VERITIV CORPORATION
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 20, 2015

Veritiv Corporation (the "Company," "Veritiv," "we," "us" or "our") is furnishing this document to you in connection with the solicitation by the Board of Directors of the Company (the "Board") of the enclosed form of proxy for the Company's 2015 annual meeting of stockholders.

The Company pays for the preparation and mailing of the Notice of Annual Meeting and this proxy statement, and the Company has also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of this proxy statement and other annual meeting materials to the beneficial owners of shares of its common stock at the Company's expense. This proxy statement is dated April 6, 2015 and is first being mailed to the Company's stockholders on or about April 10, 2015.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these proxy materials?

These materials were provided to you because the Board is soliciting your proxy to vote at the annual meeting, and at any postponements or adjournments of the annual meeting. This proxy statement describes the matters on which you, as a stockholder, are entitled to vote. It also provides information that is intended to assist you in making an informed vote on the proposals described in this proxy statement.

What is a proxy?

A proxy is your legal designation of another person to vote the shares you own at the annual meeting. By completing and submitting the proxy card(s), which identifies the persons authorized to act as your proxy, you are giving each of those persons authority to vote your shares as you have instructed. By voting via proxy, each stockholder is able to cast his or her vote without having to attend the annual meeting in person.

Why did I receive more than one proxy card?

You will receive multiple proxy cards if you hold your shares in different ways (e.g., trusts, custodial accounts, joint tenancy) or in multiple accounts. If your shares are held by a broker, bank, trustee or other nominee (i.e., in "street name"), you will receive your proxy card and other voting information from your broker, bank, trustee or other nominee. It is important that you complete, sign, date and return each proxy card you receive, or vote using the Internet or by telephone as described in the instructions included with your proxy card(s) or in the Notice of Internet Availability of Proxy Materials.

Why didn't I receive paper copies of the proxy materials?

The Company is furnishing proxy materials to our stockholders on the Internet instead of mailing printed copies of those materials to all of our stockholders, as permitted by rules adopted by the U.S. Securities and Exchange Commission (the "SEC"). This option allows the Company to provide our stockholders with information they need, while reducing our use of natural resources, and cutting back on potentially unwanted materials in our stockholders' mailboxes.

If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one in accordance with the instructions provided

Table of Contents

in the notice. The Notice of Internet Availability of Proxy Materials provides instructions on how you may access and review the proxy materials on the Internet.

What is the record date and what does it mean?

The Board established March 23, 2015 as the record date for the annual meeting. Stockholders who own shares of the Company's common stock at the close of business on the record date are entitled to notice of and to vote at the annual meeting or any postponements or adjournments of the annual meeting.

How many shares are entitled to vote at the annual meeting?

As of the close of business on the record date, there were 16,000,000 shares of our common stock outstanding and entitled to vote at the annual meeting. Each share of common stock is entitled to one vote on each proposal to properly come before the meeting.

What is the difference between a "stockholder of record" and a "beneficial owner"?

Most of our stockholders hold their shares beneficially through a broker, bank, trustee or other nominee rather than of record directly in their own name with Computershare Inc., our transfer agent. As summarized below, there are some differences in the way to vote shares held of record and those owned beneficially.

If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record of those shares, and proxy materials are being sent directly to you. As a stockholder of record, you have the right to grant your voting proxy directly to the persons named as proxy holders or to vote in person at the annual meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of the shares held in "street name," and proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your broker or nominee on how to vote and you are also invited to attend the annual meeting. However, because you are not the stockholder of record, you may not vote those shares in person at the annual meeting unless you have a proxy, executed in your favor, from the holder of record of your shares. Your broker or nominee has enclosed a voting instruction card for you to use in directing your broker or nominee as to how to vote your shares. We strongly encourage you to instruct your broker or nominee how you wish to vote.

How many votes must be present to hold the annual meeting?

We must have a "quorum" to conduct the annual meeting. A quorum is one-third of the outstanding shares of common stock entitled to vote at the meeting, present in person or by proxy. Properly signed proxies that are marked "abstain" are known as "abstentions." Shares that are held in street name and not voted on one or more of the items before the annual meeting, but are otherwise voted on at least one item, are known as "broker non-votes." Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Abstentions are also counted as shares represented and entitled to be voted. Broker non-votes, however, are not counted as shares entitled to be voted with respect to the matter on which the broker has expressly not voted.

Who will count the votes?

A representative from Computershare Inc. will determine if a quorum is present, tabulate the votes and serve as the Company's inspector of election at the annual meeting.

Table of Contents

What vote is required to approve each proposal?

Proposal 1: Election of directors. In order to be elected, a director nominee must receive the affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote and represented in person or by proxy at the annual meeting. Stockholders do not have a right to cumulate their votes for the election of directors. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the same effect as a vote against Proposal 1. Broker non-votes will not be counted as represented and entitled to vote and will therefore have no impact on the election of a nominee.

Proposal 2: Ratification of Deloitte & Touche LLP as our independent registered public accounting firm for 2015. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to ratify the appointment of our independent registered public accounting firm for 2015. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the same effect as a vote against Proposal 2.

Proposal 3: Advisory vote on executive compensation. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve, on an advisory basis, the Company's executive compensation. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 3. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Proposal 4: Advisory vote on the frequency of executive compensation votes. The option of one year, two years or three years that receives the most votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been recommended by stockholders. Abstentions and broker non-votes will have no effect on the outcome of the proposal.

Proposal 5: Approval of the performance measures included in the Veritiv Corporation 2014 Omnibus Incentive Plan. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve the performance measures included in the Veritiv Corporation 2014 Omnibus Incentive Plan. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 5. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Proposal 6: Approval of the Veritiv Corporation Annual Incentive Plan. The affirmative vote of the holders of a majority in voting power of the shares of stock entitled to vote on the proposal and represented in person or by proxy at the annual meeting is required to approve the Veritiv Corporation Annual Incentive Plan. Abstentions will be counted as represented and entitled to vote on the proposal and will therefore have the effect of a vote against Proposal 6. Broker non-votes will not be counted as represented and entitled to vote on the proposal and will therefore have no effect on the outcome of the proposal.

Any other matter that properly comes before the meeting will require the approval of the affirmative vote of the holders of a majority of the shares having voting power represented in person or by proxy at the annual meeting.

How do I vote my shares?

You can vote your shares in one of the following manners:

by using the Internet;

by telephone;

by completing, signing, dating and returning the enclosed proxy card(s), if you received your proxy materials by mail; or

by attending the annual meeting and voting.

If you are a stockholder of record, please refer to the specific instructions set forth in the Notice of Internet Availability of Proxy Materials or, if you received your proxy materials by mail, on the proxy card(s).

If you are a beneficial owner of shares held in street name, your broker, bank, trustee or other nominee will provide you with instructions for voting your shares.

How do I vote shares held in the Veritiv Stock Fund of the Veritiv Retirement Savings Plan (the "Veritiv Stock Fund")?

If you beneficially own shares through the Veritiv Stock Fund, your proxy will also serve as a voting instruction for the trustee of the Veritiv Stock Fund with respect to all shares you beneficially own through the Veritiv Stock Fund as of the record date, assuming that your shares are registered in the same name. Voting instructions for shares in the Veritiv Stock Fund must be received by 9:00 a.m. Eastern Time on May 18, 2015 so that the trustee of the plan (who votes the shares on behalf of plan participants) has adequate time to tabulate the voting instructions. Shares held in the Veritiv Stock Fund that are not voted, or for which the trustee does not receive timely voting instructions, will be voted by the trustee in the same proportion as the shares held in the plan that are timely voted, except as otherwise required by law.

Can I change my vote after I vote by mail, by telephone or using the Internet?

Yes, if you are a stockholder of record, you can change your vote in any one of the following ways:

send a written notice to the Corporate Secretary of the Company stating that you revoke your proxy, so long as it is received prior to the annual meeting;

if you received your proxy materials by mail, sign and mail a proxy card bearing a later date, so long as it is received prior to the annual meeting;

vote again by the Internet or by telephone; or

attend the annual meeting and vote in person.

Your mere presence at the annual meeting will not revoke your proxy. You must take affirmative action in order to revoke your proxy.

If your shares are held in street name, you must contact your broker, bank, trustee or other nominee in order to revoke your proxy.

If you hold shares in the Veritiv Stock Fund, any changes or revocations of voting instructions to the trustee must be received before 9:00 a.m. Eastern Time on May 18, 2015.

Table of Contents

How will my proxy be voted?

If you are a stockholder of record and you complete, sign, date and return your proxy card(s), or vote by the Internet or by telephone, your proxy will be voted in accordance with your instructions. If you sign and date your proxy card(s), but do not indicate how you want to vote, your shares will be voted in accordance with the Board's recommendation.

If you are a beneficial owner, your broker or nominee will vote your shares with respect to Proposals 1, 3, 4, 5 and 6 at the annual meeting *only* if you instruct your broker or nominee how to vote. You should instruct your broker or nominee using the written instruction form and envelope it has provided. If you do not provide your broker or nominee with instructions, your broker or nominee will not be authorized to vote your shares with respect to Proposals 1, 3, 4, 5 and 6. Your broker or nominee may, but is not required to, vote your shares with respect to Proposal 2 if you do not instruct your broker or nominee how to vote.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

Proposal 1 **FOR** the election of the nine director nominees named in this proxy statement to serve for a one-year term expiring at the 2016 annual meeting of stockholders and until their successors are elected and qualified.

Proposal 2 **FOR** the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2015.

Proposal 3 **FOR** the approval, on an advisory basis, of the Company's executive compensation.

Proposal 4 **FOR** holding the advisory vote on executive compensation every year.

Proposal 5 **FOR** the approval of the performance measures included in the Veritiv Corporation 2014 Omnibus Incentive Plan.

Proposal 6 **FOR** the approval of the Veritiv Corporation Annual Incentive Plan.

What do I need to do if I plan to attend the meeting in person?

If you plan to attend the annual meeting in person, you must provide proof of your ownership of our common stock and a form of personal identification for admission to the meeting. If you hold shares in street name and you also wish to be able to vote at the meeting, you must also obtain a proxy, executed in your favor, from your broker or other nominee. All current stockholders are invited to attend the meeting, even if you did not hold shares on the record date.

Who is bearing the cost of this proxy solicitation and how is the solicitation effected?

We will bear the cost of soliciting proxies, including expenses in connection with preparing and distributing this proxy statement. Our directors, officers and employees may solicit proxies on our behalf and no additional compensation will be paid for such solicitation. We have engaged Innisfree M&A Incorporated to assist us in the solicitation of proxies. We expect to pay Innisfree approximately \$10,000 for these services, plus expenses. In addition, we will reimburse banks, brokers and other custodians, nominees and fiduciaries for expenses incurred in forwarding proxy materials to beneficial owners of our stock and obtaining their proxies.

PROPOSAL 1 ELECTION OF DIRECTORS

At the 2015 annual meeting of stockholders, nine nominees stand for election as directors of the Company for a one-year term. Each of the nominees currently serves as a director of the Company and was elected in connection with the spin-off and merger transactions that closed in July 2014. Each director nominee will be elected if he or she receives more "FOR" votes than "AGAINST" votes. Each nominee elected as a director will continue in office until the 2016 annual meeting of stockholders and until his or her successor has been duly elected and qualified or until his or her earlier resignation or removal.

The Nominating and Governance Committee of the Board of Directors is responsible for making recommendations to the Board concerning nominees for election as directors and nominees for Board vacancies. When assessing a director candidate's qualifications, the Nominating and Governance Committee will consider the candidate's independence, skills, current and previous occupations, other board memberships and professional experiences in the context of the needs of the Board. In addition, the Committee looks at the overall composition of the Board and how a candidate would contribute to the overall synergy and collaborative process of the Board. The Committee has adopted Director Qualification Criteria and Independence Standards, which, in general, require that director candidates have ample experience and a proven record of professional success, leadership and the highest level of personal and professional ethics, integrity and values. The Committee seeks qualified candidates with diverse backgrounds, including but not limited to such factors as race, gender and ethnicity. Our Corporate Governance Guidelines provide that the Nominating and Governance Committee will consider director candidates recommended by stockholders, provided such recommendations comply with the process set forth in our bylaws. In assessing such candidates, the Nominating and Governance Committee will consider the same criteria described above. See our Corporate Governance Guidelines and our Director Qualification Criteria and Independence Standards, which may be viewed in the governance section of our website at <http://ir.veritivcorp.com>, for additional information on the selection of director candidates.

Our Corporate Governance Guidelines also provide that upon UWW Holdings, LLC and its affiliates in the aggregate ceasing to hold at least 3% of (i) the outstanding shares of common stock of the Company and (ii) any equity securities of the Company issued or issuable directly or indirectly with respect to shares of common stock of the Company by way of stock dividend or stock split or in connection with a combination or exchange of shares, recapitalization, merger, consolidation or other reorganization, each of Allan R. Dragone, Jr. and Seth A. Meisel shall promptly tender his resignation to the Board and, unless a majority of the Board affirmatively votes not to accept such director's resignation, such director shall no longer remain a director of the Company.

Each nominee named in this proxy statement has consented to being named in this proxy statement and to serve if elected. If any nominee becomes unable to serve, proxies will be voted for the election of such other person as the Board may designate, unless the Board chooses to reduce the number of director seats. However, the Company has no reason to believe that any nominee will be unable to serve.

The following are descriptions of the business and public company director experience of our current directors, including their current principal positions, and ages as of March 1, 2015. We have been advised that there are no family relationships among any of our executive officers and directors.

Allan R. Dragone, Jr., 59, is the President and Chief Operating Officer of GCA Services Group, Inc., a leading national provider of quality facility services, since January 2015. Mr. Dragone previously served as Chief Executive Officer of Unisource Worldwide, Inc., a leading North American business-to-business print, packaging and facilities supply distribution company, from February 2004 to July 2014 after serving as President, Unisource Paper beginning in September 2003. Mr. Dragone started his business career with Champion International, a paper and wood products producer, in 1978

and served in various roles, including Vice President of Sales and Marketing for International and Newsprint. In 1998, Mr. Dragone left Champion to become the Chief Executive Officer of Graphic Communications, an independent paper procurement and print procurement company. Unisource later acquired Graphic in September 2003. Mr. Dragone brings to the Board of Directors his extensive print, packaging and facilities supply distribution experience and his experience running Unisource for over 10 years.

Daniel T. CORPORATE GOVERNANCE

Corporate Governance Principles

Our business is managed under the direction of our Board of Directors pursuant to the Delaware General Corporation Law and our bylaws. The Board has responsibility for establishing broad corporate policies and for the overall performance of our Company. The Board is kept advised of company business through regular written reports and analyses and discussions with the Chairman and CEO and other executive officers, by reviewing materials provided to them and by participating in Board and committee meetings.

The Board has adopted policies and procedures designed to ensure effective governance of the Company. Our corporate governance materials, including our Corporate Governance Guidelines, the charters of each of the standing committees of the Board and our Code of Business Conduct and Ethics, may be viewed in the governance section of our website at <http://ir.veritivcorp.com>.

The Nominating and Governance Committee reviews our Corporate Governance Guidelines on a regular basis and proposes modifications to the principles and other key governance practices as warranted for adoption by the Board.

Director Independence

The Company requires that a majority of its directors be "independent" as defined by the Director Qualification Criteria and Independence Standards and the rules of the NYSE and the SEC. The Board makes a determination as to the independence of each director upon such director's initial appointment and thereafter on an annual basis. The Board has determined that each of the current members of the Board, except for Mary A. Laschinger and Allan R. Dragone, Jr., has no material relationship with the Company and satisfies all the criteria for being "independent" members of our Board within the meaning of the Director Qualification Criteria and Independence Standards and the rules of the NYSE and the SEC.

Board Composition and Leadership Structure

The Board currently consists of nine directors. Our charter and bylaws provide, however, that the Board may increase or decrease the size of the Board and fill any vacancies.

