To Our Stockholders:

You are cordially invited to attend the 2010 Annual Meeting of Stockholders of VeriSign, Inc. (VeriSign) to be held at our corporate offices located at 487 East Middlefield Road, Mountain View, California 94043-4047 on Thursday, May 27, 2010 at 10:00 a.m., Pacific Time (the Meeting).

The matters expected to be acted upon at the Meeting are described in detail in the following *Notice of the 2010 Annual Meeting of Stockholders and Proxy Statement*.

We have implemented a U.S. Securities and Exchange Commission rule that requires companies to furnish their proxy materials over the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials instead of a paper copy of our annual report to security holders, which includes our Annual Report on Form 10-K for the year ended December 31, 2009 (collectively, the Annual Report) and this proxy statement. The Notice of Internet Availability of Proxy Materials contains instructions on how to access those documents over the Internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how each stockholder can receive a paper copy of our proxy soliciting materials, including this notice and proxy statement, our Annual Report and a form of proxy card or voting instruction card. We believe that this new process will conserve natural resources and reduce the costs of printing and distributing our proxy materials.

It is important that you use this opportunity to take part in the affairs of VeriSign by voting on the business to come before this meeting. **WHETHER OR NOT YOU EXPECT TO ATTEND THE MEETING, PLEASE COMPLETE THE PROXY ELECTRONICALLY OR BY PHONE AS DESCRIBED ON THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS AND UNDER INTERNET AND TELEPHONE VOTING IN THE ATTACHED PROXY STATEMENT, OR ALTERNATIVELY, IF RECEIVING PAPER COPIES OF PROXY MATERIALS, DATE, SIGN AND PROMPTLY RETURN THE ACCOMPANYING PROXY IN THE ENCLOSED POSTAGE-PAID ENVELOPE SO THAT YOUR SHARES MAY BE REPRESENTED AT THE MEETING.** Returning or completing the Proxy does not deprive you of your right to attend the Meeting and to vote your shares in person.

We look forward to seeing you at our 2010 Annual Meeting of Stockholders.

Sincerely,
/s/ D. James Bidzos

PROXY STATEMENT

FOR THE 2010 ANNUAL MEETING OF STOCKHOLDERS

April 14, 2010

The accompanying proxy is solicited on behalf of the Board of Directors (the **Board**) of VeriSign, Inc. (**VeriSign** or the **Company**) for use at the 2010 Annual Meeting of Stockholders (the **Meeting**) to be held at our corporate offices located at 487 East Middlefield Road, Mountain View, California 94043-4047 on Thursday, May 27, 2010 at 10:00 a.m., Pacific Time. Only holders of record of our common stock at the close of business on March 31, 2010, which is the record date, will be entitled to vote at the Meeting. At the close of business on the record date, we had 182,388,457 shares of common stock outstanding and entitled to vote. This proxy statement and the accompanying form of proxy (collectively, the **Proxy Statement**) were first made available to stockholders on or about April 14, 2010. Our annual report to security holders, which includes our Annual Report on Form 10-K for the year ended December 31, 2009 (collectively, the **Annual Report**) is enclosed with this Proxy Statement for stockholders receiving a paper copy of proxy soliciting materials. The Annual Report and Proxy Statement can both be accessed on the Investor Relations section of our website at <http://investor.verisign.com>, or at www.proxyvoting.com/vrsn.

All proxies will be voted in accordance with the instructions contained therein. Unless contrary instructions are specified, if the accompanying proxy is executed and returned (and not revoked) prior to the Meeting, the shares of VeriSign common stock represented by the proxy will be voted: (1) **FOR** the election of each of the eight director candidates nominated by the Board; (2) **FOR** the approval of the Annual Incentive Compensation Plan; (3) **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010 (**fiscal 2010**); and (4) in accordance with the best judgment of the named proxies on any other matters properly brought before the Meeting.

Adoption of Majority Vote Standard in Uncontested Director Elections

VeriSign's Fifth Amended and Restated Bylaws provide for a majority of votes cast standard in uncontested elections. A majority of the votes cast means that the number of shares voted for a director must exceed the number of votes cast withheld for that director. In contested elections where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast. In addition, if a nominee who already serves as a director is not re-elected, the director shall tender his or her resignation, subject to acceptance by the Board. The Corporate Governance and Nominating Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Corporate Governance and Nominating Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision. If the failure of a nominee to be elected at the annual meeting results in a vacancy on the Board, that vacancy can be filled by action of the Board.

Table of Contents

Voting Rights

Holders of our common stock are entitled to one vote for each share held as of the record date.

Quorum, Effect of Abstentions and Broker Non-Votes, Vote Required to Approve the Proposals

A majority of the outstanding shares of common stock must be present or represented by proxy at the Meeting in order to have a quorum. Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the Meeting. A broker non-vote occurs when a bank, broker or other stockholder of record holding shares for a beneficial owner submits a proxy for the meeting, but does not vote on a particular proposal because that record holder does not have discretionary voting power with respect to that non-routine proposal and has not received instructions from the beneficial owner. The election of directors is a non-routine proposal and so shares for which record holders do not receive voting instructions will not be voted in such election.

If a quorum is present, a nominee for election to a position on the Board in an uncontested election will be elected as a director if the votes cast for the election of the nominee exceed the votes cast as withheld for that nominee. The following will not be votes cast and will have no effect on the election of any director nominee: (i) a share whose ballot is marked as abstain; (ii) a share otherwise present at the meeting but for which there is an abstention; (iii) a share otherwise present at the meeting as to which a stockholder gives no authority or direction; and (iv) a share subject to a broker non-vote. Stockholders may not cumulate votes in the election of directors.

If a quorum is present, approvals of the proposal to approve our Annual Incentive Compensation Plan, the proposal to ratify the selection of KPMG LLP as our independent registered public accounting firm for fiscal 2010 and all other matters that properly come before the Meeting require the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote on the subject matter. Under this voting standard, abstentions and broker non-votes (if a record holder determines not to vote despite having the discretionary power to do so) will have the effect of votes cast against the proposal.

The inspector of elections appointed for the Meeting will separately tabulate affirmative and withheld votes, abstentions and broker non-votes.

Adjournment of Meeting

In the event that a quorum shall fail to attend the Meeting, either in person or represented by proxy, the chairman may adjourn the Meeting, or alternatively, a stockholder or a person named as a proxy may propose the adjournment of the Meeting. Any such adjournment proposed by a stockholder or person named as a proxy would require the affirmative vote of the majority of the outstanding shares present in person or represented by proxy at the Meeting.

Expenses of Soliciting Proxies

VeriSign will pay the expenses of soliciting proxies to be voted at the Meeting. VeriSign has retained The Altman Group to assist with the solicitation of proxies for a fee of \$7,000, plus reimbursement of expenses. Following the original mailing of the Notice of Internet Availability of Proxy Materials and paper copies of proxies and other proxy soliciting materials, we and/or our agents may also solicit proxies by mail, telephone, electronic transmission, including email, or in person. Following the original mailing of the Notice of Internet Availability of Proxy Materials and paper copies of the proxies and other proxy soliciting materials, we will request that brokers, custodians, nominees and other record holders of our shares forward copies of the proxy and other proxy soliciting materials to persons for whom they hold shares and request authority for the exercise of proxies. In such cases, we will reimburse the record holders for their reasonable expenses if they ask us to do so.

Table of Contents

Revocability of Proxies

A stockholder may revoke any proxy that is not irrevocable by attending the Meeting and voting in person or by delivering a proxy in accordance with applicable law bearing a later date to the Secretary of the Company.

Internet and Telephone Voting

If you hold shares of record as a registered stockholder, you can simplify your voting process and save the Company expense by voting your shares by telephone at 1-866-540-5760 or on the Internet at www.proxyvoting.com/vrsn twenty-four hours a day, seven days a week. Telephone and Internet voting are available through 11:59 p.m. Eastern Time the day prior to the Meeting. More information regarding Internet voting is given on the Notice of Internet Availability of Proxy Materials. If you hold shares through a bank or brokerage firm, the bank or brokerage firm will provide you with separate instructions on a form you will receive from them. Many such firms make telephone or Internet voting available, but the specific processes available will depend on those firms' individual arrangements.

Householding

VeriSign has adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission (the "SEC"). Under this procedure, VeriSign is delivering only one copy of the Notice of Internet Availability of Proxy Materials or paper copies of the Annual Report and Proxy Statement, as the case may be, to multiple stockholders who share the same address and have the same last name, unless VeriSign has received contrary instructions from an affected stockholder. This procedure reduces VeriSign's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to receive separate voter control numbers or proxy cards, in accordance with their preferred method of delivery.

