At this year's shareholders meeting, we are requesting your approval of the mergers of each of the following licensed subsidiaries into VimpelCom:

<i>Name of Entity</i>	<i>Percentage owned by VIP</i>	<i>Licenses Held</i>

* The remaining 2% is owned by our wholly-owned subsidiary OJSC KB Impuls .

Edgar Filing: OPEN JOINT STOCK CO VIMPEL COMMUNICATIONS - Form 6-K

**BASIS FOR CONDITIONS AND PROCEDURE OF
MERGER OF EXTEL, SOTOVAYA COMPANY, STAVTELESOT,
VZT, ORENSOT, BL SAMARA, AND DTI INTO VIMPELCOM**

Basis: While the existing VimpelCom Group structure has served the group well, VimpelCom now believes that there are advantages and benefits to be gained from simplifying the group's overall corporate structure.

Procedure: VimpelCom shall be reorganized on the day on which an entry is made into the State Register regarding the termination of activities of each of the Merging Companies (the ***Merger Date***). As of each Merger Date, the Merging Company shall cease to exist as a legal entity, and VimpelCom shall be the legal successor to all rights and obligations of such Merging Company.

All registered common shares of each of the Merging Companies will be cancelled upon completion of such statutory Merger. Because each of the Merging Companies is (or will be at the time of the Merger) a wholly-owned subsidiary of VimpelCom, VimpelCom will not issue any shares of stock in connection with each Merger.

Shareholders of VimpelCom will not have to take any action with respect to their shares of VimpelCom.

For more details, please see the sample form of the Merger Agreements attached hereto as Attachment 6.

Legal Consequences: As a result of each Merger, on each Merger Date, VimpelCom will become the legal successor of the relevant Merging Company, and all rights and obligations of such Merging Company shall be transferred to VimpelCom in accordance with the procedure and upon the terms and conditions set forth in the Merger Agreement and pursuant to the applicable laws of the Russian Federation.

Conditions Precedent to Merger: As indicated in the Merger Agreements, there are a number of conditions precedent to each Merger, including the following:

Only with regard to Sotovaya Company completion of the merger of Open Joint Stock Company KB Impuls into VimpelCom, or acquisition by VimpelCom of all shares of Sotovaya Company from Open Joint Stock Company KB Impuls, so that VimpelCom becomes the sole shareholder of Sotovaya Company.

Only with regard to Orenсот acquisition by VimpelCom of all shares of Orenсот from minority shareholders of Orenсот, so that VimpelCom becomes the sole shareholder of Orenсот.

Only with regard to VZT completion of reorganization of a limited liability company Vostok-Zapad Telecom by way of its transformation into closed joint stock company.

With regard to all Mergers approval of the Merger by the general shareholders meeting of VimpelCom.

With regard to all Mergers approval of the Merger by Federal Anti-Monopoly Service.

Please note that the particular conditions precedent specified above for Sotovaya Company, Orensof and VZT are provided in the Merger Agreements with these companies and are not set forth in the sample form of the Merger Agreement attached hereto as Attachment 6.

In the process of reorganization of VimpelCom and each of the Merging Companies, the following requirements shall be met:

Requirement of Russian law to provide notice to all creditors of VimpelCom and each of the Merging Companies informing them of their right to terminate their agreements with VimpelCom and such Merging Company, and demand immediate performance and/or compensation of damages. (Such notices must also be provided in connection with any reduction of capital, including the reduction of capital due to the cancellation of redeemed shares (see [Attachment 7](#)) which will require a separate notice to creditors.) Creditors have thirty (30) days from the date of such notice in which to exercise this right. The definition of creditor under Russian law is construed very broadly. Accordingly, there is a risk that VimpelCom and each of the Merging Companies may be required to repay certain outstanding indebtedness or terminate existing contractual arrangements.

Requirement of Russian law that Shareholders who vote against, or do not participate in the voting on any of the Items 8-14 of the Agenda of the AGM (approval of each Merger and related Merger Agreements) have the right to demand the redemption of their shares of VimpelCom (see Attachment 7).

