**Item 1.01 Entry into a Material Definitive Agreement.**

On July 5, 2016, Amicus Therapeutics, Inc., a Delaware corporation ( Amicus ), entered into an Agreement and Plan of Merger (the Merger Agreement ) with MiaMed, Inc., a Delaware corporation ( MiaMed ), Minervas Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Amicus ( Merger Sub ), and MM Stockholders Representative LLC, in its capacity as stockholders representative, and on the same day, the transactions contemplated by the Merger Agreement closed and Merger Sub merged with and into MiaMed, with MiaMed as the surviving corporation and wholly-owned subsidiary of Amicus. MiaMed is a pre-clinical biotechnology company focused on developing protein replacement therapy for CDKL5 and related diseases.

Under the terms of the Merger Agreement, in connection with the closing of the transactions contemplated by the Merger Agreement, the former holders of MiaMed s capital stock (collectively, the MiaMed Stockholders ) received an aggregate of \$6.5 million, comprised of (i) approximately \$1.8 million in cash (plus MiaMed s cash and cash equivalents at closing and less any of MiaMed s unpaid third-party fees and expenses related to the transaction), and (ii) 825,603 shares of Amicus common stock. In addition, Amicus also agreed to pay up to an additional \$83.0 million in connection with the achievement of certain clinical, regulatory and commercial milestones, for a potential aggregate deal value of \$89.5 million.

The additional \$83.0 million in contingent consideration potentially payable to former MiaMed Stockholders is comprised of (i) up to \$18.0 million upon achievement of certain clinical and development milestones, and (ii) up to \$65.0 million upon achievement of certain commercial milestones (together the Milestone Payments ). The Milestone Payments may be made in cash, shares of Amicus common stock, or a combination of cash and stock, at Amicus election, subject to certain exceptions, at the time each Milestone Payment is due. Shares of Amicus common stock issued in connection with a Milestone Payment will be valued based on the average closing price per share as reported on the NASDAQ Global Market for the five days prior to the achievement of the Milestone.

In addition, each MiaMed Stockholder receiving stock consideration under the Merger Agreement is required to enter into a lock-up agreement in order to receive shares of Amicus common stock. The lock-up agreement provides for a lock-up period of 60 days with respect to all of the shares of Amicus common stock issued upon closing of the merger, 90 days for two-thirds of the shares of Amicus common stock issued upon closing of the merger and 120 days with respect to one-third of the shares of Amicus common stock issued upon closing of the merger. The lock-up agreement also applies to any shares of common stock Amicus may issue in connection with any Milestone Payment, with the lock-up period beginning on the date such shares are issued.

The Merger Agreement contains customary representations, warranties, covenants and indemnities of each of Amicus and MiaMed. In addition, under the terms of the Merger Agreement, Amicus agreed to file with the Securities Exchange Commission, a registration statement on Form S-3 covering the resale of the shares of Amicus common stock received by MiaMed Stockholders as part of the closing merger consideration.

The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of the Merger Agreement, were made as of specific dates, were made solely for the benefit of the parties to the Merger Agreement and may not have been intended to be statements of fact but, rather, as a method of allocating risk and governing the contractual rights and relationships among the parties to the Merger Agreement. The assertions embodied in those representations and warranties may be subject to important qualifications and limitations agreed to by Amicus and MiaMed in connection with negotiating their respective terms. Moreover, the representations and warranties may be subject to a contractual standard of materiality that may be different from what may be viewed as material to stockholders of Amicus. For the foregoing reasons, none of Amicus stockholders or any other person should rely on such representations and warranties, or any characterizations thereof, as statements of factual information at the time they were made or otherwise.
