PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Village Bank and Trust Financial Corp. (the “Company”) to be used at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on May 22, 2018 at 10:00 a.m. Eastern Daylight Time at Salisbury Country Club, 13620 W. Salisbury Rd., Midlothian, Virginia.

This proxy statement is being furnished to shareholders beginning April 9, 2018. In accordance with U.S. Securities and Exchange Commission (“SEC”) rules, the Company is furnishing this proxy statement over the internet to its shareholders. Most of the Company’s shareholders will not receive printed copies of the proxy statement; instead, most shareholders will receive the Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held May 22, 2018 (the “Notice of Internet Availability”), which contains instructions on how to access the proxy materials over the internet and vote shares. The Notice of Internet Availability was first mailed to shareholders on or about April 9, 2018. By furnishing proxy materials over the internet, the Company is able to reduce the printing and mailing costs of this solicitation and help conserve natural resources. If you receive the Notice of Internet Availability but would still like to receive paper copies of the proxy materials, please follow the instructions on the Notice of Internet Availability. Shareholders may vote over the internet, by telephone or mail.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 22, 2018**

A complete set of proxy materials relating to the Annual Meeting is available on the internet. These materials, including the Notice of Annual Meeting, proxy statement, proxy card and the 2017 Annual Report with Form 10-K may be viewed at

www.envisionreports.com/VBFC

Voting and Revocation of Proxies

All properly executed proxies and all properly completed proxies submitted by telephone or internet pursuant to this solicitation will be voted in accordance with the directions given in the proxy unless the proxy is revoked prior to the completion of voting at the Annual Meeting. Execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Any shareholder who has completed and returned a proxy may revoke it by (1) attending the Annual Meeting and voting in person, (2) by submitting a new proxy bearing a later date, or (3) by submitting written notice of revocation to the Corporate Secretary addressed to Village Bank and Trust Financial Corp., P.O. Box 330, Midlothian, Virginia, 23113. Proxies will extend to, and will be voted at, any adjournments or postponements of the Annual Meeting.

If you hold your shares through a broker or other custodian, then that organization is considered the shareholder of record and the shares are considered held in "street name". The Company provided its proxy materials to the shareholder of record for distribution to you along with voting instructions. As the beneficial owner of the shares, you have the right to direct the shareholder of record how to vote your shares. Check the information forwarded to you by the shareholder of record to see which voting methods are available to you. If your shares are held through a bank or other custodian and you plan to vote in person at the Annual Meeting, you should contact that organization to obtain a legal proxy or broker's proxy card and bring it to the meeting as proof of your authority to vote the shares. If your shares are held through a broker or other shareholder of record and you wish to revoke your proxy or change your vote, you should contact that organization.

Voting Rights

Only shareholders of record of the Company's common stock at the close of business on March 28, 2018, the Record Date, are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. The number of shares outstanding and entitled to vote on the Record Date was 1,431,627. A majority of the votes entitled to be cast by the holders of the common stock, represented in person or by proxy, will constitute a quorum for the transaction of business.

Each shareholder of record of the Company's common stock on the Record Date will be entitled to one vote for each share registered in his or her name with respect to each matter to be voted upon at the Annual Meeting. Shares for which the shareholder has elected to abstain or to withhold the proxies' authority to vote on a matter, and "broker non-votes," will count toward a quorum.

With regard to the election of directors, votes may be cast in favor or withheld. If a quorum is present, the four nominees for Class C director and the one nominee for Class A director who receive the greatest number of affirmative votes cast at the Annual Meeting, in person or by proxy, even if less than a majority, will be elected directors; therefore, votes withheld and broker non-votes will have no effect.

For all other proposals, votes may be cast in favor or against, or shareholders may abstain from voting. Approval of the other proposals require an affirmative vote of a majority of the votes cast on the matter. Although abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum, they generally do not count as votes cast, and therefore will have no effect on such proposals.

Routine and Non-Routine Proposals

If you own shares held in street name, meaning through a broker or other similar organization, and you do not provide the organization that holds the shares with specific voting instructions then, under applicable rules, the organization that holds the shares may generally vote your shares with respect to "routine" matters but cannot vote on "non-routine" matters. If the organization that holds such shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to the shares. This is referred to as a "broker non-vote".

