#### Financial Highlights

Based on our analysis of Pixar and the value opportunities created by combining Pixar's strengths with those of The Walt Disney Company, we are confident that this transaction will create significant shareholder value

Value Opportunities

Consolidate 100% of profit from current and future films

Positively impact Disney Feature Animation

Maximize sequel potential

Recapture distribution fees and eliminate duplicative public company costs

Leverage

Pixar's  
intellectual  
property  
across  
Disney's  
core  
businesses  
(e.g.  
theme  
parks,  
licensing, videogame publishing, etc.)

Increase

Disney's  
overall  
brand  
strength  
and  
base  
of  
powerful,  
high  
quality  
content  
which  
can:

Enhance opportunities offered by new digital distribution platforms

Increase our ability to capitalize on new consumer preferences and emerging business models

Improve and accelerate international growth opportunities

Disney's  
current  
intent  
is  
to

repurchase  
all  
newly  
issued  
shares  
by  
the  
end  
of  
fiscal 2007

With the successful execution of these initiatives, the transaction is expected to be accretive to Disney EPS in fiscal 2008
