PROXY STATEMENT

*Annual Meeting of Stockholders
To Be Held on June 21, 2016*

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Brainstorm Cell Therapeutics Inc. (the “Company”, “Brainstorm” or “we”) for use at the 2016 Annual Meeting of Stockholders (the “Meeting”) to be held on June 21, 2016, at the time and place set forth in the accompanying notice of the Meeting (the “Notice of Meeting”), and at any adjournments or postponements thereof. The approximate date on which the Notice of Meeting, this Proxy Statement, the accompanying proxy card and the Company’s Annual Report to Stockholders for the fiscal year ended December 31, 2015 (the “2015 Annual Report”) are first being sent to stockholders is on or about May 11, 2016.

The Company’s principal executive offices are located at 3 University Plaza Drive, Suite 320, Hackensack, NJ 07601, telephone number (201) 488-0460.

Important Notice Regarding Availability of Proxy Materials for the Meeting to Be Held on June 21, 2016: Pursuant to rules promulgated by the Securities and Exchange Commission (“SEC”), we have elected to provide access to our proxy materials both by sending you this full set of proxy materials including a proxy card, and by notifying you of the availability of our proxy materials on the Internet. This Proxy Statement, the Notice of Meeting and the 2015 Annual Report are available at <https://materials.proxyvote.com/10501E>.

Record Date, Outstanding Shares and Voting Rights

Only stockholders of record at the close of business on April 22, 2016 (the “Record Date”) are entitled to notice of and to vote at the Meeting. At the close of business on that date, there were 18,654,040 shares of the Company’s common stock, \$0.00005 par value per share (the “Common Stock”), outstanding and entitled to vote. Each outstanding share of the Company’s Common Stock entitles the record holder to cast one (1) vote for each matter to be voted upon.

The holders of a majority of all shares of the Common Stock issued, outstanding and entitled to vote are required to be present in person or to be represented by proxy at the Meeting in order to constitute a quorum for the transaction of

business. Votes withheld, abstentions and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (“broker non-votes”) shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the votes cast in person or by proxy of the shares entitled to vote is required to approve an amendment to the Company’s 2014 Stock Incentive Plan to increase the shared pool of shares available for issuance under the Company’s equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock (Proposal No. 2); an amendment to the Company’s 2014 Global Share Option Plan to increase the shared pool of shares available for issuance under the Company’s equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock (Proposed No. 3); and to ratify the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu Limited (“Deloitte”) as the Company’s independent registered public accounting firm for the current fiscal year (Proposal No. 4).

Shares which abstain from voting on a particular matter and broker non-votes will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and broker non-votes will have no effect on the voting for the election of directors, which requires the affirmative vote of a plurality of the votes cast or shares voting on the matter. Similarly, abstentions and broker non-votes will have no effect on the voting to approve the amendment to the Company’s 2014 Stock Incentive Plan or the amendment to the Company’s 2014 Global Share Option Plan or to ratify the appointment of Deloitte as the Company’s independent registered public accounting firm for the current fiscal year, which each require the affirmative vote of a majority of the votes cast or shares voting on the matter.

Voting Instructions

Included with this Proxy Statement is a proxy card from your bank, broker or other nominee for the Meeting, with instructions for voting.

Those stockholders who elect to vote by mail, should complete, sign and return the proxy card in the prepaid and addressed envelope that was enclosed with the proxy materials, and the shares will be voted at the Meeting in the manner directed. If you complete, sign and return your proxy card, it will be voted as you direct. In the event no choice is specified on a signed proxy card, the persons named as proxies will vote:

• FOR the election of each of Dr. Irit Arbel, Mordechai Friedman, Alon Pinkas, Chen Schor, Dr. Robert Shorr, Malcolm Taub and Uri Yablonka as members of the board of directors;

FOR an amendment to the Company's 2014 Stock Incentive Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock;

FOR an amendment to the Company's 2014 Global Share Option Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock;

FOR the ratification of the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu Limited, as the Company's independent registered public accounting firm for the current fiscal year; and

• In their discretion, as to any other matter that may be properly brought before the Meeting or any adjournments or postponements thereof.

If the shares you own are held in "street name" by a bank, broker or other nominee, that person, as the record holder of your shares, is required to vote your shares according to your instructions. Your bank, broker or other nominee will send you directions on how to vote those shares. Under applicable stock exchange rules, if you do not give instructions to your bank, broker or other nominee, it will still be able to vote your shares with respect to certain "discretionary" items, but will not be allowed to vote your shares with respect to certain "non-discretionary" items. In the case of "non-discretionary" items, the shares that do not receive voting instructions will be treated as "broker non-votes", the effect of which is discussed in the section entitled "Record Date, Outstanding Shares and Voting Rights" above.

Discretionary Items

Proposal No. 4 — Ratification of Deloitte as the Company's independent registered public accounting firm.

Non-Discretionary Items

Proposal No. 1 — Election of Directors.

Proposal No. 2 — an amendment to the Company's 2014 Stock Incentive Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock.

Proposal No. 3 — an amendment to the Company's 2014 Global Share Option Plan to increase the shared pool of shares available for issuance under the Company's

If you are a stockholder of record as of the Record Date and attend the Meeting, you may personally deliver your completed proxy card or vote in person at the Meeting.

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. The proxy may be revoked by filing with the Secretary of the Company, at the offices of BRL Law Group LLC, 425 Boylston Street, 3rd Floor, Boston, MA 02116, an instrument of revocation or a duly executed proxy bearing a later date. The proxy may also be revoked by attending the Meeting and voting in person. If not revoked, the proxy will be voted at the Meeting in accordance with the stockholder's instructions indicated on the proxy card.

Expenses and Solicitation

The cost of this solicitation of proxies will be borne by the Company. In addition to soliciting stockholders by mail through its regular employees, the Company may request banks, brokers, and other custodians, nominees and fiduciaries to solicit their customers who have stock of the Company registered in the names of a nominee, and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers, directors and employees of the Company may also be made of some stockholders in person or by mail, telephone or facsimile following the original solicitation. Such officers, directors and employees will receive no compensation in connection with any such solicitations, other than compensation paid pursuant to their duties described elsewhere in this Proxy Statement.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may participate in the practice of “householding” proxy statements, annual reports and notices of meetings. This means that only one copy of our Proxy Statement, 2015 Annual Report or Notice of Meeting may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of any document to you if you write, email or call our Chief Executive Officer at 3 University Plaza Drive, Suite 320, Hackensack NJ 07601, email: info@brainstorm-cell.com, or telephone: (201) 488-0460. If you want to receive separate copies of the Proxy Statement, 2015 Annual Report or Notice of Meeting in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact the Company at the above address, email or telephone number.

These shares are not, however, deemed outstanding for computing the percentage of the Common Stock beneficially owned by any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o Brainstorm Cell Therapeutics Inc., 3 University Plaza Drive, Suite 320, Hackensack, NJ 07601.

He also served since January 2011 as Vice President, Business Development at ACC International Holdings Ltd. (Holdings). Holdings is also an affiliate of ACCBT Corp. Prior to serving with Holdings, Mr. Yablonka served as Senior Partner of PM-PR Media Consulting Ltd. From 2008 to January 2011, Mr. Yablonka was Senior Partner at PM-PR Media Consulting Ltd., where he led public relations and strategy consulting for a wide range of governmental and private organizations. From 2002 to 2008, he served as a correspondent at the Maariv Daily News Paper, including extensive service as a Diplomatic Correspondent. We believe that Mr. Yablonka's skills and experience provide the variety and depth of knowledge, judgment and vision necessary for the effective oversight of the Company. His experience in business consulting and development and media experience are expected to be valuable to the Company in its current stage of growth and beyond, and his governmental experience can provide valuable insight into issues faced by companies in regulated industries such as ours. We believe that these skills and experiences qualify Mr. Yablonka to serve as a director of the Company.

Qualifications of Directors

The Board believes that each director has valuable individual skills and experiences that, taken together, provide the variety and depth of knowledge, judgment and vision necessary for the effective oversight of the Company. As indicated in the foregoing biographies, the directors have extensive experience in a variety of fields, including biotechnology (Drs. Arbel and Shorr and Mr. Schor), accounting (Mr. Friedman), foreign affairs (Mr. Pinkas), business consulting and development (Mr. Yablonka), media (Mr. Yablonka) and law (Mr. Taub), each of which the Board believes provides valuable knowledge about important elements of our business. Most of our directors have leadership experience at major companies or firms with operations inside and outside the United States and/or experience on other companies' boards, which provides an understanding of ways other companies address various business matters, strategies and issues. As indicated in the foregoing biographies, the directors have each demonstrated significant leadership skills, including as a chief executive officer (Drs. Arbel and Shorr and Mr. Friedman), as the consul general of Israel to New York and as chief of staff to Ministers of Foreign Affairs of Israel (Mr. Pinkas), as a managing member of a law firm (Mr. Taub), as general manager of a business consulting firm (Mr. Yablonka) or as a partner of a venture capital firm (Mr. Schor). A number of the directors have extensive public policy, government or regulatory experience, including Consul General of Israel, New York (Mr. Pinkas), which can provide valuable insight into issues faced by companies in regulated industries such as the Company. One of the directors (Dr. Arbel) has served as the President of the Company and one is currently serving as Chief Operating Officer (Mr. Yablonka), which service has given each a deep knowledge of the Company and its business and directly relevant management experience. The Board believes that these skills and experiences qualify each individual to serve as a director of the Company.

Certain Arrangements

On August 22, 2011, we entered into an agreement with Chen Schor, which was amended and restated on November 11, 2011 to clarify vesting terms (as amended and restated, the “Executive Director Agreement”) pursuant to which we pay \$15,000 per quarter to Mr. Schor for his services as an Executive Board Member. In accordance with the terms of the Executive Director Agreement, the Company and Mr. Schor have also entered into an amended and restated Restricted Stock Agreement on November 11, 2011, pursuant to which Mr. Schor received 61,558 shares of our restricted Common Stock under our 2005 U.S. Stock Option and Incentive Plan. The shares vested over 3 years – 20,519 shares on August 22, 2012, 20,519 shares on August 22, 2013 and 20,519 shares on August 22, 2014. On May 3, 2015, we entered into a Restricted Stock Agreement with Mr. Schor, pursuant to which Mr. Schor received a grant of 60,000 shares of our restricted Common Stock under our 2014 Stock Incentive Plan in consideration for Mr. Schor’s ongoing services as an Executive Director of the Company. The shares of restricted stock vest as follows: 20,000 on August 22, 2015, 20,000 on August 22, 2016 and 20,000 on August 22, 2017, provided that Mr. Schor is a director on each such vesting date. Mr. Schor is not entitled to any other compensation for his services as a director.

On June 1, 2015 pursuant to the Company’s First Amendment to the Second Amended and Restated Director Compensation Plan, we granted a stock option to Irit Arbel, the Company’s Chair of the Board of Directors, to purchase up to 6,667 shares of Common Stock at a purchase price of \$0.75 per share. The option was fully vested and exercisable on the date of grant.

The Board recommends a vote FOR the election of the nominees named above as directors of the Company.

