Your Board of Directors recommends a vote **FOR** each of the above nominees for election as a Director.

Committees of the Board of Directors

The Board of Directors has an Executive Committee, an Audit Committee and a Compensation Committee, but no other standing committees. All Committee members attended all meetings of their respective Committees.

The Executive Committee, composed of Messrs. Drimal, Jr., Hurt, Smeets and Ms. Cummings, is authorized to exercise all the authority of the Board in the business and affairs of the Company, except as limited by applicable law. The Executive Committee met three times during 2008, and informally, by telephone or office conference on a regular basis, usually weekly, during the year.

The Audit Committee, composed of Messrs. Eckenstein, Hurt and Smeets, met once in 2008. The Board of Directors believes that the Audit Committee members satisfy applicable requirements for independence, financial literacy and expertise. The Committee selects and engages independent auditors to audit the books, records and accounts of the Company, determines the scope of such audits, and reviews the financial policies and control procedures of the Company. The report of the Audit Committee is included in this Proxy Statement on page 8. The Board of Directors and the Audit Committee have adopted a written charter for the Audit Committee, a copy of which is attached as Annex A to this Proxy Statement.

The Board of Directors and the Compensation Committee have adopted a written charter, a copy of which is attached as Annex B to this Proxy Statement.

The Company does not have a standing nominating committee. The remaining Directors of the Company, Messrs. Eckenstein, Fong, Gimbel, Hurt and Smeets function as a nominating committee, and are believed to satisfy applicable regulatory requirements for independence. The Board of Directors believes that this procedure is adequate in the process of selecting persons for elections as Directors of the Company. The seven Directors of the Company currently serving as Directors were designated as nominees for re-election at the 2009 Annual Meeting of Stockholders. The Board of Directors will consider meritorious director candidates submitted to it by stockholders of the Company. Table of Contents**Item 2. Amendment to the Restated Certificate of Incorporation of the Company**

The Board of Directors of the Company has unanimously approved an amendment to the Restated Certificate of Incorporation of the Company to eliminate the authorized class of Preferred Stock and to decrease the number of authorized shares of Common Stock from 10,000,000 shares, par value \$.10 per share, to 4,000,000 shares, par value \$.10 per share. No shares of the presently authorized Preferred Stock have been issued. At April 27, 2009, there were 3,041,513 shares of the Common Stock issued and outstanding. The reduction of the number of shares of Common Stock will have no effect on the presently issued and outstanding shares of Common Stock.

The sole purpose of the proposed amendment is to reduce the authorized capital structure of the Company thereby reducing applicable franchise taxes payable by the Company.

Approval of the proposed amendment requires the affirmative vote of a majority of the presently issued and outstanding shares of Common Stock. The proposed amendment would eliminate Article FOURTH of the Restated Certificate of Incorporation of the Company and would effect a new Article FOURTH which would read as follows:

FOURTH: The number of shares of stock which the corporation shall have authority to issue is 4,000,000 shares of Common Stock, par value \$.10 per share.

If approved, the amendment will become effective upon filing of a certificate of amendment to the Restated Certificate of Incorporation of the Company with the Secretary of State of Delaware, which will be done promptly after this Annual Meeting.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. These include, but are not limited to, those matters under Statements on Auditing Standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board. The Company's auditors do not perform financial information system design and implementation services, internal audit or tax services.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2008, for filing with the Securities and Exchange Commission. The Committee has also recommended the selection of the Company's independent auditors for 2009.
