**Item 8.01. Other Events.**

DCT Industrial Trust Inc. (the Company) is re-issuing in an updated format its historical financial statements in connection with Accounting Standards Codification (ASC) 205-20, Presentation of Financial Statements Discontinued Operations. During the nine months ended September 30, 2012, the Company sold 31 properties, each of which qualifies as discontinued operations, and in compliance with ASC 205-20 has reported revenue, expenses and net gains from the sale of these properties as discontinued operations for each period presented in its Quarterly Report on Form 10-Q, filed November 2, 2012. Under SEC requirements, the same reclassification as discontinued operations required by ASC 205-20 following the sale of a property is required for previously issued annual financial statements for each of the three years shown in the Company's last annual report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the date of the sale. This reclassification has no effect on the Company's previously reported net income (loss) attributable to the Company's common stockholders or funds from operations.

This report on Form 8-K updates Items 6, 7 and 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2011, to reflect the properties sold during the nine months ended September 30, 2012, that were not held for sale as of December 31, 2011, as discontinued operations for all the years presented. The update also includes reclassifications for development, redevelopment and properties in pre-development, including land held to be included in segment assets. Additionally, the accompanying consolidated financial statements now include a consolidated statement of comprehensive income for each of the three years in the period ended December 31, 2011. All other items of the Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K, except to the extent expressly provided above.
