PROXY STATEMENT
FOR THE 2013 ANNUAL MEETING OF THE STOCKHOLDERS
TO BE HELD ON OCTOBER 16, 2013

THE ANNUAL MEETING

General

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the Board of Directors) of Nord Resources Corporation (we, the Company or Nord) for use in connection with the Company's 2013 annual meeting of stockholders (the Annual Meeting) to be held on October 16, 2013, at 10:00 a.m. (Tucson Time), at Embassy Suites, located at 3110 East Skyline Drive, Tucson, Arizona 85718, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of Annual Meeting.

This proxy statement, the notice of Annual Meeting and the enclosed form of proxy are expected to be mailed to our stockholders on or about September [13], 2013. Our Annual Report on Form 10-K for the fiscal year ended December 31, 2012, including financial statements for such period, will also be mailed to our stockholders with this proxy statement, but such report does not constitute a part of this proxy statement.

Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

Entitlement to Vote

If you are a registered holder of shares of our common stock on August 29, 2013 (the Record Date), you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under Voting of Proxies. If you hold shares of our common stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting of Proxies

You can vote the shares that you own of record on the Record Date by either attending the Annual Meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the Annual Meeting and to vote in person. You may also submit your proxy on the Internet or over the telephone by following the instructions contained in the Proxy.

You may revoke your proxy at any time before it is voted by:

(a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the Annual Meeting;

(b) executing a later-dated proxy relating to the same shares and delivering it to our corporate secretary at any time before the taking of the vote at the Annual Meeting; or

(c) attending at the Annual Meeting, giving affirmative notice at the Annual Meeting that you intend to revoke your proxy, and voting in person. Please note that your attendance at the Annual Meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the Annual Meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the Annual Meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the Annual Meeting other than those described herein.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705, Attention: Wayne M. Morrison, Secretary.

Record Date and Shares Entitled to Vote

Our Board of Directors has fixed the close of business on August 29, 2013 as the Record Date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were [114,716,907] shares of our common stock issued, outstanding, and entitled to vote at the Annual Meeting. Holders of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record at the Record Date. There are no separate voting groups or separate series of stock. There is no cumulative voting in the election of directors. The number of record holders of our common stock, \$0.01 par value, as of August 29, 2013 was [].

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the Annual Meeting is one-third of our issued and outstanding shares of common stock as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked Abstain or Withhold for any matter;
2. shares represented by properly executed proxies for which no instruction has been given; and
3. broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Votes Required

Proposal One Election of Directors: Assuming a quorum is present at the Annual Meeting, the affirmative vote of the holders of a majority of the votes cast of our shares of common stock is required for the election of our directors. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum. Votes that are withheld will have the same effect as a vote against a director, but broker non-votes will have no other effect on the election of directors. Further, brokers may not cast discretionary uninstructed votes in any election of directors.

Proposal Two Changes to Certificate of Incorporation, as amended: The affirmative vote of the holders of a majority of the outstanding shares of our common stock on the close of business on the record date is required for the approval of the amendment to our Certificate of Incorporation, as amended, to increase the authorized number of shares of our common stock. Stockholders may vote in favor of or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, and will have the same effect as a vote against this proposal.

Proposal Three Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions constitute voting power present and have the same effect as a vote against this proposal. Broker non-votes do not constitute voting power present and, therefore, have no effect on the vote with respect to this proposal.

Proposal Four - Executive Compensation: The vote on the compensation of our named executive officers (commonly known as a "say-on-pay" vote) is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the non-binding advisory vote on executive compensation. Stockholders may vote in favor or against the proposal or they may abstain. Abstentions constitute voting power present and will have the same effect as a vote against this proposal. Broker non-votes do not constitute voting power present and, therefore, will have no effect on the vote with respect to this proposal.

Proposal Five - Frequency of Executive Compensation Votes: The vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual meetings of stockholders is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. Shareholders may vote to have the say-on-pay vote every year, every two years or every three years. Broker non-votes do not constitute voting power present and, therefore, will have no effect on the vote with respect to this proposal. The option receiving the greatest number of votes (every one, two or three years) will be considered the frequency selected by stockholders.

Stockholder Proposals

No proposals have been received from any stockholder to be considered at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the Annual Meeting.

Solicitation of Proxies

This proxy solicitation is made on behalf of our Board of Directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, Internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock they hold as of the Record Date. We will bear the expenses incurred in connection with printing, filing and mailing of this proxy statement.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the following persons has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Annual Meeting, except in so far as they may be elected to office:

- each nominee for election as one of our directors; or
- any associate of any of the foregoing persons.

None of the above persons has received any extra or special benefit in their capacity as a security holder of the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of August 29, 2013 regarding the beneficial ownership of our common stock by:

- each person who is known by us to beneficially own more than 5% of our shares of common stock; and

- each named executive officer, each director, and all of our directors and executive officers as a group.

The number of shares beneficially owned and the percentage of shares beneficially owned are based on [114,716,907] shares of common stock outstanding as of August 29, 2013.