INFORMATION REGARDING YOUR RIGHT TO REQUEST REDEMPTION

Under Russian law, you may have the right to request that we redeem all or part of your shares of VimpelCom's voting stock. Below is an explanation of how your redemption rights may arise.

1. What triggers your right to request redemption of shares of voting stock (or ADSs)?

Under Russian law, you will be entitled to demand redemption of all or part of your shares of the Company's voting stock if Shareholders approve Items 8-14 (approval of reorganization of VimpelCom through statutory Merger of each of Extel, Sotovaya Company, StavTeleSot, VZT, Orensot, BL Samara, or DTI into VimpelCom) on the agenda of the AGM.

If you own voting stock on the record date for the AGM (*i.e.*, May 3, 2005), you may exercise your right to demand redemption of all or part of your shares if you:

do not participate in the AGM;

participate in the AGM but do not participate in the voting on any of the Items 8-14; or

vote against any of Items 8-14 on the Agenda.

If you own shares of voting stock as of May 3, 2005 and then transfer all or part of your shares after the AGM but prior to the date of any redemption by us, then the shares that you transfer cannot be redeemed.

2. At what price will we redeem shares of common stock?

We will redeem shares of common stock in rubles (based upon the exchange rate of the Central Bank of the Russian Federation on the day prior to the date of payment) at a price of US\$142.20 per share (equal to US\$35.55 per ADS), less any withholding tax as required by Russian law. Russian law requires our Board of Directors to include the redemption price in this notice and provides that our Board of Directors should not consider the transactions on the agenda for the AGM when making its price determination of the redemption price.

Edgar Filing: OPEN JOINT STOCK CO VIMPEL COMMUNICATIONS - Form 6-K

As required by Russian law, an independent Russian licensed appraiser, Limited Liability Company Ekonomiko-pravovaya Expertiza , determined that the redemption price indicated above was equal to the market value of the shares.

3. How many shares can we redeem?

Russian law provides that we may not pay an amount in excess of 10% of our net assets to redeem shares of voting stock. In accordance with Russian law, the book value of our net assets will be calculated on the date of the AGM in accordance with Russian accounting principles. As of March 31, 2005, 10% of our net assets (based on our first quarter internal financial statements prepared in accordance with Russian accounting principles) is approximately 4,081,515,000 rubles which, based on the prevailing ruble/dollar exchange rate set by the Central Bank of the Russian Federation on that date, is approximately US\$146,682,000. Accordingly, if the AGM were held today, Russian law would allow us to redeem only approximately 1,031,519 shares of voting stock (equal to approximately 4,126,076 ADSs) at the full redemption price.

If we receive requests to redeem more shares than we are permitted to redeem due to the above indicated restriction, Russian law requires us to redeem shares on a pro rata basis. In this case, we will not redeem fractional shares.

In accordance with Russian law, any shares that are redeemed by us shall be cancelled.

4. What is the procedure for redeeming shares of voting stock?

If you have the right to demand redemption, you may exercise your right by sending written notice within 45 calendar days of the AGM (provided that such notice is received by us no later than August 6, 2005 which is 45 calendar days after the Meeting) to the CEO and General Director of VimpelCom, located at 10, Ulitsa 8 Marta, Building 14, Moscow 127083, Russian Federation. Your notice to us should be sent by registered mail or by hand delivery and must include the following information:

your name;

your residence/location and your mailing address;

the number of shares of voting stock requested to be redeemed; and

your ruble bank account information for payment for redeemed shares.

