EXPLANATORY NOTE

On January 12, 2009, Apex Silver Mines Limited (Apex Silver) and its wholly-owned subsidiary, Apex Silver Mines Corporation (ASMC), filed voluntary petitions for reorganization relief under Chapter 11 of the U.S. Bankruptcy Code (the Bankruptcy Code). A Joint Plan of Reorganization, as supplemented by the Plan Supplement filed with the Bankruptcy Court for the Southern District of New York (the Bankruptcy Court) on February 26, 2009 and the Amended Plan Supplement filed with the Bankruptcy Court on March 4, 2009 (collectively, the Plan), was approved by the Bankruptcy Court on March 4, 2009. On March 24, 2009, Apex Silver emerged from Chapter 11 protection as a Delaware corporation named Golden Minerals Company, the successor to Apex Silver for purposes of reporting under the U.S. federal securities laws.

As used in this Registration Statement, the term Company or Registrant refers to each of Apex Silver and its successor, Golden Minerals Company, as the context may require.

These documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 Part II hereof, taken together, constitute a prospectus for the plan that meets the requirements of Section 10(a) of the Securities Act.

ITEM 4. DESCRIPTION OF SECURITIES

Edgar Filing: Golden Minerals Co - Form S-8

The following description of the Company's common stock is only a summary. You should refer to the applicable provisions of the Company's Amended and Restated Certificate of Incorporation and its Bylaws, which have been filed with the Commission. Delaware corporate law may also affect the terms of the Company's common stock.

Common Stock

Authorized Shares

The Company is authorized to issue an aggregate of 50,000,000 shares of common stock, par value \$0.01 per share.

Voting Rights

Each holder of the Company's common stock will be entitled to one vote per share. Subject to the rights of the holders of any outstanding preferred stock, all voting rights will be vested in the holders of shares of the Company's common stock. Holders of shares of common stock will have noncumulative voting rights, which means that the holders of more than 50% of the shares voting for the election of directors will be able to elect 100% of the directors, and the holders of the remaining shares voting for the election of directors will not be able to elect any directors.

Dividends

Holders of the Company's common stock will be entitled to receive dividends when, as and if declared by the board of directors, out of funds legally available for their payment, subject to the rights of holders of any preferred stock outstanding. For a one-year period beginning March 24, 2009, the Company is not permitted to declare or pay any dividend in respect of its common stock. Additionally, during the one-year period beginning on March 24, 2010, the Company will not be permitted to declare or pay any dividend in respect of its common stock if, after giving effect to such dividend, the aggregate amount of dividends so declared and paid would exceed 10% of the unrestricted cash held by the Company on the March 24, 2009.

Rights upon Liquidation

In the event of the Company's voluntary or involuntary liquidation, dissolution or winding up, the holders of the Company's common stock will be entitled to share equally in any of the Company's assets available for distribution after the payment in full of all debts and distributions and after the holders of any series of outstanding preferred stock have received their liquidation preferences in full.

Limitations

The Company's board of directors is permitted, from time to time, to direct the issue of shares of preferred stock in series and may, at the time of issue, determine the voting powers, full or limited, or without voting powers, and such designations, powers, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof. Satisfaction of any dividend preferences of outstanding preferred stock would reduce the amount of funds available for the payment of dividends on shares of the Company's common stock. Holders of preferred stock may be entitled to receive a preference payment in the event of any liquidation, dissolution or winding up of the Company before any payment is made to holders of common stock. Under certain circumstances, the issuance of preferred stock may render more difficult or tend to discourage a merger, tender offer or proxy contest, the assumption of control by a holder of a large block of the Company's securities or the removal of incumbent management. Notwithstanding the foregoing, the affirmative vote of the holders of a majority in voting power of the outstanding shares of the Company's common stock present in person or represented by proxy at a special or annual meeting duly called for purposes of such business will be required for the issuance of any shares of preferred stock prior to the later of the date (i) that is 14 months following March 24, 2009 and (ii) on which the Company holds its first meeting of stockholders at which directors are elected following March 24, 2009.

Preemptive Rights

Under Delaware law, a stockholder is not entitled to preemptive rights to subscribe for additional issuances of common stock or any other class or series of common stock or any security convertible into such stock in proportion to the shares that are owned unless there is a provision to the contrary in the

certificate of incorporation. The Company's Amended and Restated Certificate of Incorporation does not provide its stockholders with any preemptive rights.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Davis Graham & Stubbs LLP has provided a legal opinion with respect to the validity of the securities being registered pursuant to this registration statement. Deborah Friedman, the Company's Senior Vice President, General Counsel and Corporate Secretary, is a partner with Davis Graham & Stubbs LLP and expects to divide her time approximately equally between the Company and her law practice at the firm.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Golden Minerals Company is incorporated in the State of Delaware. Section 145(a) of the General Corporation Law of the State of Delaware (the "DGCL") provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, he had no cause to believe his conduct was unlawful.

Section 145(b) of the DGCL provides that a Delaware corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted under similar standards, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine that despite the adjudication of liability, such person is fairly and reasonably entitled to be indemnified for such expenses which the court shall deem proper.

Section 145 of the DGCL further provides that to the extent a director or officer of a corporation has been successful in the defense of any action, suit or proceeding referred to in subsections (a) and (b) or in the defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that the corporation may purchase and maintain insurance on behalf of a director, officer, employee or agent of the corporation against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such whether or not the corporation would have the power to indemnify him against such liabilities under such Section 145.

Section 102(b)(7) of the DGCL provides that a corporation, in its certificate of incorporation, may eliminate or limit personal liability of members of its board of directors for breach of a director's fiduciary duty. However, no such provision may eliminate or limit the liability of a director for breaching his duty of loyalty, failing to act in good faith, engaging in intentional misconduct or knowingly violating a law, paying a dividend or approving a stock repurchase which was illegal, or obtaining an improper personal benefit. Section 8.1 of Golden Minerals Company's Amended and Restated Certificate of Incorporation contains such a provision.

The Amended and Restated Certificate of Incorporation of Golden Minerals Company generally allows indemnification of officers and directors to the fullest extent allowed by law. Golden Minerals Company currently intends to indemnify its officers and directors to the fullest extent permitted by its Amended and Restated Certificate of Incorporation and the DGCL.

Golden Minerals Company has directors and officers insurance for directors, officers and some employees for specified liabilities. Golden Minerals Company also entered into indemnification agreements with each its directors and officers which require it to indemnify its directors and officers to the fullest extent permitted by the DGCL.

ITEM 9. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a

fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing a Registration Statement on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Denver, State of Colorado, on April 3, 2009.