Ms. Laschinger serves as the Chairman of the Board and CEO of the Company. Our Board has concluded that combining the roles of CEO and Chairman of the Board is the most effective leadership structure for the Company at the present time as it promotes unified leadership and direction for the Company, allowing for a single, clear focus for management to execute the Company's strategic and business plans. In coming to this conclusion, the independent directors considered Ms. Laschinger's vast experience within the Company's industry that affords her a broad and uniquely well-informed perspective on the Company's business, as well as substantial insight into the trends and opportunities that may affect the Company's future. The combination of the Chairman and CEO roles is balanced by the appointment of a Presiding Director, as well as a majority of our Board being comprised of independent directors. As discussed further below, the Presiding Director is responsible for providing leadership to our Board when circumstances arise in which the joint role of the Chairman and CEO may be, or may be perceived to be, in conflict and chairing those Board sessions that are attended only by independent directors. Our Board believes that having a Presiding Director as part of its leadership structure promotes greater management accountability and ensures that directors have an independent contact on matters of concern to them.

Table of Contents**Board Meetings, Executive Sessions and Presiding Director**

During 2014, from June 30, 2014 (the day prior to the July 1 spin-off and merger closing), the Board met four times, and each director attended at least 75% of the total number of Board meetings and meetings of the standing committees on which he or she served. Our independent directors meet at regularly scheduled executive sessions at least semiannually without management representatives or non-independent directors present. Executive sessions generally coincide with regularly scheduled meetings of the Board. As provided in the Company's Corporate Governance Guidelines, executive sessions are chaired by the Presiding Director. The independent members of the Board, based on the recommendation of the Nominating and Governance Committee, elected Mr. Mitchell to serve as Presiding Director until the 2015 annual meeting and expect to elect him to continue in that role for another one-year term, subject to his re-election at the 2015 annual meeting.

The responsibilities of the Presiding Director include (i) convening and presiding over executive sessions attended only by independent and non-employee directors; (ii) in consultation with the Compensation and Leadership Development Committee, organizing the process pursuant to which the independent directors shall evaluate the performance of the Chairman and CEO; (iii) coordinating, developing agenda items, moderating and maintaining a record of all meetings of independent directors; (iv) consulting with the Chairman and CEO regarding agenda items and other logistics for Board meetings; (v) serving as a liaison between non-management directors and the Chairman and CEO and other leadership team members, particularly with respect to sensitive matters; and (vi) participating in the director recruitment process along with the Chairman and CEO and the Nominating and Governance Committee. The Presiding Director is also available to receive direct communications from stockholders through Board approved procedures and may periodically, as directed by our Board, be asked to speak for the Company or perform other responsibilities.

Annual Meeting Attendance

Our Corporate Governance Guidelines provide that members of the Board are expected to attend annual stockholder meetings.

All employees and members of the Board are subject to the Company's Code of Business Conduct and Ethics. PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit and Finance Committee, pursuant to its charter, has appointed Deloitte as our independent registered public accounting firm for 2015. Deloitte has served in this capacity beginning in 2014.

While the Audit and Finance Committee is responsible for the appointment, compensation, retention, termination and oversight of the independent registered public accounting firm, the Audit and Finance Committee and our Board are requesting, as a matter of good corporate governance, that the stockholders ratify the appointment of Deloitte as our independent registered public accounting firm. The Audit and Finance Committee is not required to take any action as a result of the outcome of the vote on this proposal. However, if the stockholders do not ratify the appointment, the Audit and Finance Committee may investigate the reasons for stockholder rejection and may consider whether to retain Deloitte or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit and Finance Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our stockholders or the Company.

A formal statement by representatives of Deloitte is not planned for the annual meeting. However, Deloitte representatives are expected to be present at the meeting and available to respond to appropriate questions.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis**

This Compensation Discussion and Analysis provides a detailed description of our 2014 executive compensation philosophy and programs, the compensation decisions the Compensation and Leadership Development Committee (the "Committee") has made under those programs and the factors considered in making those decisions. It also provides discussion of the compensation program the Committee has established for 2015 as we begin our first full year of operation. While the Committee determines the compensation of all of the Company's executive officers (with the exception of the Chairman and CEO, whose compensation is determined by the Company's Board of Directors), this discussion and analysis focuses on our named executive officers (the "NEOs"). The NEOs are:

Name	Position
Mary A. Laschinger	Chairman of the Board and Chief Executive Officer
Stephen J. Smith	Senior Vice President and Chief Financial Officer
Darin W. Tang	Senior Vice President, Packaging
Joseph B. Myers	Senior Vice President, Facility Solutions, Strategy, and Commercial Excellence
Mark W. Hianik	Senior Vice President, General Counsel and Corporate Secretary

This discussion and analysis of our compensation program for the NEOs should be read in conjunction with the accompanying tables and text disclosing the compensation awarded to, earned by or paid to the NEOs.

Our History as a Public Company

On July 1, 2014 (the "Closing Date"), International Paper Company completed the previously announced spin-off of the xpedx business to the International Paper stockholders (the "Spin-off"), forming a new public company called Veritiv. Immediately following the Spin-off, UWW Holdings, Inc. ("UWWH") merged with and into Veritiv (the "Merger"). The Spin-off and the Merger are collectively referred to as the "Transactions."

On the Closing Date, 8,160,000 shares of Veritiv common stock were distributed on a pro rata basis to the International Paper stockholders of record as of the close of business on June 20, 2014. Immediately following the Spin-off, but prior to the Merger, International Paper's stockholders owned all of the outstanding shares of Veritiv common stock.

Immediately following the Spin-off on the Closing Date, UWW Holdings, LLC, the sole stockholder of UWWH (the "UWWH Stockholder"), which was jointly owned by Bain Capital and Georgia-Pacific, received 7,840,000 shares of Veritiv common stock for all of the outstanding shares of UWWH common stock that it held on the Closing Date, in a private placement transaction.

Immediately following the completion of the Transactions, International Paper stockholders owned approximately 51%, and the UWWH Stockholder owned approximately 49%, of the shares of Veritiv common stock on a fully-diluted basis. Veritiv's common stock began regular-way trading on the New York Stock Exchange on July 2, 2014 under the ticker symbol VRTV. Since the Closing Date, many of the shares of Veritiv common stock initially held by the International Paper stockholders have been sold and acquired by other investors in the public market.

Compensation Philosophy

Our goal is to foster an environment of collaboration, enthusiasm and drive, with a passion for success and an expectation to win, to enable us to create an integrated, successful new company that meets our commitments to stockholders, customers and employees. Our 2014 priorities included:

meeting our financial commitments;

delivering operational excellence;

remaining customer focused; and

developing our people.

The Company's compensation philosophy is that compensation programs for all employees, including executive officers:

be competitive with similar companies to attract and retain key talent and outstanding leaders;

align the interests of the Company's executive officers and other participants with the interests of the Company's stockholders;

ensure line-of-sight to key performance measures and Company results to align key leaders with the Company's long-term vision and growth;

reward employees based on performance and their individual contributions that support the Company's success;

motivate employees to strive to exceed performance targets by providing creative solutions and tools to fuel the Company's growth; and

be cost-effective and affordable for the Company.

The Company has designed its compensation programs to reflect each of these elements. The performance-based incentives seek to reward both short-term and long-term results and to align the interests of the Company's executive officers and other participants with the interests of the Company's stockholders.

Pay for Performance

The Company's goal is to tie executive compensation to Company performance. The Committee views Company performance in two ways:

the Company's operating performance, including results against annual and long-term targets, and

return to stockholders over time, both on an absolute basis and relative to other companies, including our comparator group (see page 33).

ü Provide reasonable post-employment / change-in-control provisions	×	No excise tax gross-ups upon a change in control
ü Require double trigger vesting for cash severance payments and stock awards	×	No pension or supplemental executive retirement program except frozen legacy plans and certain union plans

What We Pay and Why: Elements of Compensation

Beginning in 2015, our ongoing compensation program has three elements that comprise total direct compensation: base salary, annual incentive and long-term equity compensation. In 2014, our formation year, we made one-time long-term cash transition awards instead of equity awards to induce and retain certain key employees following the consummation of the Transactions. The majority of total direct compensation is performance-based. We also provide various benefit and retirement programs. The overview below shows the elements of our ongoing compensation program and describes why each element is provided. Additional information is provided below the overview.

Table of Contents

Total Direct Compensation

Base Salary

The Company's goal is for compensation paid to executive officers to be competitive enough to attract and retain qualified individuals, but not excessive.

The Committee determines a base salary for each executive officer based on the scope and complexity of the role, internal relativity, external competitiveness and input from the Committee's consultant and individual performance.

Initial salary levels for the NEOs, including the Chairman and CEO, were determined prior to the consummation of the Transactions and were included in an employment agreement (in the case of the Chairman and CEO) or offer letters. Following the consummation of the Transactions, those levels were deemed reasonable by the Committee based on market data.

The Summary Compensation Table shows actual salaries paid during the six months of 2014 that Veritiv was in existence. Full-year base salaries are shown below.

Executive	2014 Base Salary Rate*
Mary A. Laschinger	\$ 1,000,000
Stephen J. Smith	\$ 550,000

Annual Incentive Program What it Rewards and How it Works

The Company's annual incentive plan is the primary cash compensation element used to reward accomplishments against established business goals in a given year. The Committee determines an annual incentive target for each executive officer based on the scope and complexity of the role, internal relativity, external competitiveness and input from the Committee's consultant. Annual incentives for 2014 were determined under the 2014 Short-Year Veritiv Incentive Plan (the "2014 AIP"). In 2014, approximately 750 employees participated in the 2014 AIP.

The NEOs' awards under the 2014 AIP were determined by the formula below:

$$\text{Base Salary} \times 50\% \times \text{Bonus Target \%} \times \text{Company Performance Factor} \\ \pm \text{Individual Performance Adjustment}$$

Performance in 2014 was measured from July 1, 2014 through December 31, 2014, and the ultimate payout to each participant was determined based on the following steps:

Bonus Target: The 2014 bonus target percentages were set in initial pay packages determined prior to the consummation of the Transactions; these bonus target percentages and the survey data used to inform them were reviewed and approved by the Committee as described in the section "How We Make Compensation Decisions." The 2014 bonus target percent for each NEO is show below:

Executive	2014 Bonus Target as % of Salary*
Mary A. Laschinger	100%
Stephen J. Smith	85%
Darin W. Tang	70%
Joseph B. Myers	70%
Mark W. Hianik	60%

Table of Contents

Determine Company Performance Factor: Determined based on the Company's actual Adjusted EBITDA (as defined below) performance as compared to the following pre-determined targets:

2014 Short-Year Adjusted EBITDA	Company Performance Factor (% of Target)
\$108 million or above	200%
\$86 million	100%
\$65 million	50%
< \$65 million	0%

Payouts for performance between levels were interpolated on a straight-line basis

For purposes of the 2014 AIP, "Adjusted EBITDA" is defined as net income before interest, income taxes, depreciation and amortization, and other adjustments as may be permitted in determining the Company's "Consolidated EBITDA" pursuant to the Company's asset-backed lending facility.

Determine Individual Performance Factor: The Committee may adjust an award to reflect the Committee's assessment of each individual's performance, contributions to the Company's performance for the year, and achievements in areas that are not as readily quantifiable (such as merger and integration results). There were no such adjustments made for the second half of 2014.

The Company performance factor for the 2014 AIP was determined based on the Company's actual Adjusted EBITDA performance for the period of 2014 that the Company existed. Actual Adjusted EBITDA for that time period was approximately \$92 million, which resulted in a Company performance factor of 125%.

The Committee then reviewed awards, considering bonus guarantees as described more fully in footnote 2 to the Summary Compensation Table, and the Committee's assessment of each individual's performance contributions to the Company's performance for the year. The 2014 AIP awards to the NEOs are shown in the Summary Compensation Table on page 38.

Additionally, the Committee approved the CEO Award for Outstanding Contribution program ("CEO Award"), which is a discretionary bonus pool of \$5 million, intended to recognize employees for extraordinary contributions above and beyond their day-to-day responsibilities. All our salaried non-union employees (including all the executive officers other than the Chairman and CEO) were eligible to receive awards under this program. Awards were paid in cash in March 2015. Each NEO (with the exception of the Chairman and CEO) received a CEO Award for 2014 for their leadership throughout the merger and integration. These awards are included in the Summary Compensation Table in the Bonus column.

The design for the 2015 annual incentive plan is substantially similar to that for the 2014 AIP, with Adjusted EBITDA as the primary financial measure and the ability to modify the award based on individual performance. Our 2015 short-term incentives also include a CEO Award program with a discretionary bonus pool of \$5 million.

Long-Term Incentives

The Company provides long-term incentives to tie the interests of executives to the interests of our stockholders and to motivate and retain key talent. The Committee sets long-term equity targets for each position at the senior executive levels.

The long-term incentive target opportunities for 2014 and 2015 were determined by the scope and complexity of the role, internal relativity, and external competitiveness. The Committee did not target a specific percentile ranking against our comparator group.

Table of Contents

Long-Term Transition Incentive Awards Made in 2014

To induce and retain certain key employees following the consummation of the Transactions, the Committee made long-term incentive grants to approximately 55 executives, including Ms. Laschinger, Mr. Smith, Mr. Myers, and Mr. Hianik. These transition awards, made in October 2014, vest at the end of 2014, 2015 and 2016 with 50% based on continued employment and 50% based on the Company's achievement of targeted Adjusted EBITDA results for the relevant performance period. The transition awards are denominated in dollars and will be paid in cash. Vesting percentages for the portion of the transition awards that are based on the Company's achievement of Adjusted EBITDA results are interpolated for performance levels between threshold and target or target and maximum. The transition awards that vest in the future are shown in the Grants of Plan-Based Awards Table on page 39.

The transition awards that vested based on 2014 were paid out in cash in March 2015, and vested based on a combination of service and 2014 Adjusted EBITDA results. The cash amounts paid for the portion of the award (50%) that vested based on continued employment and was paid in March 2015 are shown in the "Bonus" column on the Summary Compensation Table. The cash amounts paid for the portion of the award (50%) that vested based on the Company's achievement of targeted Adjusted EBITDA results are shown in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table. The 2014 Adjusted EBITDA results exceeded the performance target and, as a result, the performance component resulted in a payout of 125% of target. The Adjusted EBITDA target for the performance period ended December 31, 2014 was \$86 million.

The Adjusted EBITDA targets for the transition awards that vest in 2015 and 2016 are challenging but capable of being attained with superior performance. Those transition awards vesting in the future based on performance are shown in the Grants of Plan-Based Awards Table on page 39. Transition awards that vest in the future solely on continued employment were equal to the Target amounts shown in that table and will be reported as bonuses in future Summary Compensation Tables.

Long-Term Incentive Program for 2015

In 2015, Veritiv granted the following forms of equity compensation to plan participants, including the NEOs. It intends to make similar grants annually. Award sizes were developed with respect to market data as well as the individual's skills, experience, future potential and the individual's and Company's performance as discussed more fully in the section entitled "How We Make Compensation Decisions".

Grant Value and Mix

On January 1, 2015, the Committee granted a mix of performance share units ("PSUs") and restricted stock units ("RSUs") to the NEOs. The NEOs received the same mix of PSUs and RSUs with the same performance terms and other conditions as other equity-eligible participants (except as appropriate in countries outside the U.S.).

The 2015 awards reflect Company performance in two ways:

the Company's operating performance, including results against annual and long-term targets, and

return to stockholders over time, both on an absolute basis and relative to other companies.

Table of Contents

Performance Share Units

PSUs are the right to earn a range of Veritiv shares at the end of three years (with no cash outlay required) if specified performance goals are attained, assuming continued employment. PSUs are denominated and paid in shares of Veritiv common stock.

There are two types of 2015 PSUs, those earned through achievement of Adjusted EBITDA goals and those earned through Veritiv Total Shareholder Return ("TSR") performance relative to a group of peer companies whose stock is expected to be impacted by the same economic factors and secular trends as Veritiv, listed on page 33. For both types of awards, no dividends are earned or paid during the performance period.

