PROXY STATEMENT

Annual Meeting of Stockholders: April 27, 2004

Approximate Mailing Date: March 24, 2004

SOLICITATION OF PROXY

General

THE ENCLOSED PROXY IS SOLICITED BY AND ON BEHALF OF THE BOARD OF DIRECTORS OF LAKELAND BANCORP, INC. (hereinafter called "Lakeland" or the "Company") for use in connection with the Annual Meeting of Stockholders to be held at Perona Farms, 350 Andover Sparta Road, Andover, New Jersey 07821 on Tuesday, April 27, 2004 at 5:00 p.m., and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the enclosed notice of such meeting and are more fully discussed below.

Only stockholders of record at the close of business on March 18, 2004, the record date fixed by the Board of Directors, will be entitled to notice of, and to vote at, the Annual Meeting. If the enclosed Proxy is properly executed and returned to Lakeland and not revoked before its exercise, all shares represented thereby will be voted as specified in the form of Proxy. If the Proxy is signed but no specification is given, the shares will be voted in favor of the Board's nominees for election to the Board. The Proxy will enable you to assure that your shares are voted and to aid in securing a quorum at the meeting.

In order to reduce the number of annual reports being sent to one address, only one annual report is being delivered to multiple security holders sharing an address unless Lakeland has received contrary instructions from one or more of the security holders. This is called "householding". Lakeland will deliver a separate copy of the annual report to any security holder who requests a copy in writing or by telephone. If you wish to receive a separate copy of the 2003 annual report, or if you wish to receive a separate copy of future annual reports, please contact Mr. Harry Cooper at Lakeland Bancorp, Inc., 250 Oak Ridge Road, Oak Ridge, New Jersey 07438 (toll-free telephone 866-284-1291). If you are currently receiving multiple copies of the annual report at the same address, and wish to have one annual report sent to multiple security holders sharing that address in the future, please contact Mr. Harry Cooper at the above address and telephone number.

The entire cost of this solicitation will be borne by Lakeland. Officers and regular employees of Lakeland may also, but without additional compensation, solicit proxies by further mailings, personal conversations, telephone, telegraph, facsimile or e-mail. Lakeland will make arrangements with brokerage houses, custodians, nominees and fiduciaries for the forwarding of proxy solicitation materials to beneficial owners of shares held of record by these brokerage houses, custodians, nominees and fiduciaries and Lakeland will reimburse these brokerage houses, custodians, nominees and fiduciaries for their reasonable expenses incurred in connection with the solicitation.

All share information, including stock option information, contained in this proxy statement has been adjusted to reflect Lakeland's 5% stock dividends.

Voting your Shares

Lakeland shareholders will have four alternative ways to vote:

by traditional paper proxy card;

by telephone;

via the Internet; or

in person at the Annual Meeting.

Please take a moment to read the instructions, choose the way to vote that you find most convenient and cast your vote as soon as possible.

Voting by Proxy Card. If proxy cards in the accompanying form are properly executed and returned, the shares represented thereby will be voted in the manner specified therein. If you vote by proxy card but make no specification on your proxy card that you have otherwise properly executed, your shares will be voted FOR the election of the Board's nominees for director.

Voting by Telephone. If you wish to vote by telephone and you are a shareholder of record of Lakeland, use a touch-tone telephone to call toll-free 1-800-PROXIES and follow the instructions. If you vote by telephone, you must have your control number and the proxy card available when you call.

Voting by the Internet. If you wish to vote through the Internet and you are a shareholder of record of Lakeland, you can access the web page at www.voteproxy.com and follow the on-screen instructions. If you vote through the Internet, you must have your control number and the proxy card available when you access the web page.

If your shares are registered in the name of a broker or other nominee, your nominee may be participating in a program provided through ADP Investor Communication Services that allows you to vote by telephone or the Internet. If so, the voting form your nominee sent you will provide telephone and Internet voting instructions.

The deadline for voting by telephone or through the Internet as a shareholder of record of Lakeland is 11:59 p.m., EST, on April 26, 2004. For shareholders whose shares are registered in the name of a broker or other nominee, please consult the voting instructions provided by your broker for information about the deadline for voting by phone or through the Internet.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Changing your Vote

You will be able to change your vote as many times as you wish and the last vote received chronologically by any means will supersede your prior vote(s). Please note, however, that if you vote by the Internet, the maximum number of times that you can access the website using any one control number is limited to five times per day.

