**ITEM 5. OTHER MATTERS.**

On October 16, 2003, the Registrant announced that it is initiating a process to divest its narrowband wireless communications business. Located in San Diego, CA, the Registrant's wireless communications business is focused on products developed with the Registrant's Bluetooth and CableFree USB technologies. The Registrant is currently considering several divestiture options, including the sale of the business and/or of the related wireless technology and products.

The Registrant's management will be prepared to discuss the divestiture at its Q3 2003 conference call. When the date and time of the call are determined, the Registrant will post that information on its website at [www.microtune.com](http://www.microtune.com).

A copy of the Registrant's press release is attached to this Report as Exhibit 99.1.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
