Item 2.05 Costs Associated with Exit or Disposal Activities.

On June 30, 2015, Peabody Energy Corporation ("Peabody" or the "Company") announced that it expects to incur charges in the second quarter of 2015 related to the following activities:

• Eliminating 250 corporate and regional staff positions and closing offices in Evansville, Indiana and Gillette, Wyoming;

• Implementing workforce reductions of approximately 250 employee and contractor positions at multiple mines in Australia.

The majority of employees affected by these activities have been notified in a process that concluded on June 26, 2015. In connection with these activities, the Company expects to incur second quarter 2015 charges of \$20 million to \$25 million, predominantly comprised of cash severance costs.

These actions are part of a comprehensive approach the Company is taking to improve the business across four key areas of management emphasis: operational, SG&A, financial and portfolio. The Company plans to provide additional detail in its second quarter earnings release.

Item 7.01 Regulation FD Disclosure.

On June 30, 2015, Peabody issued a press release to provide an update on factors adversely impacting its second quarter 2015 financial targets, including the charges described above, weather-related production issues in the Southern Powder River Basin and lower seaborne coal pricing. A copy of the press release is furnished as Exhibit 99.1 and incorporated herein by reference.

The information furnished in this Item 7.01, including Exhibit 99.1 hereto, shall not be deemed "filed" for purposes of Section 18 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filings under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 9.01 Financial Statements and Exhibits.
