefit of employees, consultants and eligible independent contractors of the Company may receive options to purchase Common Stock. The Omnibus Stock Plan provides for the grant of both incentive stock options intended to qualify for preferential tax treatment under Section 422 of the Internal Revenue Code of 1986, as amended (the Code), and nonqualified stock options that do not qualify for such treatment. The Omnibus Stock Plan also permits grants of stock appreciation rights, restricted stock and restricted stock unit awards, performance awards, dividend equivalents and other stock grants or other stock-based awards.

The Compensation Committee oversees the administration of the Omnibus Stock Plan and approves awards made under the Plan. A total of 9,000,000 shares of Common Stock are reserved for issuance under the Omnibus Stock Plan. The Omnibus Stock Plan will expire in 2007. In determining the persons to whom options and awards may be granted and the number of shares subject to each grant, the Committee may take into account the nature of services rendered by the respective employees or consultants, their present and potential contributions to the success of the Company, and such other factors as the Committee in its discretion may deem relevant. Non-employee directors may be granted nonqualified stock options to purchase shares of Common Stock on a periodic basis. The Board of Directors may amend or discontinue the Omnibus Stock Plan at any time. The Committee may not alter or impair any award granted under the Omnibus Stock Plan without the consent of the holder of the award except as otherwise provided in the Omnibus Stock Plan or any award agreement.

Stock options were granted to the named executive officers and all officers as a group, as described in the Summary Compensation Table below, during 2002.

During 2000, the Company adopted the Deferred Compensation Plan that provides to a select group of management and highly compensated employees the opportunity to defer a specified percentage or dollar amount of their base salary and/or cash incentive compensation. The plan may also permit participants to defer the delivery of shares of Company Common Stock representing the gain on the exercise of incentive stock options and nonqualified stock options. The Compensation Committee has limited deferral to non-qualified stock options. The Company may contribute other forms of compensation to an employee's account and impose other restrictions under the plan. The Company's obligations under this plan are unsecured general obligations of the Company to pay in the future the value of the deferred compensation adjusted to reflect the performance, whether positive or negative, of selected investment options, chosen by each participant, during the deferral period. A nonqualified grantor trust, commonly known as a Rabbi Trust, has been established to fund the Company's obligations under the Deferred Compensation Plan. This trust prevents the Company from using these funds for general corporate purposes but still subjects these funds to the general creditors of the Company in cases of insolvency or bankruptcy.

The Compensation Committee oversees the administration of the Deferred Compensation Plan and approves participation under the Plan. The Compensation Committee may amend or discontinue the Deferred Compensation Plan at any time. Except as provided in the plan, the Compensation Committee may not alter or impair any benefits payable under the Deferred Compensation Plan without the consent of the participant.

Chief Executive Officer Performance Evaluation and Compensation

The determination of the Chief Executive Officer's base salary, bonus and long-term incentive compensation for fiscal 2002 followed the policies set forth above for all executives' compensation. The Compensation Committee annually conducts a separate performance evaluation in determining the Chief Executive Officer's compensation. On February 22, 2002, the Company announced that John P. Wiehoff would be named Chief Executive Officer as of May 7, 2002, the date of the 2002 Annual Meeting. Following the transition, D.R. Verdoorn continued to serve as Chairman of the Board. Compensation for both Mr. Verdoorn and Mr. Wiehoff as Chief Executive Officer is described below.

Mr. Verdoorn had been Chief Executive Officer from 1977 until he retired in May of 2002. Mr. Verdoorn remains Chairman of the Board of Directors. His compensation for 2000-2002 is shown in the Summary Compensation Table below. During 2002, Mr. Verdoorn's annual salary of \$174,018 did not materially change from 2001. Due to his impending retirement, he did not receive other compensation during 2002.