For the purposes of the information provided below, shares that may be issued upon the exercise or conversion of options, warrants and other rights to acquire shares of our common stock that are exercisable or convertible within 60 days following August 29, 2013, are deemed to be outstanding and beneficially owned by the holder for the purpose of computing the number of shares and percentage ownership of that holder, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person.

In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. Election of Directors

We propose to elect four directors, each to hold office until each director's successor is elected and qualified at our next Annual Meeting.

The persons named in the enclosed proxy will vote for the election of the nominees listed under "Nominees for Election of Directors" below unless you instruct them otherwise, or unless a nominee is unwilling to serve as a director of our Company. Our Board of Directors has no reason to believe that any nominee will be unwilling to serve, but if a nominee should determine not to serve, the persons named in the proxy may vote for another candidate nominated by our Board of Directors.

The affirmative vote of the holders of a majority of the votes cast of our shares of common stock is required for the election of each nominee as a director. Votes that are withheld will have the same effect as a vote against a director. Our Certificate of Incorporation, as amended, does not provide for cumulative voting in the election of directors.

Nominees for Election as Directors

Meetings of Directors During the Last Fiscal Year

Our Board of Directors held one meeting during the fiscal year ended December 31, 2012. Each director attended at least 75% of the aggregate of: (i) the total number of board meetings held while he was a director; and (ii) the total number of meetings held by committees on which he served during the periods that he served. The balance of formal director actions were taken by way of consent resolutions adopted by our Board of Directors in accordance with the Delaware General Corporation Law, supplemented by informal conference calls among our Board of Directors.

The Company does not have a formal policy with respect to director attendance at annual stockholders meetings, however, all directors are encouraged to attend. A total of 4 directors from the Board of Directors as it was comprised at the time attended the annual stockholders meeting last year.

Board Independence

The Board of Directors has determined that Douglas P. Hamilton, John F. Cook and Stephen Seymour each qualify as independent directors under the listing standards of the NYSE MKT Equities Exchange.

Committees of the Board of Directors

Our Board of Directors currently has four board committees: an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and Environmental, Safety and Health Committee. The Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee were established in February 2006; the Environmental, Safety and Health Committee was established in March 2011.

The following provides information regarding each of the Company's board committees and summarizes the functions of each of the committees.

Audit Committee

Our Audit Committee is comprised of Douglas P. Hamilton and John F. Cook, each of whom qualifies as an independent director under the listing standards of the NYSE MKT Equities Exchange. Douglas P. Hamilton is the Chairman of the Audit Committee and our Board of Directors has determined that he satisfies the criteria for an audit committee financial expert under Item 407(d)(5) of Regulation S-K of the rules of the Securities and Exchange Commission. Each Audit Committee member is able to read and understand fundamental financial statements, including our consolidated balance sheet, consolidated statement of operations and consolidated statement of cash flows.

The Audit Committee meets with management and our external auditors to review matters affecting our financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee reviews our significant financial risks, is involved in the appointment of senior financial executives, and annually reviews our insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor the audit and preparation of our consolidated financial statements and to review and recommend to the Board of Directors all financial disclosure contained in our public documents. The Audit Committee is also mandated to appoint our external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the Board of Directors. The Audit Committee and Board of Directors each have the authority to terminate the external auditor's engagement (subject to confirmation by our stockholders). The Audit Committee also approves in advance any permitted services to be provided by the external auditors which are not related to the audit.

Our Company provides appropriate funding as determined by the Audit Committee to permit the Audit Committee to perform its duties and to compensate its advisors. The Audit Committee, at its discretion, has the authority to initiate special investigations, and if appropriate, hire special legal, accounting or other outside advisors or experts to assist the Audit Committee to fulfill its duties.

The Audit Committee operates pursuant to a written charter. A copy of the Audit Committee charter was attached as an exhibit to our proxy statement for the 2012 annual meeting of shareholders. Although the Audit Committee Charter contemplates the appointment of internal auditors, none have been appointed given the nature of the Company's operations at the current stage of its development, and the internal audit function is undertaken by senior management.

The Audit Committee discharged its mandate in respect of the financial year ended December 31, 2012, including the review and recommendation to the Board in respect of all financial disclosure contained in our company's public documents.

The Audit Committee held 4 meetings during the year ended December 31, 2012, and also acted through the adoption of written consent resolutions as permitted under the Delaware General Corporation Law and our company's Amended and Restated Bylaws.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2012 with the Company's management. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm, Mayer Hoffman McCann P.C., the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from Mayer Hoffman McCann P.C. required by Public Accounting Oversight Board Rule No. 3526, *Communications with Audit Committees Concerning Independence*, and has discussed, with Mayer Hoffman McCann P.C., their independence. The Audit Committee considered the compatibility of non-audit

services with the auditors' independence. Based on the discussions and reviews referenced above, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements for the year ended December 31, 2012 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. The Audit Committee has selected Mayer Hoffman McCann P.C. to serve as the Company's Independent Registered Public Accounting Firm for the year 2013.

The Committee is responsible for the development and implementation of corporate communications to ensure the integrity of our disclosure controls and procedures, internal control over financial reporting and management information systems. The purview of the Corporate Governance and Nominating Committee also includes the administration of our Board of Directors' relationship with our management.