PROPOSAL NO. 2

APPROVAL OF AMENDMENT TO THE COMPANY'S 2014 STOCK INCENTIVE PLAN TO INCREASE THE SHARED POOL OF SHARES AVAILABLE FOR ISSUANCE UNDER THE COMPANY'S EQUITY PLANS BY 1,600,000 ADDITIONAL SHARES (FROM 600,000 TO 2,200,000 SHARES) OF COMPANY COMMON STOCK

Our stockholders are being asked to approve Amendment No. 1 (the "U.S. Plan Amendment") to our 2014 Stock Incentive Plan (the "2014 U.S. Plan"), which would increase the shared pool of shares available for issuance under the Company's current equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock. The U.S. Plan Amendment was approved by the Board of Directors on April 11, 2016, subject to stockholder approval in order to satisfy (1) applicable Listing Rules of NASDAQ and (2) the stockholder approval requirement under Section 162(m) of the Internal Revenue Code (the "Code").

The 2014 U.S. Plan as amended would allow for the issuance of up to 2,200,000 shares (subject to adjustment for certain changes in the Company's capitalization) of our Common Stock, which pool is shared with the 2014 Global Share Option Plan described in Proposal No. 3 (the "2014 Global Plan" and together with the 2014 U.S. Plan, the "Equity Plans") and, accordingly, shares issued pursuant to awards issued under either the 2014 Global Plan or the 2014 U.S. Plan shall reduce the number of shares available for issuance under the other plan.

The Board believes the approval of the U.S. Plan Amendment is in the best interests of the Company and its stockholders and recommends a vote "FOR" Proposal No. 2 approving Amendment No. 1 to the Company's 2014 Stock Incentive Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock.

Background and Rationale of the Proposal

Our Board believes that adding an additional 1,600,000 shares to the shared pool of shares available for issuance under the Equity Plans will provide sufficient shares for us to continue to grant meaningful long term incentive compensation to our current and future employees, directors and consultants through approximately 2018, and that the approval of Proposal No. 2 and Proposal No. 3 is essential to permit Brainstorm to continue to provide long-term, equity-based incentives to present and future key employees and directors.

Our Board believes that our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel. We operate in an extremely competitive environment with respect to the hiring and retention of qualified employees. As a result, our approach to compensation considers the full range of compensation techniques that enable us to compete with our peers to attract and retain key personnel. Equity compensation is one of the critical components of our compensation package because it (i) develops a culture of ownership among our employees, (ii) aligns the interests of employees and non-employee directors with the interests of our other stockholders and (iii) preserves our cash resources. We believe that the addition of 1,600,000 shares of our common stock issuable under the Equity Plans will allow us to continue to recruit leading professionals for key positions within our company as well as to retain and incentivize our current employees.

Our employees are some of our most valuable assets, and such awards are crucial to our ability to motivate individuals in our service to achieve our goals. We strongly believe that the approval of the proposed share increase is instrumental to our continued success. Accordingly, we are seeking stockholder approval of an increase in the number of shares issuable under our Equity Plans.

The Company currently has insufficient shares available under the Equity Plans to meet its immediate equity grant needs. Brainstorm's 2016 Annual Meeting will trigger equity grant obligations which we cannot meet without stockholder approval of Proposal No. 2 and Proposal No. 3. Pursuant to the Second Amended and Restated Director Compensation Plan (as amended, the "Director Compensation Plan"), every non-employee director of the Company, other than Chen Schor, serving as a director immediately following the annual meeting will be entitled to an annual award grant on the first business day following the 2016 annual meeting of stockholders. For non-U.S. directors, this annual award consists of a nonqualified stock option to purchase 13,333 shares of Common Stock; Uri Yablonka, director and Chief Operating Officer of the Company, will also be entitled to an equivalent grant pursuant to his employment agreement. For U.S. directors, at their option, the annual award under the Director Compensation Plan is either (i) a nonqualified stock option to purchase 6,666 shares of Common Stock or (ii) 6,666 shares of restricted stock. Additionally, each member of the GNC Committee or Audit Committee of the Board is entitled to receive (i) a nonqualified stock option to purchase 2,000 shares of Common Stock or (ii) in the case of U.S. directors and at their option, 2,000 shares of restricted stock. The chair of the GNC Committee and Audit Committee will instead of the above committee award be entitled to receive a nonqualified stock option to purchase 3,333 shares of Common Stock. The chairperson of the Board is also entitled to receive a nonqualified stock option to purchase 6,666 shares of Common Stock.

If Proposal No. 2 and Proposal No. 3 are not approved the Company will not have sufficient available shares under the Equity Plans to make these annual director grants. Brainstorm will also be unable to issue new discretionary equity grants under the Equity Plans to new and existing employees. Further, the Company has an outstanding option grant with shares whose exercisability is contingent upon stockholder approval of an increase in the shares available for issuance under the Equity Plans. On September 28, 2015, the Company granted to Chaim Lebovits, its newly appointed Chief Executive Officer, an option to purchase 369,619 shares of Common Stock at an exercise price of \$2.45 per share. The option will vest through August 28, 2016. A portion of this option representing 83,781 shares of Common Stock (the “Contingent Option Shares”) may not be exercised until the stockholders of the Company approve a further increase in the number of Common Stock that are reserved for issuance under the Company’s Equity Plans (Proposal No. 2 & Proposal No. 3). This portion of the option will be accounted for as granted if and when the approval is obtained. The Contingent Option Shares may be terminated if the stockholders do not approve an amendment to the Equity Plans sufficient to cover all Contingent Option Shares by December 31, 2017, and the Contingent Options Shares will not be exercisable and no common stock will be issuable thereunder before the approval of by our stockholders. Our executive officers and directors have an interest in Proposal No. 2 and Proposal No. 3.

New Plan Benefits

Awards under the Amended 2014 U.S. Plan and the Amended 2014 Global Plan will be determined by the GNC Committee, in its discretion, and except for the automatic annual grants and the Contingent Option Shares described above, awards and the terms of any awards under the Equity Plans for the current year or any future year are not determinable. For information regarding grants made in fiscal 2015 under the 2014 U.S. Plan and the 2014 Global Plan, see the “Fiscal 2015 Grants of Plan-Based Awards Table” below. As of April 15, 2016 the closing price of shares of our Common Stock as reported on Nasdaq was \$2.41 per share.

Equity Awards Granted and Outstanding

As of April 15, 2016 incentive equity awards outstanding and shares available for grant under our equity compensation plans were as follows:

| | 2014 Equity Plans (current plans) | All Plans(1) |
|---|-----------------------------------|--------------|
| Stock options outstanding(2) | 444,590 | 1,002,453 |
| Full-value awards granted (stock and restricted stock)(3) | 155,410 | 307,834 |
| Shares available for future awards(4) | 0 | 0 |

- Includes shares under the current Equity Plans, as well as shares under the prior plans (the 2004 Global Share Option Plan and the 2005 U.S. Stock Option and Incentive Plan) pursuant to which such awards remain outstanding but under which no additional awards may be granted, as well as incentive grants to employees, directors and service providers (not including in connection with any public offering or private placement) outside of equity compensation plans.
- As of April 15, 2016, the range of the exercise prices of stock options outstanding under all of our equity compensation plans was \$0.75 to \$7.05, with a weighted-average exercise price of \$2.61. The closing price of a share of our Common Stock on April 15, 2016 was \$2.41. The weighted-average remaining contractual life of stock options outstanding under all of our equity compensation plans as of April 15, 2016 was 7.15 years. 851,453 of such option shares (net of all subsequent cancellations) were issued between January 1, 2013 through December 31, 2015.
- (3) Represents stock and restricted stock issued to employees, directors and service providers (not including in connection with any public offering or private placement) from January 1, 2013 and December 31, 2015.
- (4) Represents shares of our Common Stock available for future awards under all of our equity compensation plans as of April 15, 2016. 1,159,287 of such shares were issued between January 1, 2013 and December 31, 2015.

In developing our share request for the Equity Plan amendments and analyzing the impact of utilizing equity on our stockholders, our Board considered our "burn rate" and "overhang." Burn rate provides a measure of the potential dilutive impact of our annual equity award program. Overhang is a measure of potential dilution and is defined as the sum of (i) the total number of shares underlying all equity awards outstanding and (ii) the total number of shares available for future award grants, divided by: the sum of (a) the total number of shares underlying all equity awards outstanding, (b) the total number of shares available for future award grants and (c) the basic weighted average common shares outstanding for the most recently completed fiscal year. Our overhang at December 31, 2015 was 5.17%. If the 1,600,000 additional shares proposed to be authorized for grant under the Equity Plans are included in the calculation, our overhang would have been 12.39% at December 31, 2015.

We anticipate filing a Registration Statement on Form S-8 with the SEC to register the additional amount of new shares of our Common Stock to be included in the aggregate share reserve under the Equity Plans, as amended by the U.S. Plan Amendment and the Global Plan Amendment, effective upon and subject to stockholder approval of Proposal No. 2 and Proposal No. 3, as soon as practicable upon such stockholders' approval of the Equity Plan amendments.

The following is a brief summary of the principal provisions of the 2014 U.S. Plan, as amended by the U.S. Plan Amendment. This summary does not purport to be complete and is qualified in its entirety by reference to the text of the 2014 U.S. Plan, as amended by the U.S. Plan Amendment. A copy of the U.S. Plan Amendment is annexed to this proxy statement as Appendix A. The 2014 U.S. Plan is attached as Appendix B to the Company's definitive proxy statement filed with the SEC on July 22, 2014 and may be accessed from the SEC's website at www.sec.gov and from the Investors section of the Company's website at www.brainstorm-cell.com and may be obtained without charge upon written request to Brainstorm Cell Therapeutics Inc., 3 University Plaza Drive, Suite 320, Hackensack, NJ 07601, Attention: Chief Executive Officer. References to the Board in this summary shall include the GNC Committee of the Board or any similar committee appointed by the Board to administer the 2014 U.S. Plan.

Summary of the 2014 Stock Incentive Plan (as amended)

The 2014 U.S. Plan as amended would allow for the issuance of up to 2,200,000 shares (subject to adjustment for certain changes in the Company's capitalization) of our Common Stock, which pool shall be shared with the 2014 Global Share Option Plan described in Proposal No. 3 (the "2014 Global Plan" and together with the 2014 U.S. Plan, the "Equity Plans") and, accordingly, shares issued pursuant to awards issued under either the 2014 Global Plan or the 2014 U.S. Plan shall reduce the number of shares available for issuance under the other plan.

The 2014 U.S. Plan is intended to be a broad-based plan that allows for the issuance of equity awards to our employees and members of the Board. Approximately 11 employees, or about 58% of our employee population, currently participate in our equity incentive compensation programs. In addition, consultants and advisors, as well as our non-employee directors, currently participate in our equity incentive compensation programs.

