OPTi Inc.

PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON DECEMBER 13, 2012

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of OPTi Inc. (OPTi or the Company) for use at the Annual Meeting of Shareholders (the Annual Meeting) to be held on December 13, 2012 at 10:00 A.M. Pacific Time, or at any postponement or adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the offices of the Company at One First Street, Suite 14, Los Altos, California. The telephone number at that location is (650) 213-8550.

These proxy solicitation materials were mailed on or about November 29, 2012 to all shareholders entitled to vote at the meeting.

Purposes of the Annual Meeting

The purposes of the Annual Meeting are to (i) elect five directors to serve until the earlier of OPTi's next annual meeting or the appointment of their successors; (ii) ratify the appointment of Armanino McKenna LLP as the Company's independent auditors for fiscal year ending March 31, 2013; and (iii) transact such other business as may properly come before the Annual Meeting and at any and all postponements or adjournments thereof as determined by OPTi.

Annual Meeting Record Date and Share Ownership

Only shareholders of record at the close of business on November 21, 2012 (the Annual Meeting Record Date) are entitled to receive notice of and to vote at the Annual Meeting. On the Annual Meeting Record Date, 11,645,903 shares of the Company's common stock were issued and outstanding. For information regarding security ownership by management and by 5% shareholders, see Security Ownership of Certain Beneficial Owners and Management. The closing price of the Company's common stock on the OTC Bulletin Board on the Annual Meeting Record Date was \$0.47 per share.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving the proxy at any time before the named proxies vote at the Annual Meeting. A proxy may be revoked by either (1) delivering to the Company's offices at One First Street, Suite 14, Los Altos, California 94022, a written notice of revocation or a duly executed proxy bearing a later date, addressed to the attention of Michael Mazzoni, Secretary of the Company, or (2) by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

Availability of Cumulative Voting and Solicitation

Every shareholder voting in the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such shareholder, or distribute the shareholder's votes on the same principle among as many candidates as the shareholder deems fit, provided that votes cannot be cast for more than five (5) candidates. However, no shareholder shall be entitled to cumulate votes for any candidate unless the candidate's name has been properly placed in nomination pursuant to the procedures set forth in the Company's 2011 Proxy Statement. Cumulative voting will only be permitted if a shareholder provides the Company notice of his or her intention to vote cumulatively prior to the voting at the Annual Meeting. On all other matters, each share has one (1) vote. Only the five nominees set forth in this proxy statement have been properly nominated for election at the Annual Meeting. No other nominees will be considered at the Annual Meeting.

Shares of common stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. In the absence of specific instructions to the contrary, properly executed proxies will be voted: (i) FOR the election of each of the nominees as a director; and (ii) FOR ratification of the appointment of Armanino McKenna LLP as independent auditors for fiscal year ending March 31, 2013. No business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders is expected to come before the Annual Meeting. Should any other matter requiring a vote of shareholders properly arise, the persons named in the enclosed form of proxy will vote the shares they represent as the Board of Directors shall determine.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, email or letter.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of common stock issued and outstanding on the Annual Meeting Record Date. Shares that are voted FOR or AGAINST a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting at the Annual Meeting (the Votes Cast) with respect to such matter.

The Company intends to include abstentions and broker non-votes as present or represented for purposes of establishing a quorum for the transaction of business. Abstentions are counted against a proposal for purposes of determining whether or not a proposal is approved, whereas broker non-votes are not counted for the purpose of determining whether a proposal has been approved.

Deadline for Receipt of Shareholder Proposals for 2013 Annual Meeting

OPTi currently expects that its next Annual Meeting of Shareholders will be held during the last week of October 2013. Proposals of shareholders of the Company intended to be presented by such shareholders at the 2013 Annual Meeting must be received at the Company's offices, by certified mail, no later than May 31, 2013 in order to have them included in the Proxy Statement and form of proxy for that meeting. Your proposal must also satisfy the other requirements for shareholder proposals set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the 1934 Act).

Material Litigation

None of our current executive officers or directors, or any affiliate or owner of more than 5% of our common shares is a party adverse to us in any material legal proceeding or is involved in any legal proceedings that the Securities and Exchange Commission has identified as being material to the evaluation of the ability or integrity of a director or executive officer.

Fiscal Year End

The Last Fiscal Year refers to the twelve months ended March 31, 2012.