Any Lakeland shareholder may revoke a proxy at any time before or at the Annual Meeting in one or more of the following ways:

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

Delivering a written notice of revocation, bearing a later date than the proxy, at any time prior to the vote at the Annual Meeting to Arthur L. Zande, Corporate Secretary of Lakeland; or

Submitting a later-dated proxy card; or

Submitting a new proxy via telephone or the Internet.

A Lakeland shareholder should send any written notice of revocation or subsequent proxy card to Lakeland Bancorp, Inc., Attention: Arthur L. Zande, Corporate Secretary, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438, or hand deliver the notice of revocation or subsequent proxy card to Mr. Zande before the taking of the vote at the Annual Meeting. Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

CAPITAL STOCK OUTSTANDING

At the close of business on March 18, 2004, there were 15,962,592 shares of Lakeland's common stock, no par value (the "Common Stock"), outstanding and entitled to vote at the Annual Meeting. Each share will be entitled to one vote on all matters properly coming before the meeting. Provided that a quorum is present, directors will be elected by a plurality vote (there is no right to vote stock cumulatively). A majority of the shares of Common Stock outstanding on the record date will constitute a quorum for purposes of the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast for or against are included. Abstentions and broker non-votes are counted only for the purpose of determining whether a quorum is present at the Annual Meeting.

To Lakeland's knowledge, no person beneficially owned more than 5% of the outstanding voting securities of Lakeland as of December 31, 2003.

ELECTION OF DIRECTORS

Unless a shareholder either indicates "withhold authority" on his proxy or indicates on his proxy that his shares should not be voted for certain nominees, it is intended that the persons named in the proxy will vote for the election as directors of the six persons named in Table I below to serve until the expiration of their respective terms and thereafter until their successors shall have been duly elected and shall have qualified. If elected, four of the nominees will serve for three year terms and two of the nominees will serve for one year terms. Discretionary authority is also solicited to vote for the election of a substitute for any of said nominees who, for any reason presently unknown, cannot be a candidate for election.

Table I sets forth the names and ages of the nominees for election to the Board of Directors, the positions and offices presently held by each such person within Lakeland, the period during which each such person has served on Lakeland's Board of Directors, the expiration of their respective terms, the principal occupations and employment of each such person during the past five years, and the number of shares of Lakeland Common Stock which they beneficially owned as of February 1, 2004. Table II sets forth comparable information with respect to those directors whose terms of office will continue beyond the date of the Annual Meeting. Unless otherwise indicated, positions have been held for more than five years. Unless otherwise stated in the footnotes following the tables, the nominees and other directors listed in the tables have sole power to vote and dispose of the shares which they beneficially owned as of February 1, 2004. Shares covered by stock options are included in the tables below only to the extent that such options may be exercised by April 1, 2004.

All of the persons named in both tables have been directors of Lakeland and Lakeland Bank for at least five years, except as follows: (a) Charles L. Tice and George H. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder require Lakeland's directors, executive officers and 10% shareholders to file with the SEC certain reports regarding such persons' ownership of Lakeland's securities. Lakeland is required to disclose any failures to file such reports on a timely basis. Based solely upon a review of the copies of the forms or information furnished to Lakeland, Lakeland believes that during 2003, all filing requirements applicable to its directors and officers were satisfied on a timely basis, except that Mary Ann Deacon, a director of Lakeland, failed to file on a timely basis a report disclosing two purchases of Lakeland Common Stock in October 2003. The failure to file on a timely basis was inadvertent, and the filing was made promptly after the failure was noted.

Executive Compensation

The following table sets forth, for the years ended December 31, 2003, 2002 and 2001, the cash compensation paid by Lakeland and its subsidiaries, as well as certain other compensation paid or accrued by such entities for those years, to Lakeland's Chief Executive Officer and the other five most highly compensated executive officers of Lakeland during 2003 (the "Named Officers"), for services rendered in all capacities as an executive officer during such period.

Employment Agreements and Other Arrangements with Executive Officers

In connection with the acquisition of NIA National Leasing, Inc. in 2000, Lakeland Bank entered into an employment agreement with Steven Schachtel, pursuant to which he serves as the President of Lakeland Bank's Equipment Leasing Division. The employment agreement, which terminated on April 4, 2003, provided that Mr. Schachtel received an annual salary of \$150,000, and was entitled to an annual bonus equal to eight percent of the Division's contribution (net of expenses and overhead of the Division) to the pre-tax income of Lakeland Bank for each calendar year, provided that the aggregate of any such bonus and Mr. Schachtel's salary could not exceed \$400,000 per year. The employment agreement also provided for Mr. Schachtel to receive an automobile allowance of \$600 per month. Since the termination of the employment agreement, Mr. Schachtel has continued as an at-will employee of Lakeland Bank.