Time-Based Restricted Stock Units

RSUs represent a promise to pay the value of a share of Veritiv stock at the time of vesting (three years after grant) with no cash outlay required, assuming continued employment. RSUs provide retention over the vesting period, and are denominated in and paid in shares of Veritiv common stock.

Benefit Programs

We provide market-based health and wellness and retirement and savings programs designed to attract and retain talent, protect our employees against financial catastrophes that result from illness, disability and death, and to encourage employees to save for their retirement needs. Our NEOs participate in the same benefit programs as our salaried non-union employees. These benefits include medical, dental, life and disability insurance coverage. Our NEOs also participate in the Veritiv Retirement Savings Plan (the "401(k) Plan"). The 401(k) Plan is the primary Company-provided retirement plan for employees. The 401(k) Plan allows eligible participants to make contributions, up to legal limits, and provides a Company matching contribution of 100% on the first 3% of pay contributed plus 50% on the next 2% of pay contributed. The Company does not maintain any active defined benefit plans for its NEOs.

Mr. Tang participated in a legacy qualified defined benefit plan (the "Pension Plan") and has a frozen benefit. The Pension Plan was for certain union employees and legacy Unisource Worldwide, Inc. non-union employees. Participation for non-union employees was closed as of January 1, 2008 and pay credits to cash balance accounts ceased as of February 15, 2008. Mr. Tang also participated in a legacy nonqualified defined benefit plan ("SERP") for legacy Unisource Worldwide, Inc. non-union employees that restored benefits in cash balance accounts for participants whose benefits are limited by qualified plan limits. Participation in the SERP was frozen and pay credits ceased at the same time as the qualified plan as described above.

During 2014, the Company adopted the Veritiv Deferred Compensation Savings Plan (the "Deferred Compensation Plan") for eligible participants, with deferrals beginning January 1, 2015. Under the Deferred Compensation Plan, participants may elect to defer up to 85% of their base salary or commissions and up to 85% of their annual incentive bonus. Currently, there is no Company match under the Deferred Compensation Plan. The amounts deferred are credited to notional accounts selected by the executive that mirror the investment alternatives available in the 401(k) Plan. At the time a deferral election is made, participants elect to receive payout of the deferred amounts upon termination of employment in the form of a lump sum or equal annual installments ranging from two to ten years. The Deferred Compensation Plan is a nonqualified deferred compensation plan and, as such, is subject to the rules of Section 409A of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), which restrict the timing of distributions.

Table of Contents

Severance Compensation

The opportunity for severance compensation is provided to Ms. Laschinger under the terms of her employment agreement and to approximately 50 other executives, including our NEOs, under the Company's Executive Severance Plan, which the Company adopted in March 2015 (the "Executive Severance Plan"). The certainty afforded by severance compensation fosters a long-term perspective and permits executives to focus on executing the Company's strategy and enhancing sustainable stockholder value without undue concern or distraction.

The Company's severance policies are designed to be fair and competitive to aid in attracting and retaining experienced executives. When recruited from another company, the executive generally will seek to be protected in the event he or she is terminated without cause or if the Company takes actions giving him or her good reason to terminate his or her employment with us. The Company believes that the protection it provides including the level of severance payments and post-termination benefits is appropriate in terms of fostering long-term value enhancing performance, and within the range of competitive practice, thereby facilitating recruitment and retention of key talent.

In line with competitive practices, an executive is entitled to severance payments and benefits should the executive's employment be terminated without cause or if certain senior executives were to terminate for good reason either six months prior to or within two years after a change in control. This protection, while potentially costly, provides a number of important benefits to the Company. First, it permits an executive to evaluate a potential change in control transaction relatively free of concern for his or her own situation, thereby lessening any conflict between his or her own interests and those of the Company's stockholders. Second, change in control transactions take time to unfold, and a stable management team can help to preserve our operations in order to enhance the value delivered to the Company's stockholders from a transaction or, if no transaction is consummated, to ensure that the Company's business will continue without undue disruption afterwards. The Company believes that the potential cost of executive change in control severance payments and benefits would be well within the range of reasonable industry practice, and represents an appropriate cost relative to the benefits to the Company and its stockholders.

The Executive Severance Plan provides for salary and limited benefit continuation in the event of a Company-initiated termination of employment without cause or a termination initiated by certain senior executives based on good reason. Cash severance multiples are as shown below for all NEOs except for Ms. Laschinger (see the discussion of Ms. Laschinger's employment agreement on page 35).

Executive	Cash Severance Upon Termination not in Connection with a Change in Control	Cash Severance in Connection with a Change in Control
Stephen J. Smith	Base salary for 18 months, plus for	2X base salary + target bonus, plus pro
Darin W. Tang	terminations after June 30 of a year,	rata cash bonus at target
Joseph B. Myers	pro rata cash bonus at actual	
Mark W. Hianik	performance for the year	

Under the Executive Severance Plan, the Company may cease payments to an executive if he or she violates restrictive covenants (including non-competition, non-solicitation of customers or employees, and non-disclosure of confidential information).

The Company also has change-in-control provisions in its equity award agreements that apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

How We Make Compensation Decisions

Decision Making Process

The Board evaluates the Chairman and CEO's performance. The Committee reviews, evaluates and recommends to the Board any changes to the Chairman and CEO's compensation, including base salary, annual incentive and long-term equity compensation.

For other NEOs, the Chairman and CEO considers performance and makes individual recommendations to the Committee on base salary, annual incentive and long-term equity compensation. The Committee reviews, discusses, modifies and approves, as appropriate, these compensation recommendations.

In making these compensation decisions, the Committee considers input from the Committee's independent consultant and uses several resources and tools, including competitive market information.

Compensation Comparator Group

For both 2014 and 2015, compensation levels were not established based solely on peer comparisons or benchmarking. Marketplace information was one of several factors considered in establishing and assessing the reasonableness of compensation. Other factors considered included an incumbent's experience, tenure in position, talent supply and demand, cost constraints of the Company, retention concerns and internal equity considerations.

Prior to the work performed by Meridian Compensation Partners, LLC ("Meridian") on behalf of the Committee, Towers Watson and Co. ("Towers Watson") was asked to provide advice and guidance on various executive compensation-related topics, including compensation and benefits benchmarking information, review of plan documents, and advice regarding the initial incentive plan designs put in place upon the formation of Veritiv as a newly-public company.

Initial pay packages for the executive officers were determined prior to the Committee's formation. To provide reference points for comparison of the initial pay packages, the Committee reviewed survey data and marketplace information from various peer groups, which included industrial and distribution companies that had revenues over \$1 billion. The Committee did not receive a list of the specific companies that participated in the surveys.

In December 2014, the Committee, with the assistance of its independent consultant, Meridian, determined that it would be appropriate to have a single compensation benchmarking peer group going forward to assist in reviewing the levels of compensation for each of the NEOs. The peer group approved by the Committee is comprised of 20 publicly traded companies with the following characteristics:

How the Compensation Comparator Group was Chosen	Purposes for Which Comparator Group is Used
Operate in the distribution industry	As an input in developing base salary ranges, annual incentive targets and long-term incentive award ranges
Compete with Veritiv for business and/or talent	To inform compensation practices and policies including incentive plan design
Comparable size based on revenue (approximately 1/3 rd to 3x Veritiv)	Benchmarking non-employee director pay

Traded in the U.S. on a major exchange

Widely traded with no major ownership concentration

Global presence; led from the United States

Available compensation data to enable consistent peers from year to year, with periodic review for appropriateness

Stock Performance Comparator Group

Also in December 2014, the Committee, with the assistance of Meridian, selected a stock performance comparator group for purposes of measuring relative TSR performance under the TSR PSU awards. We use a slightly different comparator group of companies to measure relative TSR performance because the compensation peer companies are not necessarily impacted by the same economic factors and business trends as Veritiv. The TSR comparator group approved by the Committee is comprised of 34 publicly traded companies with the following characteristics:

How the TSR Comparator Group was Chosen

To validate whether executive compensation programs are aligned with Company performance

Role of the Committee's Compensation Consultant

Pursuant to its charter, the Committee has the authority to obtain advice and counsel from internal or external legal, accounting or other advisors. It is authorized to retain and terminate any consultant, as well as to approve the consultant's fees and other terms of the engagement.

In 2014, after the formation of Veritiv, the Committee engaged Meridian as its independent compensation consultant. Meridian provided research, data analyses and design expertise in developing compensation programs for executives and incentive programs for eligible employees and kept the Committee apprised of regulatory developments and market trends related to executive compensation practices.

Meridian did not determine or recommend the exact amount of executive compensation for any of the NEOs. Once engaged, Meridian consultants attended all 2014 meetings of the Committee, were available to participate in executive sessions and communicated directly with the Committee without management present.

Prior to the retention of a compensation consultant or any other external advisor, and annually thereafter, the Committee assesses the independence of such advisor, taking into consideration all factors relevant to such advisor's independence, including the factors specified in the NYSE listing standards. The Committee assessed Meridian's independence, taking into account the following factors:

any provision of services other than executive and director compensation consulting;

the percentage of Meridian's revenues that Veritiv fees represent;

policies and procedures the consultant has in place to prevent conflicts of interest;

any business or personal relationships between the consultant and the members of the Committee;

any ownership of Company stock by the individuals at Meridian performing consulting services for the Committee; and

any business or personal relationship of Meridian with an executive officer of the Company.

Meridian provided the Committee with confirmation of its independent status. The Committee believes that Meridian has been independent throughout its service and there is no conflict of interest between Meridian and the Committee.

Prior to the work performed by Meridian on behalf of the Committee, Towers Watson was asked to provide advice and guidance on various executive compensation related topics, including compensation and benefits benchmarking information, review of plan documents, and advice regarding the initial incentive plan designs put in place by Veritiv as a new public company. The Committee used the information provided by Towers Watson in its deliberations.

Risk Considerations

The Committee reviews the risks and rewards associated with the Company's compensation programs. The programs are designed with features including capped incentive payouts, multiple performance measures and financial goals set at the corporate level that mitigate risk without diminishing the incentive nature of the compensation. We believe our compensation programs encourage and reward prudent business judgment and appropriate risk-taking over the short-term and the long-term.

Management and the Committee regularly evaluate the risks involved with compensation programs globally and do not believe any of the Company's compensation programs create risks that are reasonably likely to have a material adverse impact on the Company.

Additional Information

Stock Ownership Guidelines and Share Retention Requirement

Our stock ownership guidelines, approved by the Committee in March 2015, are designed to align the executives' long-term financial interests with those of stockholders. The ownership guidelines, which cover approximately 50 executives, are as follows:

Level	Value of Common Stock to be Owned*
Chief Executive Officer	5X base salary
Senior Vice Presidents	3X base salary
Vice Presidents	1X base salary

*

Shares are valued based on the closing price of Common Stock on the last trading day in the calendar year

Each executive must hold 50% of the net after-tax award shares that vest (upon the vesting of full value shares or the exercise of vested stock options or stock appreciation rights) until he or she has achieved compliance with the stock ownership guidelines. The hold requirement does not apply to shares purchased outright or acquired other than by way of an equity grant. The Committee will monitor compliance with stock ownership guidelines annually.

Shares counted include shares owned outright (either purchased or vested), unvested restricted stock, deferred stock and share-equivalent vehicles (including earned performance shares from completed performance periods), and stock held in qualified and nonqualified plans. Stock options and stock appreciation rights do not count towards meeting the guidelines.

Employment Agreement

With the exception of Ms. Laschinger, we do not have employment agreements with any of the other NEOs. Other NEOs were provided with offer letters that required them to execute non-compete, non-solicitation agreements.

Ms. Laschinger's employment agreement was entered into at the time the Transactions were announced in January 2014. The initial term of the agreement is five years, beginning on the Closing Date, with automatic one-year extensions thereafter. The agreement provides that Ms. Laschinger will be paid an annual base salary of at least \$1 million, a sign-on bonus of \$1 million, and an annual target bonus opportunity of at least \$1 million, earned based on performance, which could result in no payout if the Company does not meet its pre-determined goals, with a guaranteed payment of \$1 million for 2014 only. In addition, the agreement provides for annual long-term incentive awards beginning in 2015 with an annual grant value of at least \$3.5 million and three-year cliff vesting, with pro rata vesting upon a qualifying termination of employment as detailed in the agreement and full vesting upon a qualifying termination of employment after a change in control. The agreement also provides for long-term transition incentive awards payable in cash and described more fully under Grants of Plan-Based Awards for Fiscal 2014 on page 39, and a relocation package with a home loss reimbursement of up to \$500,000 contingent on sale of residence. Finally, the agreement provides that Ms. Laschinger is eligible to participate in employee benefit plans offered to the broader employee population.

Restrictive Covenants

Our executives, including our NEOs, are required to execute agreements containing restrictive covenants. These agreements bind the executive to non-compete, non-disclosure and non-solicitation provisions.

Table of Contents

Clawback Policy

Our clawback policy, approved by the Committee in March 2015, allows the Company to recapture certain incentive compensation paid to executive officers under certain circumstances. The clawback policy allows the Committee to require the return, repayment or forfeiture of any annual or long-term incentive payment or award made or granted to any current or former executive officer during the 12-month period following the filing with the SEC of financial statements that are later the subject of a material negative restatement if, among other things, the payment or award was predicated upon achieving certain financial results that were subsequently the subject of the restatement and the Committee determines that the executive officer engaged in intentional misconduct that caused the need for the restatement. Additionally, if the Committee determines that the executive officer engaged in intentional misconduct that caused the material negative restatement, the Committee may require the return or repayment of any profits realized by such executive officer on the sale of Company securities received pursuant to any such award granted during such 12-month period.

Trading Controls and Anti-Hedging, Short Sale and Pledging Policies

Executive officers, including the NEOs, are required to pre-clear with the Company's General Counsel any transactions in Company securities, including purchases, sales, gifts, grants and those involving derivatives. Generally, trading is permitted only during announced trading periods. In accordance with the Company's insider trading policy, executive officers are prohibited from entering into hedging and short sale transactions and are subject to restrictions on pledging Company stock.

Change in Control

The Company has change in control provisions in its equity award agreements and its Executive Severance Plan in which the NEOs (other than Ms. Laschinger) participate. These provisions apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

The change in control provisions were adopted to mitigate the concern that, in the event the Company is considering a change in control transaction, the employees involved in considering the transaction will be motivated to act in their own interests rather than the interests of the shareowners. Thus, the provisions are designed to make any transaction neutral to the employees' economic interests. Employees likely would not be in a position to influence the Company's performance after a change in control and might not be in a position to earn their incentive awards or vest in their equity awards. Therefore, the Company believes that the change in control provisions are fair and protect shareowner value.

For a more detailed discussion of change in control arrangements, see Potential Payments to Named Executive Officers Upon Termination or Change in Control beginning on page 41.

Tax Implications of Compensation

The Committee considers the tax and accounting implications of compensation, but they are not the only factors considered. In some cases, other important considerations outweigh tax or accounting considerations.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") limits deductibility of certain compensation to \$1 million per year for the Chief Executive Officer and the three other executive officers (other than the Chief Financial Officer) who are highest paid and employed at year-end. If certain conditions are met, performance-based compensation may be excluded from this limitation.

Table of Contents

Much of the compensation paid by the Company to its NEOs is intended to be deductible under Section 162(m) of the Code. However, the Committee may exercise discretion to pay nondeductible compensation if following the requirements of Section 162(m) of the Code would not be in the interests of shareowners. The Veritiv Corporation Annual Incentive Plan and the Veritiv Corporation 2014 Omnibus Incentive Plan are designed to permit the Committee to make awards that will qualify as performance-based compensation for purposes of Section 162(m) of the Code.

Grants of Plan-Based Awards for Fiscal 2014

To induce and retain key employees following the consummation of the Transactions, the Committee made long-term transition incentive grants to approximately 55 executives, including Ms. Laschinger, Mr. Smith, Mr. Myers and Mr. Hianik. These transition awards, made in August 2014, vest at the end of 2014, 2015 and 2016 with 50% based on continued employment and 50% based on the Company's achievement of targeted Adjusted EBITDA results for the relevant performance period. The transition awards are denominated in dollars and will be paid in cash. Vesting percentages for the portion of the transition awards that are based on the Company's achievement of Adjusted EBITDA results are interpolated for performance levels between threshold and target or target and maximum.