Types of Awards; Shares Available for Issuance

The 2014 U.S. Plan allows for the issuance of incentive stock options intended to qualify under Section 422 of the Code, nonstatutory stock options, and restricted stock awards; we refer to these securities as Awards. Subject to adjustment in the event of stock splits, stock dividends or similar events, Awards may be made under the 2014 U.S. Plan for up to 2,200,000 (subject to stockholder approval of Proposal No. 2 and Proposal No. 3) shares of our

Common Stock (which pool shall be shared with the 2014 Global Plan). In addition, if any Award granted under the 2014 U.S. Plan expires or is terminated, surrendered, cancelled, forfeited or otherwise results in any Common Stock not being issued, the unused Common Stock covered by such Award shall again be available for the grant of Awards under the 2014 Global Plan or the 2014 U.S. Plan (subject, in the case of incentive stock options, to any limitations under the Code). However, shares of Common Stock delivered to us by a participant to purchase Common Stock upon exercise of an Award or to satisfy tax withholding obligations (including shares retained from the Award creating the tax obligation) shall not be added back to the number of shares of Common Stock available for the future grant of Awards under the 2014 U.S. Plan. In addition, Common Stock repurchased by us on the open market using proceeds from the exercise of an Award shall not increase the number of shares of Common Stock available for future grant of Awards under the 2014 U.S. Plan or the 2014 Global Plan.

The pool of shares available for issuance under the 2014 U.S. Plan is the same pool of shares reserved and available for issuance under the 2014 Global Plan. Accordingly, shares issued pursuant to awards under either the 2014 Global Plan or the 2014 U.S. Plan shall reduce the number of shares available for future issuance under each plan, and shares that are returned under such plans are returned to the shared pool.

Certain sub-limitations apply to the shares available for issuance under the 2014 U.S. Plan. The maximum number of shares with respect to which Awards may be granted to any participant under the 2014 U.S. Plan is 1,000,000 shares per calendar year.

In connection with a merger or consolidation of an entity with us or our acquisition of property or stock of an entity, our Board may grant Awards under the 2014 U.S. Plan in substitution for an option or other stock or stock-based Awards granted by such entity or an affiliate thereof on such terms as our Board determines appropriate in the circumstances, notwithstanding any limitation on Awards contained in the 2014 U.S. Plan. Substitute Awards granted under the 2014 U.S. Plan in connection with a merger or consolidation of an entity with Brainstorm Cell Therapeutics Inc. or the acquisition by Brainstorm Cell Therapeutics Inc. of property or stock of an entity shall not count against the overall share limits and sub-limitations described above, except as required by reason of Section 422 and related provisions of the Code.

Shares issued under the 2014 U.S. Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

Descriptions of Awards

Options. Optionees receive the right to purchase a specified number of shares of Common Stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options may not be granted at an exercise price that is less than 100% of the fair market value of the Common Stock on the effective date of grant; provided, however, that if our Board approves the grant of an option with an exercise price to be determined on a future date, the exercise price may not be less than 100% of the fair market value of the Common Stock on such future date. Under present law, incentive stock options may not be granted at an exercise price less than 110% of the fair market value in the case of stock options granted to optionees holding more than 10% of the total combined voting power of all classes of our stock. Under the terms of the 2014 U.S. Plan, stock options may not be granted for a term in excess of 10 years (and, under present law, five years in the case of incentive stock options granted to optionees holding greater than 10% of the total combined voting power of all classes of our stock). Any or all of the Awards available under the 2014 U.S. Plan may be in the form of incentive stock options. The 2014 U.S. Plan permits participants to pay the exercise price of options using one or more of the following manners of payment: (i) payment by cash, check or wire transfer, or, except as may otherwise be provided in the applicable option agreement or approved by our Board, in connection with a “cashless exercise” through a broker, (ii) to the extent provided in the applicable option agreement or approved by our Board, and subject to certain conditions, by surrender to us of shares of Common Stock owned by the participant valued at their fair market value, (iii) to the extent provided in an applicable nonstatutory stock option agreement or approved by our Board, and subject to certain conditions, by delivery of a notice of “net exercise” as a result of which we will retain a number of shares of Common Stock otherwise issuable pursuant to the stock option equal to the aggregate exercise price for the portion of the option being exercised divided by the fair market value of our Common Stock on the date of exercise, (iv) to the extent provided in the applicable option agreement or approved by our Board, by any other lawful means, or (v) any combination of the foregoing.

Limitation on Repricing of Options; Other Limitations. With respect to options, unless such action is approved by stockholders or permitted under the terms of the 2014 U.S. Plan in connection with certain changes in capitalization and reorganization events, we may not (i) amend any outstanding option granted under the 2014 U.S. Plan to provide an exercise price per share that is lower than the then-current exercise price per share of such outstanding option, (ii) cancel any outstanding option (whether or not granted under the 2014 U.S. Plan) and grant in substitution therefor new Awards under the 2014 U.S. Plan (other than certain Awards granted in connection with our merger or consolidation with, or acquisition of, another entity, covering the same or a different number of shares of Common Stock and having an exercise price or measurement price per share lower than the then-current exercise price per share of the cancelled option, (iii) cancel in exchange for a cash payment any outstanding option with an exercise price per share above the then-current fair market value of our Common Stock, or (iv) take any other action under the 2014 U.S. Plan that constitutes a “repricing” within the meaning of the rules of the Nasdaq Stock Market. No option granted under the 2014 U.S. Plan shall contain any provision entitling the grantee to the automatic grant of additional options in connection with any exercise of the original option or provide for the payment or accrual of dividend equivalents.

Restricted Stock Awards. We may issue Awards entitling recipients to acquire shares of our Common Stock subject to our right to repurchase all or part of such shares at their issue price or other stated or formula price (or to require

forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period established for such Award. We refer to these Awards as Restricted Stock. Unless otherwise provided in the applicable Award agreement, any dividend declared and paid by us with respect to a share of Restricted Stock shall be paid to the participant (without interest) only if and when such shares of Restricted Stock become free from any applicable restrictions on transferability and forfeitability.

Performance Awards. Restricted Stock granted under the 2014 U.S. Plan may be made subject to achievement of performance goals. We refer to these types of Awards as Performance Awards. With respect to Performance Awards intended to qualify as “performance-based compensation” under Section 162(m) of the Code, the GNC Committee of our Board shall specify, at the time of grant, that such Performance Award will be granted, vest and/or pay out solely upon the achievement of specified objective performance criteria that are based on the relative or absolute attainment of specified levels of one or any combination of the following, which may be determined pursuant to generally accepted accounting principles, or GAAP, or on a non-GAAP basis, as determined by the GNC Committee:

- earnings per share;
- return on average equity or average assets with respect to a pre-determined peer group;
- earnings;
- earnings growth;
- revenues;
- expenses;
- stock price;
- market share;
- return on sales, assets, equity or investment;
- regulatory compliance;

- achievement of balance sheet or income statement objectives;
- total stockholder return;
- net operating profit after tax;
- pre-tax or after tax income;
- cash flow;
- achievement of research, development, clinical or regulatory milestones;
- product sales;
- business development activities;
- the entry into an arrangement or agreement with a third party for the development, commercialization, marketing or distribution of products, services or technologies, or for conducting a research program to discover and develop a product, service or technology, and/or the achievement of milestones under such arrangement or agreement, including events that trigger an obligation or payment right;
- achievement of domestic and international regulatory milestones, including the submission of filings required to advance products, services and technologies in clinical development and the achievement of approvals by regulatory authorities relating to the commercialization of products, services and technologies;
- the achievement of discovery, preclinical and clinical stage scientific objectives, discoveries or inventions for products, services and technologies under research and development;
- the entry into or completion of a phase of clinical development for any product, service or technology, such as the entry into or completion of phase 1, 2 and/or 3 clinical trials;

- specified levels of product sales, net income, earnings before or after discontinued operations, interest, taxes, depreciation and/or amortization, operating profit before or after discontinued operations and/or taxes, sales, sales growth, earnings growth, cash flow or cash position, gross margins, stock price, market share, return on sales, assets, equity or investment; and
- improvement of financial ratings.

The preceding performance criteria may reflect absolute entity or business unit performance or a relative comparison to the performance of a peer group of entities or other external measure of selected performance criteria and may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. The GNC Committee may specify that such performance measures shall be adjusted to exclude any one or more of:

- extraordinary items;
- gains or losses on the dispositions of discontinued operations;
- the cumulative effects of changes in accounting principles;
- the writedown of any asset;
- fluctuation in foreign currency exchange rates; and
- charges for restructuring and rationalization programs.

Such performance measures (i) may vary by participant and may be different for different Awards; (ii) may be particular to a participant or the department, branch, line of business, subsidiary or other unit in which the participant works and may cover such period as may be specified by the GNC Committee; and (iii) shall be set by the GNC

Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m). The GNC Committee may adjust downwards, but not upwards, the number of shares payable pursuant to such Awards and may not waive the achievement of the applicable performance measures except in the case of the death or disability of the participant or a change in control of Brainstorm Cell Therapeutics Inc. Performance Awards that are not intended to qualify as “performance-based compensation” under Section 162(m) may be based on these or other performance measures as determined by our Board. Dividend equivalents with respect to Performance Awards will be subject to the same restrictions on transfer and forfeitability as the underlying Performance Award.

Transferability of Awards

Except as the Board may otherwise determine or provide in an Award in connection with certain gratuitous transfers, Awards may not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an incentive stock option, pursuant to a qualified domestic relations order. During the life of the participant, Awards are exercisable only by the participant. A participant’s rights to sell Common Stock may be subject to certain limitations (including a lock-up period), as will be requested by the Company or its underwriters. Without derogating from the scope of the above, the Committee may designate certain periods, at its reasonable discretion, with respect to all or certain groups of participants and/or with respect to all or certain types of awards, during which the vesting and/or exercise of awards and/or sale of Common Stock shall be restricted or prohibited, including without limitation, in order to comply with applicable laws in any relevant jurisdiction and/or rules of any exchange on which the Company’s shares are traded (“Blackout Periods”). During such Blackout Periods, participants will not be able to exercise the options (or other awards) and/or receive and/or sell the Common Stock held by or on behalf of the participants and the Company shall not bear any liability to participants for any claim, loss or liability that may result from such restrictions.

Eligibility to Receive Awards

Employees, officers, directors, consultants and advisors of Brainstorm Cell Therapeutics Inc. and of our present or future parent or subsidiary corporations and any other business venture in which Brainstorm Cell Therapeutics Inc. has a controlling interest (as determined by our Board) are eligible to be granted Awards under the 2014 U.S. Plan. However, incentive stock options may only be granted to our employees, employees of our present or future parent or subsidiary corporations, and employees of any other entities the employees of which are eligible to receive incentive stock options under the Code. As of April 15, 2016, approximately 19 persons would be eligible to receive Awards under the 2014 U.S. Plan upon approval, including our executive officers and non-employee directors. The granting of Awards under the 2014 U.S. Plan is discretionary, and we cannot now determine the number or type of Awards to be granted in the future to any particular person or group, except that Awards are subject to the limitations described above. On April 15, 2016, the last reported sale price of our Common Stock on Nasdaq was \$2.41.