Lakeland and Lakeland Bank entered into an employment agreement (the "Employment Agreement") with Mr. Bosma as of January 1, 2000 whereby he serves as the President and Chief Executive Officer of Lakeland. The initial term of the Employment Agreement is three years, and is automatically renewable for one year on each anniversary date thereof unless a majority of the directors of Lakeland vote not to extend the term. The Employment Agreement provides that Mr. Bosma will receive an annual base salary of at least \$250,000. Mr. Bosma is also entitled to use of a Lakeland Bank-supplied automobile, Lakeland Bank paid membership in a country club approved by the Board and supplemental life insurance equal to two times base salary. If Mr. Bosma's employment is terminated by Lakeland other than for cause (as defined in the Employment Agreement), and a change in control (as defined in the Employment Agreement) has not occurred, he will receive his then current base salary, an annual bonus equal to the average annual bonus paid him during the three most recent fiscal years preceding his termination, and applicable perquisites and benefits for the balance of the term. The Employment Agreement contains confidentiality and non-compete covenants from Mr. Bosma in favor of Lakeland.

In the event of a change in control, the term of the Employment Agreement becomes fixed for a period of three years from the date of such event. During such period, Mr. Bosma is to be employed as President and Chief Executive Officer of Lakeland and is entitled to a base salary that is no less than the salary in effect as of the change in control, an annual bonus equal to the average annual bonus paid him during the three most recent fiscal years prior to the change in control, and continuation of other benefits and perquisites in effect as of the change in control. If following a change in control, Mr. Bosma's employment is terminated without cause, or he resigns within 90 days for good reason (as defined in the Employment Agreement) or after such 90 day period for any reason, he will be entitled to continued life and health insurance benefits for three years and a lump sum cash payment equal to three times the sum of his pre-change in control salary and the average annual bonus paid him during the three most recent fiscal years prior to the change in control. To the extent that the amount payable to Mr. Bosma on account of a change in control is subject to an excise tax under Section 4999 of the Code,

Mr. Bosma will also receive an additional payment equal to 10% of such amount; provided, however, that if the net amount retained by Mr. Bosma after payment of such excise tax is less than the maximum amount which could be paid him without triggering the excise tax, then the amount and benefits otherwise payable or to be provided to Mr. Bosma will be reduced to such maximum amount. For purposes of the Employment Agreement, the term "change in control" has the same meaning as under Lakeland's Stock Option Plan.

During 1996, High Point Financial Corp.'s subsidiary bank entered into a salary continuation agreement with Mr. Vandenberg. This agreement entitled him to certain payments upon his retirement. As part of the Lakeland/High Point merger, Lakeland placed in trust an amount equal to the present value of the amount that would be owed to Mr. Vandenberg upon his retirement. This amount is \$381,000. Lakeland has no further obligation to pay additional amounts pursuant to this agreement.

In connection with Lakeland's acquisition of Metropolitan State Bank in 1998, Lakeland agreed to (1) provide to Mr. Lubertazzi an additional annuity comparable to the annuity provided to him by Metropolitan at a cost to Lakeland of \$278,000 and (2) provide to Mr. Lubertazzi certain retiree medical benefits at a cost to Lakeland of \$45,000. Mr. Lubertazzi retired on January 31, 2000. He will receive an annual distribution of \$35,000 for 15 years pursuant to this annuity, beginning with the year 2000. Lakeland is not required to incur any additional costs to fund this obligation.

Mr. Lubertazzi previously entered into a separate agreement with Metropolitan State Bank which was assumed by Lakeland. Pursuant to that agreement, Lakeland is required to pay Mr. Lubertazzi or his beneficiary an aggregate of \$525,000 payable in 15 annual installments beginning on his retirement date (January 31, 2000) or date of death. In order to fund this obligation, Metropolitan obtained a variable life insurance policy, which had a cash surrender value of approximately \$170,527 as of December 31, 2003. Although no assurance can be given, Lakeland does not expect to expend additional significant amounts to fund this obligation.