The transition awards that vested based on the Company's achievement of target Adjusted EBITDA results in 2014 are shown in the table below and the cash amounts paid are shown in the "Non-Equity Incentive Plan Compensation" column in the Summary Compensation Table. As described in the Compensation Discussion and Analysis, the 2014 Adjusted EBITDA results exceeded the performance target and, as a result, the performance component resulted in a payout of 125% of target.

There were no equity awards made to NEOs in 2014.

Outstanding Equity Awards at Fiscal Year-End; Option Exercises and Stock Vested; and Nonqualified Deferred Compensation

There were no outstanding equity awards at 2014 fiscal year-end. In addition, there were no option exercises or stock vesting during fiscal 2014. Finally, the Company's Deferred Compensation Plan was not effective until January 1, 2015. Thus, these tables are not applicable and are not shown.

Pension and Supplemental Executive Retirement Plan Benefits

Veritiv maintains a Pension Plan for certain union employees and legacy Unisource Worldwide, Inc. non-union employees. Participation for non-union employees was closed as of January 1, 2008 and pay credits to cash balance accounts ceased as of February 15, 2008. Union employees continue to accrue benefits based on a flat dollar amount per year of service in accordance with their collective bargaining agreements.

Veritiv also maintains a SERP for legacy Unisource Worldwide, Inc. non-union employees that restored benefits in cash balance accounts for participants whose benefits are limited by qualified plan limits. Participation in the SERP was frozen and pay credits ceased at the same time as the Pension Plan.

The table below shows the present value of accumulated benefits at December 31, 2014 assuming benefits are payable as a lump sum at Mr. Tang's earliest unreduced retirement age (i.e., age 65). The table also includes the number of years of credited service under the Pension Plan and the SERP. The present value was calculated using an interest crediting rate of 5.0%, no pre-retirement decrements, and a discount rate of 3.75% at December 31, 2014.

Mr. Tang is 100% vested in his benefits payable from the Pension Plan and SERP. Benefits may commence upon termination of employment in the form of a lump sum, life annuity, or joint and survivor annuities (with 50%, 75%, or 100% continuation to survivor).

The Pension Benefits Table below shows the NEO's number of years of credited service, present value of accumulated benefit and payments during the last fiscal year under each of the plans.

Potential Payments to Named Executive Officers Upon Termination or Change in Control

The separation provisions for Ms. Laschinger are provided in Ms. Laschinger's employment agreement. Ms. Laschinger's employment agreement was put in place at the time the Transactions were announced in January 2014. The initial term of the agreement is five years, beginning on the Closing Date, with automatic one-year extensions thereafter. The agreement provides that:

In the event of a termination of employment due to disability or death, the Company will pay all accrued benefits. In the event of a termination without cause or a termination based on good reason by Ms. Laschinger, or if the employment term expires due to non-extension by the Company or by Ms. Laschinger, the Company will pay a pro-rata bonus for the year in which the termination occurs and two times Ms. Laschinger's then-current base salary and target bonus, in addition to accrued benefits.

Good reason is defined as the assignment of duties inconsistent with the CEO position or an adverse alteration in the nature or status of her responsibilities; a diminution in salary or target bonus, or failure to pay any compensation or benefits due; a relocation of the primary work location by more than 50 miles from the metropolitan area of Atlanta, Georgia; the failure to appoint or reappoint Ms. Laschinger as Chairman of the Board; or in the event the UWWH Stockholder or Bain Capital acquires a majority of the shares of the Company and if thereafter they replace more than two directors whose appointment is not a replacement of a director previously appointed; or any material failure by the Company to satisfy its obligations under Sections 1 through 6 of Ms. Laschinger's employment agreement.

For the other NEOs, benefits due upon a separation of employment were provided in offer letters for Messrs. Smith, Myers and Hianik. Severance opportunities for terminations without cause are as shown below.

Executive	Provision
Stephen J. Smith	1.5X salary + average annual short-term incentive payouts during employment
Joseph B. Myers	1.5X salary
Mark W. Hianik	2X salary

These provisions have been superseded by the Executive Severance Plan, which was adopted by the Company in March 2015. Mr. Tang's offer letter did not provide for a severance opportunity in the event of a termination without cause.

The Company has change in control provisions in its equity award agreements and its Executive Severance Plan in which the NEOs (other than Ms. Laschinger) participate. These provisions apply equally to all plan participants and provide a "double trigger" change in control provision. We do not provide a tax gross-up for any change in control situation.

The charts below provide disclosure regarding the benefits that would have been provided to each of the NEOs had the event referenced below occurred on December 31, 2014, the last day of our most recently completed fiscal year.

PROPOSAL 3 ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, we are offering our stockholders an opportunity to cast an advisory vote to approve the compensation of our named executive officers, as disclosed in this proxy statement. Although the vote is non-binding, we value continuing and constructive feedback from our stockholders on compensation and other important matters. The Board of Directors and the Compensation and Leadership Development Committee will consider the voting results when making future compensation decisions.

As described in the Compensation Discussion and Analysis section of this proxy statement, we believe that our executive compensation program aligns the interests of the Company's executives and other key employees with those of the Company and its stockholders in order to drive stockholder value over the long term. The executive compensation program designed by our Compensation and Leadership Development Committee is intended to attract, retain and motivate high caliber executive talent to enable the Company to maximize operational efficiency and long-term profitability. Our executive compensation program is also designed to differentiate compensation based upon individual contribution, performance and experience.

We ask for your advisory approval of the following resolution:

"RESOLVED, that the stockholders hereby approve, on an advisory basis, the compensation of Veritiv Corporation's named executive officers, as described in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, which disclosure includes the Compensation Discussion and Analysis, the Summary Compensation Table and the other related disclosure and tables."

THE RESOLUTION ABOVE RELATING TO THE COMPENSATION OF THE COMPANY'S NAMED
EXECUTIVE OFFICERS**

PROPOSAL 4 ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Also as required by Section 14A of the Exchange Act, we are offering our stockholders an opportunity to cast an advisory vote on whether a non-binding stockholder advisory vote to approve the compensation of our named executive officers should occur every one, two or three years. Although the vote is non-binding, we value continuing and constructive feedback from our stockholders on compensation and other important matters. The Board of Directors and the Compensation and Leadership Development Committee will take into consideration the voting results when determining how often a non-binding stockholder advisory vote to approve the compensation of our named executive officers should occur.

The Board has determined that holding an advisory vote to approve named executive officer compensation every year is the best approach for the Company based on a number of considerations. These considerations include that this frequency provides more consistent and direct communication from the stockholders to the Board and Compensation and Leadership Development Committee regarding the compensation of our named executive officers.

Stockholders are not voting to approve or disapprove of the Board's recommendation. Instead, stockholders may cast their vote in one of four manners with respect to this proposal: (1) one year; (2) two years; (3) three years; or (4) abstaining from voting on the proposal. For the reasons discussed above, we are asking our stockholders to indicate their support for the non-binding advisory vote to approve named executive officer compensation to be held every year.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR "EVERY YEAR" AS THE FREQUENCY WHICH THE NON-BINDING ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION SHOULD BE HELD

PROPOSAL 5 APPROVAL OF THE PERFORMANCE MEASURES INCLUDED IN THE VERITIV CORPORATION 2014 OMNIBUS INCENTIVE PLAN

The stockholders will be asked at the annual meeting to approve the material terms of the performance measures used for performance-based awards granted under the Veritiv Corporation 2014 Omnibus Incentive Plan (the "Equity Plan"), in accordance with Section 162(m) of the Code. The Equity Plan was approved by International Paper Company, as the Company's sole stockholder, on June 30, 2014, prior to our spin-off and merger. Stockholders are being asked to approve the performance measures under the Equity Plan so that certain compensation paid under the Equity Plan may qualify as performance-based compensation under Section 162(m). Stockholders are not being asked to approve an increase in the number of shares available under the Equity Plan or an amendment to any provision of the Equity Plan.

Under the Equity Plan, various equity-based awards may be made to eligible participants, as described in further detail below. The Equity Plan allows for the grant of performance-based compensation. The grant, vesting, crediting and/or payment of performance-based compensation, if any, will be based or conditioned on the achievement of objective performance measures established in writing by the Compensation and Leadership Development Committee.

Section 162(m) limits the deduction for federal income tax purposes of compensation for the CEO and the three other highest compensated officers (other than the CFO) (collectively, the "covered employee officers") to \$1 million per year, unless such compensation qualifies as "performance-based compensation" under the Code. Various requirements must be satisfied in order for compensation paid to the covered employee officers to qualify as performance-based compensation within the meaning of Section 162(m) of the Code. One such requirement is that the compensation must be paid based upon the attainment of performance measures established by a committee of board members each meeting the definition of "outside director" used for purposes of Section 162(m) of the Code. The measures established by such a committee, which in our case would be the Compensation and Leadership Development Committee, must be based upon performance measures, the material terms of which are approved by stockholders. In the context of a spin-off, that stockholder approval must be obtained no later than the first annual meeting of stockholders that occurs after the first anniversary of the effective date of the spin-off. We expect that some awards granted under the Equity Plan will be designed to qualify as performance-based compensation under Section 162(m) of the Code, while other awards will not be so designed.

We are accordingly requesting the stockholders to approve the material terms of the performance measures for the Equity Plan in accordance with Section 162(m) of the Code.

The following is a description of the material terms of the performance measures and certain other material terms of the Equity Plan. This description is qualified in its entirety by reference to the Equity Plan, a copy of which has been included as *Appendix A* to this proxy statement.

Award Limits. To the extent that Section 162(m) of the Code is applicable to the Company and the Equity Plan, for those awards intended to qualify as performance-based compensation under Section 162(m) of the Code, no participant may be granted in any calendar year, subject to adjustment as described below, (a) more than 1,000,000 options, stock appreciation rights or any other award based solely on the increase in value of the shares from the grant date, (b) more than 1,000,000 performance shares, shares of performance-based restricted stock, performance-based restricted stock units or

Performance Measures. The Compensation and Leadership Development Committee will establish for each performance period one or more objective performance goals that must be satisfied in order for a participant to receive an award of shares (or the cash equivalent thereof) or units (payable in cash or in shares) to be earned or vested. At the discretion of the Compensation and Leadership Development Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) net income before equity in earnings of unconsolidated subsidiaries, income tax expense, loss on early debt extinguishment, interest and other (expense) income, realized gain (loss) on investments, interest expense, equity-based compensation expense, related party management fees, restructuring charges and depreciation and amortization expense and net income attributable to noncontrolling interests ("*Adjusted EBITDA*"); (d) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (e) sales (including, but not limited to, total sales, net sales and revenue growth); (f) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (g) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (h) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (i) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (j) share price (including, but not limited to, growth measures and total shareholder return); (k) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (l) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins, EBITDA margins and Adjusted EBITDA margins); (m) operating efficiency; (n) market share or market penetration; (o) customer targets (including, but not limited to, customer growth and customer satisfaction); (p) working capital targets or improvements; (q) economic value added; (r) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (s) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (t) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (u) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria, (v) improvements in capital structure, (w) business expansion or consolidation (acquisitions and divestitures), (x) internal rate of return or increase in net present value, (y) productivity measures, (z) cost reduction measures or, for any period of time in which Section 162(m) of the Code is not applicable to the Company and the Equity Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Compensation and Leadership Development Committee.

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one

Table of Contents

or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Compensation and Leadership Development Committee may provide for a threshold level of performance below which no shares or compensation will be granted or paid in respect of performance shares or performance units, and a maximum level of performance above which no additional shares or compensation will be granted or paid in respect of performance shares or performance units, and it may provide for differing amounts of shares or compensation to be granted or paid in respect of performance shares or performance units for different levels of performance. When establishing performance goals for a performance cycle, the Compensation and Leadership Development Committee may determine that any or all "extraordinary items" as determined under U.S. generally accepted accounting principles and as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, extraordinary items, capital gains and losses, dividends, share repurchase, other unusual or non-recurring items, and the cumulative effects of accounting changes shall be excluded from the determination as to whether the performance goals have been met. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Compensation and Leadership Development Committee may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Compensation and Leadership Development Committee may determine.

Summary Description of the Equity Plan

Under the Equity Plan, the Company may grant nonqualified stock options, incentive stock options, stock purchase rights, restricted stock, restricted stock units, performance shares, performance units, stock appreciation rights, dividend equivalents, deferred share units and other stock-based awards (collectively, the "Awards"). The purposes of the Equity Plan are to assist us in attracting and retaining directors, employees (including officers) and consultants and to align their respective interests with those of our stockholders through the issuance of equity-based compensation.

Administration. The Equity Plan contemplates that the Equity Plan will be administered by the Compensation and Leadership Development Committee or another committee or subcommittee designated by the Board or the Compensation and Leadership Development Committee.

Available Shares. The Equity Plan initially reserved 2,080,000 shares of our common stock for the issuance of Awards, subject to adjustment as described below. Upon the exercise, settlement or conversion of any Award or portion thereof, there shall again be available for grant under the Equity Plan the number of shares subject to such Award or portion thereof minus the actual number of shares issued in connection with such exercise, settlement or conversion. If any such Award or portion thereof is for any reason forfeited, canceled, expired or otherwise terminated without the issuance of shares, the shares subject to such forfeited, canceled, expired or otherwise terminated Award or portion thereof shall again be available for grant under the Equity Plan. If shares are withheld from issuance with respect to an Award by the Company in satisfaction of any tax withholding or similar obligations, such withheld shares shall again be available for grant under the Equity Plan. Awards which the Compensation and Leadership Development Committee reasonably determines will be settled in cash shall not reduce the number of shares available under the Equity Plan. Notwithstanding the foregoing, and except to the extent required by applicable law, awards issued in assumption of, or in substitution for, any outstanding awards of any entity acquired by or combined with the Company or its subsidiaries

Table of Contents

shall not be counted against shares available for grant pursuant to the Equity Plan. The last reported sale price of a share of the Company's common stock on April 1, 2015 was \$45.16.

Adjustment. If and to the extent necessary or appropriate to reflect any stock dividend, extraordinary dividend, stock split or share combination or any recapitalization, reorganization, merger, consolidation, combination, exchange of shares, spin-off, liquidation or dissolution of the Company or other similar transaction affecting the Company's common stock (each, a "*Corporate Event*"), the Compensation and Leadership Development Committee shall adjust the number and type of shares available for issuance under the Equity Plan, the maximum number and type of shares subject to all Awards, the maximum number and type of shares with respect to which any one person may be granted Awards during any period and the number, class and option price (if applicable) or base price (if applicable) of any outstanding Award, and/or make such substitution, revision or other provisions or take such other actions with respect to any outstanding Award or the holder or holders thereof, in each case as it determines to be equitable.

Termination and Amendment. The Compensation and Leadership Development Committee may wholly or partially amend or otherwise modify, suspend, or terminate the Equity Plan or any award agreement at any time and from time to time. However, no such amendment or termination is permitted without stockholder approval if (i) such action increases the number of shares available under the Equity Plan or individual Award limitations, except as otherwise provided in the Equity Plan, (ii) such action modifies the class of persons eligible for participation in the Equity Plan, or (iii) such action materially modifies the Equity Plan in any other way that would require stockholder approval under applicable law. Except as otherwise provided in the Equity Plan, neither the amendment, suspension nor termination of the Equity Plan shall, without the consent of the holder of the Award, adversely alter or impair any rights or obligations under any Award. In addition, except as otherwise provided in the Equity Plan, the Compensation and Leadership Development Committee shall not amend the terms of any award agreement without consent of the affected participant if the rights of such participant would be adversely impaired. Unless sooner terminated by the Compensation and Leadership Development Committee, the Equity Plan will terminate on June 30, 2024.