PROPOSAL NUMBER 1

ELECTION OF DIRECTORS

Directors and Nominees for Directors

A board of five directors will be elected at the Annual Meeting. The Company's Board of Directors amended the Company's bylaws effective October 2, 2012 to increase the size of the Board from four to five members.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the five nominees named below. Two of the nominees are presently directors of the Company. The other three nominees were submitted by the investment manager and/or general partner of the Company's majority shareholder and its related entities. See Security Ownership of Certain Beneficial Owners and Management below. The Board evaluated such candidates pursuant to the Company's policies set forth below, and found each such candidate to be eligible to serve as a director of the Company. Mr. Nanda, currently a director of the Company, is not standing for re-election.

In the event that any nominee of the Company is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. The Company is not aware of any nominee who will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until the earlier of our next Annual Meeting of Shareholders or a successor has been duly qualified and elected.

Vote Required

The five (5) nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them shall be elected as directors. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business, but have no other legal effect in the election of directors under California law.

California law grants shareholders the right to cumulate their votes in the election of directors. Under cumulative voting, each shareholder is entitled to one vote per share times the number of directors to be elected, and such votes may be allocated among the nominees as each shareholder desires. No shareholder shall be entitled to cumulate votes unless a shareholder provides notice at the Annual Meeting prior to the voting of such shareholder's intention to cumulate votes. Once any one shareholder has given such notice, all shareholders may cumulate their votes. *As the investment manager and/or general partner of the Company's majority shareholder and its related entities, Mr. Muoio can elect himself, Mr. Bradley and Mr. Edelman to the Board without additional votes from any other shareholder.*

OUR BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF ALL NOMINEES NAMED BELOW.

CORPORATE GOVERNANCE

The Board of Directors held sixteen meetings during the last fiscal year. The Audit Committee met four times, the Compensation Committee met one time and the Nominating Committee met one time. Each member of the Board attended 75% or more of the aggregate of (i) the total number of Board meetings held during the last fiscal year and (ii) the total number of meetings of Committees on which such member served, during the last fiscal year. The Company encourages its directors to attend annual meetings. All of the Company's directors attended our last Annual Meeting.

Board Independence

Based on information currently available to the Board of Directors, the current Board of Directors has determined that Messrs. Welling, Muoio, Bradley and Edelman are independent under the rules of the

NASDAQ Stock Market (the "NASDAQ") and the SEC, and Mr. Marren is not. Under applicable SEC and NASDAQ rules, the existence of certain related party transactions above certain thresholds between a director and the Company are required to be disclosed and preclude a finding by the Board that the director is independent. Although the Board also has the power to consider whether transactions of those types but below the thresholds render a director not independent, and to consider whether any other types of transactions, relationships or arrangements (i.e., not specified in the SEC and NASDAQ rules) render a director not independent, the Board did not consider any such items in making its independence determination. It is anticipated that the independence of the three new nominees will be confirmed by the new Board of Directors after this election.

The Audit Committee, Nominating Committee and Compensation Committee were each comprised solely of independent directors during the Last Fiscal Year, as that term is defined in Rule 5605 of the NASDAQ Marketplace Rules. Each of the members of the Company's Audit Committee met the standards for audit committee membership set forth in the NASDAQ Marketplace Rules when they were selected for the committee by the Board.

Board Leadership Structure and Risk Oversight

The current Board determined that the appropriate leadership structure for the Board was for Mr. Marren, the Company's Chief Executive Officer, to serve as Chairman of the Board, and the Board has not appointed a separate lead director. The independent directors believed that Mr. Marren's detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business make him the best qualified director to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Mr. Marren's combined role enables decisive leadership, ensures clear accountability, and enhances the Company's ability to communicate its message and strategy clearly and consistently to the Company's shareholders, employees and litigation defendants. The Board may subsequently decide, however, to change that leadership structure, and the Board does not have a formal policy requiring that the Chief Executive Officer or any other member of management serve as Chairman of the Board.