The Corporate Governance and Nominating Committee identifies individuals believed to be qualified to become board members and recommends individuals to fill vacancies. There are no minimum qualifications for consideration for nomination to be a director of our Company. The Committee will assess all nominees using the same criteria. In nominating candidates, the Committee takes into consideration such factors as it deems appropriate, including judgment, experience, skills and personal character, as well as the needs of our Company. The Corporate Governance and Nominating Committee does not have a formal policy with regard to the consideration of diversity in identifying director nominees, and historically has not considered diversity as a major criterion for identifying director nominees.

The Corporate Governance and Nominating Committee has performed a review of the experience, qualifications, attributes and skills of our Company's current directors who are nominated for reelection, and believes that such persons possess a variety of complementary skills and characteristics, including the following:

- personal characteristics, including leadership, character, integrity, accountability, sound business judgment and personal reputation;
- successful business or professional experience;
- various areas of expertise or experience, including financial, strategic and general management;
- willingness and ability to commit the necessary time to fully discharge the responsibilities of a director in connection with the affairs of the Company; and

Equity Compensation Plans

We have adopted a stock incentive plan (which includes a subpart governing deferred stock units in lieu of the DSU Plan) (the 2006 Stock Incentive Plan) which was approved by our stockholders at our Annual General Meeting held on October 18, 2006. Amendments to the 2006 Stock Incentive Plan were approved by our stockholders at our Annual General Meeting held on October 15, 2008. The amendments have been incorporated into an Amended and Restated 2006 Stock Incentive Plan (the Amended and Restated 2006 Stock Incentive Plan) which has been filed with the SEC.

A total of 11,000,000 shares of common stock were reserved for issuance under all awards that may be granted under the Amended and Restated 2006 Stock Incentive Plan. Eligible Participants who are entitled to participate in the Amended and Restated 2006 Stock Incentive Plan consist of employees, directors and consultants of (a) our Company or (b) any of the following entities: (i) any parent corporation as defined in section 424(e) of the Internal Revenue Code of 1986, as amended (the Code); (ii) any subsidiary corporation as defined in section 424(f) of the Code; or (iii) any business, corporation, partnership, limited liability company or other entity in which our Company, a parent corporation or a subsidiary corporation holds a substantial ownership interest, directly or indirectly.

The Amended and Restated 2006 Stock Incentive Plan provides for the granting to Eligible Participants of such incentive awards (each, an Award) as the administrator of the Amended and Restated 2006 Stock Incentive Plan (the Administrator) may from time to time approve. The Amended and Restated 2006 Stock Incentive Plan includes the following provisions:

- (a) the Administrator will be a Committee of the Board of Directors of our Company appointed to act in such capacity, or otherwise, the Board of Directors itself;

- (b) each Award will be subject to a separate award agreement (an Award Agreement) to be executed by our Company and the Grantee, which shall specify the term of the Award; and

- (c) subject to applicable laws, including the rules of any applicable stock exchange or national market system, the Administrator will be authorized to grant any type of Award to an Eligible Participant (a Grantee) that is not inconsistent with the provisions of the plan, and the specific terms and provisions of which are set forth in an Award Agreement, and that by its terms involves or may involve the issuance of: (i) shares of common stock, (ii) a stock option, (iii) a stock appreciation right entitling the Grantee to acquire such number of shares of common stock or such cash compensation as will be determined by reference to any appreciation in the value of our Company s common stock, (iv) restricted stock issuable for such consideration (if any) and subject to such restrictions as may be established by the Administrator, (v) unrestricted stock issuable for such consideration (if any) on such terms and conditions as may be established by the Administrator, (vi) restricted stock units, subject to such restrictions as may be imposed by the Administrator, and represented by notional accounts maintained in the respective names of the Grantees that are valued solely by reference to shares of common stock of our Company and payable only in shares after the restrictions have lapsed, (vii) deferred stock units issuable to eligible directors in lieu of certain eligible remuneration otherwise payable in shares of common stock, subject to settlement in accordance with the terms and conditions of the Award and represented by notional accounts maintained in the respective names of the Grantees, (viii) dividend equivalent rights, which are rights entitling the Grantee to receive credits for dividends that would be paid if the recipient had held a specified number of shares of common stock, (ix) any other security with the value derived from the value of our Company s common stock, or (x) any combination of the foregoing.

Any Award that is subject to a restriction will become fully exercisable only as set forth in the applicable Award Agreement. Nevertheless, the Amended and Restated 2006 Stock Incentive Plan provides the Administrator with the sole discretion, at any time, to declare any or all Awards to be fully or partially vested and exercisable, provided that the Administrator does not have the authority to accelerate or postpone the timing of payment or settlement with respect to Awards subject to Section 409A of the Code in a manner that would cause the Awards to be subject to certain related interest and penalty provisions. The Administrator may discriminate among Eligible Participants or among Awards in exercising such discretion.

The Amended and Restated 2006 Stock Incentive Plan has specific provisions which apply to grants of Awards intended to qualify as performance based compensation , as defined under section 162(m) of the Code, to any employees who are covered employees for the purposes of section 162(m)(3) of the Code.

