Item 4.01. Changes in Registrant's Certifying Accountant.

On March 12, 2013, the Audit Committee of the Board of Directors of Global Eagle Entertainment Inc. (the "Company") engaged Ernst & Young LLP ("E&Y") as the Company's independent registered public accounting firm for the year ending December 31, 2013. In connection with the engagement of E&Y, on March 12, 2013, the Audit Committee of the Board of Directors of the Company informed Rothstein Kass ("Rothstein") that it will be dismissed as the Company's independent registered public accounting firm effective upon the filing of the Company's Annual Report on Form 10-K for the 2012 fiscal year.

Rothstein's report on the financial statements of the Company for the period from February 2, 2011 (date of inception) to December 31, 2011 (which is the only period for which Rothstein has provided a report on the Company's financial statements) did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles. During the Company's fiscal year ended December 31, 2012 and for the period from February 2, 2011 (date of inception) to December 31, 2011 and through March 11, 2013, (i) there were no disagreements between the Company and Rothstein on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure that, if not resolved to Rothstein's satisfaction, would have caused it to make reference to the matter in conjunction with its report on the Company's financial statements for the relevant year and (ii) except as disclosed below, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

In connection with the Company's decision to restate (i) its audited financial statements as of, and for the period from February 2, 2011 (date of inception) to, December 31, 2011 and (ii) its unaudited interim financial statements as of, and for the quarterly periods ended, June 30, and September 30, 2011 and 2012 and March 31, 2012 (as previously disclosed in the Company's Current Report on Form 8-K filed with the SEC on February 26, 2013), and the Company's reassessment of its disclosure controls and procedures, Rothstein advised the Company that its disclosure controls and procedures for all such periods were not effective with respect to the classification of the Company's common stock purchase warrants as components of equity instead of as derivative liabilities during such periods. In addition, Rothstein also advised the Company that its disclosure controls and procedures as of December 31, 2012 were not effective and that the Company had a material weakness in its internal control over financial reporting for the fiscal year ended December 31, 2012. The Company has authorized Rothstein to respond fully to the inquiries of E&Y concerning the subject matter described above.

All of the periods for which the Company is restating its financial statements occurred while the Company was a shell company prior to the Company's consummation of its recently completed business combination (the "Business Combination"), in which the Company acquired Row 44, Inc. and 86% of the shares of Advanced Inflight Alliance AG. In connection with the consummation of the Business Combination, a new board of directors was elected, which appointed new members of the Company's audit committee and new members of management, including a new chief financial officer. The Company's new management is currently implementing measures to remediate the material weakness in internal control over financial reporting.

The Company has provided Rothstein a copy of the above disclosures and has requested that Rothstein furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the above statements. A copy of such letter, dated March 12, 2013, is filed as Exhibit 16.1 to this Current Report on Form 8-K.

During the two fiscal years ended December 31, 2012 and 2011, and through March 11, 2013, the Company did not consult E&Y with respect to the application of accounting principles to a specified transaction, either contemplated or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters or reportable events as set forth in Item 304 of Regulation S-K.

Following the filing of the Company's Annual Report on Form 10-K for the 2012 fiscal year, the Company will file an amendment to this Current Report on Form 8-K to update the disclosures contained herein.