Administration

Our Board administers the 2014 U.S. Plan and is authorized to grant Awards and to adopt, amend and repeal the administrative rules, guidelines and practices relating to the 2014 U.S. Plan and to construe and interpret the provisions of the 2014 U.S. Plan and any Award agreements entered into under the 2014 U.S. Plan. Our Board may correct any defect, supply any omission or reconcile any inconsistency in the 2014 U.S. Plan or any Award in the manner and to the extent it shall deem expedient and it shall be the sole and final judge of such expediency.

Pursuant to the terms of the 2014 U.S. Plan, our Board may delegate authority under the 2014 U.S. Plan to one or more committees or subcommittees of our Board. Our Board has authorized the GNC Committee to administer certain aspects of the 2014 U.S. Plan, including the granting of awards to directors and executive officers. The GNC Committee, with the input of management, selects the recipients of Awards and determines, in addition to other items, and subject to the terms of the 2014 U.S. Plan:

- the number of shares of Common Stock covered by Awards and the terms and conditions of such Awards, including the dates upon which such Awards become exercisable or otherwise vest;
- the exercise price of Awards;
- the effect on Awards of a change in control of Brainstorm Cell Therapeutics Inc.; and
- the duration of Awards.

To the extent permitted by applicable law, our Board may delegate to one or more of our officers the power to grant stock options and certain Awards to our employees or non-executive officers and to exercise such other powers under the 2014 U.S. Plan as the Board may determine, provided that the Board shall fix the terms of the Awards to be

granted by such officers (including the exercise price of such Awards, which may include a formula by which the exercise price will be determined) and the maximum number of shares subject to Awards that the officers may grant. No officer shall be authorized to grant Awards to any of our executive officers.

Awards to non-employee directors will only be granted and administered by a committee, all the members of which are independent as defined by Section 5605(a)(2) of the Nasdaq Listing Rules.

The Board may at any time provide that any Award will become immediately exercisable in whole or in part, free of some or all restrictions or conditions, or otherwise realizable in whole or in part, as the case may be, except as otherwise provided under the terms of the 2014 U.S. Plan in the case of Performance Awards.

Except as otherwise provided under the 2014 U.S. Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and our Board need not treat participants uniformly. Our Board shall determine the effect on an Award of the disability, death, retirement, termination or other cessation of employment, authorized leave of absence or other change in the employment or other status of a participant and the extent to which, and the period during which, the participant (or the participant's legal representative, conservator, guardian or designated beneficiary) may exercise rights under the Award.

We are required to make equitable adjustments (in the manner determined by our Board) to the number and class of securities available under the 2014 U.S. Plan, the share counting rules and sub-limits set forth in the 2014 U.S. Plan, and any outstanding Awards under the 2014 U.S. Plan to reflect stock splits, stock dividends, recapitalizations, combinations of shares, reclassifications of shares, spin-offs and other similar changes in capitalization or events or any dividends or distributions to holders of our Common Stock other than ordinary cash dividends.

All decisions by the Board shall be made in the Board's sole discretion and shall be final and binding on all persons having or claiming any interest on the 2014 U.S. Plan or in any Award.

Amendment of Awards. Except as otherwise provided under the 2014 U.S. Plan with respect to repricing outstanding stock options, Performance Awards or actions requiring stockholders approval, our Board may amend, modify or terminate any outstanding Award, including but not limited to, substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an incentive stock option to a nonstatutory stock option, provided that the participant's consent to any such action will be required unless our Board determines that the action, taking into account any related action, does not materially and adversely affect the participant's rights under the 2014 U.S. Plan or the change is otherwise permitted under the terms of the 2014 U.S. Plan in connection with a change in capitalization or reorganization event.

Reorganization Events

Definitions. The 2014 U.S. Plan contains provisions addressing the consequences of any reorganization event. A “reorganization event” is defined under the terms of the 2014 U.S. Plan to mean (a) a merger, acquisition or reorganization of the Company with one or more other entities in which the Company is not the surviving entity or resulting in the Company being the surviving entity and there is a change in the ownership of Common Stock of the Company, such that another person or entity owning fifty percent (50%) or more of the outstanding voting power of the Company’s securities by virtue of the transaction, (b) a sale of all or substantially all of the assets or shares of the Company to another entity, or (c) any liquidation or dissolution of the Company.

Awards Other than Restricted Stock; Options Available to the Board. Under the 2014 U.S. Plan, if a reorganization event occurs, our Board may take any one or more of the following actions as to all or any (or any portion of) outstanding Awards other than Restricted Stock on such terms as the Board determines (except to the extent specifically provided otherwise in an applicable Award agreement or another agreement between a participant and us): (A) provide that such Awards shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), (B) upon written notice to a participant, provide that all of the participant’s unexercised Awards will terminate immediately prior to the consummation of such reorganization event unless exercised by the participant (to the extent then exercisable) within a specified period following the date of such notice, (C) provide that outstanding Awards shall become exercisable, realizable, or deliverable, or restrictions applicable to an Award shall lapse, in whole or in part prior to or upon such reorganization event, (D) in the event of a reorganization event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the reorganization event, which we refer to as the Acquisition Price, make or provide for a cash payment to participants with respect to each Award held by a participant equal to (X) the number of shares of Common Stock subject to the vested portion of the Award (after giving effect to any acceleration of vesting that occurs upon or immediately prior to such reorganization event) multiplied by (Y) the excess, if any, of (I) the Acquisition Price over (II) the exercise, measurement or purchase price of such Award and any applicable tax withholdings, in exchange for the termination of such Award, (E) provide that, in connection with our liquidation or dissolution, Awards shall convert into the right to receive liquidation proceeds (if applicable, net of the exercise, measurement or purchase price thereof and any applicable tax withholdings) and (F) any combination of the foregoing. Our Board is not obligated to treat all Awards, all Awards held by a participant, or all Awards of the same type, identically.

For purposes of clause (A) above (providing for the assumption of Awards by an acquiring or succeeding corporation), an Award (other than Restricted Stock) shall be considered assumed if, following the consummation of the reorganization event, such Award confers the right to purchase or receive pursuant to the terms of such Award, for each share of Common Stock subject to the Award immediately prior to the consummation of the reorganization event, the consideration (whether cash, securities or other property) received as a result of the reorganization event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the reorganization event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided however, that if the consideration received as a result of the reorganization event is not solely Common Stock of the acquiring or succeeding corporation

(or an affiliate thereof), we may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise or settlement of the Award to consist solely of such number of shares of Common Stock of the acquiring or succeeding corporation (or an affiliate thereof) that the Board determined to be equivalent in value (as of the date of such determination or another date specified by the Board) to the per share consideration received by holders of outstanding shares of Common Stock as a result of the reorganization event.

Provisions Applicable to Restricted Stock. Upon the occurrence of a reorganization event other than our liquidation or dissolution, our repurchase and other rights with respect to outstanding Restricted Stock shall inure to the benefit of our successor and shall, unless the Board determines otherwise, apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such reorganization event in the same manner and to the same extent as they applied to such Restricted Stock; provided, however, that the Board may provide for termination or deemed satisfaction of such repurchase or other rights under the instrument evidencing any Restricted Stock or any other agreement between a participant and us, either initially or by amendment.

Upon the occurrence of a reorganization event involving our liquidation or dissolution, except to the extent specifically provided to the contrary in the instrument evidencing any Restricted Stock or any other agreement between the participant and us, all restrictions and conditions on all Restricted Stock then outstanding shall automatically be deemed terminated or satisfied.

Provisions for Foreign Participants

Our Board may from time to time establish one or more sub-plans under the 2014 U.S. Plan for purposes of satisfying applicable securities, tax or other laws of various jurisdictions. Our Board shall establish such sub-plans by adopting supplements to the 2014 U.S. Plan containing any limitations on our Board's discretion under the 2014 U.S. Plan as our Board shall deem necessary or desirable and any additional terms and conditions not otherwise inconsistent with the 2014 U.S. Plan that our Board shall deem necessary or desirable. All supplements adopted by our Board shall be deemed to be part of the 2014 U.S. Plan, but each supplement shall apply only to participants within the affected jurisdiction.

Amendment or Termination

Our Board may amend, suspend or terminate the 2014 U.S. Plan or any portion thereof at any time provided that (i) to the extent required by Section 162(m) of the Code, no Award granted to a participant that is intended to comply with Section 162(m) after the date of such amendment shall become exercisable, realizable or vested, as applicable to such Award, unless and until our stockholders approve such amendment in the manner required by Section 162(m); (ii) no amendment that would require stockholder approval under the rules of the Nasdaq Stock Market may be made effective unless and until our stockholders approve such amendment; and (iii) if the Nasdaq Stock Market amends the rules of the Nasdaq Stock Market so that such rules no longer require stockholder approval of material amendments to equity compensation plans, then, from and after the effective date of such amendment to the rules of the Nasdaq Stock Market, no amendment to the 2014 U.S. Plan (A) materially increasing the number of shares authorized under the 2014 U.S. Plan (other than as provided for in the 2014 U.S. Plan in connection with substitute Awards, changes in capitalization or reorganization events), (B) expanding the types of Awards that may be granted under the 2014 U.S. Plan, or (C) materially expanding the class of participants eligible to participate in the 2014 U.S. Plan shall be effective unless and until our stockholders approve such amendment. In addition, if at any time the approval of our stockholders is required as to any other modification or amendment under Section 422 of the Code or any successor provision with respect to incentive stock options, the Board may not effect such modification or amendment without such approval. Unless otherwise specified in the amendment, any amendment to the 2014 U.S. Plan adopted in accordance with the procedures described above shall apply to, and be binding on the holders of, all Awards outstanding under the 2014 U.S. Plan at the time the amendment is adopted, provided that the Board determines that such amendment, taking into account any related action, does not materially and adversely affect the rights of participants under the 2014 U.S. Plan.

Effective Date and Term of 2014 U.S. Plan

The 2014 U.S. Plan became effective on August 14, 2014, the date the plan was approved by our stockholders. No Awards shall be granted under the 2014 U.S. Plan after the expiration of 10 years from the effective date, but Awards previously granted may extend beyond that date.

Federal Income Tax Consequences

The following generally summarizes the United States federal income tax consequences that generally will arise with respect to Awards granted under the 2014 U.S. Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. In addition, this summary assumes that all Awards are exempt from, or comply with, the rules under Section 409A of the Code regarding nonqualified deferred compensation. Changes to these laws or assumptions could alter the tax consequences described below.

Incentive Stock Options. A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by us or our corporate parent or 50% or more-owned corporate subsidiary at all times beginning with the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under “Nonstatutory Stock Options.” The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option, which we refer to as ISO stock, at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the ISO stock. If a participant sells the ISO stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the ISO stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long-term if the participant has held the ISO stock for more than one year and otherwise will be short-term. If a participant sells the ISO stock at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long-term if the participant held the ISO stock for more than one year and otherwise will be short-term.

Nonstatutory Stock Options. A participant will not have income upon the grant of a nonstatutory stock option. A participant will have compensation income upon the exercise of a nonstatutory stock option equal to the fair market value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, which we refer to as NSO stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the fair market value of the NSO stock on the day the option was exercised. This capital gain or loss will be long-term if the participant has held the NSO stock for more than one year and otherwise will be short-term.