The ratification of the appointment of Yount, Hyde & Barbour, P.C. as the Company's independent registered public accounting firm for the year ending December 31, 2018 is considered a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to occur in connection with Proposal 4. The election of five directors, the advisory (non-binding) vote to approve the Company's executive compensation, and the advisory (non-binding) vote to approve the frequency of the advisory vote on executive compensation are considered non-routine matters under applicable rules. A broker or other nominee cannot vote without instructions on these non-routine matters, and therefore broker non-votes may occur in connection with Proposals 1, 2 and 3.

Costs of Proxy Solicitation

The cost of soliciting proxies will be borne by the Company. Solicitation is being made by the Company's board of directors by mail and electronic notice and access to the internet. In addition to the solicitation of proxies by mail, the Company may also solicit proxies through its directors, officers, and employees. The Company will also request persons, firms, and corporations holding shares in their names or in the name of nominees that are beneficially owned by others to send proxy materials to and obtain proxies from those beneficial owners and will reimburse the holders for their reasonable expenses in doing so.

PROPOSAL ONE – ELECTION OF DIRECTORS

The board of directors currently consists of ten directors that are divided into three classes (A, B and C). The terms of office of four directors of the Company will expire at the Annual Meeting and these directors have been nominated for election to serve as directors in Class C for three-year terms ending in 2021. Devon M. Henry has been nominated for election to serve as a director in Class A for a one-year term ending in 2019. Five other directors will continue serving terms that end in either 2019 or 2020, as indicated below.

The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of common stock cast in the election of directors. If the proxy is executed in such manner as not to withhold authority for the election of any or all of the nominees for directors, then the persons named in the proxy will vote the shares represented by the proxy for the election of the nominees named below. If the proxy indicates that the shareholder wishes to withhold a vote from one or more nominees for director, such instructions will be followed by the persons named in the proxy.

Each nominee has consented to being named in this Proxy Statement and has agreed to serve, if elected. The board of directors has no reason to believe that any of the nominees will be unable or unwilling to serve. If, at the time of the Annual Meeting, any nominee is unable or unwilling to serve as a director, votes will be cast, pursuant to the enclosed proxy, for such substitute nominee as may be nominated by the board of directors. There are no current arrangements between any nominee and any other person pursuant to which a nominee was selected. No family relationships exist among any of the directors or between any of the directors and executive officers of the Company.

The following biographical information discloses each nominee's and incumbent director's age, business experience in the past five years and the year each individual was first elected to the board of directors of the Company or its predecessor and current subsidiary, Village Bank (the "Bank"). In addition, the following information includes the particular experience, qualifications, attributes or skills that led the board of directors to conclude that the person should serve as a director. Unless otherwise specified, each nominee and incumbent director has held his current position for at least five years.

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

General

The business and affairs of the Company are managed under the direction of the board of directors in accordance with the Virginia Stock Corporation Act and the Company's Articles of Incorporation and Bylaws. Members of the board are kept informed of the Company's business through discussions with the President and Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the board of directors and its committees.

Board Leadership

The positions of Chairman of the board of directors and President and Chief Executive Officer of the Company are held by separate persons due to the distinct and time-consuming natures of these roles. The principal role of the President and Chief Executive Officer is to manage the business of the Company in a safe, sound, and profitable manner. The role of the board of directors, including its Chairman, is to provide independent oversight of the President and Chief Executive Officer, to oversee the business and affairs of the Company for the benefit of its shareholders, to balance the interests of the Company's diverse constituencies including shareholders, customers, employees, bank regulators, communities, and to identify business opportunities for the Bank and mortgage company.

Each board member of the Company also serves as a director of the Bank. Our directors are also actively involved in our strategic planning process and the management of our nonperforming assets.

Independence of the Directors

The board of directors has determined that the following eight individuals of its ten current members are independent as defined by applicable SEC rules and the listing standards of the NASDAQ Stock Market (“NASDAQ”): Raymond T. Avery, III, Craig D. Bell, Devon M. Henry, Frank E. Jenkins, Jr., Michael A. Katzen, Michael L. Toalson, Charles E. Walton and George R. Whittemore. In reaching this conclusion, the board of directors considered that the Company and its subsidiary conduct business with companies of which certain members of the board of directors or members of their immediate families are or were directors or officers.

There were no other relationships between the Company and its directors except as disclosed below under “Certain Relationships and Related Transactions”.