In its governance role, and particularly in exercising its duty of care and diligence, our Board of Directors is responsible for ensuring that appropriate risk management policies and procedures are in place to protect the Company. While the Board has the ultimate oversight responsibility for the risk management process, the Board has delegated to our Audit Committee the oversight of our policies and practices with respect to risk assessment and risk management. As set forth in the Audit Committee charter, the Audit Committee meets quarterly with management and the Company's independent auditors, Armanino McKenna LLP in order to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee also meets at least once each year in separate executive sessions with management and Armanino McKenna LLP to discuss matters that any of them or the Committee believes could present significant financial risk to the Company. In fulfilling this role, the Audit Committee conducts a quarterly risk-assessment process and reports its finding to the full Board. The Audit Committee also oversees related party transactions and conducts all negotiations in such transactions on behalf of the Company.

Board Committees

The Board of Directors has standing Audit, Compensation and Nominating Committees.

Audit Committee. The Company has a separately-designated standing audit committee as defined in Section (a)(58)(A) of the Securities Exchange Act of 1934 (the "1934 Act"). Mr. Welling (chairman) and Mr. Nanda are the current members of our Audit Committee. After the director election, it is anticipated that two independent directors will be appointed to the Audit Committee to replace Mr. Nanda and to expand the Audit Committee to three members. The committee selects our auditors, reviews the scope of the annual audit, approves the audit fees and non-audit fees to be paid to our auditors, and reviews our financial accounting

controls with the staff and the auditors. The Company's Board has determined that none of the current members of its Audit Committee qualifies as an audit committee financial expert as set forth in Item 407(d)(5)(ii) of Regulation S-K of the rules promulgated by the Securities and Exchange Commission. Each of the members of the Company's Audit Committee met the standards for audit committee membership set forth in the NASDAQ Marketplace Rules when they were selected for the committee by the Board. In light of the nature of the Company's business, the Company believes that several of the new candidates for the Board possess the skills and experience necessary to oversee the work of the Company's independent registered public accounting firm and carry out the duties set forth in the Company's Audit Committee charter. The charter of the Audit Committee has been established and approved by the Board of Directors and was attached as Appendix A to the Company's 2007 Proxy Statement.

Compensation Committee. The Compensation Committee handles compensation matters and administers our stock incentive plan. The committee currently consists of Mr. Welling and Mr. Nanda. After the director election, it is anticipated that two independent directors will be appointed to the Compensation Committee to replace Mr. Nanda and to expand the Compensation Committee to three members. The committee reviews and establishes the compensation and benefits for the Chief Executive Officer and the Chief Financial Officer. The Compensation Committee accepts recommendations from the executive officers regarding their compensation but final authority over executive compensation is vested in the Compensation Committee. The Compensation Committee is comprised solely of independent directors, as that term is defined by Rule 5605 of the NASDAQ Marketplace Rules. The Compensation Committee has not used compensation consultants to determine or recommend the amount or form of executive and director compensation. The Compensation Committee does not have a charter.

Nominating Committee. Mr. Nanda and Mr. Welling are the current members of our Nominating Committee. After the director election, it is anticipated that two independent directors will be appointed to the Nominating Committee to replace Mr. Nanda and to expand the Nominating Committee to three members. The Nominating Committee is comprised solely of independent directors, as that term is defined by Rule 5605 of the NASDAQ Marketplace Rules. The Nominating Committee interviews, evaluates, nominates and recommends individuals for membership on the Board, evaluates the effectiveness of the Board, and recommends the structure, responsibility and composition of the committees of the Board. The charter of the Nominating Committee has been established and approved by the Board of Directors and was attached as Appendix B to the Company's 2007 Proxy Statement.

DIRECTOR NOMINATIONS

Criteria for Board Membership. In selecting candidates for appointment or re-election to the Board, the Nominating Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seeks to insure that at least a majority of the directors are independent under the rules of NASDAQ, and that members of the Company's Audit Committee meet the financial literacy and sophistication requirements under the rules of NASDAQ. Nominees for director are selected on the basis of their relevance, depth and breadth of experience, reputation among our various constituencies and communities, integrity, ability to make independent analytical inquiries, understanding of the Company's business as a company in liquidation, willingness to devote adequate time to Board duties and shareholder recommendations, particularly where the shareholder has the right to elect one or more directors. The Nominating Committee also places a strong emphasis on individual ethics as the Committee believes that Company leadership requires individuals who will act in the Company's best interests at all times.