If you own ADSs, you may exercise your right to demand redemption by sending written notice by 6:00 pm (New York time) on August 6, 2005 to The Bank of New York, Attn: Steven Gilbert and Dorothy Huttner, Reorg. Department, 101 Barclay Street, New York, NY 10286. We recommend that you send your notice to The Bank of New York by registered or certified mail. Your notice to The Bank of New York must include the information indicated above. In addition to sending written notice to The Bank of New York, if you exercise your right to demand

Edgar Filing: OPEN JOINT STOCK CO VIMPEL COMMUNICATIONS - Form 6-K

redemption, you should make arrangements to return all or a portion of your ADSs to The Bank of New York, whether held in certificated form, book entry or through DTC. If you have any questions about this procedure, you should contact your broker or call Ludmila Leliavskaia at the ADR department at The Bank of New York at +1(212) 815-4493.

Table of Contents

Upon receipt of notices from shareholders (and from The Bank of New York on behalf of holders of ADSs), we will inform you of the necessary steps to be taken in order to transfer your shares on the share register as required to effect the redemption.

5. How are you paid for shares of voting stock which are redeemed?

In accordance with Russian law, we are required to purchase shares from shareholders who exercise their redemption rights within 30 days after the expiration of the 45-day exercise period (*i.e.*, from August 7, 2005 through September 5, 2005). Under Russian law, we are not permitted to pay for redeemed shares in foreign currency (*e.g.*, U.S. dollars). Accordingly, we will pay for redeemed shares in rubles based upon the exchange rate of the Central Bank of the Russian Federation on the date prior to the date of payment.

For ADS holders, The Bank of New York will endeavor to convert the ruble redemption payments and transfer the U.S. dollar equivalent to the relevant ADS holders.

6. Is there any withholding or other tax on the redemption payment?

If you are a Russian legal entity, the redemption payment is not subject to Russian withholding tax and we will transfer to you the full redemption price of shares, however, profits tax will apply in this case.

If you are a Russian individual and a tax resident for Russian tax purposes, we will be required to withhold personal income tax at a rate of 13% on any capital gain derived by you. In calculating the capital gain subject to income tax withholding, we may decrease the amount of redemption proceeds by the amount of expenses actually incurred by you in purchasing the shares if you are able to provide us with the supporting documentation in a manner sufficient to the Russian tax authorities. You may also apply to the tax authorities for the recalculation of your tax liabilities (and potentially decrease them) with respect to the transaction through your submission of a tax declaration after the end of the year.

If you are a foreign (non-Russian) legal entity without a presence in Russia, we will transfer the full redemption price of shares and will not be required to withhold any tax therefrom.

IF YOU ARE A FOREIGN INDIVIDUAL WHO IS NOT RESIDENT FOR RUSSIAN TAX PURPOSES, WE WILL WITHHOLD INCOME TAX AT THE RATE OF 30% OF THE ENTIRE REDEMPTION PRICE WITHOUT ANY DEDUCTIONS AVAILABLE. However, if the applicable double tax treaty provides for an exemption or a lower tax rate for this type of income, you must present us all of the required documentation for non-withholding of tax or withholding at a lower rate approved by Russian tax authorities. In this case, we will either withhold the tax from the capital gain derived by you at a lower rate or not withhold it at all. If income tax was withheld you may still have the right to apply to the Russian tax authorities for a tax refund.

IF YOU ARE A FOREIGN INDIVIDUAL RESIDENT FOR RUSSIAN TAX PURPOSES, you will need to present documents to us confirming that you are tax resident in Russia. Once we receive such documents, we may withhold personal income tax at the lower rate of 13% on any capital gain derived by you. In calculating the capital gain subject to income tax withholding, we may decrease the amount of redemption

Edgar Filing: OPEN JOINT STOCK CO VIMPEL COMMUNICATIONS - Form 6-K

proceeds by the amount of expenses actually incurred by you in purchasing the shares if you are able to provide us with the supporting documentation in a manner satisfactory to the Russian tax authorities. You may also apply to the tax authorities for the recalculation of your tax liabilities (and potentially decrease such liabilities) with respect to the transaction through your submission of a tax declaration after the end of the year.

This is not intended to be tax advice and we strongly recommend that you consult your independent tax advisor for specific details regarding withholding or other tax on your redemption payment.
