Item 1.01. Entry into a Material Definitive Agreement.

In November 1999, Mercury Computer Systems, Inc. (the Company) completed a lending agreement with a commercial financing company, issuing two series of 7.30% senior secured notes (the Mortgage Notes) due November 2, 2014. The original principal amount of the Mortgage Notes totaled \$14,500,000. The Mortgage Notes are collateralized by the Company's corporate headquarters, which consists of two buildings. Prior to December 22, 2005, the terms of the Mortgage Notes contained, among provisions, a covenant requiring the Company to maintain a specified minimum tangible net worth on November 2nd of each year. The Mortgage Notes also include significant prepayment penalties.

On October 19, 2005, the Company obtained a temporary waiver from the holders of the Mortgage Notes, effective through December 31, 2005, of the Company's non-compliance with the minimum tangible net worth covenant as of November 2, 2005.

On December 22, 2005, the Company amended certain financial covenants relating to the Mortgage Notes. Pursuant to the amendments, the minimum tangible net worth covenant was replaced with new financial covenants relating to the maintenance of an interest coverage ratio, certain leverage ratios and minimum consolidated net worth. The amendments also permanently waive any non-compliance with the superseded minimum tangible net worth covenant as of November 2, 2005. The foregoing description is qualified in its entirety by reference to the full text of such amendments filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and incorporated herein by reference.