Lakeland and Lakeland Bank also entered into agreements, dated March, 2001 and as amended by agreements dated March 10, 2003, with each of Messrs. Hurley, Vandenberg, Luddecke and Buonforte (each, an "Executive") providing for certain terms and conditions of their employment in the event of a change in control (each a "Change in Control Agreement"). Under such Change in Control Agreements, the term of each Executive's employment becomes fixed for a period (the "contract period") ending on the earlier of the Executive's death, attainment of age 65, or the second anniversary of the date of such event. During the contract period, each Executive is to be employed in the same position as held by him immediately prior to such event, and is entitled to base salary equal to the annual salary in effect immediately prior to the change in control and bonus equal to the highest annual bonus paid during the three most recent fiscal years prior to the change in control. In addition, during the contract period, each Executive is entitled to certain other benefits and perquisites as in effect as of the change in control. If during the contract period, an Executive's employment is terminated without cause, or he resigns for good reason (each as defined in the Change in Control Agreement), he will be entitled to continued life and health insurance benefits for the balance of the contract period and a lump sum cash payment equal to two times the sum of his highest salary and bonus paid him during any of the three most recent calendar years prior to the change in control. For purposes of each Change in Control Agreement, the term "change in control" has the same meaning as under the Stock Option Plan.

In 2003, Lakeland began contributing to a supplemental executive retirement plan for Roger Bosma that provides annual retirement benefits of \$150,000 a year for a 15 year period when he reaches the age of 65. Lakeland intends to fund its obligations under this arrangement with the increase in cash surrender value of bank owned life insurance policies purchased in 2003. In 2003, Lakeland contributed \$129,000 to this plan.

The Stock Option Plan provides that all outstanding stock options will become immediately exercisable upon the occurrence of a change in control event (as defined in the Stock Option Plan).

Board Independence; Committees and Directors Compensation

Since the adoption of the Sarbanes-Oxley Act in July 2002, there has been a growing public and regulatory focus on the independence of directors. Recently, Nasdaq adopted amendments to its definition of independence. Additional requirements relating to independence are imposed by the Sarbanes-Oxley Act with respect to members of the Audit Committee. As noted below, the Board has determined that the members of the Audit Committee satisfy all such definitions of independence. The Board has also determined that the following members of the Board satisfy the Nasdaq definition of independence: Mary Ann Deacon, George H. Guptill, Jr., Paul P. Lubertazzi, Joseph P. O Dowd, John Pier, Jr., Charles L. Tice and Stephen R. Tilton, Sr.

During 2003, Lakeland's Board of Directors held 15 meetings. Lakeland's Board of Directors also maintains several Board committees.

The Audit Committee, consisting of George H. Guptill, Jr. (Chairperson), Mary Ann Deacon, Joseph P. O Dowd, Stephen R. Tilton, Sr., and Paul P. Lubertazzi, is responsible for reviewing the reports submitted by Lakeland's independent accountants and internal auditor and for reporting to the Board on significant audit and accounting principles, policies, and practices related to Lakeland. The Audit Committee met four times in 2003.

Lakeland is required to disclose whether the Board of Directors has determined that a member of the Audit Committee is an audit committee financial expert, as that term is defined in rules adopted by the SEC in January 2003, and, if not, why not. Lakeland's Board has not determined that any of the members of the audit committee is an audit committee financial expert. The Board has determined, however, that each member of the audit committee has sufficient knowledge in financial and auditing matters to serve on the audit committee. The Board does not believe that it is necessary to search for any outside person who meets the definition of audit committee financial expert to serve on the Board and the audit committee. The audit committee has the authority to hire outside experts and consultants as it deems appropriate in carrying out its responsibilities.

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

The Nominating Committee consists of Paul P. Lubertazzi (Chairperson), Mary Ann Deacon and Joseph P. O Dowd. This committee is responsible for interviewing potential candidates for election to the Board and for nominating individuals each year for election to the Board. This committee was called the Governance Committee in 2003, and met once in 2003.

The Compensation Committee, consisting of Paul P. Lubertazzi (Chairperson), George H. Guptill, Jr., Charles L. Tice and Stephen R. Tilton, Sr., makes compensation decisions for Lakeland's staff. The

Compensation Committee met twice in 2003. The Compensation Committee does not administer the Stock Option Plan, which is administered by the full Board.

