ABOUT THIS PROSPECTUS SUPPLEMENT

This document is in two parts. The first part is this prospectus supplement, which describes the terms of the offering of common shares and also adds to and updates information contained in the accompanying prospectus as well as the documents incorporated by reference into this prospectus supplement and the accompanying prospectus. The second part, the accompanying prospectus, gives more general information about securities we may offer from time to time, some of which information does not apply to the common shares we are offering. To the extent any inconsistency or conflict exists between the information included in this prospectus supplement and the information included in the accompanying prospectus, the information included or incorporated in this prospectus supplement updates and supersedes the information in the accompanying prospectus. This prospectus supplement incorporates by reference important business and financial information about us that is not included in or delivered with this prospectus supplement.

Unless otherwise indicated or unless the context requires otherwise, all references in this prospectus supplement and the accompanying prospectus to M/I, us, we, our or the Company mean M/I Homes, Inc., an Ohio corporation, and our consolidated subsidiaries, except where made clear that the terms mean M/I Homes, Inc. only.

Unless otherwise indicated, all information in this prospectus supplement assumes the underwriters' option to purchase additional shares will not be exercised.

INDUSTRY AND MARKET DATA

We obtained the market and competitive position data used throughout this prospectus supplement, the accompanying prospectus and the documents incorporated by reference from our own research, surveys or studies conducted by third parties and industry or general publications. Industry publications and surveys generally state that they have obtained information from sources believed to be reliable, but do not guarantee the accuracy and completeness of such information. While we believe that each of these studies and publications is reliable, neither we nor the underwriters have independently verified such data and neither we nor the underwriters make any representation as to the accuracy of such information. Similarly, we believe our internal research is reliable, but it has not been verified by any independent sources.

FORWARD-LOOKING STATEMENTS

Certain information contained or incorporated by reference in this prospectus supplement contains forward-looking statements, including, but not limited to, statements regarding our future financial performance and financial condition. Words such as expects, anticipates, envisions, targets, goals, projects, intends, plans, believes, seeks, estimates, variations of such words and similar expressions are intended to identify forward-looking statements. These statements involve a number of risks and uncertainties. Any forward-looking statements that we make or incorporate herein are not guarantees of future performance, and actual results may differ materially from those in such forward-looking statements as a result of various factors, including, but not limited to, those referred to below:

the homebuilding industry has experienced a prolonged and severe downturn, and the volume of new home sales in most markets remains at historically depressed levels despite recent signs of a modest recovery in housing, and such conditions could adversely affect our business and results of operations;

Edgar Filing: M I HOMES INC - Form 424B5

further tightening of residential consumer mortgage lending or mortgage financing requirements or further volatility in credit and consumer lending markets could adversely affect the availability of residential consumer mortgage loans for some potential purchasers of our homes and thereby reduce our sales;

our strategies in responding to the adverse conditions in the homebuilding industry over the past several years and the implementation of additional strategies may not be successful, despite signs of modest recovery in the housing industry in 2012;

our land investment exposes us to significant risks, including potential impairment write-downs, that could negatively impact our profits if the market value of our inventory declines;

if we are unable to successfully compete in the highly competitive homebuilding industry, our financial results and growth may suffer;

if economic conditions worsen or the current challenging economic conditions continue for an extended period of time, this could have continued negative consequences on our operations, financial position, and cash flows;

interest rate increases could lower demand for our homes;

tax law changes could make home ownership more expensive or less attractive;

inflation can adversely affect us, particularly in a period of declining home sale prices;

our limited geographic diversification could adversely affect us if the homebuilding industry in our markets declines;

we may not be successful in integrating acquisitions or implementing our growth strategies;

if we are unable to obtain suitable financing, our business may be negatively impacted;

the mortgage warehousing agreement of our financial services segment will expire in March 2013;

reduced numbers of home sales may force us to absorb additional carrying costs;

we could be adversely affected by a negative change in our credit rating;

errors in estimates and judgments that affect decisions about how we operate and on our reported amounts of assets, liabilities, revenues and expenses could have a material impact on us;

if our ability to resell mortgages to investors is impaired, we may be required to broker loans;

mortgage investors could seek to have us buy back loans or compensate them for losses incurred on mortgages we have sold based on claims that we breached our limited representations or warranties;

