This Amendment No. 2 to the Tender Offer Statement on Schedule TO (this Amendment), filed with the Securities and Exchange Commission on September 23, 2009, amends and supplements the Tender Offer Statement on Schedule TO filed on September 3, 2009, as amended by Amendment No. 1 filed on September 16, 2008 (the Schedule TO), and relates to the offer by Armor TPG Holdings LLC, a Delaware limited liability company (Purchaser) to purchase 4,435,935 shares of common stock, par value \$0.01 per share (the Shares), of Armstrong World Industries, Inc., a Pennsylvania corporation (AWI), at a price of \$22.31 per Share, net to the seller in cash, without interest thereon and less any required withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated September 3, 2009 (the Offer to Purchase) and in the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the Offer), which are annexed to and filed with the Schedule TO as Exhibits (a)(1)(A) and (a)(1)(B), respectively. Purchaser is wholly-owned by TPG Partners V, L.P., TPG FOF V-A, L.P., TPG FOF V-B, L.P., TPG Partners VI, L.P. and TPG FOF VI SPV, L.P. (collectively, the TPG Funds). TPG Advisors V, Inc. is the general partner of TPG GenPar V, L.P., which is the general partner of TPG Partners V, L.P., TPG FOF V-A, L.P. and TPG FOF V-B, L.P. TPG Advisors VI, Inc. is the general partner of TPG FOF VI SPV, L.P. and TPG GenPar VI, L.P., which is the general partner of TPG Partners VI, L.P.

All information set forth in the Offer to Purchase is incorporated by reference in answer to Items 1 through 11 in the Schedule TO, except those items as to which information is specifically provided herein.

Items 1-11.

The Offer to Purchase is hereby amended by:

Adding after the fourth paragraph of Section 8 Certain Information Concerning AWI the following:

The financial projections were not material to Purchaser's decision to purchase the shares pursuant to the Purchase and Sale Agreement, Purchaser's resulting obligation under the Charter to make the offer or the determination of the offer price. As noted in Section 10 (Background of the Offer) of this Offer to Purchase, prior to any discussions between TPG and AWI or the furnishing of such projections, TPG and the Trust established the principal terms on which they would be prepared to move forward, subject among other things to TPG's satisfactory diligence. Those terms contemplated that the price per share to be paid by TPG to the Trust would be the 20-day weighted average price ending shortly prior to execution of a purchase and sale agreement. When the Purchase and Sale Agreement was subsequently entered into, it provided for a purchase price per share of \$22.31 which, as previously disclosed, was the 20-day weighted average price ending August 7, 2009. Pursuant to the requirements of the Charter, that is the price per share we are offering to pay in the offer.

Adding prior to the chart and at the end of the sixth paragraph of Section 8 Certain Information Concerning AWI the following:

These projections were not prepared in accordance with GAAP and AWI did not provide a reconciliation of the projections to GAAP. Subsequent to the commencement of the offer, Purchaser requested that AWI furnish it with a GAAP reconciliation of the financial projections, but AWI has declined to do so.

Replacing the first and second paragraphs of Section 14 entitled Source and Amount of Funds in its entirety as follows:

Purchaser does not believe that its financial statements are material to a shareholder's decision to sell, tender or hold the securities sought in the offer. The offer consideration consists solely of cash and the offer is not subject to a financing condition. The TPG Funds are well-known investors with a history

of making substantial investments in major corporations such as the Issuer. In the event the offer is fully subscribed the total amount necessary to purchase all shares tendered would be approximately \$99 million. The TPG Funds have cash and equity commitments in amounts substantially in excess of this amount that are available for this purpose and will arrange for Purchaser to have sufficient funds to purchase all shares validly tendered in the offer.

The purpose of the offer is to comply with the Charter, which requires the offer as a result of the acquisition of shares by Purchaser from the Trust. See Section 11 (Purpose of the Offer) of this Offer to Purchase. The purpose of the offer is not to gain additional influence over the management and affairs of the Issuer. Purchaser already has a shared beneficial interest in a majority of the outstanding shares and Purchaser believes that the potential incremental increase in its beneficial ownership (from 64.5% to 72.2%) and its direct ownership (from 12.2% to 19.9%) (making the assumption, in each case, that the offer is fully subscribed) would have no incremental effect on Purchaser's or the TPG Funds' pre-offering relationship with the Issuer, its board of directors or management or the Trust, and does not cause our financial condition to be material to your decision whether to tender your shares and accept the offer.
