Luxottica Group and Galeries Lafayette to bring the Sunglass Hut retail concept to Galeries Lafayette's department stores in France

Milan (Italy) and Paris (France), February 11, 2016 Luxottica Group (MTA: LUX; NYSE: LUX), a leader in the design, manufacture and distribution of fashion, luxury and sports eyewear, and Galeries Lafayette, the French market leader in department stores for fashion and event shopping, today signed an agreement to roll out the Sunglass Hut retail concept in 57 Galeries Lafayette and BHV MARAIS department stores across France.

Sunglass Hut, a world leader in the retail sale of sunglasses with more than 3,000 locations, will be the exclusive operator of sunglasses corners in Galeries Lafayette and BHV MARAIS department stores. The first locations will open in February 2016. The full roll-out is expected to be completed by the end of 2016.

With a globally recognized brand, deep product knowledge and a high level of personal service, the Sunglass Hut corners will aim to lift in-store sales by offering Galeries Lafayette's customers an appealing shopping experience around a wide range of premium and accessible brands to serve all customers.

The agreement confirms the growing relevance and potential of the sunglasses category in the retail segment and positions Sunglass Hut as an ideal partner for department stores thanks to its proven model for success.

We view France as one of the most trend-setting markets for premium and luxury brands, said Leonardo Del Vecchio, Chairman of Luxottica Group. Giving Sunglass Hut a presence within the iconic Galeries Lafayette and BHV MARAIS department stores will bring a new level of visibility to the premium eyewear category. Engaging shoppers with a higher quality product and deep specialty expertise, that Sunglass Hut is known for, is a strategic step in growing both our retail and wholesale businesses in France. The entire industry, from the French consumer to our wholesale customers, stands to benefit from an investment made in premium.
