Item 1.01 Entry into a Material Definitive Agreement
Agreement of acquisition with Usee, Inc. and Usee Ca., Inc.

On September 17, 2010, Z3Enterprises Inc, a Nevada Corporation, (Z3E) entered into an Agreement for Acquisition (Agreement) with Usee, Inc, a Texas Corporation and Usee Ca., Inc., a California Corporation (jointly referred to as Usee). Z3E bought Usee for \$105 million in the form of 10,500,000 shares of Z3E common stock. The agreement is subject to the satisfaction or waiver of the conditions therein.

After the acquisition, Usee became a wholly owned subsidiary of Z3E and a representative of Z3E will be appointed to a seat on the board of directors of Usee. Management, however, will remain under the direction of the officers and directors of Usee.

Upon reaching \$1 billion in gross revenue from its business operations, Usee will be rewarded with 100,000 preferred shares of Z3E with a conversion ratio of 50 to 1.

The foregoing summary of the Agreement for Acquisition and the transaction contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Agreement for Acquisition, a copy of which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

The Agreement for Acquisition has been included to provide shareholders and other interested parties with information regarding its terms. The Agreement for Acquisition is not intended to provide any other factual information about Z3E or Usee. The representations, warranties and covenants contained in the Agreement for Acquisition were made only for the purposes of the Agreement for Acquisition and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. The representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the Agreement for Acquisition instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the parties that differ from those applicable to shareholders or potential shareholders. Accordingly, interested parties should not rely on the representations and warranties as characterizations of the actual state of facts, since (i) they were made only as of the date of such Agreement of Acquisition, and (ii) in some cases they are subject to qualifications with respect to materiality, knowledge and/or other matters such as approval by regulating authorities. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement of Acquisition, which subsequent information may or may not be fully reflected in Z3E's public disclosures.

Item 2.01 Completion of Acquisition or Disposition of Assets
Acquisition with Usee, Inc. and Usee Ca., Inc.
