## Item 7.01. Regulation FD Disclosure.

A copy of a press release announcing a settlement with the Consumer Financial Protection Bureau ("CFPB") is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein solely for purposes of this Item 7.01.

The information in this Current Report on Form 8-K furnished to the Securities and Exchange Commission pursuant to Item 7.01, including Exhibit 99.1, shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by a specific reference in such filing.

#### Item 8.01. Other Events.

On September 9, 2015, Encore Capital Group, Inc. (the "Company") entered into a consent order (the "Consent Order") with the CFPB in which the Company settled potential allegations arising from Company practices between 2011 and 2015. The Consent Order includes obligations on the Company to among other things: (1) follow certain specified operational requirements, substantially all of which are already part of the Company's current operations; (2) submit to the CFPB for review a comprehensive plan designed to ensure that the Company's debt collection practices comply with all applicable federal consumer financial laws and the terms of the Consent Order; (3) pay redress to certain specified groups of consumers; and (4) pay a civil monetary penalty. The Company will continue to cooperate and engage with the CFPB and work to ensure compliance with the Consent Order.

The Company expects to take a one-time, after-tax charge of \$43.0 million in the third quarter of 2015. The Company believes this charge will encompass all related impacts of the Consent Order, including civil monetary penalties, restitution, ancillary state regulatory matters, legal expenses and impairments of several pool groups due to the impact on the Company's current estimated remaining collections for its historic book of business. The Company anticipates that after this one-time charge, any future earnings impact will be immaterial.
