## **Forward-Looking Statements**

*Any statements that are not historical fact (including, but not limited to statements that contain words such as “may,” “will,” “believes,” “plans,” “intends,” “anticipates,” “expects,” “estimates”) should also be considered to be forward-looking statements. Additional factors that could cause actual results to differ materially from the results anticipated in these forward-looking statements are contained in BioTime’s periodic reports filed with the SEC under the heading “Risk Factors” and other filings that BioTime may make with the Securities and Exchange Commission. Undue reliance should not be placed on these forward-looking statements which speak only as of the date they are made, and the facts and assumptions underlying these statements may change. Except as required by law, BioTime disclaims any intent or obligation to update these forward-looking statements.*

## **Section 5 - Corporate Governance and Management**

### **Item 5.02 - Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On June 10, 2013, our Board of Directors expanded the size of our Board of Directors by increasing the authorized number of directors to nine, and elected Henry L. Nordhoff as a director to fill the vacancy that was created by the increase in the authorized number of directors.

Henry L. Nordhoff, 71, retired as Chairman of the Board of Gen-Probe Incorporated, a clinical diagnostic and blood screening company, at the end of 2011, after serving as its Chairman since September 2002. Mr. Nordhoff also served as Chief Executive Officer and President of Gen-Probe from July 1994 until May 2009. Prior to joining Gen-Probe, he was President and Chief Executive Officer of TargeTech, Inc., a gene therapy and antisense company that was merged into Immune Response Corporation. Mr. Nordhoff earlier served in senior positions at Pfizer, Inc. in Brussels, Seoul, Tokyo and New York. Mr. Nordhoff is a director of MannKind Corporation, a biopharmaceutical company, and served as a director of Gen-Probe until 2011. He received a B.A. in International Relations and Political Economy from Johns Hopkins University and an M.B.A. from Columbia University.

The Board believes that Mr. Nordhoff’s experience as a director and executive officer of pharmaceutical and biotech companies provide our Board with valuable operational expertise and leadership skills.

**Compensation**

As a non-employee director of BioTime, Mr. Nordhoff will receive an annual fee of \$15,000 in cash, plus \$1,000 for each regular or special meeting of the Board of Directors he attends, and options to purchase 20,000 common shares under our 2012 Equity Incentive Plan. The annual fee of cash will be paid, and the stock options granted will vest and become exercisable, in four equal quarterly installments, provided that Mr. Nordhoff remains a director on the last day of the applicable quarter. The options will expire if not exercised five years from the date of grant. The exercise price of the options granted to Mr. Nordhoff is \$4.16 per share.