Restricted Stock. A participant will not have income upon the grant of Restricted Stock unless an election under Section 83(b) of the Code is made within 30 days of the date of grant. If a timely Section 83(b) election is made, then a participant will have compensation income equal to the fair market value of the stock less the purchase price, if any. When the stock is sold, the participant will have capital gain or loss equal to the difference between the sales proceeds and the fair market value of the stock on the date of grant. If the participant does not make a Section 83(b) election, then when the shares of Restricted Stock vest the participant will have compensation income equal to the fair market value of the stock on the vesting date less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the fair market value of the stock on the vesting date. Any capital gain or loss will be long-term if the participant held the stock for more than one year and otherwise will be short-term.

Tax Consequences to Brainstorm Cell Therapeutics Inc. There will be no tax consequences to us except that we will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

Required Vote

Approval of the proposed U.S. Plan Amendment requires the affirmative vote of a majority of the votes of the shares of our common stock present in person or represented by proxy and entitled to be voted on the proposal at the annual meeting.

Brainstorm Recommendation

We believe strongly that the approval of the U.S. Plan Amendment is essential to our continued success. Our employees and directors are among our most valuable assets. Stock options and other awards such as those provided under the 2014 U.S. Plan are vital to our ability to attract and retain outstanding and highly skilled individuals. Such awards are also crucial to our ability to motivate employees to achieve our goals and to retain qualified directors. Our Board approved the U.S. Plan Amendment, subject to stockholder approval. If the stockholders do not approve both Proposal No. 2 and Proposal No. 3 amending the Equity Plans, our ability to grant any further options to our employees and members of our Board or make any further awards of stock will be severely impaired, as there are currently no shares available for issuance under the Equity Plans. This would likely adversely impact our ability to attract, retain and motivate current and prospective employees and members of the Board. For the reasons stated above the stockholders are being asked to approve Amendment No. 1 to the 2014 U.S. Plan.

The Board believes the approval of the U.S. Plan Amendment is in the best interests of the Company and its stockholders and recommends a vote “FOR” Proposal No. 2 approving Amendment No. 1 to the Company’s 2014

Stock Incentive Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE COMPANY'S 2014 GLOBAL SHARE OPTION PLAN TO INCREASE THE SHARED POOL OF SHARES AVAILABLE FOR ISSUANCE UNDER THE EQUITY PLANS BY 1,600,000 ADDITIONAL SHARES (FROM 600,000 TO 2,200,000 SHARES) OF COMPANY COMMON STOCK

Our stockholders are being asked to approve Amendment No. 1 (the "Global Plan Amendment") to our 2014 Global Share Option Plan (the "2014 Global Plan"), which would increase the shared pool of shares available for issuance under the Company's current equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock. The Global Plan Amendment was approved by the Board of Directors on April 11, 2016, subject to stockholder approval in order to satisfy applicable Listing Rules of NASDAQ.

The 2014 Global Plan as amended would allow for the issuance of up to 2,200,000 shares (subject to adjustment for certain changes in the Company's capitalization) of our Common Stock, which pool is shared with the 2014 Stock Incentive Plan described in Proposal No. 2 (the "2014 U.S. Plan" and together with the 2014 Global Plan, the "Equity Plans") and, accordingly, shares issued pursuant to awards issued under either the 2014 Global Plan or the 2014 U.S. Plan shall reduce the number of shares available for issuance under the other plan.

The Board believes the approval of the Global Plan Amendment is in the best interests of the Company and its stockholders and recommends a vote "FOR" Proposal No. 3 approving Amendment No. 1 to the Company's 2014 Global Share Option Plan to increase the shared pool of shares available for issuance under the Company's equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock.

Background and Rationale of the Proposal

Our Board believes that adding an additional 1,600,000 shares to the shared pool of shares available for issuance under the Equity Plans will provide sufficient shares for us to continue to grant meaningful long term incentive compensation to our current and future employees, directors and consultants through approximately 2018, and that the approval of Proposal No. 2 and Proposal No. 3 is essential to permit Brainstorm to continue to provide long-term, equity-based incentives to present and future key employees and directors.

Our Board believes that our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel. We operate in an extremely competitive environment with respect to the hiring and retention of qualified employees. As a result, our approach to compensation considers the full range of compensation techniques that enable us to compete with our peers to attract and retain key personnel. Equity compensation is one of the critical components of our compensation package because it (i) develops a culture of ownership among our employees, (ii) aligns the interests of employees and non-employee directors with the interests of our other stockholders and (iii) preserves our cash resources. We believe that the addition of 1,600,000 shares of our common stock issuable under the Equity Plans will allow us to continue to recruit leading professionals for key positions within our company as well as to retain and incentivize our current employees.

Our employees are some of our most valuable assets, and such awards are crucial to our ability to motivate individuals in our service to achieve our goals. We strongly believe that the approval of the proposed share increase is instrumental to our continued success. Accordingly, we are seeking stockholder approval of an increase in the number of shares issuable under our Equity Plans.

The Company currently has insufficient shares available under the Equity Plans to meet its immediate equity grant needs. Brainstorm's 2016 Annual Meeting will trigger equity grant obligations which we cannot meet without stockholder approval of Proposal No. 2 and Proposal No. 3. Pursuant to the Second Amended and Restated Director Compensation Plan (as amended, the "Director Compensation Plan"), every non-employee director of the Company, other than Chen Schor, serving as a director immediately following the annual meeting will be entitled to an annual award grant on the first business day following the 2016 annual meeting of stockholders. For non-U.S. directors, this annual award consists of a nonqualified stock option to purchase 13,333 shares of Common Stock; Uri Yablonka, director and Chief Operating Officer of the Company, will also be entitled to an equivalent grant pursuant to his employment agreement. For U.S. directors, at their option, the annual award under the Director Compensation Plan is either (i) a nonqualified stock option to purchase 6,666 shares of Common Stock or (ii) 6,666 shares of restricted stock. Additionally, each member of the GNC Committee or Audit Committee of the Board is entitled to receive (i) a nonqualified stock option to purchase 2,000 shares of Common Stock or (ii) in the case of U.S. directors and at their option, 2,000 shares of restricted stock. The chair of the GNC Committee and Audit Committee will instead of the above committee award be entitled to receive a nonqualified stock option to purchase 3,333 shares of Common Stock. The chairperson of the Board is also entitled to receive a nonqualified stock option to purchase 6,666 shares of Common Stock.

If Proposal No. 2 and Proposal No. 3 are not approved the Company will not have sufficient available shares under the Equity Plans to make these annual director grants. Brainstorm will also be unable to issue new discretionary equity grants under the Equity Plans to new and existing employees. Further, the Company has an outstanding option grant with shares whose exercisability is contingent upon stockholder approval of an increase in the shares available for issuance under the Equity Plans. On September 28, 2015, the Company granted to Chaim Lebovits, its newly appointed Chief Executive Officer, an option to purchase 369,619 shares of Common Stock at an exercise price of \$2.45 per share. The option will vest through August 28, 2016. A portion of this option representing 83,781 shares of Common Stock (the “Contingent Option Shares”) may not be exercised until the stockholders of the Company approve a further increase in the number of Common Stock that are reserved for issuance under the Company’s Equity Plans (Proposal No. 2 & Proposal No. 3). This portion of the option will be accounted for as granted if and when the approval is obtained. The Contingent Option Shares may be terminated if the stockholders do not approve an amendment to the Equity Plans sufficient to cover all Contingent Option Shares by December 31, 2017, and the Contingent Options Shares will not be exercisable and no common stock will be issuable thereunder before the approval of by our stockholders. Our executive officers and directors have an interest in Proposal No. 2 and Proposal No. 3.

New Plan Benefits

Awards under the Amended 2014 U.S. Plan and the Amended 2014 Global Plan will be determined by the GNC Committee, in its discretion, and except for the automatic annual grants and the Contingent Option Shares described above, awards and the terms of any awards under the Equity Plans for the current year or any future year are not determinable. For information regarding grants made in fiscal 2015 under the 2014 U.S. Plan and the 2014 Global Plan, see the “Fiscal 2015 Grants of Plan-Based Awards Table” below. As of April 15, 2016 the closing price of shares of our Common Stock as reported on Nasdaq was \$2.41 per share.

Equity Awards Granted and Outstanding

As of April 15, 2016 incentive equity awards outstanding and shares available for grant under our equity compensation plans were as follows:

| | 2014 Equity Plans (current plans) | All Plans(1) |
|---|-----------------------------------|--------------|
| Stock options outstanding(2) | 444,590 | 1,002,453 |
| Full-value awards granted (stock and restricted stock)(3) | 155,410 | 307,834 |
| Shares available for future awards(4) | 0 | 0 |

- Includes shares under the current Equity Plans, as well as shares under the prior plans (the 2004 Global Share Option Plan and the 2005 U.S. Stock Option and Incentive Plan) pursuant to which such awards remain outstanding but under which no additional awards may be granted, as well as incentive grants to employees, directors and service providers (not including in connection with any public offering or private placement) outside of equity compensation plans.
- As of April 15, 2016, the range of the exercise prices of stock options outstanding under all of our equity compensation plans was \$0.75 to \$7.05, with a weighted-average exercise price of \$2.61. The closing price of a share of our Common Stock on April 15, 2016 was \$2.41. The weighted-average remaining contractual life of stock options outstanding under all of our equity compensation plans as of April 15, 2016 was 7.15 years. 851,453 of such option shares (net of all subsequent cancellations) were issued between January 1, 2013 through December 31, 2015.
- (3) Represents stock and restricted stock issued to employees, directors and service providers (not including in connection with any public offering or private placement) from January 1, 2013 and December 31, 2015.
- (4) Represents shares of our Common Stock available for future awards under all of our equity compensation plans as of April 15, 2016. 1,159,287 of such shares were issued between January 1, 2013 and December 31, 2015.

In developing our share request for the Equity Plan amendments and analyzing the impact of utilizing equity on our stockholders, our Board considered our "burn rate" and "overhang." Burn rate provides a measure of the potential dilutive impact of our annual equity award program. Overhang is a measure of potential dilution and is defined as the sum of (i) the total number of shares underlying all equity awards outstanding and (ii) the total number of shares available for future award grants, divided by: the sum of (a) the total number of shares underlying all equity awards outstanding, (b) the total number of shares available for future award grants and (c) the basic weighted average common shares outstanding for the most recently completed fiscal year. Our overhang at December 31, 2015 was 5.17%. If the 1,600,000 additional shares proposed to be authorized for grant under the Equity Plans are included in the calculation, our overhang would have been 12.39% at December 31, 2015.

We anticipate filing a Registration Statement on Form S-8 with the SEC to register the additional amount of new shares of our Common Stock to be included in the aggregate share reserve under the Equity Plans, as amended by the U.S. Plan Amendment and the Global Plan Amendment, effective upon and subject to stockholder approval of Proposal No. 2 and Proposal No. 3, as soon as practicable upon such stockholders' approval of the Equity Plan amendments.

Summary of the 2014 Global Share Option Plan (as amended)

Administration. The 2014 Global Plan is administered by the GNC Committee of the Board.