Edgar Filing: M I HOMES INC - Form 424B5

we compete on several levels with homebuilders that may have greater sales and financial resources than us, which could hurt our future earnings;

we may not be able to benefit from net operating loss carryforwards;

our net operating loss carryforwards could be substantially limited if we experience an ownership change as defined in Section 382 of the U.S. Internal Revenue Code of 1986, as amended (the Code);

our results of operations, financial condition and cash flows could be adversely affected if pending or future legal claims against us are not resolved in our favor;

the terms of our indebtedness may restrict our ability to operate and, if our financial performance declines, we may be unable to maintain compliance with the covenants in the documents governing our indebtedness;

our indebtedness could adversely affect our financial condition, and we and our subsidiaries may incur additional indebtedness, which could increase the risks created by our indebtedness;

in the ordinary course of business, we are required to obtain performance bonds, the unavailability of which could adversely affect our results of operations and/or cash flows;

Table of Contents

changes in accounting principles, interpretations and practices may affect our reported revenues, earnings and results of operations;

we can be injured by failures of persons who act on our behalf to comply with applicable regulations and guidelines;

we experience fluctuations and variability in our operating results on a quarterly basis and, as a result, our historical performance may not be a meaningful indicator of future results;

homebuilding is subject to warranty and liability claims in the ordinary course of business which may lead to additional reserves or expenses;

natural disasters and severe weather conditions could delay deliveries, increase costs and decrease demand for homes in affected areas;

supply shortages and other risks related to the demand for skilled labor and building materials could increase costs and delay deliveries;

we are subject to extensive government regulations, which could restrict our homebuilding or financial services business;

information technology failures and data security breaches could harm our business;

we are dependent on the services of certain key employees, and the loss of their services could hurt our business; and

such other factors as may be described from time to time in our filings with the Securities and Exchange Commission (the SEC).

The factors identified in this section are not intended to represent a complete list of all the factors that could adversely affect our business, operating results, financial condition or cash flows. Other factors not presently known to us or that we currently deem immaterial to us may also have an adverse effect on our business, operating results, financial condition or cash flows, and the factors we have identified could affect us to a greater extent than we currently anticipate. Many of the important factors that will determine our future financial performance and financial condition are beyond our ability to control or predict. You are cautioned not to put undue reliance on any forward-looking statements, which speak only as of the date they are made. Except as required by applicable law or the rules and regulations of the SEC, we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. However, any further disclosures made on related subjects in our subsequent filings and reports with the SEC should be consulted. This discussion is provided as permitted by the Private Securities Litigation Reform Act of 1995, and all of our forward-looking statements are expressly qualified in their entirety by the cautionary statements contained or referenced in this section.

Since that time, we have sold and delivered over 81,500 homes. We design, market, construct and sell single-family homes, attached townhomes, and condominiums to first-time, move-up, empty-nester and luxury buyers under the M/I Homes, Showcase Homes, TriStone Homes and Triumph Homes trade names.

Our homes are sold in the following geographic markets: Columbus and Cincinnati, Ohio; Indianapolis, Indiana; Chicago, Illinois; Tampa and Orlando, Florida; Houston and San Antonio, Texas; Charlotte and Raleigh, North Carolina; and the Virginia and Maryland suburbs of Washington, D.C. We support our homebuilding operations by providing mortgage financing services through our wholly-owned subsidiary, M/I Financial Corp. (M/I Financial), and title services through subsidiaries that are either wholly- or majority-owned by us.

Our financial reporting segments consist of: Midwest homebuilding; Southern homebuilding; Mid-Atlantic homebuilding; and financial services. Our homebuilding operations comprise the most substantial part of our business, representing 97% of consolidated revenue for the year ended December 31, 2011. Our financial services operations generate revenue from originating and selling mortgages and collecting fees for title insurance and closing services.