Upon Mr. Verdoorn's retirement in May of 2002, Mr. Wiehoff was named Chief Executive Officer. Mr. Wiehoff served as President of the Company since December 1999, and previously served as a Senior Vice President and Chief Financial Officer. His compensation for 2000-2002

Edgar Filing: C H ROBINSON WORLDWIDE INC - Form DEF 14A

is shown on the Summary Compensation Table below. During 2002, Mr. Wiehoff's base salary was increased 0.83% over 2001 to \$106,483. Mr. Wiehoff

received a cash bonus pursuant to the Company's Management Bonus Plan in the amount of \$549,235 in recognition of favorable corporate performance, increased responsibility and individual performance. Mr. Wiehoff received 30,000 options to purchase common stock pursuant to the Omnibus Stock Plan in 2002. Pursuant to the authority granted to the Compensation Committee under the Nonqualified Deferred Compensation Plan and in accordance with the terms of the Omnibus Stock Plan, Mr. Wiehoff previously received 169,492 deferred shares of Company common stock in 2000. These deferred shares vest ratably over a period of fifteen (15) years provided he remains employed by the Company, and vesting will not be accelerated for any reason. These deferred shares are subject to other restrictions as defined in the Deferred Compensation Plan. The dividends paid on these shares have been used to purchase 1,917 shares of Company stock within the plan (967 of these shares during 2002), all of which are fully vested. In the Compensation Committee's judgment, these cash awards, long-term incentive option awards and additional equity awards reflect Mr. Wiehoff's importance and significant contribution to the Company's success, and further align his interests with those of the stockholders.

Compensation Limitations

Section 162(m) of the Code generally limits the corporate deduction for compensation paid to executive officers to \$1.0 million, unless the compensation qualifies as performance-based compensation under the Code. The Committee has reviewed the potential consequences for the Company of Section 162(m) and believes that this provision did not affect the deductibility of compensation paid to the Company's executive officers in 2002, and is currently expected to have no impact in 2003. The Committee will continue to monitor this matter and may propose changes to the executive compensation program if warranted.

- (3) Amounts represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. The 5% and 10% assumed annual rates of compounded stock price appreciation are mandated by rules of the Commission and do not represent the Company's estimate or projection of the Company's future Common Stock prices. These amounts represent certain assumed rates of appreciation in the value of the Company's Common Stock from the fair value on the date of grant. Actual gains, if any, on stock option exercises are dependent on the future performance of the Common Stock and overall stock market conditions.

Robinson Companies Nonqualified Deferred Compensation Plan

During 2000, the Company adopted the Deferred Compensation Plan, which is available to a select group of highly compensated employees. The Deferred Compensation Plan permits participants to defer base salary and/or cash incentive compensation in accordance with the terms of the Deferred Compensation Plan. The Deferred Compensation Plan may also permit participants to defer the delivery of shares of Company Common Stock representing the gain on the exercise of incentive stock options and nonqualified stock options in accordance with the terms of the Deferred Compensation Plan. The amount of compensation and/or stock representing the gain on the exercise of options to be deferred by each participant will be based on elections by each participant under the terms of the Deferred Compensation Plan.

In connection with the Deferred Compensation Plan, the Company has created a non-qualified grantor trust (the Trust), commonly known as a Rabbi Trust. The assets of the Trust will be used to pay benefits. The assets of the Trust are subject to the claims of general creditors of the Company in cases of insolvency and bankruptcy. As a result, the deferred compensation obligations will be unsecured obligations of the Company to pay deferred compensation in the future in accordance with the terms of the Deferred Compensation Plan, and will rank equally with other unsecured and unsubordinated indebtedness of the Company from time to time outstanding.

The amounts of base salary, cash incentive compensation and option gain deferred by a participant (a Deferral) will be credited with earnings and investment gains and losses by assuming that the Deferral was invested in one or more index funds selected by the participant in accordance with the terms of the Deferred Compensation Plan. The index funds include various mutual funds, with different degrees of risk, and a stock fund whose return reflects the return on the Company's Common Stock.