Under the Amended and Restated 2006 Stock Incentive Plan, stock options may be granted as either incentive stock options under section 422 of the Code and the related regulations, or as non incentive stock options under section 83 of the Code. As of December 31, 2012, we have granted a total of 9,704,243 non qualified stock options and 200,000 incentive stock options under the Amended and Restated 2006 Stock Incentive Plan. In addition, 4,657,413 previously issued non qualified stock options have been cancelled.

Historically, we have also granted non qualified stock options under individual compensation arrangements, which have been authorized by our board of directors. Such options have been granted outside of, and therefore were not subject to, the Amended and Restated 2006 Stock Incentive Plan.

There were 4,438,494 stock options outstanding at December 31, 2012, all of which have been issued pursuant to the Company's 2006 Stock Incentive Plan. The outstanding options expire at various dates from 2013 to 2017.

To date, certain equity based fees have been paid to our non executive directors in the form of awards issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan. The non executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in deferred stock units (DSUs). Each of our non executive directors exercised such rights in respect of the equity based fees payable to him for services rendered during the year ended December 31, 2012. As of December 31, 2012, we had granted a total of 5,403,797 DSUs under the Amended and Restated 2006 Stock Incentive Plan. - (2) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2012 fiscal year for the fair value of deferred stock units, or DSUs, granted in 2012. Fair value is calculated using the average of the high and low price of our stock on the trading day prior to the date of grant. The outstanding DSUs for the directors at December 31, 2012 are as follows: Douglas Hamilton (1,989,416 DSUs), Stephen Seymour (1,602,763 DSUs), and John Cook (790,721 DSUs).
- (3) This column represents the fair value of the options awarded in 2012. Pursuant to SEC rules, the amount shown excludes the impact of estimated forfeitures related to service based vesting conditions.
- (4) Fair value of deferred stock units issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan.

The Board of Directors has approved a compensation structure for our non executive directors which is designed to fairly pay non executive directors for work required while aligning the interests of the non executive directors with the long term interests of stockholders.

Non executive directors are entitled to receive a \$25,000 annual retainer, with an additional \$15,000 payable annually to the Chairman of the Audit Committee and \$7,500 payable annually to the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee. All of these fees are payable in stock, restricted stock, restricted stock units, or such other equity based compensation as the Board of Directors determines.

To date, the equity based fees have been payable in shares of our common stock pursuant to our Amended and Restated 2006 Stock Incentive Plan. The non executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in DSUs. Each of our non executive directors exercised such rights in respect of the equity based fees payable to him for 2012 and 2011. Accordingly, all retainer fees paid during 2012 and 2011 were paid in DSUs. The DSUs are subject to the Amended and Restated 2006 Stock Incentive Plan. DSUs are awarded on a quarterly basis at the end of March, June, September and December, or as otherwise determined by the administrator of the Amended and Restated 2006 Stock Incentive Plan. The number of DSUs awarded each quarter is calculated by dividing the total fees payable to each director for that quarter by the fair market value of our common stock, determined in accordance with the Amended and Restated

2006 Stock Incentive Plan. Each DSU is the economic equivalent of one share of our common stock. The DSUs will be converted into shares of common stock upon the director's termination of service, or as otherwise provided in their individual deferral election.

During 2012, Douglas Hamilton, the Chairman of our Audit Committee, received 973,195 deferred stock units; John Cook, the Chairman of our Compensation Committee, received 790,721 deferred stock units; and Stephen Seymour, the Chairman of our Corporate Governance and Nominating Committee received 790,721 deferred stock units. During 2012, 310,977 DSUs issued to John Cook were converted into common shares. The deferred stock units are subject to the Amended and Restated 2006 Deferred Stock Unit Plan.

We did not pay cash fees to our non executive directors during the year ended December 31, 2012. As of December 31, 2012, the Company owed John Cook \$1,500 in fees.

Employment Contracts and Termination of Employment and Change In Control Arrangements

Ronald Hirsch

Ronald Hirsch serves as Chairman of our Board of Directors pursuant to an executive employment agreement dated January 2, 2004. The executive employment agreement originally governed the terms of Mr. Hirsch's employment as our Chief Executive Officer, until his resignation from that position effective February 15, 2006. The original term of this executive employment agreement was for three years, expiring on January 2, 2007. The executive employment agreement has been renewed until January 2, 2014, and is subject to automatic renewals for successive one year periods unless cancelled by either of the parties.

The executive employment agreement provides that, absent a change in control, if we were to terminate Mr. Hirsch for any reason not for cause (other than due to death or disability), we would have to pay to Mr. Hirsch: (i) his accrued unpaid salary, bonuses and expenses, if any; (ii) his base salary for 12 months; and (iii) his health insurance premiums until the earlier of the expiration of 12 months and the date he is eligible for similar health benefits with another employer. Following a change in control, in the event we were to terminate Mr. Hirsch for any reason other than for death, disability or cause, we would be required to pay Mr. Hirsch all accrued unpaid salary, bonuses, and expenses, a lump sum equal to three times his annual base salary, and we would be required to pay for his health, medical, and disability insurance premiums for a period of 18 months. Mr. Hirsch may also elect to terminate his employment following a change of control and receive these payments.