VeriSign will deliver promptly upon written or oral request a separate copy of the Notice of Internet Availability of Proxy Materials or Annual Report and the Proxy Statement to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of any of these documents, you may write or call VeriSign's Investor Relations Department at VeriSign, Inc., 487 East Middlefield Road, Mountain View, California 94043-4047, Attention: Investor Relations, telephone 1-800-922-4917, or via email at ir@verisign.com. You may also access VeriSign's Annual Report and Proxy Statement on the Investor Relations section of VeriSign's website at <http://investor.verisign.com>.

If you are a holder of record and would like to revoke your householding consent and receive a separate copy of the Notice of Internet Availability of Proxy Materials, Annual Report or Proxy Statement in the future, please contact BNY Mellon Shareowner Services, either by calling toll free at 1-877-255-1918 or by writing to BNY Mellon Shareowner Services, Householding Department, P.O. Box 358015, Pittsburgh, PA 15252-8015. You will be removed from the householding program within thirty days of receipt of the revocation of your consent.

Any stockholders of record who share the same address and currently receive multiple copies of VeriSign's Notice of Internet Availability of Proxy Materials, Annual Report or Proxy Statement who wish to receive only one copy of these materials per household in the future, please contact VeriSign's Investor Relations Department at the email address, physical address or telephone number listed above to participate in the householding program.

A number of brokerage firms have instituted householding. If you hold your shares in "street name," please contact your bank, broker or other holder of record to request information about householding.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

The Board has nominated each of the eight current directors for re-election at the Meeting to serve until the 2011 Annual Meeting of Stockholders and until their respective successors have been elected and qualified. There are currently no vacancies on the Board. Proxies cannot be voted for more than eight persons, which is the number of nominees.

Unless otherwise directed, the persons named in the proxy intend to vote all proxies **FOR** the re-election of the nominees, as listed below, each of whom has consented to serve as a director if elected. If, at the time of the Meeting, any of the nominees is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy will be exercised to vote for a substitute candidate designated by the Board, unless the Board chooses to reduce its own size. Non-Employee Director Retainer Fees and Equity Compensation Information

On May 4, 2009 and August 3, 2009, the Compensation Committee met to consider the equity-based compensation to be paid to non-employee directors. The Compensation Committee reviewed competitive market data prepared by Frederic W. Cook & Co. (FW Cook) for the same comparator group used to benchmark executive compensation and certain available information for other boards and reviewed the board compensation practices of these companies. For information about the comparator group, see Executive Compensation Compensation Discussion and Analysis. Following this review and consideration of the recommendations made by FW Cook, the Compensation Committee determined that it was in the best interests of VeriSign and its stockholders that the annual equity award grant to each director worth \$200,000 be made solely in the form of restricted stock units (RSUs). New directors are granted an equity award equal to the pro rata amount of such annual equity award, the amount of which is determined based on the date of such new director's appointment or election to the Board. After consideration of materials and recommendations from FW Cook, the Compensation Committee approved an annual retainer for the Lead Independent Director in the amount of \$25,000, effective as of February 24, 2009, the date William L. Chenevich was appointed Lead Independent Director.

During 2009, annual retainer fees were as follows:

Annual retainer for non-employee directors	\$ 40,000
Additional annual retainer for Non-Executive Chairman of the Board(1)	\$ 100,000

(1) The position of Non-Executive Chairman of the Board was not held during 2009, and as such no annual retainer fees were paid during this period. Non-employee directors are reimbursed for their expenses in attending meetings.

CORPORATE GOVERNANCE

Independence of Directors

As required under The NASDAQ Stock Market's listing standards, a majority of the members of our Board must qualify as independent, as determined by the Board. The Board consults with our legal counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of The NASDAQ Stock Market.

Consistent with these considerations, after review of all relevant transactions and relationships between each director, or any of his or her family members, and VeriSign, our executive officers or our independent registered public accounting firm, the Board affirmatively determined on February 23, 2010 that the majority of our Board is comprised of independent directors. Our independent directors are: Mr. Chenevich, Ms. Cote, Mr. Roach, Mr. Simpson, and Mr. Tomlinson. Each director who serves on the Audit Committee, the Compensation Committee or the Corporate Governance and Nominating Committee is an independent director. Mr. Bidzos serves as Executive Chairman. Mr. McLaughlin serves as President and Chief Executive Officer. During 2009, Mr. Moore served as a consultant assisting VeriSign in the divestiture of its Communications Services business.

Board Leadership Structure

The Company's eight-member Board is led by Chairman D. James Bidzos. Mr. Bidzos is also an officer of the Company as its Executive Chairman. The Company's President and Chief Executive Officer is Mark D. McLaughlin, who is also a member of the Board. The Board has appointed a Lead Independent Director, who is currently William L. Chenevich. The Lead Independent Director presides at all meetings of the Board at which the Chairman of the Board is not present. Five of the eight directors are independent.

Mr. Bidzos was a founder of the Company and its initial Chief Executive Officer, and he has been either Chairman or Vice Chairman of the Company's Board of Directors since the Company's founding in 1995. Mr. Bidzos's current tenure as Chairman of the Board dates to August 2007. Mr. Chenevich has also been a member of the Board since the Company's founding in 1995 and has been the Lead Independent Director since February 2009. Mr. McLaughlin was appointed President of the Company in January 2009 and Chief Executive Officer of the Company and a director in August 2009.

The Company has determined that its current leadership represents an appropriate structure for the Company at this time given the Company's recent management and Board composition changes. In particular, this structure capitalizes on the expertise and experience of Messrs. Bidzos and Chenevich due to their long-tenured service to the Board, while also providing a direct role in Board matters for Mr. McLaughlin, as current President and Chief Executive Officer of the Company. The structure permits Mr. Bidzos to engage in a more in-depth way in the operations of the Company as Executive Chairman, while ensuring that the roles of Chairman and President and Chief Executive Officer are separate and that Mr. McLaughlin has clear lines of authority as Chief Executive Officer. Lastly, the structure ensures Board independence from management by permitting the Lead Independent Director to call and chair meetings of the independent directors separate and apart from the Chairman of the Board.

Board Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputational risks. The full Board (or the appropriate Committee in the case of risks that are under the purview of a particular Committee) receives these reports from the appropriate member of senior management responsible for mitigating these risks within the organization to enable it to understand our risk identification, risk management and risk mitigation strategies. When a Committee receives a report on risks

Table of Contents

under its purview, the Chairperson of the relevant Committee reports on the discussion to the full Board during the Committee reports portion of the next Board meeting. This enables the Board and its Committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Board and Committee Meetings

The Board met eight times and its committees collectively met fourteen times during 2009. During his or her tenure on the Board, in fiscal 2009, no director attended fewer than 75% of the aggregate of (i) the total number of meetings held by the Board and (ii) the total number of meetings held by all committees on which he or she served. As the Lead Independent Director, Mr. Chenevich may schedule and conduct separate meetings of the independent directors and perform other similar duties.

Board Members Attendance at the Annual Meeting

Although we do not have a formal policy regarding attendance by members of the Board at our annual meeting of stockholders, we encourage directors to attend. One member of the Board attended our 2009 Annual Meeting of Stockholders.

Corporate Governance and Nominating Committee

The Board has established a Corporate Governance and Nominating Committee to recruit, evaluate, and nominate candidates for appointment or election to serve as members of the Board, recommend nominees for committees of the Board, recommend corporate governance principles and periodically review and assess the adequacy of these principles, and review annually the performance of the Board. The Corporate Governance and Nominating Committee is currently composed of Ms. Cote (Chairperson) and Messrs. Chenevich and Roach, each of whom has been determined by the Board to be an independent director under the rules of The NASDAQ Stock Market. The Corporate Governance and Nominating Committee operates pursuant to a written charter. The Corporate Governance and Nominating Committee's charter is located on our website at <https://investor.verisign.com/documents.cfm>. The Corporate Governance and Nominating Committee met four times during fiscal 2009.

In nominating candidates for election to the Board, the Corporate Governance and Nominating Committee considers the performance and qualifications of each potential nominee or candidate, not only for his or her individual strengths but also for his or her potential contribution to the Board as a group. While it has no express policy, in carrying out this responsibility, the Corporate Governance and Nominating Committee also considers additional factors, such as diversity of business administration specialty, expertise within industries and markets tangential or complementary to the Company's industry, and business contacts among the various market segments relevant to the Company's sales, human resource and development strategies. Additionally, pursuant to its charter, the Corporate Governance and Nominating Committee evaluates and reviews with the Board the criteria for selecting new directors, including skills and characteristics, in the context of the current composition of the Board and its committees.