Tax Matters

In general, a participant will not recognize taxable income at the time a stock option is granted. Upon exercise of a non-qualified stock option, a participant will recognize compensation, taxable as ordinary income, equal to the excess of the fair market value of the shares of common stock purchased over their exercise price. In the case of "incentive stock options," within the meaning of Section 422 of the Code, a participant will not recognize income at the time of exercise (except for purposes of the alternative minimum tax), and if the participant holds the shares for at least two years after the date the option was granted and one year after the date of exercise, then when the shares are sold, the entire gain over the exercise price will be taxable at capital gains rates. If the shares are disposed of prior to the expiration of this holding period, then the participant will recognize ordinary income equal to the excess of the fair market value of the shares on the date of exercise (or, if less, the amount realized on the disposition of the shares) over the exercise price. A participant has no taxable income at the time stock appreciation rights are granted, but will recognize compensation taxable as ordinary income upon exercise in an amount equal to the fair market value of any shares of common stock delivered and the amount of any cash paid by the Company. A participant who is granted shares of restricted stock, including shares subject to performance conditions, generally will not recognize taxable income at the time the restricted stock is granted, but will recognize compensation taxable as ordinary income at the time the restrictions lapse in an amount equal to the excess of the fair market value of the shares of common stock at such time over the amount, if any, paid for such shares. However, a participant instead may elect to recognize compensation taxable as ordinary income on the date the restricted stock is granted in an amount equal to the fair market value of the shares on that date.

Table of Contents

A participant who receives shares of common stock that are not subject to any restrictions under the Equity Plan will recognize compensation taxable as ordinary income on the date of grant in an amount equal to the fair market value of such shares on that date. The taxation of other stock based Awards will depend on how such Awards are structured. Generally, a participant who is granted an Award of restricted stock units, including restricted stock units subject to performance conditions, or some other phantom award will not recognize taxable income at the time such Award is granted. When the restrictions applicable to the Award lapse, and the shares of common stock subject to the restricted stock units or other phantom award are transferred (or any amount of cash is paid) to the participant, the participant will recognize compensation taxable as ordinary income in an amount equal to the fair market value of the shares of common stock on the date of transfer and the amount of any cash paid by the Company.

Subject to the Code's Section 162(m) deduction limitation described above, the Company may deduct, as a compensation expense, the amount of ordinary income recognized by a participant in connection with the Equity Plan at the time such ordinary income is recognized by that participant.

New Plan Benefits

The number of performance-based awards granted under the Equity Plan in any year is subject to the Compensation and Leadership Development Committee's discretion and is, therefore, not determinable.

PROPOSAL 6 APPROVAL OF THE VERITIV CORPORATION ANNUAL INCENTIVE PLAN

The stockholders will be asked at the annual meeting to approve the Veritiv Corporation Annual Incentive Plan (the "Annual Incentive Plan"), under which officers and other employees of the Company and its subsidiaries would be eligible to receive incentive awards based on the achievement of performance goals for performance periods commencing on or after January 1, 2015. The Annual Incentive Plan was adopted by the Board on March 4, 2015, subject to stockholder approval at the annual meeting. Approval of the Annual Incentive Plan will also constitute approval, for purposes of Section 162(m) of the Code, of the performance goals contained in the Annual Incentive Plan (described below) that are to be used in connection with awards under the Annual Incentive Plan that are intended to qualify as "performance-based" compensation for purposes of Section 162(m) of the Code. Approval of the Annual Incentive Plan will also constitute approval of the 2015 cash bonus opportunities under the Annual Incentive Plan described in greater detail below.

Purposes of the Annual Incentive Plan

The purposes of the Annual Incentive Plan are to retain and motivate the employees of the Company and its subsidiaries by providing them with the opportunity to earn incentive payments or stock-based awards based upon the extent to which specific performance goals have been achieved or exceeded for specified periods.

Summary Description of the Annual Incentive Plan

The following description of the Annual Incentive Plan is a summary and is qualified in its entirety by reference to the complete text of the Annual Incentive Plan, a copy of which has been included as *Appendix B* to this proxy statement.

Plan Term. The Annual Incentive Plan is effective January 1, 2015 and will terminate at such time as specified by the Board.

Eligible Participants. All officers and other employees of the Company or any of its subsidiaries are eligible to participate in the Annual Incentive Plan but only if the Compensation and Leadership Development Committee selects them for inclusion in the plan for a given performance period. It is anticipated that only our management-level employees (currently approximately 750 individuals) will be eligible to participate in the Annual Incentive Plan.

Administration. The Annual Incentive Plan contemplates that the plan will be administered by the Compensation and Leadership Development Committee or another committee or subcommittee designated by the Board or the Compensation and Leadership Development Committee that satisfies any then applicable requirements of the NYSE, or such other principal national stock exchange on which the common stock of the Company is then traded, and which consists of two or more members of the Board who are intended to be "outside directors" under Section 162(m) of the Code.

The Compensation and Leadership Development Committee will have the authority to determine the participants for a given performance period, determine the performance goals and other terms and conditions that will apply (including the extent to which any payment will be made in the event of a change of control of the Company or the participant's termination of service), determine whether performance goals and other terms and conditions have been attained, and decide whether incentive awards shall be deferred or may be deferred by the participant. The Compensation and Leadership Development Committee is empowered to interpret, construe and administer the Annual Incentive Plan and any award granted thereunder. The Compensation and Leadership Development Committee's interpretation, construction and administration of the Annual Incentive Plan and all of its determinations thereunder shall be final, conclusive and binding on all persons.

Table of Contents

Limits. The Compensation and Leadership Development Committee will have the sole authority to determine the objective goals. Awards may be expressed based on the participant's annual salary or a multiple thereof. The Compensation and Leadership Development Committee has the power to reduce the amount of any payment under an award or decide that no payment shall be made, and the Compensation and Leadership Development Committee may in its sole discretion establish secondary performance goals that need not be specified in the performance goals section of the Annual Incentive Plan, which the Committee may use as guidelines in making the decision whether to reduce any such payment. No participant may receive a payment in excess of \$10 million in any fiscal year of the Company, which amount shall be proportionately increased or decreased for performance periods that are more than or less than one year in duration.

Performance Goals. The Compensation and Leadership Development Committee will establish for each performance period one or more objective performance goals that must be satisfied in order for a participant to receive an award. At the discretion of the Compensation and Leadership Development Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) net income before equity in earnings of unconsolidated subsidiaries, income tax expense, loss on early debt extinguishment, interest and other (expense) income, realized gain (loss) on investments, interest expense, equity-based compensation expense, related party management fees, restructuring charges and depreciation and amortization expense and net income attributable to noncontrolling interests ("*Adjusted EBITDA*"); (d) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (e) sales (including, but not limited to, total sales, net sales and revenue growth); (f) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (g) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (h) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (i) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (j) share price (including, but not limited to, growth measures and total shareholder return); (k) expense/cost management targets (including, but not limited to, expense management, expense ratio, expense efficiency ratios or other expense measures); (l) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins, EBITDA margins and Adjusted EBITDA margins); (m) operating efficiency; (n) market share or market penetration; (o) customer targets (including, but not limited to, customer growth and customer satisfaction); (p) working capital targets or improvements; (q) economic value added; (r) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (s) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (t) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (u) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria, (v) improvements in capital structure, (w) business expansion or consolidation (acquisitions and divestitures), (x) internal rate of return or increase in net present value, (y) productivity measures, (z) cost reduction measures or, for any period of time in which Section 162(m) of the Code is not applicable to the Company and the Annual Incentive Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Compensation and Leadership Development Committee.

Table of Contents

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Compensation and Leadership Development Committee may provide for a threshold level of performance below which no payment will be made, and a maximum level of performance above which no additional payments will be made, and it may provide for differing amounts of payments for different levels of performance. When establishing performance goals for a performance period, the Compensation and Leadership Development Committee may determine that any or all "extraordinary items" as determined under U.S. generally accepted accounting principles and as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, extraordinary items, capital gains and losses, dividends, share repurchase, other unusual or non-recurring items, and the cumulative effects of accounting changes shall be excluded from the determination as to whether the performance goals have been met. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Compensation and Leadership Development Committee may also adjust the performance goals for any performance period as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Compensation and Leadership Development Committee may determine.

Form of Award. Payments under the Annual Incentive Plan may include, without limitation, cash, shares of Company common stock, or stock-based awards granted under the Company's equity incentive plan as in effect from time to time, or any other property approved by the Compensation and Leadership Development Committee. All payments will be for a specified performance period and will be paid only if specified performance goals are attained.

Termination and Amendment. The Compensation and Leadership Development Committee or another committee or subcommittee designated by the Board or the Compensation and Leadership Development Committee may amend or terminate the Annual Incentive Plan, as it deems advisable, subject to any requirement of stockholder approval required by law, rule or regulation, including Section 162(m) of the Code.

New Plan Benefits

The actual amount of compensation that will be paid under the Annual Incentive Plan cannot be determined at this time.

The Administrator (and its members) shall not be personally liable for any action, determination or interpretation made with respect to the Plan or the Awards, and the Administrator (and its members), in addition to such other rights of indemnification as they may have as Directors or members of the Administrator, and to the extent allowed by Applicable Laws, shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually incurred in connection with any action, suit or proceeding or in connection with any appeal therein, to which the Administrator (and its members) may be party by reason of any such action, determination or interpretation.

(b) Any adjustment of an Award pursuant to this Section 4.3 shall be effected in compliance with Section 422 and 409A of the Code to the extent applicable.

Section 4.4 *Award Agreement Provisions.* The Administrator may include such further provisions and limitations in any Award Agreement as it may deem equitable and in the best interests of the Company and its Subsidiaries.

Section 4.5 *Prohibition Against Repricing.* Except to the extent (i) approved in advance by holders of a majority of the Shares entitled to vote generally in the election of Directors or (ii) pursuant to Section 4.3 as a result of any Corporate Event, the Administrator shall not have the power or authority to reduce the exercise price of outstanding Options or SARs or cancel, convert, exchange, replace, buyout or surrender outstanding Options or SARs in exchange for cash, other awards or Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs.

 - (iii) Determine the terms and conditions of such Options and SARs, consistent with the Plan.
- (b) SARs may be granted in tandem with Options or may be granted on a freestanding basis, not related to any Option. Unless otherwise determined by the Administrator at the Grant Date or determined thereafter in a manner more favorable to the Participant, SARs granted in tandem with Options shall have substantially similar terms and conditions to such Options to the extent applicable, or may be granted on a freestanding basis, not related to any Option.
- (c) Upon the selection of a Service Provider to be granted an Option or SAR under this Section 5.3, the Administrator shall issue, or shall instruct an authorized officer to issue, such Option or SAR and may impose such conditions on the grant of such Option or SAR as it deems appropriate. Subject to Section 15.2 of the Plan, any Incentive Stock Option granted under the Plan may be modified by the Administrator, without the consent of the Optionee, even if such modification would result in the disqualification of such Option as an "incentive stock option" under Section 422 of the Code.

- (b) Except as otherwise provided by the Administrator or in the applicable Award Agreement, no portion of an Option or SAR which is unexercisable on the date that an Optionee incurs a termination of service as a Service Provider shall thereafter become exercisable.
- (c) The aggregate Fair Market Value (determined as of the Grant Date of the Option) of all Shares with respect to which Incentive Stock Options are first exercisable by a Service Provider in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-qualified Stock Options.

Table of Contents

(d) SARs granted in tandem with an Option shall become vested and exercisable on the same date or dates as the Options with which such SARs are associated vest and become exercisable. SARs that are granted in tandem with an Option may only be exercised upon the surrender of the right to exercise such Option for an equivalent number of Shares, and may be exercised only with respect to the Shares for which the related Option is then exercisable.

Section 6.3 *Option Price and Base Price.* Excluding Replacement Awards, the per Share purchase price of the Shares subject to each Option (the "*Option Price*") and the Base Price of each SAR shall be set by the Administrator and shall be not less than 100% of the Fair Market Value of such Shares on the Grant Date of such Option or SAR.

After the death of the Optionee, any exercisable portion of an Option or SAR may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Award Agreement, be exercised by his or her Eligible Representative.

Section 7.2 *Partial Exercise.* At any time and from time to time prior to the date on which the Option or SAR becomes unexercisable under the Plan or the applicable Award Agreement, the exercisable portion of an Option or SAR may be exercised in whole or in part; *provided, however,* that the Company shall not be required to issue fractional Shares and the Administrator may, by the terms of the Option or SAR, require any partial exercise to exceed a specified minimum number of Shares.

Section 7.3 *Manner of Exercise.* Subject to any generally applicable conditions or procedures that may be imposed by the Administrator, an exercisable Option or SAR, or any exercisable portion thereof, may be exercised solely by delivery to the Administrator or its designee of all of the following prior to the time when such Option or SAR or such portion becomes unexercisable under the Plan or the applicable Award Agreement:

(iii) With the consent of the Administrator, payment of the Option Price through a broker-assisted cashless exercise program established by the Company or other "cashless", or net issuance, basis; or

(iv) With the consent of the Administrator, any form of payment of the Option Price permitted by Applicable Laws and any combination of the foregoing methods of payment.

(c) Full payment to the Company (in cash or by personal, certified or bank cashier check or by any other means of payment approved by the Administrator) of all minimum amounts necessary to satisfy any and all Withholding Taxes arising in connection with the exercise of the Option or SAR (notice of the amount of which shall be provided by the Administrator as soon as practicable following receipt by the Administrator of the notice of exercise);

(d) Such representations and documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations. The Administrator shall provide the Optionee or Eligible Representative with all such representations and documents as soon as practicable following receipt by the Administrator of the notice of exercise. The Administrator may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer orders to transfer agents and registrars; and

(e) In the event that the Option or SAR or portion thereof shall be exercised as permitted under Section 7.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option or SAR or portion thereof.

Section 7.4 *Optionee Representations.* The Administrator, in its sole discretion, may require an Optionee to make certain representations or acknowledgements on or prior to the purchase of any Shares pursuant to any Option or SAR granted under this Plan, in respect thereof including, without limitation, that the Optionee is acquiring the Shares for an investment purpose and not for resale, and, if the Optionee is an Affiliate, additional acknowledgements regarding when and to what extent any transfers of such Shares may occur.

Section 7.5 *Settlement of SARs.* Unless otherwise determined by the Administrator, upon exercise of a SAR, the Participant shall be entitled to receive payment in the form, determined by the Administrator, of Shares, or cash, or a combination of Shares and cash having an aggregate value equal to the amount determined by multiplying:

(a) any increase in the Fair Market Value of one Share on the exercise date over the Base Price of such SAR, by

(b) the number of Shares with respect to which such SAR is exercised; *provided, however*, that on the Grant Date, the Administrator may establish, in its sole discretion, a maximum amount per Share that may be payable upon exercise of a SAR, and *provided, further*, that in no event shall the value of the Company Common Stock or cash delivered on exercise of a SAR exceed the excess of the Fair Market Value of the Shares with respect to which the SAR is exercised over the Fair Market Value of such Shares on the Grant Date of such SAR.

Section 7.6 *Conditions to Issuance of Shares.* The Company shall evidence the issuance of Shares delivered upon exercise of an Option or SAR in the books and records of the Company or in a manner determined by the Company. Notwithstanding the above, the Company shall not be required to effect

Table of Contents

the issuance of any Shares purchased upon the exercise of any Option or SAR or portion thereof prior to fulfillment of all of the following conditions:

- (a) The admission of such Shares to listing on any and all stock exchanges on which such class of Company Common Stock is then listed;
- (b) The completion of any registration or other qualification of such Shares under any state or federal law or under the rulings or regulations of the U.S. Securities and Exchange Commission or any other local, state, federal or foreign governmental regulatory body, which the Administrator shall, in its sole discretion, deem necessary or advisable;
- (c) The obtaining of any approval or other clearance from any state or federal governmental agency which the Administrator shall, in its sole discretion, determine to be necessary or advisable; and
- (d) The payment to the Company (or its Subsidiary, as applicable) of all amounts which it is required to withhold under Applicable Law in connection with the exercise of the Option or SAR.

The Administrator shall not have any liability to any Optionee for any delay in the delivery of Shares to be issued upon an Optionee's exercise of an Option or SAR.