Effective October 18, 2006, we entered into an agreement amending our executive employment agreement with Mr. Hirsch, pursuant to which we have paid Mr. Hirsch all of his accrued consulting fees for services provided by him to our Company between May 1, 2001 and October 19, 2003, and all of his accrued and unpaid salary (See *Certain Relationships and Related Transactions - Compensatory Arrangements*). As described in more detail below, the amended executive employment agreement contains certain provisions that will apply if our Company becomes a party to a *Significant Transaction*, which is defined to mean a significant transaction in which: (i) any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of our Company representing or convertible into 51% or more of the common stock of our Company; or (ii) there is a sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of our Company or of assets of our Company valued at \$12,000,000 or greater.

Our amended executive employment agreement with Mr. Hirsch provides, among other things, that:

- Mr. Hirsch's base salary in his capacity as Chairman from February 15, 2006, to February 15, 2007 continued at the original level provided for in his executive employment agreement of \$200,000 per annum, and was reduced to \$100,000 per annum thereafter.
- If our Company enters into an agreement with respect to a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will voluntarily resign as Chairman effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Hirsch ceases to be employed by our Company (other than by way of termination for cause) in connection with the completion of a Significant Transaction, other than one which is accompanied by a change of majority ownership of our Company, we must provide to Mr. Hirsch certain payments and benefits set forth in the executive employment agreement subject to execution and delivery by Mr. Hirsch to our Company of a mutual and general release of claims including the payment to Mr. Hirsch of an amount equal to three times his annual base salary in a lump sum within 60 days following termination of employment.
- In the event of the completion of a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will not be entitled to receive the lump sum payment equal to three times his annual base salary.

Wayne Morrison

Wayne Morrison was appointed as our Company's Chief Executive Officer effective November 30, 2010 upon the resignation of Randy Davenport who resigned to take a position with another firm. Mr. Morrison continues to serve as our Company's Chief Financial Officer, a position he has held since January 8, 2008. Our Company and Mr. Morrison are parties to a letter agreement dated December 3, 2007, whereby Mr. Morrison was offered the position of Controller of our Company, effective December 1, 2007, with a view toward Mr. Morrison's appointment as Vice President and Chief Financial Officer upon confirmation of acceptability of Mr. Morrison as an executive officer from the Toronto Stock Exchange.

Effective January 19, 2011, we entered into an amended and restated executive employment agreement with Mr. Morrison to cover his duties and responsibilities as our Chief Executive and Chief Financial Officer. Mr. Morrison has agreed to perform the duties and responsibilities set out in the agreement, as well as those duties that our Board of Directors may from time to time reasonably determine and assign.

In consideration for Mr. Morrison's services, we have agreed to:

- to pay Mr. Morrison an annual salary in the amount of \$250,000;

- continue to provide Mr. Morrison with bonuses from time to time as determined by our compensation committee; and
- continue to allow Mr. Morrison to participate in our Amended and Restated 2006 Stock Incentive Plan, our Performance Incentive Plan, and such other plans that may from time to time be adopted by our Company during the term of employment to compensate or provide incentives to qualifying senior executives of our Company.

The executive employment agreement contains certain provisions that will apply if Mr. Morrison resigns or is terminated without cause following a change of control of our Company, including the following:

- we will pay Mr. Morrison an amount equal to \$600,000 in a lump sum within 60 days;
- if Mr. Morrison elects continuation of coverage of medical and dental benefits under the United States Consolidated Omnibus Budget Reconciliation Act of 1985, we will pay 100% of the premiums for the first 18 months of coverage; and
- we will pay the premiums necessary for continuation of any supplemental disability policy or, at the election of our Company, a lump sum amount equal to the aggregate premiums to be paid on such a policy, in either case for a period of 12 months.

Mr. Morrison's term of employment under the executive employment agreement will end on January 18, 2014. The executive employment agreement is subject to automatic extension for successive periods of one additional year unless either our Company or Mr. Morrison provides written notice of an intention not to renew the agreement no later than 90 days prior to the end of the then current term of the agreement.

The executive employment agreement provides that we may terminate Mr. Morrison's employment without cause, in which event:

- Mr. Morrison will be entitled to continue to receive his base salary for 24 months (the Morrison Severance Term); and
- if Mr. Morrison is eligible for and elects to continue his health insurance pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, following the date of his termination, we will pay the premiums until the earlier of (a) the expiration of the Morrison Severance Term, or (b) the date on which Mr. Morrison commences employment with another employer who provides health insurance benefits at least as favorable as those provided by us.

Effective August 30, 2011 (the Addendum Effective Date), the Company and Mr. Morrison have entered into an Addendum (the "Addendum") to Mr. Morrison's Amended and Restated Executive Employment Agreement, pursuant to which the following changes have been made to Mr. Morrison's Executive Employment Agreement:

- **Additional Bonus.** The Company shall pay Mr. Morrison an additional bonus in the amount of \$300,000 at the same time and under the same terms and conditions as provided in that Section 4(e) of the Executive Employment Agreement. Section 4(e) of the Executive Employment Agreement provides that, among other things, Mr. Morrison is entitled to a bonus under the Company's 2010/2011 Bonus Program equal to 50% of his base salary upon the receipt by the Company of sufficient funds to (i) restructure the Company's existing debt under the secured term-loan credit facility provided by Nedbank, and under the Copper Hedge Agreement with Nedbank Capital, and (ii) construct Leach Pad 5.