The Corporate Governance and Nominating Committee considers candidates for director nominees proposed by directors and stockholders. The Corporate Governance and Nominating Committee may also from time to time retain one or more third-party search firms to identify suitable candidates. The Corporate Governance and Nominating Committee has retained an executive search firm to conduct a search for new independent directors for the Board.

If you would like the Corporate Governance and Nominating Committee to consider a prospective candidate, in accordance with our Fifth Amended and Restated Bylaws, please submit the candidate's name and qualifications to: Richard H. Goshorn, Secretary, VeriSign, Inc., 487 East Middlefield Road, Mountain View, California 94043-4047.

Table of Contents

The Corporate Governance and Nominating Committee will consider all candidates identified by the directors, chief executive officer, stockholders, or third-party search firms through the processes described above, and will evaluate each of them, including incumbents and candidates nominated by stockholders, based on the same criteria.

Audit Committee

The Board has established an Audit Committee that oversees the accounting and financial reporting processes at the Company, internal control over financial reporting, audits of the Company's financial statements, the qualifications of the Company's independent auditor, and the performance of the Company's internal audit department and the independent auditor. The independent auditor reports directly to the Audit Committee and the Audit Committee is responsible for the appointment (subject to stockholder ratification), compensation and retention of the independent auditor. The Audit Committee also oversees the Company's processes to manage business and financial risk, and compliance with significant applicable legal and regulatory requirements, and oversees the Company's ethics and compliance programs. The Audit Committee is currently composed of Messrs. Chenevich (Chairperson) and Roach and Ms. Cote. Each member of the Audit Committee meets the independence criteria of The NASDAQ Stock Market and the SEC. Each Audit Committee member meets The NASDAQ Stock Market's financial knowledge requirements, and the Board has determined that the Audit Committee has at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities as required by Rule 5605(c)(2) of The NASDAQ Stock Market. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and The NASDAQ Stock Market. A copy of the Audit Committee charter is located on our website at <https://investor.verisign.com/documents.cfm>. The Audit Committee met five times during fiscal 2009.

Audit Committee Financial Expert

Our Board has determined that William L. Chenevich, Kathleen A. Cote and John D. Roach are audit committee financial experts as such term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the Exchange Act). Messrs. Chenevich and Roach and Ms. Cote meet the independence requirements for audit committee members as defined in the applicable listing standards of The NASDAQ Stock Market.

Report of the Audit Committee

The information contained in this report shall not be deemed to be soliciting material or filed with the Securities and Exchange Commission (SEC) or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act) except to the extent that VeriSign specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the Securities Act) or the Exchange Act.

The Audit Committee is composed of three directors who meet the independence and experience requirements of The NASDAQ Stock Market Rules. The Audit Committee operates under a written charter adopted by the board of directors (the Board) of VeriSign, Inc. (VeriSign). The members of the Audit Committee are Messrs. Chenevich (Chairperson) and Roach, and Ms. Cote. The Audit Committee met five times during fiscal 2009.

Management is responsible for the preparation, presentation and integrity of VeriSign's financial statements, accounting and financial reporting principles and internal controls and processes designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with accounting standards and applicable laws and regulations (the Internal Controls). The independent registered public accounting firm, KPMG LLP, is responsible for performing an independent audit of VeriSign's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon.

The Audit Committee is responsible for oversight of VeriSign's financial, accounting and reporting processes and its compliance with legal and regulatory requirements. The Audit Committee is also responsible for the appointment, compensation and oversight of VeriSign's independent registered public accounting firm, including (i) evaluating the independent registered public accounting firm's qualifications and performance, (ii) reviewing and confirming the independent registered public accounting firm's independence, (iii) reviewing and approving the planned scope of the annual audit, (iv) overseeing the audit work of the independent registered public accounting firm, (v) reviewing and pre-approving any non-audit services that may be performed by the independent registered public accounting firm, (vi) reviewing with management and the independent registered public accounting firm the adequacy of VeriSign's Internal Controls, and (vii) reviewing VeriSign's critical accounting policies, the application of accounting principles and conduct of the internal audit, including the oversight of the resolution of any issues identified by the independent registered public accounting firm.

We have adopted a policy regarding rotation of the audit partners (as defined under SEC rules) responsible for the audit of VeriSign's financial statements. The registered public accounting firm shall not provide audit services to VeriSign if the lead or coordinating audit partner (having primary responsibility for the audit) or the audit partner responsible for reviewing the audit, has performed audit services to VeriSign in each of the five previous fiscal years.

During fiscal 2009, the Audit Committee met privately with KPMG LLP to discuss the results of the audit, evaluations by the independent registered public accounting firm of VeriSign's Internal Controls and quality of VeriSign's financial reporting.

The Audit Committee has reviewed and discussed the audited consolidated financial statements contained in VeriSign's Annual Report on Form 10-K for the year ended December 31, 2009 with management. This review included a discussion of the accounting principles, reasonableness of significant judgments, and clarity of disclosures in the consolidated financial statements. Management represented to the Audit Committee that VeriSign's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and the Audit Committee has reviewed and discussed the consolidated financial statements with management and KPMG LLP.

The Audit Committee has discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed the firm's independence with the firm.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in VeriSign's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC.

Legal Proceedings

On July 6, 2006, a stockholder derivative complaint (Parnes v. Bidzos, et al., and VeriSign) was filed against VeriSign in the U.S. District Court for the Northern District of California, as a nominal defendant, and certain of its current and former directors and executive officers related to certain historical stock option grants. The complaint seeks unspecified damages on behalf of VeriSign, constructive trust and other equitable relief. Two other derivative actions were filed, one in the U.S. District Court for the Northern District of California (Port Authority v. Bidzos, et al., and VeriSign), and one in the Superior Court of the State of California, Santa Clara County (Port Authority v. Bidzos, et al., and VeriSign) on August 14, 2006. The state court derivative action is stayed pending resolution of the federal actions. The current directors and officers named in this state action are D. James Bidzos, William L. Chenevich, Roger H. Moore and Louis A. Simpson. The Company is named as a nominal defendant in these actions. The federal actions have been consolidated and plaintiffs filed a consolidated complaint on November 20, 2006 (Federal Action). The current directors and officers named in this consolidated Federal Action are D. James Bidzos, William L. Chenevich, Roger H. Moore, Louis A. Simpson and Timothy Tomlinson. Motions to dismiss the consolidated federal court complaint were heard on May 23, 2007. Those motions were granted on September 14, 2007. On November 16, 2007, a second amended stockholder derivative complaint was filed in the Federal Action wherein the Company was again named as a nominal defendant. By stipulation and Court order, defendants' obligation to respond to the second amended stockholder derivative complaint has been continued pending informal efforts by the parties to resolve the Federal Action. The parties have reached an agreement to resolve the option grant related matters. The Federal Action is subject to approval of the U.S. District Court for the Northern District of California. On March 5, 2010, the United States District Court for the Northern District of California issued an order granting preliminary approval of the settlement of the Federal Action. A hearing for final approval is scheduled for June 2, 2010. The parties have agreed that upon final approval of the settlement and dismissal of the Federal Action the parallel state court proceedings will be dismissed.

On May 15, 2007, a putative class action (Mykityshyn v. Bidzos, et al., and VeriSign) was filed in Superior Court for the State of California, Santa Clara County, naming VeriSign and certain current and former officers

Table of Contents

and directors, alleging false representations and disclosure failures regarding certain historical stock option grants. The plaintiff purports to represent all individuals who owned VeriSign's common stock between April 3, 2002, and August 9, 2006. The complaint seeks rescission of amendments to the 1998 and 2006 Option Plans and the cancellation of shares added to the 1998 Option Plan. The complaint also seeks to enjoin the Company from granting any stock options and from allowing the exercise of any currently outstanding options granted under the 1998 and 2006 Option Plans. The complaint seeks an unspecified amount of compensatory damages, costs and attorneys fees. The identical case was filed in the Superior Court for the State of California, Santa Clara County under a separate name (*Pace v. Bidzos, et al., and VeriSign*) on June 19, 2007, and on October 3, 2007 (*Mehdian v. Bidzos, et al.*). On December 3, 2007, a consolidated complaint was filed in Superior Court for the State of California, Santa Clara County. The current directors and officers named in this consolidated class action are D. James Bidzos, William L. Chenevich, Roger H. Moore and Louis A. Simpson. VeriSign and the individual defendants dispute all of these claims. Defendants' collective pleading challenges to the putative consolidated class action complaint were granted with leave to amend in August 2008. By stipulation and Court order, plaintiff's obligation to file an amended consolidated class action complaint has been continued pending informal efforts by the parties to resolve the action. The parties have reached an agreement to resolve all of the option grant related matters. The Federal Action is subject to approval of the U.S. District Court for the Northern District of California. On March 5, 2010, the United States District Court for the Northern District of California issued an order granting preliminary approval of the settlement of the Federal Action. A hearing for final approval is scheduled for June 2, 2010. The parties have agreed that upon final approval of the settlement and dismissal of the Federal Action the parallel state court proceedings will be dismissed.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and officers, and persons who own more than 10% of VeriSign's common stock to file initial reports of ownership and reports of changes in ownership with the SEC and The NASDAQ Stock Market. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms that they file. We file Section 16(a) reports on behalf of our directors and executive officers to report their initial and subsequent changes in beneficial ownership of our common stock.

