**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

(a) At the close of trading on October 14, 2011, BankAtlantic Bancorp, Inc. (the Company) effected its previously announced one-for-five reverse stock split (the Reverse Split), pursuant to which each five shares of the Company's Class A Common Stock outstanding automatically converted into one share of Class A Common Stock, and each five shares of the Company's Class B Common Stock outstanding automatically converted into one share of Class B Common Stock. Fractional shares resulting from the Reverse Split were rounded up to the next largest whole share. The Company's Class A Common Stock will begin trading on a split-adjusted basis on the New York Stock Exchange upon the opening of the market on Monday, October 17, 2011, and will continue to be traded under its current ticker symbol, BBX. The new CUSIP number for the Company's Class A Common Stock is 065908808. The Reverse Split has no impact on shareholders' proportionate equity interests or voting rights in the Company or the par value of the Company's Class A Common Stock or Class B Common Stock, which in each case will remain unchanged at \$0.01 per share.

Under Florida law, the Reverse Split was effected by the Company through the filing of Articles of Amendment to the Company's Restated Articles of Incorporation (the Amendment) with the Florida Department of State. The Amendment also ratably decreased the number of authorized shares of the Company's Class A Common Stock from 125,000,000 shares to 25,000,000 shares and the number of authorized shares of the Company's Class B Common Stock from 9,000,000 shares to 1,800,000 shares. Additionally, the Company's Restated Articles of Incorporation previously provided that the Company's Class A Common Stock will possess in the aggregate 53% of the total voting power of the Company's common stock until the total number of outstanding shares of the Company's Class B Common Stock fell below 487,613 shares, after which time the Company's Class A Common Stock and Class B Common Stock would each be entitled to one vote per share. In connection with the Reverse Split, the Amendment ratably reduced such threshold to 97,523 shares. The number of shares of the Company's Class A Common Stock available for issuance under the Company's equity compensation plans and the number of shares of Class A Common Stock underlying stock options and other instruments exercisable for, or convertible into, shares of Class A Common Stock were also ratably decreased in connection with the Reverse Split.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