Board and Committee Meeting Attendance

In 2017, there were 13 meetings of the Company's board of directors and 13 meetings of the Bank's board of directors. Each director attended greater than 75% of the aggregate number of meetings of the board of directors and meetings of committees of which the director was a member in 2017.

Executive Sessions

The board of directors generally holds executive sessions of non-employee directors at each board meeting. At least one executive session is held for the purpose of evaluating the President and Chief Executive Officer. Any independent director can request that an executive session be scheduled.

Board's Role in Risk Oversight

The board of directors oversees risk management to be reasonably certain that the Company's risk management policies, procedures, and practices are consistent with corporate strategy and functioning appropriately.

The board of directors performs its risk oversight in several ways. The board of directors establishes standards for risk management by approving policies that address and mitigate the Company's most material risks. These include policies addressing credit risk, interest rate risk, capital risk, and liquidity risk, as well as Bank Secrecy Act/Anti-Money-Laundering compliance. The board of directors also monitors, reviews, and reacts to risk through various reports presented by management, internal and external auditors, and regulatory examiners.

The board of directors conducts certain risk oversight activities through its committees with direct oversight over specific functional areas. The risk oversight activities of the Audit, Compensation, Executive, Nominating and Corporate Governance Committees are described in the "Committees of the Board" section of this Proxy Statement, below; in the "Executive Compensation" section, beginning on page 18 and in the "Audit Information" section, beginning on page 23.

The board of directors is empowered to create additional standing and ad hoc committees to facilitate regular monitoring and deeper analysis of matters that may arise from time to time. The board of directors also meets

regularly in an outside directors' session to discuss a variety of topics, including risk, without members of management present.

In the foregoing ways, the full board of directors is able to monitor the Company's risk profile and risk management activities on an ongoing basis.

Committees of the Board

The Company has an Audit Committee, Compensation Committee, Executive Committee, and Nominating and Corporate Governance Committee.

Audit Committee

The Company's Audit Committee assists the board of directors in fulfilling its oversight responsibility to the shareholders relating to the integrity of the Company's financial statements, compliance with legal and regulatory requirements and the qualifications, independence and the performance of the internal audit function. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the Company. The board of directors has adopted a written charter for the Audit Committee. A copy of the charter is available at our website at www.villagebank.com under "Corporate Information-Governance Documents".

The members of the Audit Committee are Messrs. Whittemore (Chair), Avery, Jenkins, Katzen and Walton. The board of directors, in its business judgment, has determined that such directors are independent as defined by NASDAQ's listing standards and SEC regulations. The board of directors also has determined that all of the members of the Audit Committee have sufficient knowledge in financial and auditing matters to serve on the Audit Committee and that Messrs. Jenkins, Walton and Whittemore qualify as audit committee financial experts as defined by SEC regulations.

The Audit Committee met four times in 2017. For additional information regarding the Audit Committee, see "Audit Information – Audit Committee Report" later in this Proxy Statement.

Compensation Committee

The Company's Compensation Committee assists the board of directors in fulfilling their responsibility to the shareholders to ensure that the Company's officers, key executives, and board members are compensated in accordance with the Company's total compensation objectives and executive compensation policy. The Compensation Committee advises and recommends for approval compensation policies, strategies, and pay levels necessary to support organizational objectives. The board of directors has adopted a written charter for the Compensation Committee. A copy of the charter is also available at our website at www.villagebank.com under "Corporation Information-Governance Documents".

The members of the Compensation Committee are Messrs. Katzen (Chair), Bell and Walton, all of whom the board in its business judgment has determined are independent as defined by NASDAQ's listing standards and SEC regulations.

The Compensation Committee met four times in 2017. For additional information regarding the Compensation Committee, see "Compensation Discussion and Analysis" later in this Proxy Statement.

Executive Committee

When the board of directors is not in session, the Executive Committee is authorized to exercise all of the board of director's power except for certain responsibilities of the board of directors, such as approval of an amendment of the articles of incorporation, a plan of merger or consolidation or the issuance of stock.

The members of the Executive Committee are Messrs. Bell (Chair), Lehman, Whittemore and Foster. The Executive Committee met eleven times in 2017.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for selecting and recommending to the board of directors with respect to (i) nominees for election at the Annual Meeting of Shareholders, and (ii) nominees to fill board vacancies. The board of directors has adopted a written charter for the Nominating and Corporate Governance Committee, a copy of which is available at our website at www.villagebank.com under “Corporate Information-Governance Documents”.