Participation. The 2014 Global Plan provides that the persons eligible for participation in the 2014 Global Plan shall include employees, officers, directors, and/or service providers such as consultants, or advisers of the Company or any affiliate, or any other person who is not an employee (also referred to as non-employee). In determining the eligibility of an individual to be granted awards pursuant to the 2014 Global Plan, as well as in determining the number of awards to be granted to any individual, the GNC Committee takes into account the position and responsibilities of the individual being considered, the nature and value to the Company or its subsidiaries of the individual's service and accomplishments, his or her present and potential contribution to the success of the Company or its subsidiaries, and such other factors as the GNC Committee deems relevant.

Terms and Provisions of Options. Options granted under the 2014 Global Plan are exercisable at such times and during such period as is set forth in the award agreement, and shall terminate upon the earlier of (i) the date set forth in the award agreement, (ii) the expiration of ten (10) years from the date of grant, or (iii) the expiration of any extended period in any of the events set forth below. The award agreement may contain such provisions and conditions as may be determined by the GNC Committee. The option exercise price for each share subject to an option shall be determined by the GNC Committee in its sole and absolute discretion in accordance with applicable

law (and may be less than fair market value, subject to applicable law), subject to any guidelines as may be determined by the Board from time to time. The exercise price shall be payable upon the exercise of an option in cash, check, or wire transfer.

An option or any right with respect thereto of any optionee to exercise an option granted under the 2014 Global Plan is not assignable or transferable, nor may it be given as collateral nor may any right with respect thereto be given to a third party whatsoever, other than by will or the laws of descent and distribution, or as specifically otherwise allowed under the 2014 Global Plan. Moreover, during the lifetime of the optionee, each and all of such optionee's rights to purchase shares under the 2014 Global Plan shall be exercisable only by the optionee.

In the event of a termination of optionee's employment or service, all options granted to such optionee shall immediately expire. Notwithstanding the foregoing and unless otherwise determined in the optionee's award agreement, an option may be exercised after the date of termination as follows: If the termination is without cause, the unexpired vested options still in force may be exercised within a period of three (3) months after the date of such termination. If such termination of employment is the result of death or disability, the vested unexpired options still in force may be exercised within a period of twelve (12) months after such date of termination. If such termination of employment or service is for cause, any outstanding unexercised option will immediately expire and terminate, and the optionee shall not have any right in respect thereof. In no event shall an option be exercisable after the date upon which it expires by its terms. The GNC Committee has the authority to extend the term of all or part of the vested options beyond the date of such termination for a period not to exceed the period during which the options by their terms would otherwise have been exercisable.

Restricted Stock. Restricted stock and other equity-based awards may be issued to all participants either alone or in addition to other awards granted under the 2014 Global Plan. Such awards will be subject to such conditions and restrictions as the GNC Committee may determine. These conditions and restrictions may include the achievement of certain performance goals and/or continued employment with the Company through a specified restricted period. The purchase price (if any) of shares of restricted stock will be determined by the GNC Committee. If the performance goals and other restrictions are not attained, the grantee will automatically forfeit their awards of restricted stock to the Company.

Merger; Acquisition; Reorganization. The 2014 Global Plan provides that in the event of a merger, acquisition, or reorganization of the Company or in the event of a sale of all or substantially all of the assets or shares of the Company to another entity (a “Transaction”) the unexercised or restricted portion of each award shall be assumed or substituted for an appropriate number of shares of each class of shares or other securities of the successor corporation (or a parent or subsidiary of the successor corporation) as were distributed to the stockholders of the Company in connection with the Transaction. In the case of such assumption and/or substitution of awards, appropriate adjustments shall be made to the exercise price so as to reflect such award and all other terms and conditions of the award agreements, all subject to the determination of the GNC Committee or the Board, which determination shall be in their sole discretion and final. The 2014 Global Plan further provides that in the event that the outstanding shares shall at any time be changed or exchanged by declaration of a share dividend (bonus shares), share split or reverse share split, combination or exchange of shares, recapitalization, or any other like event by or of the Company, and as often as the same shall occur, then the number, class and kind of shares subject to the 2014 Global Plan or subject to any awards theretofore granted, and the exercise prices, shall be appropriately and equitably adjusted so as to maintain the proportionate number of shares without changing the aggregate exercise price, provided, however, that no adjustment shall be made by reason of the distribution of subscription rights on outstanding shares. Upon the occurrence of any of the above, the class and aggregate number of shares issuable pursuant to the 2014 Global Plan, in respect of which awards have not yet been exercised, shall be appropriately adjusted.

The Board or the GNC Committee shall also have the power to determine that in certain award agreements there shall be a clause instructing that if in any Transaction the successor corporation (or parent or subsidiary of the successor corporation) does not agree to assume or substitute the awards, the vesting dates of outstanding awards shall be accelerated so that any unvested or restricted award or any portion thereof shall be immediately vested ten (10) days prior to the effective date of the Transaction.

Upon voluntary dissolution or liquidation of the Company, the Company shall immediately notify all unexercised award holders of such voluntary liquidation, and the award holders shall then have ten (10) days to exercise any unexercised vested options or vested award held by them at that time. Upon the expiration of such ten-day period, all remaining outstanding awards will terminate immediately.

Limitations; Blackout Periods The 2014 Global Plan provides that each participant’s rights to sell shares may be subject to certain limitations (including a lock-up period), as will be requested by the Company or its underwriters, and the participant unconditionally agrees and accepts any such limitations. The GNC Committee may designate certain periods, at its reasonable discretion, with respect to all or certain groups of participants and/or with respect to all or certain types of awards, during which the vesting and/or exercise of awards and/or sale of shares shall be restricted or prohibited, including without limitation, in order to comply with applicable laws in any relevant jurisdiction and/or rules of any exchange on which the Company’s shares are traded (“Blackout Periods”). During such Blackout Periods, participants will not be able to exercise the options (or other awards) and/or receive and/or sell the shares held by or on behalf of the participants and the Company shall not bear any liability to participants for any claim, loss or liability that may result from such restrictions.

Termination and Amendment. Unless sooner terminated, the 2014 Global Plan shall terminate ten (10) years from July 9, 2014, the date upon which it was adopted by the Board. The Board may at any time terminate or suspend the 2014 Global Plan or make such modification or amendment as it deems advisable; provided, however, that no amendment, alteration, suspension or termination of the 2014 Global Plan shall impair the rights of any participant, unless mutually agreed otherwise by the participant and the Company. Termination of the 2014 Global Plan prior to the termination date shall not affect the Board of Director's ability to exercise the powers granted to it thereunder with respect to awards granted under the 2014 Global Plan prior to the date of such earlier termination. The Company shall obtain the approval of the Company's stockholders for amendment to the 2014 Global Plan if stockholders' approval is required under any applicable law or if stockholders' approval is required by any authority or by any governmental agencies or national securities exchanges.

Plan Benefits

Under the Equity Plans we may grant awards to employees, officers, directors, consultants and advisors (including Scientific Advisory Board members). The amount and timing of awards granted under the Equity Plans is determined in the sole discretion of the Administrator and therefore cannot be determined in advance. The granting of awards under the Equity Plans is discretionary, and we cannot now determine the number or type of awards to be granted in the future to any particular person or group.

Israeli Appendix and Tax Matters

Section 102 of the Israeli Income Tax Ordinance (New Version), 1961, as amended (the "Section 102"; "Tax Ordinance", respectively) shall apply to allocation of Awards and/or shares to employees, directors and office holders, but excluding controlling shareholders (as defined in Section 32(9) of the Ordinance) (the "Employees"). Awards granted under Section 102 may be classified as Approved 102 Award to be held by a trustee for the benefit of the Employees for such period of time as required by Section 102 or any regulations, rules or orders or procedures promulgated thereunder (the "Trustee"; "Holding Period", respectively) or as Unapproved 102 Award, without a trustee. The Trustee is appointed by the Company and approved by the Israeli Tax Authorities. Under the trustee track, the trustee may not release any Approved 102 Awards or shares allocated or issued upon exercise of Approved 102 Awards prior to the end of the Holding Period and the full payment of participant's tax liabilities arising from Approved 102 Awards which were granted to him and/or any shares allocated or issued upon exercise of such Awards. With respect to any Approved 102 Award, a participant shall not sell or release from trust any share received upon the exercise of an Approved 102 Award and/or any share received subsequently following any realization of rights, including bonus shares, until the lapse of the Holding Period described above. If any such sale or release shall occur during the Holding Period the sanctions under Section 102 shall apply and shall be borne by such participant. Approved 102 Awards may either be classified as "ordinary income award" or "capital gains award". The classification of the type of awards as "ordinary income award" or "capital gain award" depends on the election made by the Company prior to the date of grant, and obligates the Company to grant such type of award to all of its Employees for a period of one year following the year during which the elected type of awards were first granted.

We expect to grant Awards to our Employees as Approved 102 Awards under the capital gain track. The 2014 Global Plan and the relevant election will be appropriately filed with the Israeli tax authorities at least 30 days before the grants of Approved 102 Awards are made. Under such track, the Employee will be taxed at capital gain rates upon the sale of shares received following the exercise of such awards or upon release of such shares from trust, whichever is earlier, provided that the conditions of the “capital gains track” are met.

Required Vote

Approval of the proposed Global Plan Amendment requires the affirmative vote of a majority of the votes of the shares of our common stock present in person or represented by proxy and entitled to be voted on the proposal at the annual meeting.

Brainstorm Recommendation

We believe strongly that the approval of the Global Plan Amendment is essential to our continued success. Our employees and directors are among our most valuable assets. Stock options and other awards such as those provided under the 2014 Global Plan are vital to our ability to attract and retain outstanding and highly skilled individuals. Such awards are also crucial to our ability to motivate employees to achieve our goals and to retain qualified directors. Our Board approved the Global Plan Amendment, subject to stockholder approval. If the stockholders do not approve both Proposal No. 2 and Proposal No. 3 amending the Equity Plans, our ability to grant any further options to our employees and members of our Board or make any further awards of stock will be severely impaired, as there are currently no shares available for issuance under the Equity Plans. This would likely adversely impact our ability to attract, retain and motivate current and prospective employees and members of the Board. For the reasons stated above the stockholders are being asked to approve Amendment No. 1 to the 2014 Global Plan.

The Board believes the approval of the Global Plan Amendment is in the best interests of the Company and its stockholders and recommends a vote “FOR” Proposal No. 3 approving Amendment No. 1 to the Company’s 2014 Global Share Option Plan to increase the shared pool of shares available for issuance under the Company’s equity plans by 1,600,000 additional shares (from 600,000 to 2,200,000 shares) of Company Common Stock.

PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF BRIGHTMAN ALMAGOR ZOHAR & CO., A MEMBER OF DELOITTE TOUCHE TOHMATSU LIMITED, AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE CURRENT FISCAL YEAR

The Board has appointed Deloitte as the Company's independent registered public accounting firm to audit the Company's financial statements for the current fiscal year. Deloitte has audited the financial statements of the Company since the fiscal year ended December 31, 2008. The Board is asking the Company's stockholders to ratify the appointment of Deloitte as the Company's independent registered public accounting firm. Although ratification is not required by the Company's Bylaws or otherwise, the Board is submitting the appointment of Deloitte to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection of Deloitte as the Company's independent registered public accounting firm, the Board will reconsider its selection. Even if the appointment is ratified, the Board, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board determines that such a change would be in the Company's and its stockholders' best interests. A representative of Deloitte is not expected to be present at the Meeting and will not have the opportunity to make a statement or be available to respond to appropriate questions from stockholders.

The Board recommends a vote FOR ratification of the appointment of Brightman Almagor Zohar & Co., a member of Deloitte Touche Tohmatsu Limited, as the Company's independent registered public accounting firm for the current fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of Board

The Board of Directors has determined that each of Dr. Arbel, Mr. Friedman, Mr. Pinkas, Dr. Shorr and Mr. Taub satisfies the criteria for being an “independent director” under the standards of the Nasdaq Stock Market, Inc. (“Nasdaq”) and has no material relationship with the Company other than by virtue of service on the Board of Directors. Mr. Schor and Mr. Yablonka are not considered “independent directors.” The Board of Directors also determined that Dr. Israeli, a former director, satisfied the criteria for being an “independent director” under the Nasdaq standards and had no material relationship with the Company other than by virtue of his service on the Board of Directors. During the course of determining the independence of Dr. Israeli, the Board of Directors considered the Hadasit Agreement described in “Certain Relationships and Related Transactions” below. Dr. Israeli resigned from the Board as of April 25, 2014.

The Board of Directors is comprised of a majority of independent directors and the Audit and GNC Committees are comprised entirely of independent directors.

Board Leadership Structure

On April 25, 2014, the Board elected Dr. Arbel to serve as Chair of the Board. Previously, Abraham Israeli served as Chairman of the Board. The Chair presides at all Board meetings. The Chair’s role and responsibilities include maintaining an active relationship with the Chief Executive Officer, participating in preparation for Board meetings (suggesting agenda items as appropriate), serving as a supplemental channel for communications between Board members and the Chief Executive Officer and providing counsel to individual directors on the performance of their duties. The position of Chair and Chief Executive Officer are separate. Together, the Chair and Chief Executive Officer provide strategic guidance and oversight to the Company. The Board believes that Dr. Arbel serving as Chair is optimal because it will provide the Board with strong and consistent leadership, and the other members of the Board bring various perspectives and opinions. Taken together, the Board believes that this leadership structure provides an appropriate balance of experienced leadership, independent oversight and management input.

Risk Management and Oversight Process

The Board takes an active role, as a whole and at the committee level, in overseeing management of our Company's risks. Generally, the entire Board, the Audit Committee and the GNC Committee are involved in overseeing risks associated with the Company and monitor and assess those risks in reviews with management and with the Company's outside advisors and independent registered public accounting firm. The Audit Committee reviews regulatory risk, operational risk and enterprise risk, particularly as they relate to financial reporting, on a regular basis with management, the Company's independent registered public accounting firm and the Company's outside consultants and advisors. In its regular meetings, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs. The GNC Committee monitors the Company's governance and succession risk by review with management and outside advisors. The GNC Committee also monitors CEO succession and the Company's compensation policies and related risks by reviews with management.

Diversity

Diversity has always been very important to us. Although we have no formal separate written policy, the Board annually reviews the appropriate skills and characteristics of the members of the Board and diversity is one of the factors used in this assessment.

Board Meetings

The Board held seven (7) meetings during the fiscal year ended December 31, 2015. During the fiscal year ended December 31, 2015, each incumbent director attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the committees on which he or she served other than Mr. Pinkas and Dr. Shorr. The Company's directors are encouraged to attend the Company's annual meeting of stockholders. None of the Company's directors attended the prior year's annual meeting.

Committees of the Board of Directors

Audit Committee

On February 7, 2008, the Board of Directors established a standing Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, which assists the Board of Directors in fulfilling its responsibilities to stockholders concerning our financial reporting and internal controls, and facilitates open communication among the Audit Committee, Board of Directors, outside auditors and management. The Audit Committee discusses with management and our outside auditors the financial information developed by us, our systems of internal controls and our audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. The independent auditors meet with the Audit Committee (both with and without the presence of management) to review and discuss various matters pertaining to the audit, including our financial statements, the report of the independent auditors on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by us. The Audit Committee preapproves all audit services to be provided to us, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to us by the independent auditor. The Audit Committee coordinates the Board of Directors' oversight of our internal control over financial reporting, disclosure controls and procedures and code of conduct. The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board of Directors, to engage such independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board of Directors has adopted a written charter for the Audit Committee, which is available in the corporate governance section of our website at www.brainstorm-cell.com. The Audit Committee currently consists of Mr. Friedman (Chair), Dr. Arbel and Mr. Pinkas each of whom is independent within the meaning of The NASDAQ Marketplace Rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that Mr. Friedman is an "audit committee financial expert" as defined in Item 407(d)(5) of Regulation S-K. The Audit Committee held four meetings during the fiscal year ended December 31, 2015.

GNC Committee

On June 27, 2011, the Board of Directors established a standing Governance, Nominating and Compensation Committee (the "GNC Committee"), which assists the Board in fulfilling its responsibilities relating to (i) compensation of the Company's executive officers, (ii) the director nomination process and (iii) reviewing the Company's compliance with SEC corporate governance requirements. The Board has adopted a written charter for the GNC Committee, which is available in the corporate governance section of our website at www.brainstorm-cell.com. The GNC Committee currently consists of Dr. Arbel (Chair), Dr. Shorr and Mr. Taub, each of whom is independent as defined

under applicable Nasdaq listing standards. The GNC Committee held three meetings during the fiscal year ended December 31, 2015.

The GNC Committee determines salaries, incentives and other forms of compensation for the Chief Executive Officer and the executive officers of the Company and reviews and makes recommendations to the Board with respect to director compensation. The GNC Committee meets without the presence of executive officers when approving or deliberating on executive officer compensation, but may invite the Chief Executive Officer to be present during the approval of, or deliberations with respect to, other executive officer compensation. In addition, the GNC Committee administers the Company's stock incentive compensation and equity-based plans.

The GNC Committee makes recommendations to the Board concerning all facets of the director nominee selection process. Generally, the GNC Committee identifies candidates for director nominees in consultation with management and the independent members of the Board, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the GNC Committee deems to be helpful to identify candidates. Once candidates have been identified, the GNC Committee confirms that the candidates meet the independence requirements and qualifications for director nominees established by the Board. The GNC Committee may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the GNC Committee deems to be helpful in the evaluation process. The GNC Committee meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board. Upon selection of a qualified candidate, the GNC Committee would recommend the candidate for consideration by the full Board.

In considering whether to include any particular candidate in the Board's slate of recommended director nominees, the Board will consider the candidate's integrity, education, business acumen, knowledge of the Company's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board believes that experience as a leader of a business or institution, sound judgment, effective interpersonal and communication skills, strong character and integrity, and expertise in areas relevant to our business are important attributes in maintaining the effectiveness of the Board. As a matter of practice, the Board considers the diversity of the backgrounds and experience of prospective directors as well as their personal characteristics (e.g., gender, ethnicity, age) in evaluating, and making decisions regarding, Board composition, in order to facilitate Board deliberations that reflect a broad range of perspectives. The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Company believes that the backgrounds and qualifications of its directors, considered as a group, should provide a significant breadth of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Stockholder Nominations

On June 27, 2011, the Board adopted the Brainstorm Cell Therapeutics Inc. Stockholder Nominations and Communications Policy (the “Policy”), pursuant to which procedures by which stockholders may recommend nominees to our Board were established. Previously, we had no formal policy by which a stockholder could recommend nominees to our Board.

Pursuant to the Policy, stockholders may recommend nominees for consideration by submitting the following information to our Secretary at our executive offices: (i) a current resume and curriculum vitae of the candidate; (ii) a statement describing the candidate’s qualifications; and (iii) contact information for personal and professional references. In addition, submission must include the name and address of the stockholder making the nomination, the number of shares which are owned by such stockholder and a description of all arrangements or understandings between such stockholder and the candidate. Assuming that the required material has been provided on a timely basis, the GNC Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Family Relationships

There are no family relationships between the executive officers or directors of the Company.

Involvement in Certain Legal Proceedings

None.

Stockholder Communication with the Board

On June 27, 2011, the Board adopted the Policy, as defined above under “Stockholder Nominations,” pursuant to which procedures by which stockholders may communicate with our Board were established. Previously, we had no formal policy by which a stockholder could communicate with our Board.

Under the Policy, stockholders may send written communications to the Board or any individual members to the attention of the Company's Secretary at the Company's offices, 3 University Plaza Drive, Suite 320, Hackensack, NJ 07601. All such communications will be relayed accordingly, except for mass mailings, job inquiries, surveys, business solicitations or advertisements, personal grievances, matters as to which the Company tends to receive repetitive or duplicate communications, or patently offensive or otherwise inappropriate material.

ASC 718 fair value amount as of the grant date for stock options generally is spread over the number of months of service required for the grant to vest.

(2) The fair value of each stock option award is estimated as of the date of grant using the Black-Scholes valuation model. Additional information regarding the assumptions used to estimate the fair value of all stock option awards is included in Note(7)(B)(2)(a) to Consolidated Financial Statements.

(3) Includes management insurance (which includes pension, disability insurance and severance pay), payments towards such employee's education fund, Israeli social security and amounts paid for use of a Company car and cellular phone. Each Named Executive Officer also receives gross-up payments for the taxes on these benefits.

(4) On August 1, 2013, the Company appointed Chaim Lebovits, the President of the Company, as its Principal Executive Officer, and to assume the duties and responsibilities of the Chief Executive Officer on an interim basis while the Company searched for a new Chief Executive Officer. A portion of this option representing 83,781 shares of Common Stock may not be exercised until the stockholders of the Company approve a further increase in the number of Common Stock that are reserved for issuance under the Company's 2014 Global Share Option Plan. This portion of the option will be accounted for as granted if and when the approval is obtained.

(10) On November 10, 2015, the Company and Dr. Fiorino agreed that the unvested portion of his stock options as of October 30, 2015 (to purchase 253,333 shares) would be forfeited and that the vested portion of his stock options (to purchase 126,667 shares) will terminate on September 30, 2016.

Certain Relationships and Related Transactions

The Audit Committee of our Board reviews and approves all related-party transactions. A “related-party transaction” is a transaction that meets the minimum threshold for disclosure under the relevant SEC rules (transactions involving amounts exceeding the lesser of \$120,000 or one (1) percent of the average of the smaller reporting company's total assets at year end for the last two fiscal years in which a “related person” or entity has a direct or indirect material interest). “Related persons” include our executive officers, directors, 5% or more beneficial owners of our Common Stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. When a potential related-party transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify it.

The Audit Committee reviews the material facts of any related-party transaction and either approves or disapproves of the entry into the transaction. If advance approval of a related-party transaction is not feasible, then the transaction will be considered and, if the Audit Committee determines it to be appropriate, ratified by the Audit Committee. No director may participate in the approval of a transaction for which he or she is a related party.