Section 7.7 *Rights as Stockholders.* The holder of an Option or SAR shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any Shares purchasable upon the exercise of any part of an Option or SAR unless and until the Shares attributable to the exercise of the Option or SAR have been issued by the Company to such holder and, unless otherwise determined by the Administrator, such holder has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 7.8 *Transfer Restrictions.* Unless otherwise determined by the Administrator, the Shares acquired upon exercise of an Option or SAR shall be subject to the terms and conditions of the Award Agreement and such other terms and conditions as the Administrator shall determine. In addition, the Administrator, in its sole discretion, may set forth in an Award Agreement such further restrictions on the transferability of the Shares purchasable upon the exercise of an Option or SAR as it deems appropriate. Any such restriction may be referred to in the Share register maintained by the Company or otherwise in a manner reflecting its applicability to the Shares. The Administrator may require the Employee to give the Company prompt notice of any disposition of Shares acquired by exercise of an Incentive Stock Option, within two (2) years from the Grant Date of such Option or one (1) year after the transfer of such Shares to such Employee. The Administrator may cause the Share register maintained by the Company to refer to such requirement.

ARTICLE VIII
Restricted Stock Awards and Restricted Stock Unit Awards

Section 8.1 *Restricted Stock.*

(a) ***Grant of Restricted Stock.*** The Administrator is authorized to make Awards of Restricted Stock to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. All Awards of Restricted Stock shall be evidenced by an Award Agreement.

(b) ***Issuance and Restrictions.*** Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Administrator may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times,

Table of Contents

pursuant to such circumstances, in such installments, or otherwise, as the Administrator determines on the Grant Date of the Award or thereafter.

(c) *Issuance of Restricted Stock.* The issuance of Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine; *provided, that*, no provision of this Plan shall be construed to require the Company to maintain the Shares in certificated form.

Section 8.2 *Restricted Stock Units.* The Administrator is authorized to make Awards of Restricted Stock Units to any Service Provider selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. On the Grant Date, the Administrator shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. On the Grant Date, the Administrator shall specify the settlement date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. Unless otherwise provided in an Award Agreement, on the settlement date, the Company shall, subject to the terms of this Plan (including satisfaction of applicable Withholding Taxes), transfer to the Participant one Share for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited. The Administrator shall specify the purchase price, if any, to be paid by the grantee to the Company for such Shares.

Section 8.3 *Rights as a Stockholder.* A Participant shall not be, nor have any of the rights or privileges of, a stockholder in respect of Restricted Stock Units awarded pursuant to the Plan unless and until the Shares attributable to such Restricted Stock Units have been issued to such Participant and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

ARTICLE IX
Performance Shares and Performance Units

Section 9.1 *Grant of Performance Awards.* The Administrator is authorized to make Awards of Performance Shares and Performance Units to any Participant selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator. All Performance Shares and Performance Units shall be evidenced by an Award Agreement.

Section 9.2 *Issuance and Restrictions.* The Administrator shall have the authority to determine the Participants who shall receive Performance Shares and Performance Units, the number of Performance Shares and the number and value of Performance Units each Participant receives for any Performance Cycle, and the Performance Goals applicable in respect of such Performance Shares and Performance Units for each Performance Cycle. The Administrator shall determine the duration of each Performance Cycle (the duration of Performance Cycles may differ from one another), and there may be more than one Performance Cycle in existence at any one time. An Award Agreement evidencing the grant of Performance Shares or Performance Units shall specify the number of Performance Shares and the number and value of Performance Units awarded to the Participant, the Performance Goals applicable thereto, and such other terms and conditions not inconsistent with the Plan as the Administrator shall determine. No Company Common Stock will be issued at the time an Award of Performance Shares is made, and the Company shall not be required to set aside a fund for the payment of Performance Shares or Performance Units.

Section 9.3 *Earned Performance Shares and Performance Units.* Performance Shares and Performance Units shall become earned, in whole or in part, based upon the attainment of specified Performance Goals or the occurrence of any event or events, as the Administrator shall determine,

Table of Contents

either in an Award Agreement or thereafter on terms more favorable to the Participant; *provided, that*, as to any such Award subject to Section 162(m), to the extent consistent with Section 162(m). In addition to the achievement of the specified Performance Goals, the Administrator may condition payment of Performance Shares and Performance Units on such other conditions as the Administrator shall specify in an Award Agreement. The Administrator may also provide in an Award Agreement for the completion of a minimum period of service (in addition to the achievement of any applicable Performance Goals) as a condition to the vesting of any Performance Share or Performance Unit Award.

Section 9.4 *Rights as a Stockholder.* A Participant shall not have any rights as a stockholder in respect of Performance Shares or Performance Units awarded pursuant to the Plan (including, without limitation, to the right to vote on any matter submitted to the Company's stockholders) unless and until the Shares attributable to such Performance Shares or Performance Units have been issued to such Participant or his or her beneficiary and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 9.5 *Performance Goals.* The Administrator shall establish the Performance Goals that must be satisfied in order for a Participant to receive an Award for a Performance Period or for an Award of Performance Shares or Performance Units to be earned or vested. At the discretion of the Administrator, the Performance Goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) net income before equity in earnings of unconsolidated Subsidiary, income tax expense, loss on early debt extinguishment, interest and other (expense) income, realized gain (loss) on investments, interest expense, equity-based compensation expense, related party management fees, restructuring charges and depreciation and amortization expense and net income attributable to noncontrolling interests ("*Adjusted EBITDA*"); (d) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (e) sales (including, but not limited to, total sales, net sales and revenue growth); (f) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (g) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (h) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (i) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (j) share price (including, but not limited to, growth measures and total shareholder return); (k) expense/cost management targets (including, but not limited to, expense management, expense ratio, expense efficiency ratios or other expense measures); (l) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins, EBITDA margins and Adjusted EBITDA margins); (m) operating efficiency; (n) market share or market penetration; (o) customer targets (including, but not limited to, customer growth and customer satisfaction); (p) working capital targets or improvements; (q) economic value added; (r) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (s) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (t) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (u) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria, (v) improvements in capital structure, (w) business expansion or consolidation (acquisitions and divestitures), (x) internal rate of return or increase in net present value, (y) productivity measures,

(z) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) Awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Administrator.

Performance Goals may be established on a Company-wide basis or with respect to one or more Subsidiaries or Affiliates or business units, divisions, regions, departments, functions or products within the Company, a Subsidiary or Affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more Subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance Goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Administrator may provide for a threshold level of performance below which no Shares or compensation will be granted or paid in respect of Performance Shares or Performance Units, and a maximum level of performance above which no additional Shares or compensation will be granted or paid in respect of Performance Shares or Performance Units, and it may provide for differing amounts of Shares or compensation to be granted or paid in respect of Performance Shares or Performance Units for different levels of performance. When establishing Performance Goals for a Performance Cycle, the Administrator may determine that any or all "extraordinary items" as determined under U.S. generally accepted accounting principles and as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, extraordinary items, capital gains and losses, dividends, Share repurchase, other unusual or non-recurring items, and the cumulative effects of accounting changes shall be excluded from the determination as to whether the Performance Goals have been met. Except in the case of Awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Administrator may also adjust the Performance Goals for any Performance Cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator may determine.

Section 9.6 Special Rule for Performance Goals. If, at the time of grant, the Administrator intends a Performance Share Award, Performance Unit or other Performance Award to qualify as performance-based compensation within the meaning of Section 162(m) of the Code, the Administrator must establish Performance Goals for the applicable Performance Cycle prior to the 91st day of the Performance Cycle (or by such other date as may be required under Section 162(m) of the Code) and not later than the date on which 25% of the Performance Cycle has elapsed.

Section 9.7 Negative Discretion. Notwithstanding anything in this Article IX to the contrary, the Administrator shall have the right, in its absolute discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under Section 9.8 based on individual performance or any other factors that the Administrator, in its discretion, shall deem appropriate and (ii) to establish rules or procedures that have the effect of limiting the amount payable to each Participant to an amount that is less than the maximum amount otherwise authorized under the Award or under the Plan.

Section 9.8 Certification of Attainment of Performance Goals. As soon as practicable after the end of a Performance Cycle and prior to any payment or vesting in respect of such Performance Cycle, the Administrator shall certify in writing the number of Performance Shares or other Performance Awards and the number and value of Performance Units that have been earned or vested on the basis of performance in relation to the established Performance Goals.

Table of Contents

Section 9.9 *Payment of Awards.* Payment or delivery of Company Common Stock with respect to earned Performance Shares and earned Performance Units shall be made to the Participant or, if the Participant has died, to the Participant's Eligible Representative, as soon as practicable after the expiration of the Performance Cycle and the Administrator's certification under Section 9.8 above and (unless an applicable Award Agreement shall set forth one or more other dates) in any event no later than the earlier of (i) ninety (90) days after the end of the fiscal year in which the Performance Cycle has ended and (ii) ninety (90) days after the expiration of the Performance Cycle. The Administrator shall determine and set forth in the applicable Award Agreement whether earned Performance Shares and the value of earned Performance Units are to be distributed in the form of cash, Shares or in a combination thereof, with the value or number of Shares payable to be determined based on the Fair Market Value of the Company Common Stock on the date of the Administrator's certification under Section 9.8 above or such other date specified in the Award Agreement. The Administrator may, in an Award Agreement with respect to the award or delivery of Shares, condition the vesting of such Shares on the performance of additional service.

Section 9.10 *Newly Eligible Participants.* Notwithstanding anything in this Article IX to the contrary, the Administrator shall be entitled to make such rules, determinations and adjustments as it deems appropriate with respect to any Participant who becomes eligible to receive Performance Shares, Performance Units or other Performance Awards after the commencement of a Performance Cycle.

ARTICLE X
Deferred Share Units

Section 10.1 *Grant.* Subject to Article III, the Administrator is authorized to make awards of Deferred Share Units to any Participant selected by the Administrator at such time or times as shall be determined by the Administrator without regard to any election by the Participant to defer receipt of any compensation or bonus amount payable to him. Upon the grant of Deferred Share Units pursuant to the Plan, the Company shall establish a notional account for the Participant and will record in such account the number of Deferred Share Units awarded to the Participant. No Shares will be issued to the Participant at the time an award of Deferred Share Units is granted. Subject to Article III, Deferred Share Units may become payable on a Corporate Event, Change in Control, termination of employment or on a specified date or dates or a specified event or events set forth in the Award Agreement evidencing such Deferred Share Units.

Section 10.2 *Rights as a Stockholder.* A Participant shall not be, nor have any of the rights and privileges of, a stockholder of the Company in respect of Deferred Share Units awarded pursuant to the Plan unless and until the Shares attributable to such Deferred Share Units have been issued to such Participant and, unless otherwise determined by the Administrator, such Participant has made such representations and provided such documents as the Administrator deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal or state securities laws or regulations.

Section 10.3 *Vesting.* Unless the Administrator provides otherwise on the Grant Date or provides thereafter in a manner more favorable to the Participant, Deferred Share Units shall be fully vested and nonforfeitable when granted.

Section 10.4 *Further Deferral Elections.* A Participant may elect to further defer receipt of Shares issuable in respect of Deferred Share Units (or an installment of an Award) for a specified period or until a specified event and in a manner consistent with Section 409A of the Code, subject in each case to the Administrator's approval and to such terms as are determined by the Administrator, all in its sole discretion. Subject to any exceptions adopted by the Administrator, such election must generally be made at least twelve (12) months prior to the prior settlement date of such Deferred Share Units (or any such installment thereof) and must defer settlement for at least five (5) years after such prior

Table of Contents

settlement date. A further deferral opportunity does not have to be made available to all Participants, and different terms and conditions may apply with respect to the further deferral opportunities made available to different Participants.

Section 10.5 *Settlement*. Subject to this Article X, upon the date specified in the Award Agreement evidencing the Deferred Share Units, for each such Deferred Share Unit the Participant shall receive, as specified in the Award Agreement (and subject to satisfaction of applicable withholding taxes), (i) a cash payment equal to the Fair Market Value of one (1) Share as of such payment date, (ii) one (1) Share or (iii) any combination of clauses (i) and (ii).

ARTICLE XI
Other Stock-Based Awards

Section 11.1 *Grant of Stock-Based Awards*. The Administrator is authorized to make Awards of other types of equity-based or equity-related awards ("*Stock-Based Awards*") not otherwise described by the terms of the Plan in such amounts and subject to such terms and conditions as the Administrator shall determine. All Stock-Based Awards shall be evidenced by an Award Agreement. Such Stock-Based Awards may be granted as an inducement to enter the employ of the Company or any Subsidiary or in satisfaction of any obligation of the Company or any Subsidiary to an officer or other key employee, whether pursuant to this Plan or otherwise, that would otherwise have been payable in cash or in respect of any other obligation of the Company. Such Stock-Based Awards may entail the transfer of actual Shares, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

Section 11.2 *Sale of Company Common Stock to Service Providers*. The Administrator, acting in its sole discretion, may from time to time designate one or more Service Providers to whom an offer to sell Shares shall be made and the terms and conditions thereof, *provided, however*, that the price per Share shall not be less than the Fair Market Value of such Shares on the date any such offer is accepted. Any Shares sold under this Section 11.2 shall be subject to the same limitations, restrictions and administration hereunder as would apply to any Shares issued pursuant to the exercise of an Option under this Plan including, without limitation, conditions and restrictions set forth in Section 7.6 above. Unless otherwise determined by the Administrator, Shares acquired pursuant to this Section 11.2 shall also be subject to the terms and conditions of an Award Agreement, which shall be executed by the Participant and an authorized officer.

Section 11.3 *Automatic Grants for Directors*. The Administrator may institute, by resolution, grants of automatic Awards to new and continuing Directors, with the number and type of such Awards, the frequency of grant and all related terms and conditions, including any applicable vesting conditions, as determined by the Administrator in its sole discretion.

ARTICLE XII
Dividend Equivalents

Section 12.1 *Generally*. Dividend Equivalents may be granted to Participants at such time or times as shall be determined by the Administrator. Dividend Equivalents may be granted in tandem with other Awards, in addition to other Awards, or freestanding and unrelated to other Awards. Dividend Equivalents may, at the discretion of the Administrator, be fully vested and nonforfeitable when granted or subject to such vesting conditions as determined by the Administrator. For the avoidance of doubt, Dividend Equivalents with respect to Awards (including any performance-based awards) shall not be fully vested until the Awards have been earned and shall be forfeited if the related Award is forfeited. Dividend Equivalents shall be evidenced in writing, whether as part of the Award Agreement governing the terms of the Award, if any, to which such Dividend Equivalent relates, or

Table of Contents

pursuant to a separate Award Agreement with respect to freestanding Dividend Equivalents, in each case, containing such provisions not inconsistent with the Plan as the Administrator shall determine, including customary representations, warranties and covenants with respect to securities law matters.

ARTICLE XIII
Termination and Forfeiture

Section 13.1 *Termination for Cause.* Unless otherwise determined by the Administrator at the Grant Date and set forth in the Award Agreement covering the Award or otherwise in writing or determined thereafter in a manner more favorable to the Participant, if a Participant's employment or service terminates for Cause, all Options and SARs, whether vested or unvested, and all other Awards that are unvested or unexercisable or otherwise unpaid (or were unvested or unexercisable or unpaid at the time of occurrence of Cause) shall be immediately forfeited and canceled, effective as of the date of the Participant's termination of service.

Section 13.2 *Termination for Any Other Reason.* Unless otherwise determined by the Administrator at the Grant Date and set forth in the Award Agreement covering the Award or otherwise in writing or determined thereafter in a manner more favorable to the Participant, if a Participant's employment or service terminates for any reason other than Cause:

(a) All Awards that are unvested or unexercisable shall be immediately forfeited and canceled, effective as of the date of the Participant's termination of service;

(b) All Options and SARs that are vested shall remain outstanding until the earliest of the following: (x) in the case of termination for death, Disability or retirement at normal retirement age, the 180th day following the date of the Participant's death, Disability or retirement at normal retirement age, (y) the three-month anniversary of the effective date of the Participant's termination for any reason other than death, Disability or retirement at normal retirement age or (z) the Award's normal expiration date, after which any unexercised Options and SARs shall immediately terminate; and

(c) All Awards other than Options and SARs that are vested shall be treated as set forth in the applicable Award Agreement (or in any more favorable manner determined by the Administrator).

