NARRATIVE

Akorn, Inc. (the “Company”) is unable to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the “2015 Form 10-K”) within the prescribed time period without unreasonable effort or expense because of the ongoing nature of the Company’s previously disclosed restatement of previously issued consolidated financial statements for the year ended December 31, 2014, and the previously issued unaudited condensed consolidated financial statements contained in the Company’s Quarterly Reports on Form 10-Q/A for the quarters ended June 30, 2014 and September 30, 2014 (the “restatement process”).

Accordingly, the Company was unable to complete the 2015 Form 10-K by the prescribed February 29, 2016 due date without unreasonable effort and expense, and will be unable to file the 2015 Form 10-K within the fifteen day extension as provided by Rule 12b-25(b).

The Company is committed to resolving the issues that gave rise to the restatement process and filing all required financial and other information with the Securities and Exchange Commission (the “SEC”).

OTHER INFORMATION

Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that (2) the registrant was required to file such report(s) been filed? If answer is no, identify report.

Yes No

The company has not filed its Quarterly Reports on Form 10-Q for the periods ended March 31, 2015, June 30, 2015 and September 30, 2015.

Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal (3) year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As noted above in Part III, the Company is currently obtaining and compiling financial data necessary to complete the restatement process, which is ongoing.

This Form 12b-25 includes statements that may constitute "forward looking statements", including projections of the expected timing of filings, the timing and successful implementation of remediation efforts, the expected impact of the restatement on our financial results, and other statements regarding Akorn's regulatory approvals, goals and strategy. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Because such statements inherently involve risks and uncertainties, actual future results may differ materially from those expressed or implied by such forward-looking statements. You can identify these statements by the fact that they do not relate strictly to historical or current facts. Factors that could cause or contribute to such differences include, but are not limited to: the difficulty of predicting the timing of the completion of our restatement process, its impact on our financial results, and the timing of the related filings, and changes in the laws and regulations and such other risks and uncertainties outlined in Akorn's periodic public filings with the SEC and in other written or oral investor communications. Other factors besides those listed there could also adversely affect our results. Except as expressly required by law, Akorn disclaims any intent or obligation to update these forward-looking statements.