- An amount equal to 5% of all net sales of products; and
- An amount equal to 30% of all sublicense receipts.

On March 30, 2006 and on May 23, 2006, we entered into an Amended Research and License Agreement and an Amendment Agreement to the Amended Research and License Agreement, respectively (collectively, the “Amended Research and License Agreement”) with Ramot. Under the Amended Research and License Agreement, the funding of further research relating to the licensed technology in an amount of \$570,000 per year was reduced to \$380,000 per year. Moreover, under the Amended Research and License Agreement, the initial period of time that we agreed to fund the research was extended from an initial period of two (2) years to an initial period of three (3) years. The Amended Research and License Agreement also extended the additional two-year period in the Original Ramot Agreement to an additional three-year period, if certain research milestones were met.

We entered into a Second Amended and Restated Research and License Agreement with Ramot on July 26, 2007, effective July 12, 2004 (the “Second Ramot Agreement”), which amended and replaced the Amended Research and License Agreement. The Second Ramot Agreement imposed on us development and commercialization obligations, milestone and other obligations. The license was granted in consideration for (i) royalty payments ranging from three percent (3%) to five percent (5%) of all net sales and (ii) potential payments concerning sublicenses ranging from twenty percent (20%) to twenty-five percent (25%) of sublicense receipts. In addition, in the event that the research period was extended for an additional three year period in accordance with the terms of the Second Ramot Agreement, then we had to make payments to Ramot for each year of the extended research period in the amount of \$380,000. As of June 30, 2007, we owed Ramot an aggregate amount of \$513,249 in overdue payments and patent fees under the Amended Research and License Agreement.

On August 1, 2007, we obtained a waiver and release from Ramot pursuant to which Ramot agreed to an amended payment schedule regarding our payment obligations under the Second Ramot Agreement and waived all claims against us resulting from our previous breaches, defaults and non-payment under the Amended Research and License Agreement.

After our failure to meet the amended payment schedule and subsequent negotiations, on December 24, 2009, we entered into a Letter Agreement and an amended agreement to the Second Ramot Agreement (collectively, the “Letter Agreement”) with Ramot, pursuant to which, among other things, Ramot agreed to: (i) release us from our obligation to fund three years of additional research (which would have totaled \$1,140,000) and (ii) accept conversion of certain research payments due in the amount of \$272,000 into 74,666 shares of our Common Stock. Pursuant to the Letter Agreement, we agreed, among other things, to: (i) reimburse Ramot for outstanding patent-related expenses; and (ii) abandon our rights in certain joint patent rights and patents of Ramot in certain countries.

As of February 2011, Ramot had sold the 74,666 shares of Common Stock of the Company for \$235,000 and the Company paid the remaining approximately \$5,000 due to Ramot. There is no additional debt to Ramot.

On December 20, 2011, we entered into an Assignment Agreement with our Israeli Subsidiary (the “Assignment Agreement”), with the consent of Ramot. Under the Assignment Agreement, we assigned and transferred all of our rights, interests, titles, liabilities and obligations (the “Rights”) under the Second Ramot Agreement to our Israeli Subsidiary, effective as of January 1, 2007 and our Israeli Subsidiary agreed to assume all such Rights. We agreed to be a guarantor of all obligations of our Israeli Subsidiary under the Second Ramot Agreement and Ramot can look to us to demand compliance with the Second Ramot Agreement.

In May 2012, we, the Israeli Subsidiary and Prof. Offen entered into a Consulting Agreement, effective as of January 1, 2012, which replaced the previous consulting agreement, dated July 31, 2004, pursuant to which all work product resulting from the provision of services will vest solely with the Israeli Subsidiary and if any work product resulting from the provision of services results in the creation or development of intellectual property it will be deemed a joint invention, and will be jointly owned by Ramot and the Israeli Subsidiary.

On April 30, 2014 our Israeli Subsidiary and Ramot entered into Amendment No. 2 to the Second Ramot Agreement, pursuant to which a new research period from April 30, 2014 to October 30, 2014 was created.

On March 1, 2016, our Israeli Subsidiary and Ramot entered into Amendment No. 3 to the Second Ramot Agreement, pursuant to which Ramot agreed to assign to the Israeli Subsidiary, effective February 18, 2016, all of its worldwide right, title and interest in and to the results of the research conducted under the Agreement and performed during the research period from April 30, 2014 to October 30, 2014. This change of status from exclusive licensee of these patents, to owner these patents, did not materially change the ability of the Company to exclude others from practicing the invention claimed therein.

Investment Agreement with ACCBT Corp.

On July 2, 2007, we entered into a Subscription Agreement (the “Subscription Agreement”) with ACCBT, a company under the control of Mr. Chaim Lebovits, our President, pursuant to which we agreed to sell (i) up to 1,833,333 shares of our Common Stock for an aggregate subscription price of up to \$5.0 million (the “Subscription Shares”), and (ii) for no additional consideration, warrants to purchase up to 2,016,666 shares of our Common Stock (the “ACCBT Warrants”). Subject to certain closing conditions, separate closings of the purchase and sale of the shares and the warrants were scheduled to take place from August 30, 2007 through November 15, 2008. The warrants originally had the following exercise prices: (i) warrants for the first 672,222 shares of our Common Stock had an exercise price of \$3.00; (ii) warrants for the next 672,222 shares of our Common Stock had an exercise price of \$4.35; and (iii) warrants for the final 672,223 shares of our Common Stock had an exercise price of \$5.40. Each warrant issued pursuant to the Subscription Agreement was to expire on November 5, 2011.

Pursuant to the terms of the Subscription Agreement, as amended, and a related registration rights agreement, ACCBT has the following rights for so long as ACCBT or its affiliates hold at least 5% of our issued and outstanding share capital:

Board Appointment Right: ACCBT has the right to appoint 50.1% (any fractions to be rounded up to the nearest whole number) of the members of our Board of Directors and any of our committees and the Board of Directors of our subsidiary.

Preemptive Right: ACCBT has the right to receive thirty days’ notice of, and to purchase a pro rata portion (or greater under certain circumstances where offered shares are not purchased by other subscribers) of, securities issued by us, including options and rights to purchase shares. This preemptive right does not include issuances under our equity incentive plans.

Consent Right : ACCBT’s written consent is required for certain corporate actions, including issuance of shares (other than existing warrants and issuances under our incentive plans), amendment of our charter or bylaws,

repurchase of shares, declaration or payment of dividends or distributions, related party transactions, non-ordinary course transactions involving \$25,000 or more, liquidation or dissolution, the creation, acquisition or disposition of a subsidiary or entry into a joint venture or strategic alliance, a material change to our business, merger, change of control, sale of the Company, any acquisition, and any payment of cash compensation over \$60,000 per year.

In addition, ACCBT is entitled to demand and piggyback registration rights, whereby ACCBT may request, upon 15 days' written notice, that we file, or include within a registration statement to be filed, with the Securities and Exchange Commission for ACCBT's resale of the Subscription Shares, as adjusted, and the shares of our Common Stock issuable upon exercise of the ACCBT Warrants.

On August 18, 2009, we entered into an amendment to the Subscription Agreement (the "Amendment"), dated as of July 31, 2009, with ACCBT. Under the terms of the Subscription Agreement, ACCBT was no longer obligated to invest any further amounts in the Company. Pursuant to the Amendment, ACCBT agreed to invest the remaining amount outstanding under the Subscription Agreement up to \$5.0 million in the Company, and, in return, we agreed to amend the Subscription Agreement to, among other things: (i) decrease the purchase price per share of the Subscription Shares that ACCBT previously purchased or will purchase pursuant to the terms of the Subscription Agreement, as amended, from \$2.73 to \$1.80 (the "Repricing"); (ii) adjust the number of shares of Common Stock issuable under the Subscription Agreement in accordance with the Repricing; (iii) extend the expiration date of all warrants; (iv) amend the exercise price of certain of the warrants from \$5.40 to \$4.35; and (v) revise the investment schedule of the purchase and sale of the Subscription Shares. Pursuant to the Amendment, the Repricing retroactively applied to all Subscription Shares purchased by ACCBT prior to the Amendment.

As of the date of this Annual Report on Form 10-K, ACCBT has purchased all of the Subscription Shares.

Warrants to purchase up to 2,016,666 shares of Common Stock were issued to ACCBT, all of which are presently outstanding. The outstanding ACCBT Warrants contain cashless exercise provisions, which permit the cashless exercise of up to 50% of the underlying shares of Common Stock, and 672,222 of such ACCBT Warrants have an exercise price of \$3.00 and the remainder have an exercise price of \$4.35.

On May 25, 2014, the Company entered into a Warrant Amendment Agreement with ACCBT, pursuant to which the expiration date of each ACCBT Warrant was extended until November 5, 2017, in consideration of ACCBT having provided a series of waivers of their rights, including anti-dilution rights. Pursuant to the amendment, the ACCBT documents were amended to reflect the extension of the warrants' expiration date.

We registered 1,920,461 shares of Common Stock and 2,016,666 shares of Common Stock underlying the ACCBT Warrants on registration statement No. 333-201705 dated January 26, 2015 pursuant to ACCBT's registration rights.

Agreement with Abraham Israeli

On April 13, 2010, the Company, Dr. Israeli, then a member of the Board of Directors, and Hadasit entered into an Agreement, which was amended to clarify certain terms on December 31, 2011 (as amended, the "Hadasit Agreement"), pursuant to which Dr. Israeli agreed, during the term of the Hadasit Agreement, to serve as (i) our Clinical Trials Advisor and (ii) a member of our Board of Directors. Any party may terminate the Hadasit Agreement upon 30 days' prior written notice to the other parties. In consideration of the services to be provided by Dr. Israeli to us under the Hadasit Agreement, we agreed to grant options and warrants annually during the term of the Hadasit Agreement for the purchase of our Common Stock, as follows:

an option for the purchase of 11,111 shares of Common Stock at an exercise price equal to \$0.00075 per share to Dr. Israeli; and

warrants for the purchase of 2,222 shares of Common Stock at an exercise price equal to \$0.00075 per share to Hadasit.

Such options vested and became exercisable in twelve (12) consecutive equal monthly amounts.

In December 2013, the Board of Directors agreed to grant to Prof. Israeli additional options in connection with the yearly grant under the Hadasit Agreement.

The Hadasit Agreement was terminated effective April 25, 2014 when Dr. Israeli resigned from the Board of Directors. The Hadasit Agreement provided terms for Prof. Israeli's service as the Company's Clinical Trials Advisor and a member of the Company's Board of Directors, both of which ceased on April 25, 2014. As a result of the termination of the Hadasit Agreement, Prof. Israeli and Hadasit will no longer receive annual grants to purchase shares of Common Stock, and any outstanding and unvested grants made pursuant to the Hadasit Agreement ceased to vest, and the grants were valid until and may be exercised only on or before October 25, 2014. All such grants were exercised.

The Audit Committee has also considered whether Deloitte's provision of non-audit services to the Company is compatible with maintaining Deloitte's independence. Based on such reviews and discussions, among other things, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015.