The members of the Nominating and Corporate Governance Committee are Messrs. Katzen (Chair), Bell, Toalson and Walton, all of whom the board of directors in its business judgment has determined are independent as defined by NASDAQ’s listing standards and SEC regulations.

The Nominating and Corporate Governance Committee met one time in 2017.

Director Nomination Process

In identifying potential nominees, the Nominating and Corporate Governance Committee takes into account such factors as it deems appropriate, including the current composition of the board of directors, the range of talents, experiences and skills that would best complement those that are already represented on the board of directors, the balance of management and independent directors and the need for specialized expertise. The Nominating and Corporate Governance Committee considers candidates for board membership suggested by its members and by management, and the independent directors will also consider candidates suggested informally by a shareholder of the Company.

In the consideration of director nominees, including any nominee that a shareholder may submit, the Nominating and Corporate Governance Committee considers, at a minimum, the following factors for new directors, or the continued service of existing directors:

- The ability of the prospective nominee to represent the interests of the shareholders of the Company;
- The prospective nominee's standards of integrity, commitment and independence of thought and judgment;
- The prospective nominee's ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties, including the prospective nominee's service on other public company boards;
- The extent to which the prospective nominee contributes to the range of talent, skill and expertise appropriate for the board of directors; and
- The prospective nominee's involvement within the communities the Company serves.

Shareholders entitled to vote for the election of directors may recommend candidates for the Nominating and Corporate Governance Committee to consider formally in connection with an annual meeting as long as the recommendation is made on or before the last date on which a shareholder may nominate an individual for election to the board of directors under the Company's Bylaws.

Under the process used by the Company for selecting new board candidates, the Nominating and Corporate Governance Committee identifies the need to add a new board member with specific qualifications or to fill a vacancy on the board. The Committee will initiate a search, working with staff support and seeking input from board members and executive management, hiring a search firm, if necessary, and considering any candidates recommended by shareholders. An initial slate of candidates that will satisfy criteria and otherwise qualify for membership on the board may be presented to the board of directors. A determination is made as to whether board members have relationships with preferred candidates and can initiate contacts. The Nominating and Corporate Governance Committee interviews prospective candidates. The board of directors meets to conduct further interviews of prospective candidates, if necessary or appropriate, and to consider and recommend final candidates for approval.

Director Compensation

Members of the board of directors of the Company do not receive fees for their service as directors. However, all of the directors of the Company also serve as directors of the Bank. In 2017, the Chairman of the board of directors of the Bank received a \$17,000 retainer payable semi-annually in increments of \$8,500. Each other non-employee member of the board of directors of the Bank, other than Mr. Jenkins, received a \$15,000 retainer payable semi-annually in increments of \$7,500. Mr. Jenkins received a \$7,500 retainer because he joined the board on July 1, 2017. Directors do not receive attendance fees for board or committee meetings.

Board members who are also officers of the Company or the Bank receive compensation only for their executive roles. They do not receive additional compensation for board service or attending committee meetings.

In 2005, the Bank adopted the Outside Directors Deferral Plan under which non-employee directors of the Bank have the opportunity to defer receipt of all or a portion of their compensation until retirement or departure from the board of directors. Any amounts deferred under this plan are maintained in an account for the benefit of the director and are credited annually with interest on the cash portion of the deferred amount at a market rate established at the beginning of each plan year (4.99% for 2017).

The following table provides information concerning the compensation of all non-employee directors for the year ended December 31, 2017:

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This section of the proxy statement provides an overview and explanation of the material information relevant to understanding the objectives, policies, and the philosophy underlying the Company's compensation programs for its executives, focusing on the named executive officers (also referred to as NEOs). The NEOs for 2017 were as follows:

- William G. Foster, President and Chief Executive Officer of the Company
- James E. Hendricks, Jr., Executive Vice President, Chief Operating Officer and Chief Risk Officer of the Bank
- C. Harril Whitehurst, Jr., Executive Vice President and Chief Financial Officer of the Company

This section of the Proxy Statement is intended to inform shareholders about certain incentive compensation plans as well as components of compensation paid to the NEOs. Following the Compensation Discussion and Analysis, the Company provides additional information relating to executive compensation in a series of tables, including important explanatory footnotes and narrative. The Summary Compensation Table is incorporated by reference into this Compensation Discussion and Analysis.

