**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

As previously disclosed in a Form 8-K filed by Altera Corporation. ( Altera ) on September 5, 2007, Altera is a party to a Credit Agreement (the Credit Agreement ) dated August 31, 2007. The Credit Agreement provides for a \$750 million unsecured revolving credit facility (the Facility ) that is scheduled to expire on August 31, 2012.

On November 27, 2007, Altera borrowed \$200 million under the Credit Agreement. The funds will be used for the repurchase of shares of Altera's common stock. The drawn amount bears interest at either a Eurodollar rate or a Prime rate, at Altera's option, plus an applicable margin based upon certain financial ratios. The drawn amount becomes payable and due on August 31, 2012, although Altera may extend the expiration date of the Facility annually for additional one year periods, subject to certain conditions, including consent of the lenders. Altera may generally prepay the Facility in whole or in part without premium or penalty, subject to certain conditions. After the drawdown, the remaining credit available under the Facility is \$550 million, which Altera may increase by up to a total of \$250 million through additional revolving credit commitments upon the agreement of the lenders.

The foregoing description of the Credit Agreement and the drawdown is qualified in its entirety by reference to the Credit Agreement, a copy of which is filed as Exhibit 10.1 to Altera's Form 8-K filed on September 5, 2007, which is incorporated herein by reference.