- Health Insurance and Benefits. If Mr. Morrison elects not to participate in the Company's health insurance plan, the Company shall pay to Mr. Morrison, on a monthly basis, an amount equal to the monthly premium payment the Company would pay to provide health insurance for Mr. Morrison and his family under the Company's health insurance plan. Such amount shall be paid in accordance with the Company's usual payroll.
- Life Insurance. The Company shall pay for and provide to Mr. Morrison a ten-year term life insurance policy with a death benefit in the amount of \$3,000,000.00, insuring the life of Mr. Morrison as the insured thereunder.
- Disability Insurance. The Company shall pay for and provide to Mr. Morrison a disability insurance policy in the highest amount for which Mr. Morrison is able to qualify in accordance with the underwriting requirements of the insurer issuing the disability insurance policy.

In addition, the Addendum provides that the Company shall grant to Mr. Morrison that number of additional non-qualified common stock share purchase options (the "Additional Options"), having a value of \$100,000 as of the Addendum Effective Date, as determined in accordance with the Black-Scholes method of valuation, with a duration of five (5) years, pursuant to the Company's Amended and Restated 2006 Stock Incentive Plan. The Company has issued a total of 1,194,743 Additional Options, each exercisable at an exercise price of \$0.12 per share. One-third of the Additional Options vested as of the Addendum Effective Date, one-third of the Additional Options vested on the first anniversary of the Addendum Effective Date, and the final one-third of the Additional Options shall vest on the second anniversary of the Addendum Effective Date.

2012 Bonus Plan

In June 2012, we replaced the 2010-2011 Bonus Plan with the 2012 Bonus Plan, for the purpose of retaining and providing an incentive to certain key employees other than Mr. Morrison involved in recapitalizing the Company, in the construction of the new pads, and the restart of mining operations at the Johnson Camp Mine. Should all of these milestones be achieved in accordance with the 2012 Bonus Plan, a total of \$461,000 would be paid out to the participants.

PROPOSAL NUMBER TWO:

**APPROVAL OF AMENDMENT TO AMENDED CERTIFICATE OF INCORPORATION
TO INCREASE AUTHORIZED SHARES OF COMMON STOCK**

The stockholders are being asked to approve an amendment to the Company's Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock from 400,000,000 to 600,000,000. On August [21], 2013, the Board of Directors adopted resolutions approving and authorizing the amendment and directing that the amendment be submitted to a vote of the stockholders at the Annual Meeting. A copy of the proposed amendment to our Certificate of Incorporation effecting the increase in our authorized shares is attached hereto as Exhibit A. The Board of Directors determined that the amendment is in the best interests of the Company and its stockholders and unanimously recommends approval by the stockholders.

If this proposed amendment is approved by the stockholders, the Board of Directors may proceed to file the amendment at any future time, thereby making the increase in authorized capital effective. The Board of Directors may, in its discretion, abandon the amendment to increase the authorized capital at any future time. If stockholder approval is obtained and the Board of Directors determines that it is in the best interests of the Company and its stockholders to proceed with the increase in authorized capital, the Board of Directors will, at its discretion, file with the Secretary of State of the State of Delaware a Certificate of Amendment to the Certificate of Incorporation increasing the Company's authorized capital as set forth in this proposal.

The Certificate of Incorporation currently authorizes the issuance of up to 400,000,000 shares of stock, of which 400,000,000 shares are designated as common stock, \$.01 par value per share. Of the 400,000,000 shares of common stock currently authorized, as of the close of business on August 29, 2013, there were [114,716,907] shares of common stock issued and outstanding. In addition, as of August 29, 2013, the Company has reserved up to [11,000,000] shares of common stock for issuance pursuant to outstanding options and common stock purchase warrants.

Reasons for Increase

As disclosed in our Company's quarterly report on Form 10-Q for the quarter ended June 30, 2013, as filed with the SEC on August 14, 2013, we are currently in default under our \$25,000,000 Credit Agreement with Nedbank, our Copper Hedge Agreement with Nedbank Capital and our note payable with Fisher Industries, our mining contractor and largest unsecured trade creditor, who converted approximately \$8.2 million of payables to a two-year unsecured note bearing interest on the outstanding principal at the rate of 6% per annum, which matured on July 31, 2012. As of June 30, 2013:

- the full amount of the outstanding principal under the Nedbank Credit Agreement of \$23,257,826 (unaudited) was included in the Company's current liabilities on the condensed consolidated balance sheets, and \$8,863,887 (unaudited) of related interest was included within accrued interest;
- the amount due to Nedbank Capital related to settlement payments outstanding under the Copper Hedge Agreement was \$16,106,691 (unaudited) and was included in current liabilities; and

- the total principal balance on Fisher Industries note of \$6,164,964 (unaudited) was included in current liabilities, and \$410,899 (unaudited) of related interest was included within accrued interest.

