Optional Redemption:

At any time prior to May 15, 2026 (three months before maturity), BLFC may elect to redeem and repay the notes, at any time in whole, or from time to time in part, at a redemption price equal to the greater of 100% of the principal amount of the notes to be redeemed, and the sum of the present values of the remaining scheduled payments of principal and interest (at the rate in effect on the date of calculation of the redemption price) on the notes to be redeemed (exclusive of interest accrued but unpaid to the date of redemption) discounted to their present value as of such redemption date on a semi-annual basis (assuming a 360 day year consisting of twelve 30 day months) at the applicable Treasury Yield, as determined by the Reference Treasury Dealers, plus 30 basis points.

On or after May 15, 2026 (three months before maturity), BLFC may elect to redeem and repay the notes, in whole or in part from time to time at a redemption price equal to 100% of the principal amount of the notes being redeemed on the redemption date. BLFC will pay accrued and unpaid interest on the notes redeemed to the redemption date. See Description of the Notes Optional Redemption by BLFC in the preliminary prospectus supplement for more information.