Shareholder Nominees. Under its charter, the Nominating Committee is responsible for considering director nominations made by security holders. A nomination should be submitted to the Nominating Committee c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the 1934 Act (including such person's

written consent to being named in the Proxy Statement as a nominee and to serving as a director if elected); (b) the names and addresses of the shareholder making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such shareholder; and (c) other appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted no later than the deadlines described in the Bylaws of the Company and under the caption, "Deadline for Receipt of Shareholder Proposals for 2013 Annual Meeting" above. The Nominating Committee, in its discretion and in the manner specified in the following paragraph, will determine whether any such nominee is qualified to serve as a member of the Board. Although the Company has no obligation to include director nominees from shareholders in its proxy statement, nominees from shareholders who have the right to elect one or more directors will be given appropriate consideration.

Process for Identifying and Evaluating Nominees. The Nominating Committee does not currently have a formal policy regarding consideration of diversity in identifying director nominees. In the ordinary course, absent special circumstances or a material change in the criteria for Board membership, the Nominating Committee will re-nominate incumbent directors who continue to be qualified for Board service and are willing to continue as directors. If an incumbent director is not standing for re-election, or if a vacancy on the Board occurs between annual shareholder meetings, the Nominating Committee will seek out potential candidates for Board appointment who meet the criteria for selection as a nominee and have the specific qualities or skills being sought. Director candidates will be selected based on input from members of the Board, management of the Company and, if the Nominating Committee deems appropriate, a third-party search firm. The Nominating Committee will evaluate each candidate's qualifications, check relevant references and consider a variety of additional factors appropriate for the focus of the Company, including differences of viewpoint, professional experience, education and skill. In addition, such candidates will be interviewed by at least one member of the Nominating Committee. Based on this input, the Nominating Committee will evaluate which of the prospective candidates is qualified to serve as a director and whether the Committee should recommend to the Board that the candidate be appointed to fill a current vacancy on the Board, or presented for the approval of the shareholders, as appropriate.

Board Nominees for the 2012 Annual Meeting. Each of the nominees listed in this Proxy Statement are standing for election to the Company's Board of Directors.

The Board of Directors is responsible for reviewing and approving all material transactions with any related party. Related parties include any of our directors or executive officers, certain of our shareholders, and their immediate family members.

The Company's policy is that it will not enter into other transactions with directors, officers or affiliates unless such transactions are (i) approved by the majority of the Company's independent disinterested directors, (ii) may reasonably be expected to benefit the Company, and (iii) will be on terms no less favorable to the Company than could be obtained in arm's length transactions with unaffiliated third parties.

We expect our directors, officers and employees to act and make decisions that are in the Company's best interests and encourage them to avoid situations which present a conflict between our interests and their own personal interests. Our directors, officers and employees are prohibited from taking any action that may make it difficult for them to perform their duties, responsibilities and services to the Company in an objective and fair manner. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

The Company is in liquidation and has only two executive officers, the Chief Executive Officer and the Chief Financial Officer.

The primary objectives of our executive compensation plan are to:

align the financial interests of our executives with those of our shareholders;

motivate and retain the executive talent required to successfully implement our business strategy; and

provide incentives for achieving our short-term and long-term goals.

To achieve these objectives, our Compensation Committee establishes and reviews compensation packages for our executive officers on an annual basis, consisting of a combination of salary and cash bonus.

The Compensation Committee meets outside the presence of all of our executive officers to consider appropriate compensation for our CEO. For our other executive officer, the Compensation Committee meets outside the presence of all executive officers except our CEO.

The Compensation Committee considers the recommendations of management when establishing compensation for our executive officers, but relies upon its own judgment to determine each individual's compensation. Factors that affect the Compensation Committee's judgment include each individual's performance and scope of responsibilities, as well as overall Company performance. Given the shareholders' decision to liquidate the Company and the fact that the Company's only source of revenue is the litigation against VIA Technologies, Inc., it is anticipated that the Committee will particularly focus on management's handling of these matters.

Elements of Executive Compensation

Executive compensation consists of the following elements:

Base Salary. Base salaries for our executives are established based on the scope of their responsibilities, and taking into account the Company's budget guidelines, labor market conditions, and competitive market compensation paid by other companies for similar positions. Base salaries are reviewed and adjusted annually, to realign salaries with the market after taking into account individual responsibilities, performance and experience.