Nedbank, Nedbank Capital and Fisher Industries have not exercised their respective rights to note us in default. However, our Company's continuation as a going concern is dependent upon our ability to refinance the obligations under the Credit Agreement with Nedbank, our Copper Hedge Agreement with Nedbank Capital and our note payable to Fisher Industries, raise approximately \$20 million dollars in additional capital, and on our ability to produce copper to sell at a level where our Company becomes profitable and generates cash flows from operations, all of which is uncertain. Although we have continued to produce copper through the residual leaching of ore already in place on our existing pads following the suspension of our mining and crushing operations in July 2010, we expect that the production level will continue to steadily decline until the resumption of mining and crushing operations, which we anticipate will require us to seek additional financing from time to time in order for us to meet our current obligations.

Given our financial difficulties, we have little or no capital to deploy in response to unforeseen adverse changes in market conditions or operational problems that may arise from time to time. As a result, our residual leaching and solvent extraction/electro-winning operations are particularly vulnerable to risk factors such as a material drop in copper prices, a material increase in the cost of sulfuric acid, or a material drop in our copper recovery rates (for example, due to heavy rainfall which could negatively impact our leaching efficiencies) and related copper production. If our residual leaching and solvent extraction/electro-winning operations become economically unviable, we would be forced to terminate our operations, significantly reduce our workforce, place the Johnson Camp Mine on a care and maintenance program, and, perhaps, sell some of our assets (subject to the consent of our secured creditors, as appropriate).

The Board of Directors has proposed this amendment to ensure that the Company has sufficient shares available for purposes including, without limitation, equity financings (taking into account the fact that the Company's common stock is currently being thinly traded on the OTCQB in the \$0.02 range), acquisitions, establishing strategic relationships with corporate partners, providing equity incentives to employees, and payments of stock dividends, stock splits or other recapitalizations. The Company is actively seeking financing, strategic relationships and other transactions which could potentially require the issuance of a significant number of shares of common stock from treasury. Without an increase in the shares of common stock authorized for issuance, the Company is highly unlikely to be able to conclude any such transaction in a timely fashion.

Effect of Increase

If the stockholders approve the proposed amendment, the Board of Directors may cause the issuance of additional shares of common stock without further vote of the stockholders of the Company, except as may be required in particular cases by the Company's charter documents, or applicable law. Under the Company's Certificate of Incorporation, the Company's stockholders do not have preemptive rights to subscribe to additional securities that may be issued by the Company, which means that current stockholders do not have a prior right to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership of common stock. In addition, if the Board of Directors elects to cause the Company to issue additional shares of common stock or securities convertible into or exercisable for common stock, such issuance could have a dilutive effect on the voting power and earnings per share of existing stockholders.

The increase in the number of authorized shares of common stock could have an anti-takeover effect, although this is not the intent of the Board of Directors in proposing the amendment. For example, if the Board of Directors issues additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by the Board of Directors. From time to time, the Board has discussed with various parties the possibility of transactions requiring significant issuances that might constitute a change of control.

Audit Committee Pre Approval of Audit and Permissible Non Audit Services of Independent Auditors

Effective May 6, 2003, the Securities and Exchange Commission adopted rules that require that before an independent registered public accounting firm is engaged by us to render any auditing or permitted non-audit related service, the engagement be:

- approved by our audit committee; or
- entered into pursuant to pre-approval policies and procedures established by the audit committee, provided the policies and procedures are detailed as to the particular service, the audit committee is informed of each service, and such policies and procedures do not include delegation of the audit committee's responsibilities to management.

Our audit committee was formed in February 2006, and has assumed responsibility for the pre-approval of audit and permitted non-audit services to be performed by our Company's independent auditor. The audit committee will, on an annual basis, consider and, if appropriate, approve the provision of audit and non-audit services by Mayer Hoffman McCann P.C. Thereafter, the audit committee will, as necessary, consider and, if appropriate, approve the provision of additional audit and non-audit services by Mayer Hoffman McCann P.C. which are not encompassed by the audit committee's annual pre-approval and are not prohibited by law. The audit committee has delegated to the chair of the audit committee the authority to pre-approve, on a case-by-case basis, non-audit services to be performed by Mayer Hoffman McCann P.C.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL TO RATIFY THE APPOINTMENT OF MAYER HOFFMAN McCANN P.C. AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2013

PROPOSAL NUMBER FOUR:

NON-BINDING VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act (which was added by the *Dodd-Frank Wall Street Reform and Consumer Protection Act*) and the related rules of the SEC, we are providing the Company's shareholders with the opportunity to vote on a non-binding advisory resolution to approve the compensation of the Company's Named Executive Officers as described in this Proxy Statement in accordance with the SEC's compensation disclosure rules. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific named executive officer, but rather the overall compensation of all of our named executive officers and the philosophy, policies and practices described in this Proxy Statement.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. The say-on-pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation for the remainder of the current fiscal year and beyond. Our Board of Directors and our Compensation Committee value the opinions of our stockholders and, to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this Proxy Statement, we may communicate directly with stockholders to better understand the concerns that influenced the vote, but in all events we will consider our stockholders' concerns and will share them with the Compensation Committee which will evaluate whether any actions are necessary to address those concerns.

