**SECTION 1 REGISTRANT'S BUSINESS AND OPERATIONS**

**Item 1.01 Entry Into a Material Definitive Agreement**

In connection with a \$25 million secured term loan credit facility proposed to be provided to Nord Resources Corporation ( Nord ) by Nedbank Limited ( Nedbank ), the parties have entered into an agreement whereby:

- Nedbank has granted Nord an extension to the repayment date of the existing \$5 million bridge loan facility to July 12, 2007; and
- Nord has agreed to pay to Nedbank a break fee with respect to the credit facility of \$500,000 (being an amount equal to 2% of the credit facility) in the event that Nord fails to raise at least \$20 million in additional equity within the next three months.

The proposed credit facility is described in more detail below in Item 8.01, *Other Events*.

**SECTION 8 OTHER EVENTS**

**Item 8.01 Other Events**

Nord has issued a news release announcing that Nord has received credit approval from Nedbank for a \$25 million secured term loan credit facility that would be used by Nord for the reactivation of Nord's Johnson Camp Mine project in Arizona. The credit facility will be subject to the entering into of a definitive loan agreement between Nord and Nedbank. Draw down under the facility will be subject to certain conditions, including the completion by Nord of a \$20 million equity financing within the next three months, pay-out of Nord's existing \$5 million bridge loan facility with Nedbank, and customary conditions to closing. All amounts advanced under the credit facility will be secured by Nord's assets and will be repaid with interest within a four year period from the first draw down.