At the 2017 annual meeting of the Company's shareholders, the shareholders voted to approve, on an advisory basis, the compensation of the Company's NEOs, as described in the Compensation Discussion and Analysis, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure, set forth in the Company's 2017 proxy statement. Excluding abstentions and broker non-votes, the vote was 948,546 shares "For" (97.40% of the shares voted) and 25,298 shares "Against" (2.60% of the shares voted).

The Compensation Committee took into account the result of the shareholder vote in determining executive compensation policies and decisions since the 2017 annual meeting. The Compensation Committee viewed the vote as an expression of the shareholders' overall satisfaction with the Company's current executive compensation programs. While the Compensation Committee considered this shareholder satisfaction in determining to continue the Company's executive compensation programs for 2017, decisions regarding incremental changes in individual compensation were made in consideration of the factors described below.

Compensation Policy and Objectives

The Compensation Committee's compensation philosophy with respect to its executive officers is one of pay for performance. Accordingly, an executive officer's annual compensation consists of a base salary, an annual monetary bonus and stock-based compensation. The annual monetary bonus is utilized to reward our executives for achieving short-term financial and productivity goals, and stock-based compensation is utilized for achieving long-term financial and productivity goals. The Compensation Committee evaluates all compensation plans to ensure that they do not encourage unnecessary or excessive risk.

The Compensation Committee's primary objective is to provide competitive levels of compensation to attract, retain and reward outstanding executive officers. In a highly competitive community banking marketplace, excellent leadership is essential. Our executive officers are expected to manage the business of the Company in a manner that promotes its growth and profitability for the benefit of our shareholders. To that end, we believe that:

- Our key executives should have compensation opportunities at levels that are competitive with peer institutions;

Total compensation should include significant “at risk” components that are linked to annual and longer term performance results; and
Stock-based compensation should form a key component of total compensation as a means of linking executive management to the long-term performance of the Company and aligning their interests with those of shareholders.

Compensation Consultants

The Compensation Committee has engaged Lockton Companies, LLC as an independent executive compensation advisor. The compensation advisor advises the Compensation Committee on matters relating to compensation benchmarking, staying current with regulatory and legal issues related to executive compensation, and designing appropriate compensation programs. As part of its consultation with the Compensation Committee, the compensation advisor provides the Committee with peer group comparisons. The Compensation Committee has direct access to the consultant and control over its engagement. The Compensation Committee has determined that the work of the compensation advisor and its employees as compensation consultants to the Company has not created any conflict of interest.

Base Salary

The Company believes that a competitive salary for executive management is essential. Furthermore, flexibility to adapt to the particular skills of an individual or the specific needs of the Company is required. Proposed salary adjustments for executive management are presented to the Compensation Committee by the Chief Executive Officer, typically during the second quarter. The Compensation Committee reviews the recommendations, makes any further adjustments and generally approves the recommendations with input from the Compensation Committee's external compensation advisor. Recommendations regarding adjustments to Mr. Foster's salary are reviewed and, if appropriate, approved by the board of directors.

On June 20, 2017, the board of directors met and approved base salary increases for the NEOs. As a result, the following NEO base salary increases took effect July 3, 2017:

| Name | Base Salary | From 2016 | |
|---------------------------|-------------|-----------|---|
| William G. Foster | \$ 300,000 | 9.1 | % |
| James E. Hendricks, Jr. | \$ 215,000 | 10.3 | % |
| C. Harril Whitehurst, Jr. | \$ 190,000 | 2.2 | % |

Short-Term Incentive Compensation

In late 2015 and again in 2016, the board of directors approved a short-term incentive plan to reward executives for creating value for the Company by achieving Corporate and Individual performance goals during 2016 and 2017, respectively. The Compensation Committee was given the responsibility to administer and enforce the plan. Under the plan for both years, the CEO had an incentive target of 25% of base salary and the other NEOs had an incentive target of 15% of their base salary if certain Company performance goals were attained, adjusted for the NEO's individual performance results against the plan. Actual awards would be adjusted upward or downward based on actual performance results versus goal and individual performance relative to goal. The Company performance goals were not met in 2016 and no awards were made under the plan. The Company performance goals were partially met in 2017 and awards will be paid in early 2018.