Based solely on a review of the reports we filed on behalf of our directors and executive officers, or written representations from reporting persons that all reportable transactions were reported, the Company believes that all Section 16(a) filing requirements applicable to our directors and executive officers were complied with for fiscal 2009.

PROPOSAL NO. 2

APPROVAL OF ANNUAL INCENTIVE COMPENSATION PLAN

Summary of the VeriSign, Inc. Annual Incentive Compensation Plan

At the Annual Meeting of Stockholders, we will ask the stockholders to approve the VeriSign, Inc. Annual Incentive Compensation Plan (the Plan). The purpose of the Plan is to advance the interests of the Company and its stockholders and assist the Company in attracting and retaining executive officers by providing incentives and financial rewards to such executive officers that are intended to be deductible to the maximum extent possible as performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). If approved by stockholders, the Plan will become effective as of January 1, 2010.

The material terms of the Plan are summarized below. This summary is qualified by reference to the full text of the Plan, which is included as Appendix A to this Proxy Statement.

Administration; Amendment and Termination. The Plan is administered by the Compensation Committee of the Board of Directors of the Company, or any subcommittee of the Compensation Committee formed by the Compensation Committee to act on its behalf under the Plan (the Compensation Committee or any such subcommittee, for the purposes of this section, the Committee). The Committee has broad authority to administer and interpret the Plan and its provisions as it deems necessary and appropriate. The Committee will be composed solely of two or more outside directors within the meaning of Section 162(m) of the Code. The Board of Directors or the Committee may amend or terminate the Plan at any time. Amendments to the Plan will require stockholder approval to the extent required to comply with applicable law or stock exchange requirements.

Eligibility. Executive officers of the Company who are selected by the Committee to participate in the Plan are eligible to receive awards under the Plan. Currently, there are seven executive officers of the Company.

Performance Criteria. The Committee will establish specific performance targets applicable to awards granted under the Plan, determine the period over which such performance will be measured and establish an objective formula for calculating the bonus payable to each participant pursuant to his or her award. The Committee will take these actions within 90 days of the beginning of the Company's fiscal year (or, if earlier, by the expiration of 25% of the applicable performance period).

The performance targets may be based on one or more of the following performance criteria: net sales; revenue; revenue growth or product revenue growth; operating income (before or after taxes); pre- or after-tax income or loss (before or after allocation of corporate overhead and bonus); earnings or loss per share; net income or loss (before or after taxes); return on equity; total stockholder return; return on assets or net assets; appreciation in and/or maintenance of the price of shares of the Company's common stock or any other publicly-traded securities of the Company; market share; gross profits; earnings or losses (including earnings or losses before taxes, before interest and taxes, or before interest, taxes, depreciation and amortization); economic value-added models or equivalent metrics; comparisons with various stock market indices; reductions in costs; cash flow or cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; improvement in or attainment of expense levels or working capital levels, including cash, inventory and accounts receivable; operating margin; gross margin; year-end cash; cash margin; debt reduction; stockholders equity; operating efficiencies; market share; customer satisfaction; customer growth; employee satisfaction; regulatory achievements (including submitting or filing applications or other documents with regulatory authorities or receiving approval of any such applications or other documents and passing pre-approval inspections (whether of the Company or the Company's third-party manufacturer) and validation of manufacturing processes (whether the Company's or the Company's third-party manufacturer's)); strategic partnerships or transactions (including in-licensing and out-licensing of intellectual

property; establishing relationships with commercial entities with respect to the marketing, distribution and sale of the Company's products (including with group purchasing organizations, distributors and other vendors); supply chain achievements (including establishing relationships with manufacturers or suppliers of component materials and manufacturers of the Company's products); co-development, co-marketing, profit sharing, joint venture or other similar arrangements); financial ratios, including those measuring liquidity, activity, profitability or leverage; cost of capital or assets under management; financing and other capital raising transactions (including sales of the Company's equity or debt securities; factoring transactions; sales or licenses of the Company's assets, including its intellectual property, whether in a particular jurisdiction or territory or globally; or through partnering transactions); implementation, completion or attainment of measurable objectives with respect to research, development, manufacturing, commercialization, products or projects, production volume levels, acquisitions and divestitures; factoring transactions; or recruiting and maintaining personnel.

The Committee may also specify any exclusion(s) or inclusion(s) for charges related to any event(s) or occurrence(s) which the Committee determines should appropriately be excluded or included, as applicable, for purposes of measuring performance against the applicable performance targets, which may include (a) restructurings, reorganizations, discontinued operations, non-core businesses in continuing operations, acquisitions, dispositions, or any extraordinary nonrecurring items as described in ASC Subtopic 225-20 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's Annual Report on Form 10-K for the applicable year, (b) the cumulative effects of tax or accounting changes, each in accordance with generally accepted accounting principles, (c) foreign exchange gains or losses, (d) stock-based compensation, (e) amortization of intangible assets, impairments of goodwill and other intangible assets, asset write downs, or non-cash interest expense or (f) litigation or claim judgments or settlements. In addition, if the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company, or the manner in which it conducts its business, or other events or circumstances, render previously established performance goals unsuitable, the Committee may in its discretion modify such performance goals or the related levels of achievement, in whole or in part, as the Committee deems appropriate and equitable; provided that, unless the Committee determines otherwise, no such action shall be taken if and to the extent it would result in the loss of an otherwise available exemption of the award under Section 162(m) of the Code.

The Committee may not waive the achievement of the applicable performance goals except in the case of the death or disability of the Participant, a change in control of the Company, or as otherwise determined by the Committee in special circumstances, in each case in accordance with the exception for performance-based compensation set forth in Section 162(m) of the Code.

Maximum Award; Payment of Awards. The maximum dollar value of an award payable to any participant in any 12-month period is \$5,000,000. The amount of the award actually paid to a participant may, in the sole discretion of the Committee, be reduced to less than the amount otherwise payable to the participant based on attainment of the performance goals for the performance period (including that any such amount may be reduced to zero). Each award under the Plan will be paid in cash or, to the extent provided in such stock plan, in share awards under a stockholder-approved stock plan of the Company. If permitted by the Committee, receipt of payment pursuant to awards under the Plan may be deferred under certain circumstances in accordance with a deferred compensation plan that complies with Section 409A of the Code.

Termination of Employment. Payment to each Participant shall be subject to the Participant's continuous employment with the Company or an affiliate through the applicable payment date. If a Participant does not remain continuously employed with the Company or an affiliate through the applicable payment date for an award, the participant will forfeit his or her right to any payment pursuant to such award; provided that, except where the participant was terminated for cause (as determined by the Committee in its sole discretion), the Committee, in its sole discretion, may determine to pay such participant all or any portion of such award, subject to such terms and conditions as the Committee may establish and, unless the Committee determines otherwise, subject to compliance with the exception for performance-based compensation set forth in Section 162(m) of the Code.

Table of Contents

Federal Income Tax Consequences. The following is a summary of certain federal income tax consequences of awards made under the Plan, based upon the laws in effect on the date hereof. The discussion is general in nature and does not take into account a number of considerations which may apply in light of the circumstances of a particular participant under the Plan. The income tax consequences under applicable state and local tax laws may not be the same as under federal income tax laws.

If an award under the Plan is paid in cash or its equivalent, a participant will recognize compensation taxable as ordinary income (and subject to income tax withholding) at the time the award is paid in an amount equal to the cash or the fair market value of its equivalent, and the Company will be entitled to a corresponding deduction, except to the extent the deduction limits of Section 162(m) of the Code apply. Section 162(m) of the Code limits the deductibility of certain compensation of the Chief Executive Officer and the next three most highly compensated officers of publicly-held corporations (other than the Chief Financial Officer). Compensation paid to such an officer during a year in excess of \$1,000,000 that is not performance-based (and does not comply with another exception from Section 162(m)) would not be deductible on the Company's federal income tax return for that year. It is intended that compensation attributable to awards payable under the Plan will qualify as performance-based compensation under Section 162(m) of the Code.