During 2003, each director received a fee of \$800 for each meeting of Lakeland's Board that he or she attended from January through June, and \$1,100 for each meeting attended from July through the remainder of the year. In addition, each director, other than Roger Bosma, received a \$7,500 retainer, and payment for committee meetings attended. Members of committees received \$250 for each meeting attended from January through June 2003. Committee meeting fees received from July through the remainder of the year increased to \$350, with the exception of the Audit Committee's fees, which increased to \$500 per meeting attended beginning in July 2003. Each member of Lakeland's Board was present for 75% or more of the aggregate of the total meetings of the Board and committees on which he or she served.

During 2003, the Board of Directors of Lakeland Bank met twice a month. During 2003, each director received fees for attending board meetings. All directors other than Roger Bosma received fees for attending committee meetings. Board meeting fees, which were \$650 from January through June 2003, increased to \$900 in July, through the remainder of the year. Committee meeting fees in 2003 for Lakeland Bank were \$350. Each director of Lakeland Investment Corp., a subsidiary of Lakeland Bank, received \$575 as an annual fee.

The Board of Directors maintains a plan which provides that any director having completed 10 years of service may retire and continue to be paid for a period of 10 years at a rate of \$5,000, \$7,500, \$10,000, \$12,500 or \$13,500 per annum, depending upon years of credited service. This plan is unfunded.

Lakeland's Stock Option Plan provides for automatic option grants to directors who are not otherwise employed by Lakeland or its subsidiaries. Upon commencement of service, a non-employee director will receive a stock option to purchase 25,000 shares of Common Stock at an exercise price equal to the fair market value of the underlying Common Stock on the grant date. Options granted to non-employee directors are exercisable in 20% annual installments beginning on the date of grant.

John W. Fredericks and Bruce G. Bohuny each received \$59,000 in 2003 as additional director's compensation for their positions as Chairman and Vice Chairman, respectively.

Compensation Committee Interlocks and Insider Participation

Fredericks, a director of the Company, is the president of Fredericks Fuel and Heating Service. During 2003, the Company paid \$60,000 to Fredericks Fuel and Heating Service for fuel and related services.

Lakeland's subsidiary banks have had, and expect to have in the future, transactions in the ordinary course of business with directors, officers, principal stockholders, and their associates, on the same terms, including

interest rates and collateral, as those prevailing at the same time for comparable transactions with others, and that do not involve more than the normal risk of collectability or other unfavorable features.

Nominating Committee Matters

Independence of Nominating Committee Members. All members of the Nominating Committee of the Board of Directors have been determined to be independent directors pursuant to the definition contained in Rule 4200(a)(15) of the National Association of Securities Dealers Marketplace rules.

Procedures for Considering Nominations Made by Shareholders. The Nominating Committee's charter describes procedures for nominations to be submitted by shareholders and other third-parties, other than candidates who have previously served on the Board or who are recommended by the Board. The charter states that a nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day nor earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made by the Company. The charter requires a nomination notice to set forth as to each person whom the proponent proposes to nominate for election as a director: (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate or candidates satisfy the criteria established pursuant to the charter for director candidates.

Qualifications. The charter describes the minimum qualifications for nominees and the qualities or skills that are necessary for directors to possess. Each nominee:

must satisfy any legal requirements applicable to members of the Board;

The Nominating Committee's charter provides that there will be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the Committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process for individuals other than existing Board members will include:

a review of the information provided to the Nominating Committee by the proponent;

a review of reference letters from at least two sources determined to be reputable by the Nominating Committee; and

a personal interview of the candidate,

together with a review of such other information as the Nominating Committee shall determine to be relevant.

Third Party Recommendations. In connection with the 2004 Annual Meeting, the Nominating Committee did not receive any nominations from any shareholder or group of shareholders which owned more than 5% of the Company's Common Stock for at least one year.

Audit Fees and Related Matters

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by the Company's independent accountants, Grant Thornton LLP (Grant Thornton), is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

Audit Fees. Audit fees billed or expected to be billed to Lakeland by Grant Thornton for the audit of the financial statements included in Lakeland's Annual Reports on Form 10-K, reviews of the financial statements included in Lakeland's Quarterly Reports on Form 10-Q, and services that are normally provided by the independent accountants in connection with statutory and regulatory filings, for the years ended December 31, 2002 and 2003 totaled approximately \$115,669 and \$227,673, respectively.

Audit-Related Fees. Lakeland was billed \$9,400 and \$0 by Grant Thornton for the years ended December 31, 2002 and 2003, respectively, for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under the caption *Audit Fees* above, such as the audit of employee benefit plans.