Annual Bonus. Bonus targets are based on a percentage of the executive's base salary. The bonus plan allows the payment of up to 20% of the executive salary as a target bonus amount. The bonus is ordinarily paid in a single installment following the completion of a given fiscal year. The individual performance objectives tend to be keyed to the Company's goals in regard to licensing its intellectual property. The Compensation Committee did not recommend discretionary bonuses for Mr. Marren and Mr. Mazzoni during the Last Fiscal Year.

Shareholder Return Bonus. The Company had a Shareholder Return Bonus program under which Mr. Marren and Mr. Mazzoni received a percentage of all monies returned to the shareholders of the Company in the form of a distribution (as defined below) in accordance with the terms of their respective employment agreements. The compensation ranged from 1% to 5% of the amount returned to the shareholders, dependent on the amount of money that the Company was able to return to the shareholders, and was paid on the earlier of the (i) distribution of funds to shareholders, whether by dividend or other special action to return funds to shareholders such as a share repurchase program (a Distribution), or (ii) six months and one day after the Company received the third party payments, regardless of whether a Distribution to shareholders had occurred. During the Fiscal Year ended March 31, 2012, the Company awarded Mr. Marren and Mr. Mazzoni \$4,320 and

\$2,880 respectively under the Shareholder Return Bonus plan, equal to 3% and 2% of the amounts received from third party payments which were not distributed to shareholders. The Shareholder Return Bonus terminated effective on the Change of Control of the Company on September 12, 2012. See Change of Control Bonus below.

Change of Control Bonus. Mr. Marren's and Mr. Mazzoni's employment agreements provide for a Change of Control Bonus to be paid to them in the event of a Change of Control transaction while each executive is employed by the Company, provided that the executive signs an irrevocable general release of all claims against the Company. Upon such Change of Control, the Shareholder Return Bonus program immediately ceased, and Mr. Marren and Mr. Mazzoni are instead entitled to receive a Change of Control Bonus, based on the net proceeds payable to the Company and/or its shareholders as set forth in the employment agreements previously filed with the Commission as Exhibits 10.8 and 10.9 to the Company's periodic reports.

Change of Control for the purpose of Mr. Marren and Mr. Mazzoni's employment agreements means the occurrence of any of the following events: (i) any person (as such term is used in Sections 13(d) and 14(d) of the securities exchange Act of 1934, as amended) becomes the beneficial owner (as defined in Rule 13d-3 under said Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities; (ii) the consummation of the sale or disposition by the Company of all or substantially all the Company's assets or its business; (iii) the consummation of a merger, reverse merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; or (iv) a change in the composition of the Board occurring within a two-year period, as a result of which fewer than a majority of the directors are Incumbent Directors. Incumbent Directors shall mean directors who (A) are directors of the Company as of the Effective date of the agreement, or (B) are elected with the vote of any shareholder that is a shareholder of record as of the Effective Date, or (C) are elected, or nominated for election, to the Board with the affirmative votes of at least a majority of those directors whose election or nomination was not in connection with any transaction described above or in connection with an actual or threatened proxy contest relating to the election of directors to the Company.

A Change of Control occurred on September 12, 2012 as a result of SMC's acquisition of 50.08% of the voting power of the Company's outstanding shares. A Change of Control will also result from the election of the three new directors at the Annual Meeting.

Stock Options. The Company does not currently grant stock options to its executive officers, as it believes that the bonus programs better align the goals of management and the shareholders of the Company.

Other Compensation. All of our executives are eligible to participate in our employee benefit plans, including medical, dental and 401(k) plans. These plans are available to all full-time employees and do not discriminate in favor of executive officers.

Employment Agreements. During fiscal year 2007 the Compensation Committee determined that it would be appropriate to enter into employment agreements with Mr. Marren and Mr. Mazzoni, primarily to document the provisions of the Shareholder Return Bonus program, adjust certain of the payment thresholds and address program award payments under particular circumstances. The shareholders of the Company at the November 27, 2007 annual meeting approved the employment agreements for Mr. Marren and Mr. Mazzoni.

Final Analysis. Our current strategic objectives for executive compensation are to compensate our executives fairly and competitively in return for their devoted efforts through the liquidation process, and to avoid having the compensation program interfere with what the Company considers (a) meaningful progress toward achievement of the Company's business objectives and (b) its dedicated and collaborative management environment that is already in place.