Long-Term Incentive Plan***2015 Long-Term Incentive Plan***

On June 30, 2015, the board approved a Long Term Incentive Plan under which executives and directors were awarded time-vested restricted stock grants and performance based restricted stock units. The time-vested restricted stock awards vest annually with 10% vesting on December 31, 2015 and 30% vesting on each of December 31, 2016, 2017 and 2018. The performance based restricted stock units can be earned based on performance versus goals for 2015-2018. Goals were established in the following categories and carry the following weighting:

- 25 % Consolidated Net Income before Taxes less Preferred Stock Dividends
- 25 % Consolidated Gross Loan Balances (excluding loans held for sale)
- 25 % Bank Adversely Classified Items Ratio
- 25 % Consolidated Efficiency Ratio
- 100%

In granting stock awards in 2015, the Compensation Committee asked its external compensation advisor to provide a recommendation regarding stock awards for executive management. The Compensation Committee's advisor recommended stock awards for each executive based on the Company's executive compensation philosophy statement. As a result of this evaluation, the Compensation Committee and board approved a combination of time-vested restricted stock grants and performance-based restricted stock grants to reward and retain the named executives and other key officers of the Company and Bank. The stock-based compensation for the named executives includes the full value of the time-vested restricted stock grants as of the date of grant.

Supplemental Executive Retirement Plan

We believe that retirement compensation plays an important role in retaining key executives, as well as helping them provide for retirement. The Compensation Committee engaged an independent compensation advisor to analyze the total retirement benefits provided by the Company and/or the Bank and Social Security to employees with various levels of compensation and years of service so that the Compensation Committee could determine the projected replacement ratio of income at retirement compared with active employment. Because of limits under our qualified retirement plan on the amount of deferrals that our executives can make, several of our executives can expect to have a lower retirement replacement ratio than we have targeted for all employees. Consequently, as a matter of “pension equity”, we have adopted a supplemental plan which should provide a benefit for designated executives that will help approach the targeted retirement replacement ratio.

The Company provides a potential supplemental retirement plan benefit of \$50,000 annually for 20 years to Mr. Foster and a potential benefit of \$25,000 annually for 15 years to each of Messrs. Whitehurst and Hendricks. The benefits vest ratably each year over a 10-year period. Under the plan’s vesting schedule, Mr. Foster is in his sixth year of service, Mr. Hendricks is in his fifth year of service and Mr. Whitehurst has completed his 10-year vesting requirement and is fully vested in his benefit. In the event of a pre-retirement death, vesting is accelerated and the executive’s named beneficiary receives the benefit under the applicable payout schedule. In the event of a post-retirement death, the executive’s named beneficiary receives any remaining benefit payments under the applicable payout schedule. In the event of a change of control of the Company, vesting is accelerated and the benefit is paid under the applicable payout schedule.

Employment and Change-in-Control Agreements with Named Executive Officers

Securing the continued service of key executives is essential to the successful future of the Company. Employment agreements and management continuity agreements (which help retain key executives during a possible change of control situation) assist the Company by providing security to key executives.

The Company has an employment agreement with Mr. Foster and Mr. Whitehurst and the Bank has an employment agreement with Mr. Hendricks.

Mr. Foster’s employment agreement was entered into on October 1, 2017, and the initial term of the agreement will expire on September 30, 2020. Mr. Foster will be entitled to cash bonuses and stock-based awards in such amounts as may be determined by the Company's or the Bank's board of directors in accordance with the terms and conditions of the applicable incentive plans in effect for senior executives of the Company and the Bank. Mr. Foster is also entitled to participate in the Village Bank Supplemental Executive Retirement Plan with a potential annual benefit of \$50,000.00 for 20 years. Pursuant to his agreement, if Mr. Foster is terminated without "Cause" (as defined in his agreement) or resigns for "Good Reason" (as defined in his agreement), he will be paid two times the sum of (i) his annual base salary as of the date of termination, plus (ii) a bonus equal to 30% of such base salary. If, within 24 months following a Change of Control of the Bank, he is terminated by the Bank without Cause, he terminates his employment for Good Reason (as defined in his agreement) or the Bank fails to renew his agreement, he will be paid a lump sum cash payment equal to two and ninety-nine one hundredths (2.99) times the sum of (i) his annual base salary as of the date of termination, plus (ii) a bonus equal to 30% of such base salary.