New Plan Benefits. The amounts of awards for fiscal year 2010 and any subsequent years will be determined based upon the performance criteria and any maximum bonus amounts below the \$5,000,000 cap that may be established by the Committee from time to time for such year. As a result, it is not possible to determine the amounts of awards for fiscal year 2010 or subsequent years at this time. Moreover, because the Committee can reduce each participant's award under the Plan by any amount in its discretion, it is also not possible to determine the amounts that would have been paid for fiscal year 2009 had the Plan been in effect during such year. If the Plan had been in effect during fiscal year 2009, the maximum award payable under the Plan's formula would have been \$5,000,000 for each executive officer participant in the Plan. If the Plan had been in effect for the 2009 fiscal year, the Committee may have exercised its discretion to reduce each participant's award. See the Summary Compensation Table elsewhere in this Proxy Statement for the incentive awards the Committee actually determined to pay our Named Executive Officers for the 2009 fiscal year.

Approval

Under Delaware law, Section 162(m) of the Code and the charter and Bylaws of the Company, the Plan, including the material terms of the performance goals set forth therein, is approved by stockholders if a majority of the votes cast on this Proposal No. 2 are cast in favor of approval.

The Board Recommends a Vote FOR the Approval of the Annual Incentive Compensation Plan.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Summary

In 2009, we successfully completed the divestiture of our non-core businesses. We continued to invest in our core lines of business, Naming Services and Authentication Services, through investments in infrastructure, marketing, customer relationships and organizational programs. We solidified our executive ranks, appointing Mark D. McLaughlin as President and Chief Executive Officer and Brian G. Robins as Executive Vice President and Chief Financial Officer. Mr. Bidzos transitioned to the role of Executive Chairman and continues to serve as Chairman of the Board of Directors.

In the sections below, we describe our executive compensation program for 2009, including:

The principles on which our executive compensation program was based.

The process by which the Compensation Committee established and reviewed the executive compensation program.

The elements that made up our executive compensation program, as well as detailed information on each individual element. For 2009, our Named Executive Officers were:

1. D. James Bidzos, Executive Chairman;
2. Mark D. McLaughlin, President and Chief Executive Officer;
3. Brian G. Robins, Executive Vice President and Chief Financial Officer;
4. Richard H. Goshorn, Senior Vice President, General Counsel and Secretary;
5. Russell S. Lewis, Executive Vice President, Strategy and Technical Operations; and
6. Kevin A. Werner, Senior Vice President, Corporate Development and Strategy.

Executive Compensation

Compensation Goals and Philosophy

Our executive compensation program is designed to provide a mix of short-term and long-term incentives that are linked to the achievement of key business goals and that ultimately create long-term value for our stockholders. Our program seeks to attract and retain highly talented executives and to motivate them to achieve our business objectives and contribute to our long-term success.

Our executive officer compensation program is designed with the following goals and principles in mind:

Performance: a significant portion of each executive officer's total compensation should depend on the achievement of corporate objectives and the creation of stockholder value. Compensation should be directly linked to measurable corporate and individual performance, and provide incentives for superior performance.

Edgar Filing: VERISIGN INC/CA - Form DEF 14A

Alignment: compensation should closely align the interests of our executive officers with the long-term interests of our stockholders.

Recruiting and Retention: compensation should be competitive with that offered by other leading high technology companies we view as competitors for the employment of talented executives.

The Process for Setting Compensation

Role of the Compensation Committee: The Compensation Committee of our Board of Directors is ultimately responsible for the oversight of our compensation and benefit programs, and sets the policies governing compensation of our executive officers and our other employees. As part of this process, the Compensation Committee annually reviews and approves all elements of our executive compensation program (except health and welfare and other benefits provided to other full-time employees). It also reviews and approves the annual incentive bonus program and long-term incentive compensation programs for our non-officer employees. In addition, the Compensation Committee conducts a risk assessment to review that compensation policies and practices are well-aligned with VeriSign compensation design principles and that they are not reasonably likely to have an adverse impact on the Company.

Individual compensation decisions are made by the Compensation Committee after reviewing the performance of the Company and each executive's performance during the year against established goals, current compensation arrangements, market trends, and the compensation history of the executive officer relative to other executives at VeriSign.

Role of Management: The Chief Executive Officer (the CEO) annually reviews the performance of each executive officer (other than the CEO whose performance is ordinarily reviewed by the Chairman of the Board and the Board of Directors) and makes a recommendation regarding the salary, incentive bonus and long-term incentive compensation for each executive officer based on his assessment of the performance of each individual. The CEO also takes an active part in the discussions of the Compensation Committee regarding the compensation of executives who report to him directly, including the Named Executive Officers. All decisions regarding the CEO's compensation are made by the Compensation Committee in executive session, without the CEO present.

In 2009, Mr. Bidzos, in his role as Executive Chairman and President and CEO on an interim basis and then as Executive Chairman, continued to have an active role in discussions at Compensation Committee meetings. Mr. Bidzos did not participate in discussions concerning his compensation. Mr. McLaughlin began his participation in Compensation Committee discussions upon his appointment as CEO in August 2009.

Role of Compensation Consultant: Frederic W. Cook & Co. Inc. (FW Cook), a recognized compensation consulting firm, serves as the independent consultant to the Compensation Committee to assist it in evaluating and analyzing the Company's executive compensation program, principles and objectives, as well as the specific compensation and benefit design recommendations presented by the Company's executive management. FW Cook prepares a report relating to the CEO's and all other Named Executive Officers' compensation. The report includes comparative data with respect to peer companies, a tally sheet detailing total target cash compensation, the value of long-term incentive grants, the total annual value of benefits, estimated severance benefits for termination after a change-in-control, historical compensation data, and an analysis of built-in-gain on prior equity awards. FW Cook does not perform any other services for us other than its consulting services to the Compensation Committee.

Benchmarking: We use a benchmarking process to help determine base salary, annual incentive bonus targets and long-term incentive compensation targets for our executive officers. We undertake an annual study of competitive compensation practices for executive officers at certain high technology companies that we view as our peers or as competitors for executive talent.

While the Compensation Committee carefully considers market data of our peers and other benchmark survey sources, it does not target a specific percentile when determining total compensation levels for its Named Executive Officers. Other key considerations include the executive's individual performance in the prior year relative to his peers, the executive's future potential with us, internal pay equity and the scope of the executive's responsibilities and experience. Other elements of compensation, including health and welfare and other benefits

Table of Contents

and severance and change-in-control payments and benefits are reviewed periodically by the Compensation Committee to ensure that our total compensation is competitive based on data obtained from various sources at the time of the review.

Our compensation peer group is principally made up of publicly-traded companies in the high technology sector which are business competitors and/or with which we compete for executive talent (the Peer Group). The Compensation Committee reviews the Peer Group annually and makes adjustments as necessary to ensure it continues to appropriately reflect the competitive market for key talent and includes companies similar to us in scope and complexity.

The Peer Group used to set 2009 compensation is comprised of the same companies that we considered as peers in 2008 and is listed below:

25th Percentile	\$ 1,651	\$ 2,835
VeriSign	\$ 1,031	\$ 4,662

The Compensation Committee also reviewed and considered cash compensation levels from the Radford Executive Survey covering general technology companies with annual revenues between \$1B - \$3B.

At its meeting on November 3, 2009, the Compensation Committee selected a new Peer Group to be used for 2010 compensation analysis. As VeriSign was nearing completion of its divestiture activity, the Committee believed it was appropriate to revise the Peer Group to more appropriately align with VeriSign's revenue and market capitalization.

The Peer Group that will be used beginning in 2010 consists of the following companies:

Akamai Technologies	Equinix	Neustar	Salesforce.com
ANSYS	Facstet Research Systems	Nuance Communications	Solera Holdings

Equity Award Practices

The Compensation Committee approves all equity awards to Section 16 executive officers, which include the Named Executive Officers, including annual award grants and any new hire, promotion and discretionary grants.

The Compensation Committee also approves the aggregate annual equity pool and employee grant guidelines. The Committee has delegated the actual award determination for non-Section 16 employees to the Grant Committee, other than the annual equity awards which are approved by the Committee, as described below. The Grant Committee was comprised of one individual, D. James Bidzos, Executive Chairman, until November 3, 2009, at which time the Board appointed Mark D. McLaughlin, President and CEO, to also serve as a member of the Grant Committee. The Compensation Committee has determined that any such awards would be granted on the 15th of the month (or the next scheduled trading day if the 15th of the month falls on a non-trading date) following the approval by the Grant Committee.

The allocation of annual equity awards is administered in February to align with the Company's regular performance management process, which occurs in the first quarter of the fiscal year. During this process, decisions regarding employee performance, salary increases and bonus awards are determined. The equity award grants allocated to Section 16 Officers and all other employees during the annual performance management process are reviewed, approved and granted by the Compensation Committee at its regular meeting during the first quarter of each year.