Tax Fees. Lakeland was billed an aggregate of \$53,923 and \$85,376 by Grant Thornton for the fiscal years ended December 31, 2002 and 2003, respectively, for tax services, principally advice regarding the preparation of income tax returns.

All Other Fees. Lakeland was billed an aggregate of \$0 and \$0 by Grant Thornton for the fiscal years ended December 31, 2002 and 2003, respectively.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of the Audit-Related Fees, Tax Fees and All Other Fees are compatible with maintaining the independence of Lakeland's principal accountant.

Applicable law and regulations provide an exemption that permits certain services to be provided by Lakeland's outside auditors even if they are not pre-approved. Lakeland has not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

Code of Ethics

Lakeland is required to disclose whether it has adopted a code of ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. Lakeland has adopted such a code of ethics and has posted a copy of the code on its internet website at the internet address: <http://www.lakelandbank.com>. Copies of the code may be obtained free of charge from the Company's website at the above internet address.

Shareholder Communication with the Board

The Board of Directors has established a procedure that enables shareholders to communicate in writing with members of the Board. Any such communication should be addressed to Lakeland's Chairman of the Board and should be sent to such individual c/o Lakeland Bank, 250 Oak Ridge Road, Oak Ridge, New Jersey 07438. Any such communication must state, in a conspicuous manner, that it is intended for distribution to the entire Board of Directors. Under the procedures established by the Board, upon the Chairman's receipt of such a communication, Lakeland's Secretary will send a copy of such communication to each member of the Board, identifying it as a communication received from a shareholder. Absent unusual circumstances, at the next regularly scheduled meeting of the Board held more than two days after such communication has been distributed, the Board will consider the substance of any such communication.

Board members are encouraged, but not required by any specific Board policy, to attend Lakeland's annual meeting of shareholders. Each of the members of the Board attended the Company's 2003 annual meeting of shareholders.

Compensation Committee Report on Executive Compensation

Compensation decisions for executive officers (other than stock option grants) are made by the Compensation Committee, subject to Board approval. Lakeland's current compensation program focuses upon the salaries of executive officers and is designed to provide appropriate reimbursement for services rendered. Compensation amounts take into account the individual performance for each executive officer. Salaries are determined annually, and each executive officer's performance is reviewed on a yearly basis. Traditionally, the salaries of executive officers have been set at levels which are perceived to be comparable to the salaries of executive officers of other banks which the Board considers to be comparable to Lakeland. Bonuses are granted based on Lakeland's performance and the executive's contribution to Lakeland's results. All of the Named Officers received bonuses for 2003.

Executive officers are also provided with standard benefits, including various health and life insurance benefits. Lakeland also makes contributions to the Lakeland Bank Profit Sharing Plan on behalf of executive officers, as well as all other employees. The Board of Directors authorized a total contribution to the Lakeland Bank Profit Sharing Plan of \$500,000 in 2003.

Lakeland maintains the 2000 Equity Compensation Program (the Stock Option Plan), which is currently administered by the full Board of Directors. Incentive stock options granted to executive officers of Lakeland are granted at an exercise price equal to fair market value on the date of grant. Accordingly, these options will gain appreciable value only if the market price of Lakeland's Common Stock increases. The Board believes that the issuance of stock options at fair market value provides incentives to employees to maximize Lakeland's performance and encourage continued affiliation with Lakeland. The Stock Option Plan also provides for automatic option grants to new non-employee directors. The Board believes that this feature of the Stock Option Plan will encourage qualified non-employee directors to serve on Lakeland's Board.

Lakeland's Board believes that an appropriate compensation program can help foster Lakeland's growth. The Board seeks to reflect an appropriate balance between providing rewards to executive officers while at the same time effectively controlling cash compensation costs. The Board intends to continue monitoring Lakeland's compensation program so that this balance is appropriately maintained.

NOMINATING COMMITTEE CHARTER

Purposes of the Nominating Committee

The purposes of the Nominating Committee are:

to consider proposals made by shareholders and others to nominate specific individuals to the board of directors of Lakeland Bancorp, Inc. (the Company);

to identify qualified individuals for membership on such board (the Board); and

to recommend to the Board the director nominees for election at each annual meeting of shareholders and at each other meeting of shareholders at which directors are to be elected.