Section 13.3 *Post-Termination Informational Requirements.* Before the settlement of any Award following termination of employment or service, the Administrator may require the Participant (or the Participant's Eligible Representative, if applicable) to make such representations and provide such documents as the Administrator deems necessary or advisable to effect compliance with Applicable Law and determine whether the provisions of Section 13.1 or Section 13.4 may apply to such Award.

Section 13.4 *Forfeiture of Awards.* Awards granted under this Plan (and gains earned or accrued in connection with Awards) shall be subject to such generally applicable policies as to forfeiture and recoupment (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates) as may be adopted by the Administrator or the Board from time to time and communicated to Participants. Any such policies may (in the discretion of the Administrator or the Board) be applied to outstanding Awards at the time of adoption of such policies, or on a prospective basis only. The Administrator may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates). The Participant shall also forfeit and

Table of Contents

disgorge to the Company any Awards granted or vested and any gains earned or accrued due to the exercise of Options or SARs or the sale of any Company Common Stock to the extent required by Applicable Law or regulations in effect on or after the Effective Date, including Section 304 of the Sarbanes-Oxley Act of 2002 and Section 10D of the Exchange Act. For the avoidance of doubt, the Administrator shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder. The implementation of policies and procedures pursuant to this Section 13.4 and any modification of the same shall not be subject to any restrictions on amendment or modification of Awards.

Section 13.5 *Clawbacks*. Awards shall be subject to any generally applicable clawback policy adopted by the Administrator, the Board or the Company that is communicated to the Participants or any such policy adopted to comply with Applicable Law.

ARTICLE XIV
Change in Control

Section 14.1 *Alternative Award*. Subject to Section 14.2, upon a Change in Control, outstanding Awards (other than Awards that by their express terms are forfeited upon a Change in Control (e.g., by reason of performance goals not having been satisfied)) shall be honored or assumed, or new rights shall be substituted therefor, effective following the Change in Control (such honored, assumed or substituted award, an "Alternative Award") having such terms and conditions as are determined by the Administrator, *provided* that any Alternative Awards must (i) include rights and entitlements substantially equivalent to or better than the rights and entitlements applicable under the Award immediately prior to the Change in Control (except that, for avoidance of doubt, the Alternative Awards may relate to an equity interest of a direct or indirect parent of the Company or an Affiliate rather than to the Company Common Stock); (ii) as to any service-based vesting requirement applicable to the Award, provide for full vesting of the Alternative Award upon the Participant's termination of employment without Cause or in a constructive discharge during the remaining vesting period thereof (with "constructive discharge" to have such meaning as is determined by the Administrator as to a Participant who is not otherwise covered by a Good Reason provision); (iii) as to any performance-based vesting requirement applicable to the Award, provide for vesting of the Alternative Award at target levels upon the Participant's termination of employment without Cause or in a constructive discharge during the remaining vesting period thereof; (iv) as to any Alternative Awards that are stock options, have identical or better methods of payment of the exercise price thereof; and (v) provide for a substantially equivalent method by which the Participant is able to receive cash in respect of the Alternative Awards (or such other method as may be agreed by the Administrator and the counterparty in the Change in Control). If the Administrator determines in connection with a Change in Control that performance-based vesting requirements applicable to an Award will no longer operate as intended following the Change in Control or will no longer provide the intended incentive, the Administrator may modify such performance-based vesting requirements or impose new performance-based vesting requirements so long as the Administrator determines that such modified or new performance-based vesting requirements are not materially more difficult to achieve than the performance-based vesting requirements applicable to the Award immediately prior to the Change in Control.

Section 14.2 *Accelerated Vesting and Payment*. In the event that the Administrator determines, whether in an Award Agreement or thereafter, including at the time of or in connection with a Change in Control, that the provisions of Section 14.1 shall not (or shall no longer) apply, then the

Table of Contents

Administrator may determine, in whole or in part and in any combination, that, upon a Change in Control:

- (a) each vested and unvested Option or SAR shall be canceled in exchange for a payment equal to the excess, if any, of the Change in Control Price over the applicable Option Price or Base Price;
- (b) the vesting restrictions applicable to all other unvested Awards (other than freestanding Dividend Equivalents not granted in connection with another Award) shall lapse, all such Awards shall vest and become non-forfeitable and be canceled in exchange for a payment equal to the Change in Control Price;
- (c) all other Awards (other than freestanding Dividend Equivalents not granted in connection with another Award) that were vested prior to the Change in Control but that have not been settled or converted into Shares prior to the Change in Control shall be canceled in exchange for a payment equal to the Change in Control Price; and
- (d) all freestanding Dividend Equivalents not granted in connection with another Award shall be cancelled without payment therefor.

To the extent any portion of the Change in Control Price is payable other than in cash and/or other than at the time of the Change in Control, equity holders under the Plan may (to the extent consistent with Section 409A) receive the same time and form of payment in the Change in Control in the same proportion as the Company's stockholders, or the Administrator may, in its sole discretion, cause equity holders under the Plan to be paid in cash at the time of the Change in Control. For avoidance of doubt, upon a Change in Control the Administrator may cancel Options and SARs for no consideration if the aggregate Fair Market Value of the Shares subject to Options and SARs is less than or equal to the Option Price of such Options or the Base Price of such SARs.

Section 14.3 *Section 409A*. Notwithstanding the broad discretion of the Administrator in Sections 14.1 and 14.2, if any Award is subject to Section 409A of the Code and an Alternative Award would be deemed a non-compliant modification of such Award under Section 409A, then no Alternative Award shall be provided and such Award shall instead be treated as provided in Section 14.2 or in the Award Agreement (or in such other manner determined by the Administrator that is a compliant modification under Section 409A).

Section 14.4 *Successors and Assigns*. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Affiliates, taken as a whole.

ARTICLE XV
Other Provisions

Section 15.1 *Awards Not Transferable*. Unless otherwise agreed to in writing by the Administrator, no Award or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Participant or his or her successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law, by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; *provided, however*, that nothing in this Section 15.1 shall prevent transfers by will or by the applicable laws of descent and distribution or, with the prior approval of the Company's General Counsel or the Administrator, estate planning transfers.

Table of Contents

Section 15.2 *Amendment, Suspension or Termination of the Plan or Award Agreements.*

(a) The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Administrator; *provided* that without the approval by a majority of the shares entitled to vote at a duly constituted meeting of shareholders of the Company, no amendment or modification to the Plan may (i) except as otherwise expressly provided in Section 4.3, increase the number of Shares subject to the Plan or the individual Award limitations specified in Section 4.2; (ii) modify the class of persons eligible for participation in the Plan; or (iii) materially modify the Plan in any other way that would require shareholder approval under Applicable Law.

(b) Except as otherwise expressly provided in the Plan, neither the amendment, suspension nor termination of the Plan shall, without the consent of the holder of the Award, adversely alter or impair any rights or obligations under any Award theretofore granted. Except as provided by Section 4.3, notwithstanding the foregoing, the Administrator at any time, and from time to time, may amend the terms of any one or more existing Award Agreements, *provided, however*, that the rights of a Participant under an Award Agreement shall not be adversely impaired without the Participant's written consent. The Company shall provide a Participant with notice of any amendment made to such Participant's existing Award Agreement in accordance with the terms of this Section 15.2(b).

(c) Notwithstanding any provision of the Plan to the contrary, in no event shall adjustments made by the Administrator pursuant to Section 4.3 or the application of Section 13.5, Section 14.1, Section 14.2, Section 15.7 or Section 15.14 to any Participant constitute an amendment of the Plan or of any Award Agreement requiring the consent of any Participant.

(d) No Award may be granted during any period of suspension nor after termination of the Plan, and in no event may any Award be granted under this Plan after the expiration of ten (10) years from the Effective Date.

Section 15.3 *Effect of Plan upon Other Award and Compensation Plans.* The adoption of this Plan shall not affect any other compensation or incentive plans in effect for the Company or any of its Subsidiaries. Nothing in this Plan shall be construed to limit the right of the Company or any of its Subsidiaries (a) to establish any other forms of incentives or compensation for Service Providers or (b) to grant or assume options or restricted stock other than under this Plan in connection with any proper corporate purpose, including, but not by way of limitation, the grant or assumption of options or restricted stock in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, firm or association.

Section 15.4 *No Fractional Shares.* No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan. The Administrator shall determine whether cash, additional Awards or other securities or properties shall be issued or paid in lieu of fractional shares of Common Stock or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

Section 15.5 *At-Will Employment.* Nothing in the Plan or any Award Agreement hereunder shall confer upon the Participant any right to continue as a Service Provider of the Company or any of its Subsidiaries or shall interfere with or restrict in any way the rights of the Company and any of its Subsidiaries, which are hereby expressly reserved, to discharge any Participant at any time for any reason whatsoever, with or without notice, and with or without Cause.

Section 15.6 *Titles.* Titles are provided herein for convenience only and are not to serve as a basis for interpretation or construction of the Plan.

Section 15.7 *Conformity to Securities Laws.* The Plan is intended to conform to the extent necessary with all provisions of the Securities Act and the Exchange Act and any and all regulations

Table of Contents

and rules promulgated under any of the foregoing, to the extent the Company, any of its Subsidiaries or any Participant is subject to the provisions thereof. Notwithstanding anything herein to the contrary, the Plan shall be administered, and Awards shall be granted and may be exercised, only in such a manner as to conform to such laws, rules and regulations. To the extent permitted by applicable law, the Plan and Awards granted hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

Section 15.8 *Term of Plan.* The Plan shall become effective on the date as of which this Plan is adopted by the Board (the "*Effective Date*") and shall continue in effect, unless sooner terminated pursuant to Section 15.2, until the tenth (10th) anniversary of the Effective Date. No Award shall be granted pursuant to the Plan after such date, but Awards theretofore granted may extend beyond that date. The provisions of the Plan shall continue thereafter to govern all outstanding Awards.

Section 15.9 *Governing Law.* To the extent not preempted by federal law, the Plan shall be construed in accordance with and governed by the laws of the State of Delaware regardless of the application of rules of conflict of law that would apply the laws of any other jurisdiction.

Section 15.10 *Severability.* In the event any portion of the Plan or any action taken pursuant thereto shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provisions had not been included, and the illegal or invalid action shall be null and void.

Section 15.11 *Governing Documents.* In the event of any express contradiction between the Plan and any Award Agreement or any other written agreement between a Participant and the Company or any Subsidiary of the Company that has been approved by the Administrator, the express terms of the Plan shall govern, unless it is expressly specified in such Award Agreement or other written document that such express provision of the Plan shall not apply.

Section 15.12 *Withholding Taxes.* In addition to any rights or obligations with respect to Withholding Taxes under the Plan or any applicable Award Agreement, the Company or any Subsidiary employing a Service Provider shall have the right to withhold from the Service Provider, or otherwise require the Service Provider or an assignee to pay, any Withholding Taxes arising as a result of grant, exercise, vesting or settlement of any Award or any other taxable event occurring pursuant to the Plan or any Award Agreement, including, without limitation, to the extent permitted by law, the right to deduct any such Withholding Taxes from any payment of any kind otherwise due to the Service Provider or to take such other actions (including, without limitation, withholding any Shares or cash deliverable pursuant to the Plan or any Award) as may be necessary to satisfy such Withholding Taxes; *provided, however*, that in the event that the Company withholds Shares issued or issuable to the Participant to satisfy all or any portion of the Withholding Taxes, the Company shall withhold a number of whole Shares having a Fair Market Value, determined as of the date of withholding, not in excess of the minimum of tax required to be withheld by Applicable Law (or such lower amount as may be necessary to avoid liability award accounting) and any remaining amount shall be remitted in cash or withheld; and *provided, further*, that with respect to any Award subject to Section 409A of the Code, in no event shall Shares be withheld pursuant to this Section 15.12 (other than upon or immediately prior to settlement in accordance with the Plan and the applicable Award Agreement) other than to pay taxes imposed under the U.S. Federal Insurance Contributions Act (FICA) and any associated U.S. federal withholding tax imposed under Section 3401 of the Code and in no event shall the value of such Shares (other than upon immediately prior to settlement) exceed the amount of the tax imposed under FICA and any associated U.S. federal withholding tax imposed under Section 3401 of the Code. The Participant shall be responsible for all Withholding Taxes and other tax consequences of any Award granted under this Plan.

Table of Contents

Section 15.13 *Unfunded Plan.* The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan.

Section 15.14 *Section 409A.* To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the adoption of the Plan. Notwithstanding any provision of the Plan to the contrary, in the event that following the adoption of the Plan, the Administrator determines that any Award may be subject to Section 409A of the Code and related regulations and Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the adoption of the Plan), the Administrator may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance or (c) comply with any correction procedures available with respect to Section 409A of the Code. Notwithstanding anything else contained in this Plan or any Award Agreement to the contrary, if a Service Provider is a "specified employee" as determined pursuant to Section 409A under any Company Specified Employee policy in effect at the time of the Service Provider's "separation from service" (as determined under Section 409A) or, if no such policy is in effect, as defined in Section 409A of the Code), then, to the extent necessary to comply with, and avoid imposition on such Service Provider of any tax penalty imposed under, Section 409A of the Code, any payment required to be made to a Service Provider hereunder upon or following his or her separation from service shall be delayed until the first to occur of (i) the six-month anniversary of the Service Provider's separation from service and (ii) the Service Provider's death. Should payments be delayed in accordance with the preceding sentence, the accumulated payment that would have been made but for the period of the delay shall be paid in a single lump sum during the ten-day period following the lapsing of the delay period. Notwithstanding the foregoing, neither the Company nor the Administrator shall have any obligation to take any action to prevent the assessment of any excise tax or penalty on any Participant under Section 409A of the Code and neither the Company nor the Administrator shall have any liability to any Participant for such tax or penalty. No provision of this Plan or an Award Agreement shall be construed to indemnify any Service Provider for any taxes incurred by reason of Section 409A (or timing of incurrence thereof), other than an express indemnification provision therefor.

Section 15.15 *Section 16.* It is the intent of the Company that the Plan satisfy, and be interpreted in a manner that satisfies, the applicable requirements of Rule 16b-3 as promulgated under Section 16 of the Exchange Act so that Participants will be entitled to the benefit of Rule 16b-3, or any other rule promulgated under Section 16 of the Exchange Act, and will not be subject to short-swing liability under Section 16 of the Exchange Act. Accordingly, if the operation of any provision of the Plan would conflict with the intent expressed in this Section 15.15, such provision to the extent possible shall be interpreted and/or deemed amended so as to avoid such conflict.

Section 15.16 *Section 162(m).* To the extent the Administrator issues any Award that is intended to be exempt from the deduction limitation of Section 162(m) of the Code, the Administrator may, without shareholder or grantee approval, amend the Plan or the relevant Award Agreement retroactively or prospectively to the extent it determines necessary in order to comply with any

Table of Contents

subsequent clarification of Section 162(m) of the Code required to preserve the Company's federal income tax deduction for compensation paid pursuant to any such Award.

Section 15.17 *Beneficiary Designation.* Each Participant under the Plan may from time to time name any beneficiary or beneficiaries by whom any right under the Plan is to be exercised in case of such Participant's death. Each designation will revoke all prior designations by the same Participant, shall be in a form reasonably prescribed by the Administrator and shall be effective only when filed by the Participant in writing with the Company during the Participant's lifetime.