The Compensation Committee administers the Deferred Compensation Plan and approves participation thereunder. The Compensation Committee may amend or discontinue the Deferred Compensation Plan at any time. Except as provided in the plan, the Compensation Committee may not alter or impair any benefits payable under the Deferred Compensation Plan without the consent of the participant. Pursuant to the authority granted to the Compensation Committee under the Deferred Compensation Plan and in accordance with the terms of the Omnibus Stock Plan, John P. Wiehoff received 169,492 deferred shares of Company Common Stock in December 2000. These deferred shares vest ratably over a period of fifteen (15) years from the date of grant provided he remains employed by the Company, and vesting will not be accelerated on account of death, disability, change in control or any other reason. In 2002, 11,299 shares of the original grant became vested. These deferred shares are subject to other restrictions as defined in the Deferred Compensation Plan. The dividends on these shares have been used to purchase 1,917 shares of Company common stock (967 of these shares during 2002), all of which are fully vested.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers and directors and persons who beneficially own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership with the Commission. Such executive officers, directors and greater than 10% beneficial owners are required by the regulations of the Commission to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on a review of the copies of such reports furnished to the Company and written representations from the executive officers and directors, the Company believes that all Section 16(a) filing requirements applicable to its executive officers and directors and greater than 10% beneficial owners were complied with, except that (1) initial statements of beneficial ownership on Form 3 were not timely filed for either of Messrs. Butts or Satterlee upon their appointments as executive officers, but such reports were subsequently filed, (2) a statement of change of beneficial ownership on Form 4 submitted for filing by Looe Baker, a former director of the Company, to reflect sales of 75,000 shares in March 2002, was returned by the SEC requesting a more legible form and as a result was not timely filed, but such sales were subsequently reported, (3) a statement of change of beneficial ownership on Form 4 submitted for filing by Mr. Verdoorn for sales occurring in February 2002 did not include the sales of 32,500 shares, but such sales were subsequently reported by amendment to the original form, (4) a statement of change of beneficial ownership on Form 4 was not timely filed by Mr. Mulvehill to reflect the sale of 4,100 shares in August 2002, but such sale was subsequently reported, and (5) statements of change of beneficial ownership on Form 4 were not timely filed by Messrs. Ezrilov, Schwalbach, Fortun and Short to reflect the granting of 231, 231, 231, and 48 shares, respectively, by the Company in lieu of fees for attending Board and committee meetings subsequent to August 29, 2002 and through December 31, 2002, pursuant to the Company's Directors' Stock Plan, but such acquisitions were subsequently reported.

AUDIT COMMITTEE REPORT

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the amended and restated charter approved on March 24, 2003 is attached to this Proxy Statement. The Audit Committee of the Company's Board of Directors is composed of the following nonemployee directors: Gerald A. Schwalbach, Robert Ezrilov and Wayne M. Fortun. The Board of Directors has reviewed the status of each of the members of its Audit Committee and has confirmed that Messrs. Schwalbach, Ezrilov and Fortun meet the independence requirements of the current Nasdaq listing standards that apply to Audit Committee members.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to hire, monitor and oversee the independent auditors.

In this context, the Audit Committee has met and held discussions with management and Deloitte & Touche LLP, the Company's independent auditors for the fiscal year ending December 31, 2002. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by *Statement on Auditing Standards No. 61 (Communications with Audit Committees)*.

The Company's independent auditors also provided to the Audit Committee the written disclosures required by *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*, and the Audit Committee discussed with the independent auditors that firm's independence. The Audit Committee also considered whether the provision of any nonaudit services was compatible with maintaining the independence of Deloitte & Touche LLP as the Company's independent auditors.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

PROPOSAL TWO: SELECTION OF INDEPENDENT AUDITORS

On June 18, 2002, the Company dismissed Arthur Andersen LLP as its independent auditors and engaged Deloitte & Touche LLP to serve as its independent auditors for fiscal 2002. The decision to change independent auditors was recommended by the Audit Committee and approved by the Board of Directors.

Arthur Andersen's reports on the Company's consolidated financial statements for each of the fiscal years ended 2001, 2000 and 1999 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended 2001, 2000 and 1999 and through June 18, 2002, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Arthur Andersen with a copy of the foregoing disclosures. Attached to its Annual Report on Form 10-K for the year ended December 31, 2002, as exhibit 16.1, is a copy of Arthur Andersen's letter, dated June 18, 2002, stating its agreement with such statements.