Membership of the Nominating Committee

The Nominating Committee:

shall consist of not less than three members of the Board, the exact number to be established by the board of directors from time to time;

shall consist solely of individuals who meet the independence standards set forth in Securities and Exchange Commission rules and in the listing standards applicable to the Company; and

shall consist solely of members who are appointed by, and who may be removed by, the Board.

Criteria for Nomination to the Board of Directors

Each individual nominated by the Nominating Committee to serve on the Board of Directors shall, in the Nominating Committee's opinion, satisfy the following criteria (the Minimum Criteria) together with such other criteria as shall be established by the Nominating Committee:

such nominee shall satisfy any legal requirements applicable to members of the Board;

such nominee shall have business or professional experience that will enable such nominee to provide useful input to the Board in its deliberations;

such nominee shall have a reputation, in one or more of the communities serviced by the Company and its subsidiaries, for honesty and ethical conduct;

such nominee shall have a working knowledge of the types of responsibilities expected of members of the board of directors of a public corporation; and

such nominee shall have experience, either as a member of the board of directors of another public or private corporation or in another capacity, that demonstrates the nominee's capacity to serve in a fiduciary position.

Procedures to be Followed with Respect to the Submission of Names for Consideration by the Nominating Committee.

The following procedures (the "Minimum Procedures") shall be utilized in considering any candidate for election to the Board at an annual meeting, other than candidates who have previously served on the Board or who are recommended by the Board. A nomination must be delivered to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty

(30) days before or more than sixty (60) days after such anniversary date, notice to be timely must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the close of business on the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a notice as described above. Such notice shall set forth as to each person whom the proponent proposes to nominate for election as a director (a) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (b) information that will enable the Nominating Committee to determine whether the candidate satisfies the Minimum Criteria and any Additional Criteria (as defined below) established by the Nominating Committee.

In the event that a director is to be nominated at a special meeting of shareholders or is to be elected by the Board, the Nominating Committee shall develop procedures designed to conform, as nearly as practicable, to the procedures applicable to elections of Board members at annual meetings.

The Nominating Committee may, but shall not be required to, develop other procedures (the Additional Procedures) designed to supplement the Minimum Procedures.

Processes to be Followed in Considering Candidates

Candidates to serve on the Board shall be identified from such sources as shall be available to the Nominating Committee, including without limitation recommendations made by shareholders.

There shall be no differences in the manner in which the Nominating Committee evaluates nominees recommended by shareholders and nominees recommended by the committee or management, except that no specific process shall be mandated with respect to the nomination of any individuals who have previously served on the Board. The evaluation process shall include (i) a review of the information provided to the Nominating Committee by the proponent, (ii) a review of reference letters from at least two sources determined to be reputable by the Nominating Committee and (iii) a personal interview of the candidate, together with a review of such other information as the Nominating Committee shall determine to be relevant.

Duties of the Nominating Committee

The Nominating Committee shall:

determine whether other criteria (the Additional Criteria), beyond the Minimum Criteria, should apply in nominating members of the Board, such Additional Criteria to:

reflect, at a minimum, all applicable laws, rules, regulations and listing standards applicable to the Company, and

Edgar Filing: LAKELAND BANCORP INC - Form DEF 14A

recommend to the Board the director nominees for election at the next annual meeting of shareholders;

consider and recommend candidates for appointment to the Board to the extent vacancies arise between annual meetings of shareholders;

consider director candidates submitted by shareholders and other third-parties, in accordance with the Minimum Procedures and any Additional Procedures adopted by the Nominating Committee; and

annually review the Nominating Committee charter and recommend to the Board any changes it deems necessary or desirable.

Meetings of the Nominating Committee

The Nominating Committee shall meet as often as necessary to carry out its responsibilities, but not less than once each year. At the discretion of the chairperson of the Nominating Committee, but at least once each year for all or a portion of a meeting, the members of the Nominating Committee shall meet in executive session, without any members of management present.

Additional Authority of the Nominating Committee

The Nominating Committee shall have the authority, in its discretion, to retain outside counsel and other advisors.

(r) Review and approve all related party transactions.

(s) Within the time periods required by the Act and the regulations promulgated thereunder, establish, review and update periodically a Code of Ethics (the Code) that complies with all applicable laws and regulations and that applies to the Company s principal executive officer, principal financial officer, principal accounting officer or controller, and persons performing similar functions.

(t) Review the Company s major financial and accounting risk exposures and the steps that management has undertaken to control them.

(u) Review, with the Company's counsel, any legal matter that could have a significant impact on the organization's financial statements.