Section 15.18 *Notices.* Except as provided otherwise in an Award Agreement, all notices and other communications required or permitted to be given under this Plan or any Award Agreement shall be in writing and shall be deemed to have been given if delivered personally, sent by email or any other form of electronic transfer approved by the Administrator, sent by certified or express mail, return receipt requested, postage prepaid, or by any recognized international equivalent of such delivery, (i) in the case of notices and communications to the Company, to 6285 Tri-Ridge Boulevard, Loveland, OH 45140 to the attention of the Corporate Secretary of the Company or (ii) in the case of a Participant, to the last known address, or email address or, where the individual is an employee of the Company or one of its subsidiaries, to the individual's workplace address or email address or by other means of electronic transfer acceptable to the Administrator. All such notices and communications shall be deemed to have been received on the date of delivery, if sent by email or any other form of electronic transfer, at the time of dispatch or on the third business day after the mailing thereof.

**VERITIV CORPORATION
ANNUAL INCENTIVE PLAN
(As Adopted on March 4, 2015)**

I. PURPOSES

The purposes of the Veritiv Corporation Annual Incentive Plan (the "*Plan*") are to retain and motivate the officers and other employees of Veritiv Corporation (the "*Company*") and its subsidiaries who have been designated by the Committee to participate in the Plan for a specified Performance Period by providing them with the opportunity to earn incentive payments based upon the extent to which specified performance goals have been achieved or exceeded for an applicable Performance Period. It is intended that all amounts payable to Participants who are "covered employees" within the meaning of Section 162(m) of the Code will constitute "qualified performance-based compensation" within the meaning of U.S. Treasury regulations promulgated thereunder, and the Plan and the terms of any awards hereunder shall be so interpreted and construed to the maximum extent possible.

II. CERTAIN DEFINITIONS

"*Board*" means the Board of Directors of the Company.

"*Code*" means the Internal Revenue Code of 1986, as amended.

"*Committee*" means the Compensation and Leadership Development Committee of the Board or such other committee or subcommittee designated by the Board or the Compensation and Leadership Development Committee that satisfies any then applicable requirements of the New York Stock Exchange, or such other principal national stock exchange on which the common stock of the Company is then traded, to constitute a compensation committee, and which consists of two or more members of the Board, each of whom is intended to be an "outside director" within the meaning of Section 162(m) of the Code.

"*Company*" means Veritiv Corporation, a Delaware corporation, and any successor thereto.

"*Competitive Activity*" means a Participant's material breach of restrictive covenants relating to noncompetition, nonsolicitation (of customers or employees) or preservation of confidential information, or other covenants having the same or similar scope, included in an award under this Plan, an award under the Company's 2014 Omnibus Incentive Plan or any agreement to which the Participant and the Company or any of its subsidiaries is a party.

"*Determination Period*" means, with respect to any Performance Period, a period commencing on or before the first day of the Performance Period and ending not later than the earlier of (i) 90 days after the commencement of the Performance Period and (ii) the date on which twenty-five percent (25%) of the Performance Period has been completed. Any action required to be taken within a Determination Period may be taken at a later date if permissible under Section 162(m) of the Code or regulations promulgated thereunder, as they may be amended from time to time.

"*Individual Award Opportunity*" means the potential of a Participant to receive an incentive payment based on the extent to which the applicable performance goals for a Performance Period shall have been satisfied. An Individual Award Opportunity may be expressed in U.S. dollars or pursuant to a formula that is consistent with the provisions of the Plan.

"*Participant*" means an officer or other employee of the Company or any of its subsidiaries who is designated by the Committee to participate in the Plan for a Performance Period, in accordance with Article III.

Table of Contents

"**Performance Period**" means any period commencing on or after January 1, 2015, for which performance goals are established pursuant to Article IV. A Performance Period may be coincident with one or more fiscal years of the Company or a portion of any fiscal year of the Company.

"**Plan**" means the Veritiv Corporation Annual Incentive Plan, as set forth herein, as it may be amended from time to time.

III. ADMINISTRATION

3.1. **General.** The Plan shall be administered by the Committee, which shall have the full power and authority to interpret, construe and administer the Plan and any Individual Award Opportunity granted hereunder (including reconciling any inconsistencies, correcting any defaults and addressing any omissions). The Committee's interpretation, construction and administration of the Plan and all its determinations hereunder shall be final, conclusive and binding on all persons for all purposes.

3.2. **Powers and Responsibilities.** The Committee shall have the following discretionary powers, rights and responsibilities in addition to those described in *Section 3.1*:

- (a) to designate within the Determination Period the Participants for a Performance Period;
- (b) to establish within the Determination Period the performance goals and other terms and conditions that are to apply to each Participant's Individual Award Opportunity, including the extent to which any incentive payment shall be made to a Participant in the event of (A) the Participant's termination of employment with the Company due to disability, retirement, death or any other reason or (B) a change of control of the Company;
- (c) to determine the form of payment of Individual Award Opportunities, which may include, without limitation, cash, shares of Company common stock or stock-based awards granted under the Company's equity incentive plan as in effect from time to time, or any other property approved by the Committee;
- (d) to determine and certify in writing prior to the payment under any Individual Award Opportunity that the performance goals for a Performance Period and other material terms applicable to the Individual Award Opportunity have been satisfied;
- (e) subject to the requirements of Section 409A of the Code, to decide whether, and under what circumstances and subject to what terms, Individual Award Opportunities are to be paid on a deferred basis, including whether such a deferred payment shall be made solely at the Committee's discretion or whether a Participant may elect deferred payment; and
- (f) to adopt, revise, suspend, waive or repeal, when and as appropriate, in its sole and absolute discretion, such administrative rules, guidelines and procedures for the Plan as it deems necessary or advisable to implement the terms and conditions of the Plan.

3.3. **Delegation of Power.** The Committee may delegate some or all of its power and authority hereunder to the Chief Executive Officer or other executive officer of the Company as the Committee deems appropriate; provided, however, that with respect to any person who is a "covered employee" within the meaning of Section 162(m) of the Code or who, in the Committee's judgment, is likely to be a covered employee at any time during the applicable Performance Period, only the Committee shall be permitted to (i) designate such person to participate in the Plan for such Performance Period, (ii) establish performance goals and Individual Award Opportunities for such person, and (iii) certify the achievement of such performance goals.

IV. PERFORMANCE GOALS

The Committee shall establish within the Determination Period of each Performance Period one or more objective performance goals for each Participant or for any group of Participants (or both), provided that the outcome of each goal is substantially uncertain at the time the Committee establishes such goal. At the discretion of the Committee, the performance goals may be based upon (alone or in combination): (a) net or operating income (before or after taxes) or other income measures; (b) earnings before taxes, interest, depreciation and/or amortization ("*EBITDA*"); (c) net income before equity in earnings of unconsolidated subsidiaries, income tax expense, loss on early debt extinguishment, interest and other (expense) income, realized gain (loss) on investments, interest expense, equity-based compensation expense, related party management fees, restructuring charges and depreciation and amortization expense and net income attributable to noncontrolling interests ("*Adjusted EBITDA*"); (d) basic or diluted earnings per share or improvement in basic or diluted earnings per share; (e) sales (including, but not limited to, total sales, net sales and revenue growth); (f) profit (including, but not limited to, net profit, gross profit, operating profit, net operating profit, economic profit or other corporate profit measures); (g) financial return measures (including, but not limited to, return on assets, income, capital, invested capital, equity, investments, sales and revenue); (h) cash flow measures (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); (i) productivity ratios (including, but not limited to, measuring liquidity, profitability and leverage); (j) share price (including, but not limited to, growth measures and total shareholder return); (k) expense/cost management targets (including, but not limited, to expense management, expense ratio, expense efficiency ratios or other expense measures); (l) margins (including, but not limited to, operating margin, net income margin, cash margin, gross, net or operating profit margins, EBITDA margins and Adjusted EBITDA margins); (m) operating efficiency; (n) market share or market penetration; (o) customer targets (including, but not limited to, customer growth and customer satisfaction); (p) working capital targets or improvements; (q) economic value added; (r) balance sheet metrics (including, but not limited to, inventory, inventory turns, receivables turnover, net asset turnover, total debt, net debt, debt reduction, retained earnings, year-end cash, cash conversion cycle and ratio of debt to equity or to EBITDA); (s) workforce targets (including, but not limited to, diversity goals, employee engagement or satisfaction, employee retention and workplace health and safety goals); (t) implementation, completion or attainment of measurable objectives with respect to research and development, key products or key projects, lines of business, acquisitions and divestitures and strategic plan development and/or implementation; (u) comparisons with various stock market indices, peer companies or industry groups or classifications with regard to one more of these criteria, (v) improvements in capital structure, (w) business expansion or consolidation (acquisitions and divestitures), (x) internal rate of return or increase in net present value, (y) productivity measures, (z) cost reduction measures or, for any period of time in which Section 162(m) is not applicable to the Company and the Plan, or at any time in the case of (A) persons who are not "covered employees" under Section 162(m) of the Code or (B) awards (whether or not to "covered employees") not intended to qualify as performance-based compensation under Section 162(m) of the Code, such other criteria as may be determined by the Committee.

Performance goals may be established on a Company-wide basis or with respect to one or more subsidiaries or affiliates or business units, divisions, regions, departments, functions or products within the Company, a subsidiary or affiliate and may be expressed in absolute terms, or an adjusted basis, in percentages, or in terms of growth from period to period or growth rates over time, or measured relative to (i) current internal targets or budgets, (ii) the past performance of the Company (including the performance of one or more subsidiaries, divisions or operating units), (iii) the performance of one or more similarly situated companies, (iv) the performance of an index covering a peer group of companies or (v) other external measures of the selected performance criteria. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each

Table of Contents

case, by reference to a specific business criterion). Any performance objective may measure performance on an individual basis, as appropriate. The Committee may provide for a threshold level of performance below which no payment will be made, and a maximum level of performance above which no additional payments will be made, and it may provide for differing amounts of payments for different levels of performance. When establishing performance goals for a Performance Period, the Committee may determine that any or all "extraordinary items" as determined under U.S. generally accepted accounting principles and as identified in the financial statements, notes to the financial statements or management's discussion and analysis in the annual report, including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, extraordinary items, capital gains and losses, dividends, share repurchase, other unusual or non-recurring items, and the cumulative effects of accounting changes shall be excluded from the determination as to whether the performance goals have been met. Except in the case of awards to "covered employees" intended to be performance-based compensation under Section 162(m) of the Code, the Committee may also adjust the performance goals for any Performance Period as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Committee may determine.

V. INDIVIDUAL AWARD OPPORTUNITIES

5.1. **Terms.** At the time performance goals are established for a Performance Period, the Committee also shall establish an Individual Award Opportunity for each Participant or group of Participants, which shall be based on the achievement of one or more specified targets of performance goals. The targets shall be expressed in terms of an objective formula or standard and the Individual Award Opportunity may, at the discretion of the Committee, be based upon the Participant's annual base salary or pay level midpoint or a multiple thereof. In all cases the Committee shall have the sole and absolute discretion to reduce the amount of any payment under any Individual Award Opportunity that would otherwise be made to any Participant or to decide that no payment shall be made, and the Committee may in its sole discretion establish secondary performance goals, that need not be specified in *Article IV* of the Plan, which the Committee may use as guidelines in making the decision whether to reduce any such payment. No Participant shall receive a payment under the Plan with respect to any fiscal year of the Company in excess of \$10,000,000, which maximum amount shall be proportionately increased or decreased with respect to Performance Periods that are more or less than one year in duration.

5.2. **Incentive Payments.** Subject to *Section 3.2(e)*, payments under Individual Award Opportunities shall be made within 2¹/₂ months after the end of the Performance Period for which the incentive awards are payable, except that no such payment shall be made unless and until the Committee, based to the extent applicable on the Company's audited consolidated financial statements for such Performance Period (as prepared and reviewed by the Company's independent public accountants), has certified in writing the extent to which the applicable performance goals for such Performance Period have been satisfied.

5.3 **Forfeiture of Awards.** Awards granted under this Plan shall be subject to such generally applicable policies as to forfeiture and recoupment (including, without limitation, upon the occurrence of material financial or accounting errors, financial or other misconduct, Competitive Activity or other conduct by a Participant that is detrimental to the business or reputation of the Company and/or its affiliates) as may be adopted by the Committee or the Board from time to time and communicated to Participants. Any such policies may (in the discretion of the Committee or the Board) be applied to outstanding awards at the time of adoption of such policies, or on a prospective basis only. The Committee may specify that a Participant's rights, payments and benefits with respect to an award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events (including, without limitation, upon the occurrence of material financial or accounting errors, financial

Table of Contents

or other misconduct, Competitive Activity or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its affiliates). A Participant shall also forfeit and disgorge to the Company any awards granted or paid to the extent required by applicable law or regulations in effect on or after the effective date of the Plan, including Section 304 of the Sarbanes-Oxley Act of 2002 and Section 10D of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"). For the avoidance of doubt, the Committee shall have full authority to implement any policies and procedures necessary to comply with Section 10D of the Exchange Act and any rules promulgated thereunder. The implementation of policies and procedures pursuant to this Section 5.3 and any modification of the same shall not be subject to any restrictions on amendment or modification of awards.

5.4 **Clawbacks.** Awards shall be subject to any generally applicable clawback policy adopted by the Committee, the Board or the Company that is communicated to Participants or any such policy adopted to comply with applicable law.

VI. GENERAL

6.1. **Effective Date and Term of Plan.** The Plan shall be submitted to the stockholders of the Company for approval at the 2015 annual meeting of stockholders and, if approved by the affirmative vote of the holders of a majority in voting power of the shares of common stock of the Company entitled to vote and represented in person or by proxy at the annual meeting, shall become effective for Performance Periods beginning on and after January 1, 2015. This Plan may be terminated at any time by the Committee. In the event that this Plan is not approved by the stockholders of the Company, this Plan shall be null and void.

6.2. **Amendment or Termination of Plan.** The Committee may amend or terminate this Plan as it shall deem advisable, subject to any requirement of stockholder approval required by applicable law, rule or regulation, including Section 162(m) of the Code.

6.3. **Non-Transferability of Awards.** No award under the Plan shall be transferable other than by will, the laws of descent and distribution or pursuant to beneficiary designation procedures approved by the Company. Except to the extent permitted by the foregoing sentence, no award may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of any such award, such award and all rights thereunder shall immediately become null and void.

6.4. **Tax Withholding.** The Company shall have the right to require, prior to the payment of any amount pursuant to an award made hereunder, payment by the Participant of any Federal, state, local or other taxes which may be required to be withheld or paid in connection with such award.

6.5. **No Right of Participation or Employment.** No person shall have any right to participate in this Plan. Neither this Plan nor any award made hereunder shall confer upon any person any right to continued employment by the Company, any subsidiary or any affiliate of the Company or affect in any manner the right of the Company, any subsidiary or any affiliate of the Company to terminate the employment of any person at any time without liability hereunder.

6.6. **Designation of Beneficiary.** If permitted by the Company, a Participant may file with the Company a written designation of one or more persons as such Participant's beneficiary or beneficiaries (both primary and contingent) in the event of the Participant's death. Each beneficiary designation shall become effective only when filed in writing with the Company during the Participant's lifetime on a form prescribed by the Company. The spouse of a married Participant domiciled in a community property jurisdiction shall join in any designation of a beneficiary other than such spouse. The filing with the Company of a new beneficiary designation shall cancel all previously filed beneficiary

Table of Contents

designations. If a Participant fails to designate a beneficiary, or if all designated beneficiaries of a Participant predecease the Participant, then each outstanding award shall be payable to the Participant's executor, administrator, legal representative or similar person.

6.7. **Governing Law.** This Plan and each award hereunder, and all determinations made and actions taken pursuant thereto, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

6.8. **Other Plans.** Neither the adoption of the Plan nor the submission of the Plan to the Company's stockholders for their approval shall be construed as limiting the power of the Board or the Committee to adopt such other incentive arrangements as it may otherwise deem appropriate.

6.9. **Binding Effect.** The Plan shall be binding upon the Company and its successors and assigns and the Participants and their beneficiaries, personal representatives and heirs. If the Company becomes a party to any merger, consolidation or reorganization, then the Plan shall remain in full force and effect as an obligation of the Company or its successors in interest, unless the Plan is amended or terminated pursuant to *Section 6.2*.
