### **Forward-Looking Statements**

Certain statements set forth above may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements regarding the consummation of the closing of the definitive merger agreement and IMCO's and Commonwealth's and their respective subsidiaries' expected future financial position, results of operations, cash flows, funds from operations, dividends, financing plans, business strategy, budgets, projected costs, capital expenditures, anticipated synergies, competitive position, technical capabilities, access to capital and growth opportunities are forward-looking statements. Such forward-looking statements are based on management's current expectations and include known and unknown risks, uncertainties and other factors, many of which IMCO and Commonwealth are unable to predict or control, that may cause the combined companies' actual results or performance to materially differ from any future results or performance expressed or implied by such statements. Such factors may include, without limitation, the ability to complete the merger while obtaining the approval of the regulatory agencies and shareholders, the ability to successfully integrate and achieve cost savings and revenue enhancements in connection with the transaction, the success of the implementation of the information system across both companies, the effect of global economic conditions, the ability to achieve the level of cost savings or productivity improvements anticipated by management, the effect (including possible increases in the cost of doing business) resulting from war or terrorist activities or political uncertainties, the ability to successfully implement new marketing and sales strategies, the impact of competitive products and pricing, product development and commercialization, availability and cost of critical raw materials, the ability to effectively hedge the cost of raw materials, capacity and supply constraints or difficulties, any increase in the cost of capital, the success of IMCO and Commonwealth in implementing their respective business strategies, and other risks as detailed in the companies' various filings with the SEC.

### **Additional Information**