Elements of Compensation Program

Base Salary: Base salary is the primary fixed component of our compensation program, and is intended to provide a guaranteed level of annual income to our executives. We believe that offering a competitive annual base salary that is not subject to risk for performance is vital in attracting and retaining our executives.

Base salaries of our executive officers are determined annually. Actual base salary levels are established based upon each executive officer's job responsibilities and experience, individual contributions and future potential. We benchmark against base salary and total compensation levels of executives from our Peer Group to help determine appropriate compensation levels for each executive officer. We also reference other compensation data and surveys relevant to establishing individual or programmatic changes. The Compensation Committee is mindful of the effects changes to base salary can have on other elements of our compensation program such as target bonus amounts and potential severance payments, and carefully considers these factors when setting or changing executive base salaries.

Table of Contents

During the course of 2009, the Compensation Committee reviewed base salary levels for our Named Executive Officers. The Compensation Committee reviewed competitive benchmark data provided by FW Cook and recommendations from the Executive Chairman and CEO regarding each executive's individual performance. Based on this information, the Compensation Committee made adjustments to salary levels, which they believed provided appropriate compensation commensurate with the executive's performance and scope of responsibilities. The resulting salary levels were between the 25th percentile and 50th percentile of the 2009 Peer Group and survey data obtained from the Radford Executive Survey.

Below is a summary of base salary changes that occurred in 2009:

The salary rate change for Mr. Bidzos reflects his base salary adjustment when he transitioned to the role of Executive Chairman on August 17, 2009. Mr. Bidzos's compensation is further summarized in the section titled "CEO Compensation."

Mr. McLaughlin was re-hired by the Company as President and Chief Operating Officer on January 14, 2009 with a base salary of \$500,000. A summary of Mr. McLaughlin's professional background is provided in this Proxy Statement under Proposal No. 1 "Election of Directors."

On August 17, 2009, Mr. McLaughlin's salary rate was adjusted to \$750,000 commensurate with his appointment as President and Chief Executive Officer. Mr. McLaughlin's compensation is further summarized in the section titled "CEO Compensation."

Effective March 7, 2009, Mr. Robins received a salary increase to \$320,000 as part of the Company's regular performance management process conducted in the first quarter of 2009. On August 4, 2009, concurrent with his appointment as Executive Vice President and Chief Financial Officer, Mr. Robins received a salary adjustment to \$400,000. This new salary was determined after reviewing salary levels and total direct compensation of our Peer Group and from the Radford Executive Survey.

Mr. Goshorn received a salary increase to \$400,000 effective March 7, 2009. This base salary level was determined upon review of his performance and a comparison of compensation levels for similar positions at the companies in our Peer Group and from the Radford Executive Survey.

Messrs. Lewis's and Werner's base salary levels were unchanged for 2009. It was determined that their base salary levels were appropriately positioned following a review of their performance and a comparison of compensation levels of comparable positions at the companies in our Peer Group and from the Radford Executive Survey.

For 2010, base salaries were not adjusted for Named Executive Officers.

Annual Incentive Bonus: We have established the VeriSign Performance Plan (VPP), an annual cash bonus plan that is designed to reward members of the executive team and other employees for their contributions in helping us achieve financial, operating, and other goals. The plan provides participants with the opportunity to earn an annual cash bonus based on our performance compared against pre-established financial and individual goals. Target bonus levels for our executive officers are established in part by reference to bonus levels of executives in our Peer Group as determined by our benchmarking analysis. VeriSign's bonus targets in 2009 for its Named Executive Officers were overall below competitive median rates as compared to its Peer Group and survey information obtained from the Radford Executive Survey. This competitive position is influenced by some executives being new in their role or in an acting capacity when targets were reviewed.

In 2009, the VPP goals for executive officers were based on two financial performance measures from the Naming Services and Authentication Services businesses, (Core Business Units): (i) GAAP revenue from Core Business Units weighted at fifty percent (50%) and (ii) consolidated non-GAAP operating income weighted at fifty percent (50%). The Compensation Committee believed that this was an appropriate weighting for the goals to incentivize management to focus on the Company's core business operations, driving revenue and operating income growth.

Consolidated non-GAAP operating income excluded the following items that are included under GAAP: discontinued operations, non-core businesses in continuing operations, stock-based compensation, amortization of other intangible assets, impairments of goodwill and other intangible assets and restructuring costs. The non-GAAP performance measure is used because we believe it presents a clearer picture of the Company's core operation and is not considered a substitution for results prepared in accordance with GAAP.

These goals represented a change from 2008, when the performance measures were non-GAAP operating income from Core Business Units and a strategic goal to substantially complete the divestiture program, with these goals weighted at ninety percent (90%) and ten percent (10%), respectively. The Compensation Committee changed these goals for 2009 to align the performance measures with the Company's plan to focus on driving revenue and operating income growth in its Core Business Units. The goals for 2009 were reviewed and approved by the Compensation Committee in March 2009.

For the 2009 VPP bonuses for executives, the Compensation Committee established target levels of performance for each metric, equal to \$1,025M for revenue and \$374.5M for consolidated non-GAAP operating income. Actual funding for payouts was determined based on the level of achievement of each metric. A further description of the funding established for each metric is set forth below:

The revenue goal from Core Business Units was weighted at 50% of the total bonus pool. This portion would be funded when the actual results met a threshold level of achievement greater than 90% of the established revenue target of \$1,025M. Based on a weighting of 50%, revenue achievement between 90% and 95% would result in a funding level of 0% to 15%; revenue achievement of 95% to 100% would result in a funding level of 15% to 50%; revenue achievement over 100% and up to 120% would result in funding from 50% to 150%.

The consolidated non-GAAP operating income goal was weighted at 50% of the total bonus pool. This portion would be funded when actual results met a threshold level of achievement greater than 90% of the established consolidated non-GAAP operating income target of \$374.5M. Based on a weighting of 50%, non-GAAP operating income achievement between 90% and 95% would result in a funding level of 0% to 15%; non-GAAP operating income achievement of 95% to 100% would result in a funding level of 15% to 50%; non-GAAP operating income achievement over 100% and up to 150% would result in funding from 50% to 150%.

For 2009, the Compensation Committee determined that we achieved 98.8%, or \$1,013M of the revenue goal from Core Business Units. Based on a weighting of 50%, this resulted in a funding multiplier of 42% for

Table of Contents

this goal. The Committee also determined that we achieved 103.7% of the consolidated non-GAAP operating income. Based on a weighting of 50%, this resulted in a funding multiplier of 57.5%. In summary, the aforementioned goal achievement levels resulted in a funding level of 99.5% for the VPP bonus plan, based on the schedule approved by the Compensation Committee. This resulted in a bonus pool being established for payments of bonuses to executives equal to 99.5% of the target bonuses for the executives. Executive bonuses could be paid from this pool in an aggregate amount up to the size of the pool.

Bonus payments for the Named Executive Officers under the 2009 VPP as approved by the Compensation Committee at its meeting held on February 22, 2010, subject to final financial statement certification (which occurred on February 26, 2010), are provided in the table below.

Name	Title	Bonus Target as a % of Final 2009 Base Salary	Final 2009 Bonus Payment (Actual Bonus Paid as a % of Final 2009 Base Salary)
D. James Bidzos	Executive Chairman	Mr. Bidzos was not eligible for a bonus	n/a
Mark D. McLaughlin		100%	\$499,885
	President and Chief Executive Officer		(66.6%)
Brian G. Robins	Executive Vice President and Chief Financial Officer	75%	\$240,000
			(60%)
Richard H. Goshorn	Senior Vice President, General Counsel and Secretary	60%	\$238,800
			(59.7%)
Russell S. Lewis	Executive Vice President, Strategy and Technical Operations	60%	\$220,000
			(55%)
Kevin A. Werner	Senior Vice President, Corporate Development and Strategy	60%	\$206,250
			(55%)

Bonuses to executives are pro-rated from the date of hire or from assignment to an executive officer position, or, in the case of former executives, pursuant to their severance arrangement, if applicable. The bonus paid to Mr. McLaughlin was prorated to reflect his bonus target at 75% and base salary rate earnings of \$294,521 when he was President and COO from January 14, 2009 through August 16, 2009, and his bonus target at 100% and base salary rate earnings of \$281,507 as President and CEO from August 17, 2009 through December 31, 2009. The bonus paid to Mr. Robins was prorated to reflect his bonus target at 50% and base salary rate earnings of \$188,493 when he was acting Chief Financial Officer from January 1, 2009 through August 3, 2009 and his bonus target at 75% and base salary rate earnings of \$164,384 as CFO from August 4, 2009 through December 31, 2009. In determining the final bonus payments, the Compensation Committee also took into account the performance results against the performance measures established under the VPP and assessment of the individual performance of each of the executives.

