On June 7, 2007, Administaff, Inc. (“Administaff”) adopted a stock trading plan in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934 to facilitate the repurchase of its common stock under Administaff’s previously announced stock repurchase program.

On June 7, 2007, Administaff’s board of directors authorized the repurchase of up to one million additional shares of Administaff’s outstanding common stock, bringing the total authorization to 10.5 million shares. As of June 7, 2007, Administaff had repurchased 9.2 million shares, leaving 1.3 million shares available for repurchase.

A 10b5-1 plan permits a company to repurchase its common stock during times when it would not otherwise be in the market due to self-imposed trading blackout periods or possible possession of nonpublic information. A broker will have the authority to repurchase Administaff shares in accordance with the specific prearranged terms of the plan, without further direction from Administaff, during Administaff’s trading blackout periods.
