Item 9.01. Financial Statements and Exhibits.

(a), (b) Throughout 2006, Equity Residential, through its operating partnership, ERP Operating Limited Partnership (collectively with Equity Residential, the Company), acquired various real estate properties, including the Company's acquisitions of the properties known as 600 Washington Street, Cove at Boynton Beach I & II, Missions at Sunbow, Tuscany at Lindbergh, The Park at Turtle Run, Estates at Wellington Green, Playa Pacifica, Kings Colony, Lincoln Green, Uptown Square, Kenwood Mews, The Gallery and San Marcos (collectively the Properties). The Company is hereby filing certain financial information relating to the Properties (see Item 9.01(d) below) indicated under Rule 3-14 and Article 11 of Regulation S-X.

The Properties were acquired from unrelated third parties. After reasonable inquiry, the Company is not aware of any material factors relating to the operations of the Properties not otherwise disclosed that would cause the reported historical financial information not to be necessarily indicative of future operating results.

Material factors considered in assessing the acquisition of the Properties included, but were not limited to, the opportunity to acquire high quality apartment properties in top United States growth markets and the following:

- 600 Washington Street consists of 135 apartment units in a seven story mid-rise located in Manhattan's West Village, a desirable location with some of the highest barriers to new construction in the city. The property consists of 82,356 net rentable square feet of space including 7,881 net rentable square feet of retail space. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage equal to 97%. 600 Washington Street was acquired on February 1, 2006 for a purchase price of \$75.0 million.
- Cove at Boynton Beach I & II consists of 548 apartment units in twenty-seven three story buildings located in the heart of Palm Beach County, Florida. The property consists of 595,212 net rentable square feet of residential space and 1,045 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 97%. Cove at Boynton Beach I & II was acquired on February 14, 2006 for a purchase price of \$96.5 million.
- Missions at Sunbow consists of 336 apartment units in twenty-one three story buildings located in the southern metropolitan San Diego suburb of Chula Vista. The property consists of 336,690 net rentable square feet of residential space and 625 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 89%. Missions at Sunbow was acquired on March 9, 2006 for a purchase price of \$87.8 million.
- Tuscany at Lindbergh consists of 324 apartment units in eleven mid-rise buildings located in metropolitan Atlanta, in proximity to the affluent neighborhoods in and around Buckhead. The property consists of 335,016 net rentable square feet of residential space and 553 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 96%. Tuscany at Lindbergh was acquired on March 17, 2006 for a purchase price of \$50.5 million.
- The Park at Turtle Run consists of 257 apartment units in fourteen three story buildings located in Coral Springs, Florida. The property consists of 284,944 net rentable square feet of residential space and 477 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 96%. The Park at Turtle Run was acquired on May 4, 2006 for a purchase price of \$51.4 million.
- Estates at Wellington Green consists of 400 apartment units in twenty-seven buildings located in Wellington, a well-established and affluent city in Palm Beach County, Florida. The property consists of 470,473 net rentable square feet of residential space and 1,014 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 93%. Estates at Wellington

Green was acquired on June 20, 2006 for a purchase price of \$84.7 million.

- Playa Pacifica consists of 285 apartment units in eight three story buildings located in Hermosa Beach, California, one of Los Angeles premier beach communities. The property consists of 169,672 net rentable square feet of residential space and 454 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 92%. Playa Pacifica was acquired on June 21, 2006 for a purchase price of \$68.5 million.
- Kings Colony consists of 480 apartment units in twenty buildings located in the southwest Miami-Dade County community of Kendall, which is a well established, desirable and substantially built-out area. The property consists of 390,720 net rentable square feet of residential space and 776 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage equal to 95%. Kings Colony was acquired on June 27, 2006 for a purchase price of \$67.5 million.
- Lincoln Green consists of 252 apartment units within twenty-four two story wood frame garden style buildings located in Pleasant Hill, California. The property consists of 166,306 net rentable square feet of residential space and 324 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 92%. Lincoln Green was acquired on July 18, 2006 for a purchase price of \$39.3 million.
- Uptown Square consists of 696 apartment units in six four story urban loft-style buildings located in the Uptown neighborhood adjacent to downtown Denver, Colorado. The property consists of 594,760 net rentable square feet of space including 27,866 net rentable square feet of retail space. The historical and expected future cash flows of the property are strong and stable and the

property has an occupancy percentage greater than 99%. Uptown Square was acquired on August 15, 2006 for a purchase price of \$118.0 million.

- Kenwood Mews consists of 141 apartment units in six buildings centrally located in Los Angeles premier entertainment district, Burbank. The property consists of 132,843 net rentable square feet of residential space and 284 parking spaces. The historical and expected future cash flows of the property are strong and stable and the property has an occupancy percentage greater than 97%. Kenwood Mews was acquired on October 19, 2006 for a purchase price of \$38.7 million.
- The Gallery consists of 168 apartment units in five three story buildings located in Hermosa Beach, California, one of Los Angeles premier beach communities. The property consists of 170,362 net rentable square feet of residential space and 255 parking spaces.