For 2010, no changes were made to individual bonus targets for Named Executive Officers.

2010 Annual Incentive Bonuses: Similar to 2009, the VPP in 2010 will be based upon achievement of revenue and non-GAAP operating income goals. Each performance metric will be weighted at 50% and threshold levels of achievement greater than 90% will result in funding the bonus pool under the Plan. Individual bonuses will be based upon employee level, target bonus opportunity, business unit performance and individual performance.

In addition, in order to ensure that bonuses paid to executive officers are fully deductible for tax purposes, the Company adopted the VeriSign, Inc. Annual Incentive Compensation Plan (Plan). This Plan is described

Table of Contents

under Proposal No. 2 Approval of Annual Incentive Compensation Plan, and its effectiveness is conditioned on stockholder approval of the Plan. If approved by the Company's stockholders, any bonuses paid to executive officers will be paid pursuant to the Plan. Payments under the Plan will be based upon satisfaction of a performance target setting a maximum bonus and the Committee's negative discretion. The Committee currently intends that 2010 bonuses under the Plan, if approved, will be determined taking into account performance against the VPP targets.

Discretionary Bonus: At its February 23, 2009 meeting, the Compensation Committee approved a special discretionary bonus for Mr. Robins, in the amount of one hundred thousand dollars (\$100,000) in recognition of Mr. Robins' performance during 2008 in his role of acting Chief Financial Officer of the Company. This bonus was paid on March 27, 2009. Furthermore, at its May 4, 2009 meeting, the Compensation Committee authorized a bonus in the amount of one hundred thousand dollars (\$100,000) annualized to be prorated for the time period during which Mr. Robins continued in the role as acting Chief Financial Officer in 2009. This bonus was paid in the amount of \$58,904 on August 28, 2009.

Long-term Incentive Compensation: Equity-based grants are an important element of our total compensation program with the goal to align interests of Named Executive Officers with those of our stockholders and to provide each Named Executive Officer with an incentive to manage VeriSign from the perspective of an owner with an equity stake in the business. Long-term incentive award amounts are established based upon each Named Executive Officer's job responsibilities and experience, individual contributions and future potential and the value of existing vested and unvested outstanding equity awards. The Compensation Committee references long-term incentive award levels of executives at Peer Group companies and benchmark data provided by FW Cook and the Radford Executive Survey.

The Compensation Committee believes that both stock options and restricted stock units (RSUs) accomplish our goal of linking executive compensation to increases in stockholder value and providing a retention incentive. Stock options only have value to the recipient if the Company's share price increases from the date of grant. RSUs provide immediate retention value to our executives in addition to providing a strong incentive to increase the Company's share price and consequently the value of the shares received upon vesting.

In 2009, equity awards were granted during the annual equity program grant process conducted in February 2009. In addition, equity awards were granted to Messrs. McLaughlin and Robins upon their appointments as President and Chief Executive Officer and Executive Vice President and Chief Financial Officer, respectively. For the 2009 annual equity awards, 50% of the total award value was granted in the form of non-qualified stock options and 50% of the total award value was granted in the form of RSUs.

The stock options were granted with an exercise price equal to fair market value at the date of grant and vest over a four-year period, with 25% of the option shares vesting on the first anniversary of the grant and the remaining option shares vesting ratably each quarter thereafter until fully vested. The RSUs vest over a four-year period, with 25% vesting on each anniversary of the grant date until fully vested. Subject to limited exceptions, unvested awards are forfeited upon termination of employment.

Table of Contents

Stock options and RSUs were granted on February 23, 2009 at the regularly scheduled Compensation Committee meeting. The grant price for stock options was \$18.64 which was the closing price per share of VeriSign's common stock on the NASDAQ Global Select Market on February 23, 2009. The table below details the equity grants awarded to Named Executive Officers on February 23, 2009, excluding Mr. Bidzos and Mr. McLaughlin whose equity grants are discussed in the section titled CEO Compensation.

Name	Title	Number of Stock Options Granted February 23, 2009	Number of Restricted Stock Units Granted February 23, 2009
Brian G. Robins	Executive Vice President and Chief Financial Officer	50,000	20,000
Richard H. Goshorn	Senior Vice President, General Counsel and Secretary	32,500	13,000
Russell S. Lewis	Executive Vice President, Strategy and Technical Operations	25,000	10,000
Kevin A. Werner	Senior Vice President, Corporate Development and Strategy	32,500	13,000

On August 3, 2009, the Compensation Committee recommended a grant of 10,000 RSUs to be awarded to Mr. Robins, subject to approval by the Board of Directors, upon his appointment as Executive Vice President and Chief Financial Officer. The grant date of this award is August 4, 2009, commensurate with the Board approval of his appointment and effective date of his new role. These RSUs have a grant date fair value of \$205,400 and vest over a four-year period with 25% vesting on each anniversary of the grant date until fully vested.

CEO Compensation: On January 14, 2009, Mr. McLaughlin was rehired by VeriSign as President and Chief Operating Officer. The Board of Directors appointed Mr. McLaughlin as President and Chief Executive Officer of VeriSign, effective August 17, 2009. Concurrently, with the appointment of Mr. McLaughlin as Chief Executive Officer, the Board of Directors accepted the resignation of Mr. Bidzos from the position of Chief Executive Officer on an interim basis. The Board of Directors also approved the appointment of Mr. Bidzos to the position of Executive Chairman of the Company, effective August 17, 2009.

Mr. McLaughlin's base salary was established at \$500,000 per year upon his rehire into the Company on January 14, 2009 as President and Chief Operating Officer. His bonus target was set at 75% of his annual base salary. In addition, Mr. McLaughlin received an equity grant of 152,000 stock options and 61,000 RSUs, both with a grant date of January 14, 2009. The stock options have an exercise price of \$17.40 and vest over a four-year period with 25% of the option shares vesting on the first anniversary of the grant and the remaining option shares vesting ratably each quarter thereafter until fully vested. The RSUs vest over a four-year period, with 25% vesting on each anniversary of the grant date until fully vested. Subject to limited exceptions, unvested awards are forfeited upon termination of employment. Mr. McLaughlin's compensation package for his role as President and Chief Operating Officer was between the 25th and 50th percentile of the Peer Group and the Radford Executive Survey.

In connection with his new hire package, Mr. McLaughlin entered into a change-in-control agreement with the same terms as provided to other Section 16 Officers of the Company (as described under "Change-in-Control and Retention Agreements" below). In addition, Mr. McLaughlin entered into a severance arrangement pursuant to which he would be provided with certain severance benefits upon certain terminations of employment occurring on or prior to July 1, 2010, as described under "Severance Agreements" below.

Effective with his appointment to President and Chief Executive Officer, Mr. McLaughlin's base salary was adjusted to \$750,000 per year and his annual bonus target was set at 100% of base salary, reflecting a total target cash position between the 25th and 50th percentile of the Peer Group and the Radford Executive Survey.

Table of Contents

Mr. McLaughlin also received a grant of 30,000 RSUs with a grant date fair value of \$613,800, which vest over a four-year period, with 25% vesting on each anniversary of the grant date until fully vested. Mr. McLaughlin also entered into a new change-in-control agreement, the terms of which are identical to the terms contained in the Company's form of Change-in-Control and Retention Agreements for VeriSign Section 16 Executive Officers (as described under "Change-in-Control and Retention Agreements" below), except that Mr. McLaughlin's agreement provides for cash severance of two times his base salary plus bonus and continuation of health benefits for him and his dependents for two years.

Mr. Bidzos's base salary was established at \$900,000 per year effective as of his appointment on June 30, 2008 as Executive Chairman and President and Chief Executive Officer on an interim basis. His base salary was guaranteed for a six month period and would end upon the appointment of a new Chief Executive Officer. In addition, Mr. Bidzos did not participate in the annual cash bonus plan, the VPP, since the equity component of Mr. Bidzos's package vested over a period of one year.

Effective with his appointment as Executive Chairman on August 17, 2009, Mr. Bidzos's base salary was changed to \$500,000 per year. He also received a grant of 97,751 RSUs which vest and are settled in shares of the Company's common stock in eight equal quarterly installments over a two-year period from the date of grant, subject to Mr. Bidzos continuing to be affiliated with the Company. Mr. Bidzos's RSUs had a value of \$2,000,000 on the grant date, calculated by taking the closing price of the Company's common stock on August 17, 2009 (\$20.46) times the number of restricted stock units granted (97,751).

Benefits: Executive officers are eligible to participate in the same health and welfare benefits provided generally to all other employees, at the same general premium rates charged to such employees. The benefits include medical, dental and vision insurance and other health benefits, group life insurance, short and long-term disability, fitness club reimbursement up to \$390 per year, paid time off, an employee stock purchase plan, and a tax-qualified 401(k) salary deferral plan.