Mr. Hendricks's employment agreement was entered into on April 5, 2016 and the initial term of the agreement will expire on March 31, 2019. Pursuant to the agreement, Mr. Hendricks serves as an Executive Vice President of the Bank and is entitled receive an annual base salary of not less than \$180,000. His current base salary is \$215,000. The Bank's board of directors will review his base salary at least annually and may make adjustments in its discretion. Mr. Hendricks will be entitled to cash bonuses and stock-based awards in such amounts as may be determined by the Company's or the Bank's board of directors in accordance with the terms and conditions of the applicable incentive plans in effect for senior executives of the Company and the Bank. Mr. Hendricks is also entitled to participate in the Village Bank Supplemental Executive Retirement Plan with a potential annual benefit of \$25,000 for 15 years. Pursuant to his agreement, if Mr. Hendricks is terminated without "Cause" (as defined in his agreement) or resigns for "Good Reason" (as defined in his agreement), he will be paid for 12 months following his termination the sum of (i) his annual base salary as of the date of termination plus (ii) the highest annual bonus paid or payable for the two most recently completed years. If, within 24 months following a Change of Control of the Bank, he is terminated by the Bank without Cause, he terminates his employment for Good Reason (as defined in his agreement) or the Bank fails to renew his agreement, he will be paid a lump sum cash payment equal to two times the sum of (i) his annual base salary as of the date of termination plus (ii) the highest annual bonus paid or payable for the two most recently completed years.

Mr. Whitehurst's employment agreement was entered into on January 6, 2017, and the initial term of the agreement will expire on January 6, 2019. The agreement may be extended contingent upon board or compensation committee approval. If the agreement is not extended in writing before the end of its term, or expressly terminated, it will automatically terminate at the end of its term. Pursuant to the agreement, Mr. Whitehurst serves as an Executive Vice President of the Bank and is entitled receive an annual base salary of not less than \$186,000. The Bank's board of directors will review his base salary at least annually and may make adjustments in its discretion. Mr. Whitehurst will be entitled to cash bonuses and stock-based awards in such amounts as may be determined by the Company's or the Bank's board of directors in accordance with the terms and conditions of the applicable incentive plans in effect for senior executives of the Company and the Bank. Mr. Whitehurst is also entitled to participate in the Village Bank Supplemental Executive Retirement Plan with a potential annual benefit of \$25,000 for 15 years. Pursuant to his agreement, if Mr. Whitehurst is terminated without "Cause" (as defined in his agreement) or resigns for "Good Reason" (as defined in his agreement), he will be paid for 12 months following his termination the sum of (i) his annual base salary as of the date of termination plus (ii) the highest annual bonus paid or payable for the two most recently completed years. If, within 24 months following a Change of Control, he is terminated by the Company without Cause, he terminates his employment for Good Reason (as defined in his agreement) or the Company fails to renew his agreement, he will be paid a lump sum cash payment equal to the sum of his annual base salary as of the date of termination plus the highest annual bonus paid or payable for the two most recently completed years.

Other Benefits and Agreements

All NEOs are eligible to participate in the health and welfare benefit programs available to all of the Company's employees. These programs include medical, dental, and vision coverages, short and long-term disability plans, and

life insurance.

In addition, the Company has a 401(k) profit sharing plan. The NEOs participate in this plan and are fully vested in their own contributions. The Company's discretionary matching contributions vest pro-ratably. The Company's discretionary matching contributions cliff vest 100% at two years.

The Company and certain members of the board of directors and NEOs are parties to split dollar life insurance agreements or bank owned life insurance ("BOLI") agreements. Generally, under each split dollar or BOLI agreement, the Company has applied to a reputable insurance company for an insurance policy on the executive's life. The insured executive is requested to designate his beneficiary upon death. A death benefit will be paid to the executive's designated beneficiary, or to his estate, as may be applicable, under the provisions of the applicable agreement, and a death benefit will also be paid to the Company. Certain Relationships and Related Transactions

Some of the directors and officers of the Company are customers of the Company and the Bank, and the Company and the Bank have had banking transactions in the ordinary course of business with directors, officers, and their associates, on substantially the same terms, including interest rates, collateral and repayment terms on loans, as those prevailing at the same time for comparable transactions with persons not related to the Company. All outstanding loans to such officers and directors and their associates are current as to principal and interest and do not involve more than the normal risk of collectability or present other unfavorable features. None of such outstanding loans are classified as non-accrual, past due, restructured or potential problems. As of December 31, 2017, all loans to directors, executive officers and their affiliates totaled approximately \$8,957,000.