The key points of our 2013 executive compensation program are set forth in the "Executive Compensation" section beginning on page 18.

We believe that the information provided above and within the Executive Compensation section of this Proxy Statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support long-term value creation. Accordingly, our Company is asking our shareholders to indicate their support for our Named Executive Officer compensation as described in this Proxy Statement by voting "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's shareholders hereby approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Shareholders."

Adoption of this resolution will require the affirmative vote of a majority of the shares represented at the Annual Meeting in person or by proxy. Abstentions constitute voting power present and will have the same effect as a vote against this Proposal. Brokers and other nominee holders do not have discretion to vote uninstructed shares with respect to this Proposal. Accordingly, if brokers or other nominee holders do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this Proposal. Broker non-votes do not constitute voting power present and, therefore, will have no effect on the vote with respect to this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ADVISORY (NON-BINDING) VOTE APPROVING EXECUTIVE COMPENSATION.

PROPOSAL NUMBER FIVE:

**NON-BINDING VOTE ON THE FREQUENCY OF
THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION**

As described in Proposal 4 above, the Company's shareholders are being provided the opportunity to cast a non-binding advisory vote on the compensation of the Company's Named Executive Officers. The advisory vote on executive compensation described in Proposal 4 is commonly referred to as a "say-on-pay" vote. Section 14A of the Exchange Act (which was added by the *Dodd-Frank Wall Street Reform and Consumer Protection Act*) and the related rules of the SEC also enables the Company's shareholders to indicate, at least once every six years, how frequently the Company should seek a non-binding advisory "say-on-pay" vote.

This Proposal 5 affords shareholders the opportunity to cast a non-binding advisory vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual shareholder meetings (or a special shareholder meeting for which the Company must include executive compensation information in the proxy statement for that meeting). Under this Proposal 5, shareholders may vote to have the say-on-pay vote every year, every two years or every three years.

Our Board of Directors believes that say-on-pay votes should be conducted every year so that our stockholders may provide us with their direct feedback on our named executive officer compensation decisions, as disclosed in our proxy statement each year. If say-on-pay votes are held less frequently than annually, then it would be more difficult for us to understand which compensation decisions are supported by our stockholders and which are not.

The Compensation Committee, which makes recommendations to the Board of Directors regarding the Company's executive compensation program, and our Board of Directors value the opinions expressed by shareholders in these votes and will consider the outcome of these votes in making their decisions on executive compensation.

We understand that our stockholders may have different views as to what is the best approach for the Company, and we look forward to hearing from our stockholders on this Proposal.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, because this vote is advisory and not binding on the Company, the Compensation Committee or our Board of Directors in any way, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our stockholders.

Abstentions will not be taken into account in determining the outcome of this vote. Brokers and other nominee holders do not have discretion to vote uninstructed shares with respect to this Proposal. Accordingly, if brokers or other nominee holders do not receive voting instructions from beneficial owners of the shares, they will not be able to vote the shares and broker non-votes may occur with respect to this Proposal 5. However, broker non-votes will not affect the outcome of the vote.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS AN ANNUAL VOTE AS THE FREQUENCY WITH WHICH STOCKHOLDERS ARE PROVIDED AN ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION. THE OPTION RECEIVING THE GREATEST NUMBER OF VOTES (EVERY ONE, TWO OR THREE YEARS) WILL BE CONSIDERED THE FREQUENCY SELECTED BY STOCKHOLDERS.

FORWARD LOOKING STATEMENTS

This proxy statement includes statements that are not historical facts. These statements are forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995 and are based, among other things, on our Company's current plans and expectations relating to expectations of anticipated growth in the future and future success under various circumstances. As such, these forward-looking statements involve uncertainty and risk.

Other factors and assumptions not identified above could also cause the actual results to differ materially from those set forth in any forward-looking statement. Our Company does not undertake any obligation to update the forward-looking statements contained in this proxy statement to reflect actual results, changes in assumptions, or changes in other factors affecting these forward-looking statements.

FUTURE STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal at the 2014 Annual Meeting of stockholders (anticipated to be held in September 2014) for inclusion in our proxy statement and proxy form relating to such Annual Meeting must submit such proposal to us at our principal executive offices no later than May 15, 2014. Our Company reserves the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and all other applicable requirements.

In addition, in the event a stockholder proposal is not received by our Company by May 15, 2014, the proxy to be solicited by the Board of Directors for the 2014 Annual Meeting will confer discretionary authority on the holders of the proxy to vote the shares if the proposal is presented at the 2014 Annual Meeting without any discussion of the proposal in the proxy statement for such meeting.

SEC rules and regulations provide that if the date of our 2014 Annual Meeting is advanced or delayed more than 30 days from first anniversary of the 2013 Annual Meeting, stockholder proposals intended to be included in the proxy materials for the 2014 Annual Meeting must be received by us within a reasonable time before we begin to print and mail the proxy materials for the 2014 Annual Meeting.

Proposals or notices of intention to present proposals should be addressed to: Wayne M. Morrison, Secretary, Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.