Other than those benefits described above, we provide no additional or supplemental benefits, such as a company automobile, country club memberships, deferred compensation programs, or retirement benefits, to our executive officers.

Total Compensation: We believe we are fulfilling our compensation objectives and rewarding executive officers in a manner that is consistent with our pay-for-performance philosophy. Executive compensation is tied directly to our performance and is structured to ensure that there is an appropriate balance between our long-term and short-term performance and between our operational performance and stockholder value. For the Named Executive Officers as of the end of 2009 (excluding Mr. Bidzos, who performed two roles in 2009, President and Chief Executive Officer on an interim basis and Executive Chairman, and whose compensation package is detailed in CEO Compensation above), the aggregate total compensation mix represented 25% base salaries, 16% actual annual cash bonuses and 59% long-term incentives based on grant date fair value.

Recoupment of Incentive Compensation in the Case of Inaccurate Financial Statements

The Committee adopted an executive compensation recoupment policy in March 2010 that applies to incentive awards, including long-term incentive compensation, awarded in 2010 and thereafter. The policy applies to all Section 16 executive officers and such other officers as the Committee designates. The policy applies whenever there is an inaccurate financial statement and, as a result, a covered executive has received materially more incentive compensation than would have otherwise occurred. Under these circumstances, the Committee has discretion to seek recovery of such overpayment, either through reduction of future awards or payments to the covered executive, or by directly seeking repayment. Except in the case of fraudulent, intentional, willful, or grossly negligent misconduct by the recipient of the incentive awards, the Company may only recover incentive awards paid based on inaccurate financial statements if they were paid in the three years prior to the determination that an inaccurate financial statement has been used for the calculation of incentive

Table of Contents

awards. The date of the determination that an inaccurate financial statement has been so used will be deemed to be the date the Company commences steps that ultimately lead to the correction of an inaccurate financial statement.

Stock Retention Policy

The Board believes that the Company's executive officers and members of the Board should retain long-term ownership of common stock of the Company received as incentive compensation to further align their interests with the long-term interests of the Company's stockholders. To further that goal, the Compensation Committee adopted a Stock Retention Policy, which replaced the Company's previous Stock Ownership Guidelines, and was effective as of August 1, 2009 (the Effective Date). The Stock Retention Policy applies to each of the Company's executive officers who are subject to the provisions of Section 16 of the Exchange Act (the Officers) and the Board members as of the Effective Date and to each individual who becomes an Officer or member of the Board after the Effective Date. The Stock Retention Policy applies to all equity compensation awards outstanding as of the Effective Date under any of the Company's equity plans and all future equity compensation awards granted under any Company equity plan. With respect to any individual who becomes an Officer or director after the Effective Date, the Stock Retention Policy applies to all equity compensation awards held by such individual on the date he or she becomes an Officer or member of the Board and to all equity compensation awards received thereafter. The term equity compensation awards includes stock options (excluding options under VeriSign's employee stock purchase plans), stock appreciation rights, restricted and unrestricted stock awards, restricted and unrestricted stock units, performance shares, performance units, or any other stock-based incentive awards that are granted by the Company for compensatory purposes. Each Officer and member of the Board is required to retain, until the date that is six months after the Officer's or member of the Board's service with the Company and its subsidiaries ceases for any reason, direct or indirect ownership of 50% of any Net Shares of Company common stock issued on or after August 1, 2009, to or on behalf of the Officer or member of the Board pursuant to each equity compensation award. Net Shares means the number of issued shares of Company common stock remaining upon the exercise or settlement of an equity compensation award after shares are sold or netted to pay the exercise price, and applicable taxes, as such amount is determined by the Company under the rules of administration approved by the Compensation Committee. The Compensation Committee reserves the right to modify or terminate the Stock Retention Policy at any time if it determines in its sole discretion that such action would be in the best interests of the Company. The Stock Retention Policy can be found on our Website at <https://investor.verisign.com/policies.cfm>.

Because we grant stock-based incentives in order to align the interests of our employees with those of our stockholders, our Securities Trading Policy forbids executive officers and other employees from buying or selling derivative securities related to VeriSign common stock, such as puts or calls on VeriSign common stock, since derivative securities may diminish the alignment of incentives that we seek to foster between our employees and our stockholders. Company-issued stock options and RSUs are not transferable during the executive officer's life, other than certain gifts to family members (or trusts, partnerships, or similar entities that benefit family members).

Severance Agreements

We do not have a formal severance program for our executive officers, all of whom are at-will employees. We generally do not enter into employment agreements with our executive officers and employment offers generally do not provide for severance or other benefits following termination. The Compensation Committee will consider, when appropriate, providing a severance package to attract a potential executive officer or in connection with an executive officer's departure from the Company. Mr. McLaughlin entered into a severance arrangement as part of his compensation package when he was hired as President and Chief Operating Officer on January 14, 2009. The severance agreement provided for (a) 12 months annual base salary; (b) annual bonus at target (if the termination occurred in 2009) or annual bonus at target prorated to the date of separation (if the termination occurred in 2010); (c) a lump sum equal to the cost of COBRA coverage and life insurance benefits

Table of Contents

for 12 months; (d) access to outplacement services for six months; (e) acceleration of 25% of any in-the-money unvested stock options; and (f) acceleration of 25% of any unvested restricted stock units if the Company terminated his employment without cause or Mr. McLaughlin resigned for good reason from his position as President and Chief Operating Officer on or before July 1, 2010 or if Mr. McLaughlin resigned and left the Company for any reason on July 1, 2010.

Change-in-Control and Retention Agreements

We have entered into change-in-control and retention agreements with our executive officers, including the Named Executive Officers, except D. James Bidzos, Executive Chairman. The agreements provide for certain severance benefits in the event an executive's employment is terminated in connection with a change in control of the Company. All of these agreements are double trigger agreements meaning that executives will only be eligible for benefits under the agreements if both (i) a change-in-control of the Company occurs and (ii) within twenty-four months of the change-in-control the executive's employment is terminated by the Company without cause (or by the executive for good reason) in connection with the change-in-control. See Potential Payments Upon Termination or Change-in-Control for a description of the terms of these agreements. In connection with his initial rehire, Mr. McLaughlin entered into a change-in-control and retention agreement with the same terms as provided to other executive officers. In connection with his appointment as President and CEO, Mr. McLaughlin's change-in-control and retention agreement was modified to provide that, in the event of a qualifying termination, he would receive cash severance of two times his base salary plus bonus and continuation of health benefits for two years.

On August 3, 2009 the Compensation Committee approved an amendment to the change-in-control and retention agreements to change the trigger rate in the definition of change-in-control from 30% to 35%. This is further detailed in the proxy section titled Potential Payments Upon Termination or Change-in-Control.

The Compensation Committee believes that the change-in-control and retention agreements are necessary to attract and retain highly qualified executives and to neutralize the personal interests of our executives in light of any potential beneficial corporate transaction. The Compensation Committee determined the change-in-control and retention agreements were reasonable when compared to practices among the companies in our Peer Group.

Tax Treatment of Executive Compensation

In determining the amount and form of compensation paid each year to our executive officers, we take into account the tax treatment of such compensation.

Section 162(m) of the Code limits the federal income tax deduction for compensation paid to certain Named Executive Officers, other than the Company's chief financial officer and executive officers who left prior to the end of the year, to \$1,000,000 per year for public companies, unless the compensation is performance-based. Our executive compensation is structured to maximize the amount of compensation expense that is deductible by the Company when, in its judgment, it is appropriate and in the interest of the Company and its stockholders. The deductibility of an executive officer's compensation can depend upon the timing of the executive officer's vesting or exercise of previously granted rights, as well as other factors beyond the Company's control. Therefore an executive officer's compensation is not necessarily limited to that which is deductible under Section 162(m). The Compensation Committee may approve payment of compensation that exceeds the deductibility limitation under Section 162(m) in order to meet compensation objectives or if it determines that doing so is otherwise in the interest of our stockholders. Certain RSUs granted in fiscal 2009 and bonuses awarded for services rendered in 2009 are not performance based and therefore are not exempt from the limitation of deductibility under Section 162(m). If stockholders approve the Plan, bonuses paid to executive officers thereunder should be fully deductible under Section 162(m). See Proposal No. 2 Approval of Annual Incentive Compensation Plan.

The following table sets forth certain summary information concerning the compensation received by each person who served as our principal executive officer and principal financial officer during fiscal 2009 and the three other most highly compensated executive officers as of the end of fiscal 2009. We refer to these executive officers as our Named Executive Officers.
