Item 7.01 Regulation FD Disclosure

On October 4, 2006, HAPC, INC. (HAPC) filed a Current Report on Form 8-K with the U.S. Securities and Exchange Commission (the SEC) describing the transactions contemplated by a Stock Purchase Agreement (the Stock Purchase Agreement), dated as of September 29, 2006, by and among HAPC, I-Flow Corporation (I-Flow), Iceland Acquisition Subsidiary, Inc., a wholly-owned subsidiary of HAPC (Acquisition Sub) and InfuSystem, Inc., a wholly-owned subsidiary of I-Flow (InfuSystem), pursuant to which Acquisition Sub will acquire all of the issued and outstanding capital stock of InfuSystem (the Acquisition) and subsequently merge with and into InfuSystem. InfuSystem will be the corporation surviving merger.

On May 4, 2007, HAPC filed a Current Report on Form 8-K reporting that HAPC, I-Flow, Iceland Acquisition Subsidiary and InfuSystem had entered into an amendment to the Stock Purchase Agreement which extended the termination date of the Stock Purchase Agreement from April 30, 2007 to June 29, 2007.

HAPC plans to participate in the 2007 Health Care Conference sponsored by FTN Midwest Securities Corp. At such conference, the slide show presentation attached to this Current Report on Form 8-K as Exhibit 99.1 will be presented by HAPC. The information contained in the slide show presentation shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 and shall not be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended.

HAPC s amended and restated certificate of incorporation (the Certificate of Incorporation) requires that the Acquisition must be approved by the holders of a majority of the shares of HAPC common stock sold in HAPC s April 2006 initial public offering (the IPO) that cast votes on the issue. The Acquisition cannot be completed if holders of 20% or more of the shares of HAPC common stock sold in the IPO vote against the Acquisition and, as permitted by the Certificate of Incorporation, demand that their shares be converted into the right to receive a pro rata portion of the net proceeds of the IPO held in a trust account established for this purpose at the time of the IPO.

In connection with the Acquisition and required stockholder approval, HAPC filed a preliminary proxy statement with the SEC on December 7, 2006. HAPC filed amendments to the preliminary proxy statement with the SEC in February 14, 2007 and April 20, 2007. The final proxy statement will be filed with the SEC and mailed to the stockholders of HAPC. HAPC s stockholders are urged to read the preliminary proxy statement in addition to the final proxy statement and other relevant materials when they become available as they will contain important information about the Acquisition of all of the issued and outstanding capital stock of InfuSystem. HAPC stockholders will be able to obtain a free copy of such filings at the SEC s internet site (<http://www.sec.gov>). Copies of such filings can also be obtained, without charge, by directing a request to HAPC, INC., 350 Madison Avenue, New York, New York 10017, Tel: (212) 418-5070.

HAPC and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the stockholders of HAPC in connection with the proposed transaction. Information regarding the special interests of these directors and executive officers in the proposed transaction is included in the preliminary proxy statement and will be included in the final proxy statement described above.

Forward Looking Statements

This Report on Form 8-K includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In some cases, you can identify forward-looking statements by terminology such as may, should, could, would, expect, plan, anticipate, believe, estimate, continue, or the negative of such terms or similar expressions. These forward-looking statements include, but are not limited to, statements regarding whether the transaction will be completed and the expected timing of the closing. Readers are cautioned that these forward-looking statements involve certain risks and uncertainties. These risks and uncertainties, which could cause these forward-looking statements to not be realized, include: continuous infusion treatment protocol trends, including factors affecting supply and demand; labor and personnel relations; healthcare payor reimbursement risks affecting HAPC's revenue and profitability; conditions in financial markets that impact HAPC's ability to obtain capital to finance capital expenditures; changing interpretations of generally accepted accounting principles; and general economic conditions, as well as other relevant risks detailed in HAPC's filings with the SEC, including the final prospectus relating to HAPC'S IPO. HAPC disclaims any obligation to update any information contained in any forward-looking statement.