During the fiscal years ended 2001 and 2000 and through the date of its decision, the Company did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction either completed or proposed, or the type of audit opinion that might be rendered on its consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Audit Committee has selected Deloitte & Touche LLP as independent public auditors for the Company for the fiscal year ending December 31, 2003. A proposal to ratify the appointment of Deloitte & Touche LLP will be presented at the Annual Meeting. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they desire to do so and will be available to answer appropriate questions from stockholders. If the appointment of Deloitte & Touche LLP is not ratified by the stockholders, the Audit Committee is not obligated to appoint other accountants, but the Audit Committee will give consideration to such unfavorable vote.

Audit Fees

Audit fees billed to the Company by Deloitte & Touche LLP for review of the Company's financial statements for the fiscal year ended December 31, 2002 and the financial statements included in the Company's quarterly reports on Form 10-Q for the last fiscal year totaled \$383,100.

Financial Information Systems Design and Implementation Fees

Edgar Filing: C H ROBINSON WORLDWIDE INC - Form DEF 14A

The Company has never engaged Deloitte & Touche LLP to provide advice to the Company regarding financial information systems design and implementation.

All Other Fees

Fees billed to the Company by Deloitte & Touche LLP for all other nonaudit services rendered to the Company during 2002 totaled \$108,868, of which \$37,689 were for services associated with tax preparation and compliance and \$71,179 were for services associated with tax research and planning.

The Board of Directors recommends a vote FOR ratification of the selection of Deloitte & Touche LLP as the Company's independent auditors.

SOLICITATION OF PROXIES

The Company is paying the costs of solicitation, including the cost of preparing and mailing this Proxy Statement. Proxies are being solicited primarily by mail, but in addition, the solicitation by mail may be followed by solicitation in person, or by telephone or facsimile, by regular employees of the Company without additional compensation. The Company will reimburse brokers, banks and other custodians and nominees for their reasonable out-of-pocket expenses incurred in sending proxy materials to the Company's stockholders.

SUBMITTING PROXIES AND VOTING INSTRUCTIONS BY PHONE OR INTERNET

If you are a registered stockholder (you hold your stock in your own name), you may submit a proxy by touch-tone telephone or via the Internet. If you are a beneficial stockholder (you hold your shares through a nominee, such as a broker), your nominee can advise you whether you will be able to submit voting instructions by telephone or via the Internet. Procedures to submit proxies or voting instructions by telephone or the Internet are designed to authenticate stockholder identities, to allow stockholders to submit their proxies or voting instructions and to confirm that such proxies or voting instructions have been properly recorded.

If you are a registered stockholder residing in the United States, you may submit your proxy by touch-tone telephone by following the "Vote by Phone" instructions on the proxy card. If you have Internet access, you may submit your proxy from any location in the world by following the "Vote by Internet" instructions on the proxy card. Proxies must be received by the deadline set forth on the proxy card you receive. The giving of such proxy will not affect the right to vote in person, should you decide to attend the Annual Meeting.

PROPOSALS FOR THE 2004 ANNUAL MEETING

Pursuant to federal securities laws, any proposal by a stockholder to be presented at the 2004 Annual Meeting of Stockholders and to be included in the Company's proxy statement must be received at the Company's executive offices, 8100 Mitchell Road, Eden Prairie, Minnesota 55344, no later than the close of business on December 6, 2003. Proposals should be sent to the attention of the Secretary. Pursuant to the Company's Bylaws, in order for business to be properly brought before the 2004 Annual Meeting of Stockholders by a stockholder, the stockholder must give written notice of such stockholder's intent to bring a matter before the annual meeting no later than February 6, 2004. Each such notice should be sent to the attention of the Secretary, and must set forth certain information with respect to the stockholder who intends to bring such matter before the meeting and the business desired to be conducted, as set forth in greater detail in the Company's Bylaws. The Company intends to exercise its discretionary authority with respect to any matter not properly presented by such date.

GENERAL

The Company's Annual Report for the fiscal year ended December 31, 2002 is being mailed to stockholders together with this Proxy Statement. The Annual Report is not to be considered part of the soliciting materials.

The information set forth in this Proxy Statement under the caption Compensation Committee Report on Executive Compensation, Performance Graph and Audit Committee Report shall not be deemed to be (i) incorporated by reference into any filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that in any such filing the Company expressly so incorporates such information by reference, and (ii) soliciting material or to be filed with the SEC.