From time to time, the Company employs the law firm of McGuireWoods, LLP as legal counsel. Craig D. Bell, the chair of the board of directors of each of the Company and the Bank, is a partner with McGuireWoods, LLP. The Company paid McGuireWoods, LLP approximately \$119,863 in legal fees in 2017.

There are no legal proceedings to which any director, officer or associate is a party that would be material and adverse to the Company.

PROPOSAL TWO - ADVISORY (NON-BINDING) VOTE TO APPROVE EXECUTIVE COMPENSATION

As part of implementing the “say on pay” requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act, pursuant to applicable rules, the SEC requires a separate and non-binding shareholder vote to approve the compensation of the named executive officers in this Proxy Statement. This proposal, commonly known as a “say on pay” proposal, gives shareholders the opportunity to endorse or not endorse a company’s executive pay program. Accordingly, shareholders of the Company are being asked to approve the following resolution:

“RESOLVED, that the shareholders of Village Bank and Trust Financial Corp. approve the compensation of executive officers as disclosed in this Proxy Statement pursuant to the rules of the Securities and Exchange Commission.”

As stated above, this is an advisory vote only. Approval of the proposed resolution requires the affirmative vote of a majority of the shares present at the Annual Meeting and entitled to vote.

The board of directors believes that the Company’s compensation policies and procedures are strongly aligned with the long-term interests of its shareholders. Because your vote is advisory, it will not be binding upon the board of directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE APPROVAL OF THE ADVISORY (NON-BINDING) VOTE TO APPROVE EXECUTIVE COMPENSATION

**PROPOSAL THREE – ADVISORY (NON-BINDING) VOTE TO APPROVE
THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In addition to providing shareholders with the opportunity to cast an advisory vote on executive compensation, the Company this year is providing shareholders with an advisory vote on whether the advisory vote on executive compensation should be held every one, two or three years.

The board of directors believes that a frequency of “every one year” for the advisory vote on executive compensation is the optimal interval for conducting and responding to such advisory vote. An annual advisory vote on executive compensation ensures that the board and Compensation Committee are able to consider the views of shareholders when making annual compensation decisions. This increases accountability to shareholders. Shareholders who have concerns about executive compensation during the interval between the advisory votes on executive compensation are welcome to bring their specific concerns to the attention of the board by writing to William G. Foster, President and Chief Executive Officer, at P.O. Box 330, 13319 Midlothian Turnpike, Midlothian, Virginia 23113.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the Board’s recommendation.

Although this advisory vote on the frequency of the advisory vote on executive compensation is non-binding, the board and the Compensation Committee will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR
THE OPTION OF “EVERY ONE YEAR” FOR FUTURE ADVISORY VOTES ON EXECUTIVE
COMPENSATION**

**PROPOSAL FOUR - RATIFICATION OF THE APPOINTMENT OF
THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The board of directors has appointed the firm of Yount, Hyde & Barbour, P.C. as the independent registered public accounting firm to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2018. BDO USA, LLP audited the financial statements of the Company for the year ended December 31, 2017.

The selection of Yount, Hyde & Barbour, P.C. as the Company's independent auditors is not required to be submitted to a vote of the shareholders for ratification. The Company is doing so because it believes that it is a matter of good corporate practice. If the shareholders fail to vote on an advisory basis in favor of the selection of Yount, Hyde & Barbour, P.C., the board of directors will reconsider whether to retain Yount, Hyde & Barbour, P.C., and may retain that firm or another firm without re-submitting the matter to the shareholders. Even if the shareholders ratify the appointment, the board of directors may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that a change would be in the Company's best interests.

A majority of the votes cast at the meeting by holders of the common stock is required for the ratification of the appointment of the independent registered public accounting firm.

Representatives of BDO USA, LLP and Yount, Hyde & Barbour, P.C. are expected to be present at the Annual Meeting, and will have an opportunity to make a statement, if they desire to do so, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF YOUNT, HYDE & BARBOUR, P.C. AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018
