OUR COMPANY

We are the largest non-governmental hospital operator in the U.S. and a leading comprehensive, integrated provider of health care and related services. We provide these services through a network of acute care hospitals, outpatient facilities, clinics and other patient care delivery settings. As of September 30, 2012, we operated a diversified portfolio of 162 hospitals (with approximately 41,900 beds) and 112 freestanding surgery centers across 20 states throughout the U.S. and in England. As a result of our efforts to establish significant market share in large and growing urban markets with attractive demographic and economic profiles, we currently have a substantial market presence in 14 of the top 25 fastest growing markets with populations greater than 500,000 in the U.S. and currently maintain the first or second position, based on inpatient admissions, in many of our key markets. We believe our ability to successfully position and grow our assets in attractive markets and execute our operating plan has contributed to the strength of our financial performance over the last several years. For the nine months ended September 30, 2012, we generated revenues of \$24.579 billion, net income attributable to HCA Holdings, Inc. of \$1.291 billion and Adjusted EBITDA of \$4.925 billion.

Our patient-first strategy is to provide high quality health care services in a cost-efficient manner. We intend to build upon our history of profitable growth by maintaining our dedication to quality care, increasing our presence in key markets through organic expansion and strategic acquisitions and joint ventures, leveraging our scale and infrastructure, and further developing our physician and employee relationships. We believe pursuing these core elements of our strategy helps us develop a faster-growing, more stable and more profitable business and increases our relevance to patients, physicians, payers and employers.

Using our scale, significant resources and over 40 years of operating experience, we have developed a significant management and support infrastructure. Some of the key components of our support infrastructure include a revenue cycle management organization, a health care group purchasing organization, an information technology and services provider, a nurse staffing agency and a medical malpractice insurance underwriter. These shared services have helped us to maximize our cash collection efficiency, achieve savings in purchasing through our scale, more rapidly deploy information technology upgrades, more effectively manage our labor pool and achieve greater stability in malpractice insurance premiums. Collectively, these components have helped us to further enhance our operating effectiveness, cost efficiency and overall financial results. We have also created a subsidiary, Parallon Business Solutions, that offers certain of these component services to other health care companies.

Since the founding of our business in 1968 as a single-facility hospital company, we have demonstrated an ability to consistently innovate and sustain growth during varying economic and regulatory climates. Under the leadership of an experienced senior management team, whose tenure at HCA averages approximately 20 years, we have established an extensive record of providing high quality care, profitably growing our business, making and integrating strategic acquisitions and efficiently and strategically allocating capital spending.

On November 17, 2006, HCA Inc. was acquired by a private investor group, including affiliates of or funds sponsored by Bain Capital Partners, LLC (Bain Capital), Kohlberg Kravis Roberts & Co. (KKR) and HCA founder Dr. Thomas F. Frist, Jr., a group we collectively refer to as the Investors, and by members of management and certain other investors. We refer to the merger, the financing transactions related to the merger and other related transactions collectively as the Recapitalization.

On November 22, 2010, HCA Inc. reorganized by creating a new holding company structure (the Corporate Reorganization), pursuant to which HCA Holdings, Inc. became the parent company of HCA Inc., and HCA Inc. became HCA Holdings, Inc. 's wholly-owned direct subsidiary. As part of the Corporate Reorganization, HCA Inc. 's outstanding shares of capital stock were automatically converted, on a share for share basis, into identical shares of HCA Holdings, Inc. 's common stock, and HCA Holdings, Inc. became a guarantor but did not assume the debt of HCA Inc. 's outstanding secured notes and is not subject to the covenants contained in the indentures governing such secured notes.

Table of Contents**RISK FACTORS**

Our business is subject to numerous risks, including those that are generally associated with operating in the health care industry. It is possible that our business, financial condition, liquidity or results of operations could be materially adversely affected by any of these risks.

We will not receive any proceeds from sales of securities by selling stockholders.

DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of our amended and restated certificate of incorporation and amended and restated bylaws as currently in effect. We also refer you to our amended and restated certificate of incorporation and amended and restated bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part.

Authorized Capital

As of November 30, 2012 our authorized capital stock consisted of 1,800,000,000 shares of common stock, par value \$.01 per share, of which 442,917,300 shares were issued and outstanding, and 200,000,000 shares of preferred stock, of which no shares are issued and outstanding. As of November 30, there were 1,021 holders of record of our common stock.

Common Stock

Voting Rights. Under the terms of the Amended and Restated Certificate of Incorporation, each holder of the common stock is entitled to one vote for each share on all matters submitted to a vote of the stockholders,

including the election of directors. Our stockholders do not have cumulative voting rights. Because of this, the holders of a majority of the shares of common stock entitled to vote and present in person or by proxy at any annual meeting of stockholders are able to elect all of the directors standing for election, if they should so choose.

Dividends. Subject to preferences that may be applicable to any then outstanding preferred stock, holders of common stock are entitled to receive ratably those dividends, if any, as may be declared from time to time by the Board of Directors out of legally available assets or funds.

Liquidation. In the event of our liquidation, dissolution, or winding up, holders of common stock are entitled to share ratably in the net assets legally available for distribution to stockholders after the payment of all of our debts and other liabilities and the satisfaction of any liquidation preference granted to the holders of any outstanding shares of preferred stock.

Rights and Preferences. Holders of common stock have no preemptive or conversion rights, and there are no redemption or sinking fund provisions applicable to the common stock. The rights, preferences, and privileges of the holders of common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock, which we may designate in the future.

Preferred Stock

The Amended and Restated Certificate of Incorporation authorizes our Board of Directors, without further action by the stockholders, to issue up to 200,000,000 shares of preferred stock, par value \$.01 per share, in one or more classes or series, to establish from time to time the number of shares to be included in each such class or series, to fix the rights, powers and preferences of the shares of each such class or series and any qualifications, limitations, or restrictions thereon.

Board of Directors

The Amended and Restated Certificate of Incorporation provides for a Board of Directors of not less than three members, the exact number to be determined from time to time by resolution adopted by the affirmative vote of a majority of the total number of directors then in office. The Amended and Restated Certificate of Incorporation provides that directors will be elected to hold office for a term expiring at the next annual meeting of stockholders and until a successor is duly elected and qualified or until his or her earlier death, resignation, disqualification or removal. Newly created directorships and vacancies may be filled, so long as there is at least one remaining director, only by the Board of Directors.

Amendment to Bylaws

The Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the Board of Directors is expressly authorized to make, alter, amend, change, add to or repeal the Bylaws of the Company by the affirmative vote of a majority of the total number of directors then in office. Prior to the Trigger Date (as defined below), any amendment, alteration, change, addition or repeal of the Bylaws of the Company by the stockholders of the Company will require the affirmative vote of the holders of a majority of the outstanding shares of the Company entitled to vote on such amendment, alteration, change, addition or repeal. On or following the Trigger Date, any amendment, alteration, change, addition or repeal of the Bylaws of the Company by the stockholders of the Company shall require the affirmative vote of the holders of at least seventy-five percent (75%) of the outstanding shares of the Company, voting together as a class, entitled to vote on such amendment, alteration, change, addition or repeal.

For purposes of the Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, (i) **Trigger Date** is defined as the first date on which Hercules Holding II, LLC (Hercules Holding) (or its

Table of Contents

successor) ceases, or in the event of a liquidation, or other distribution of shares of common stock by, of Hercules Holding, the Equity Sponsors (as defined below) and their affiliates, collectively, cease, to beneficially own (directly or indirectly) shares representing a majority of the then issued and outstanding common stock of the Company (it being understood that the retention of either direct or indirect beneficial ownership of a majority of the then issued and outstanding shares of common stock by Hercules Holding (or its successor) or the Equity Sponsors and their affiliates, as applicable, shall mean that the Trigger Date has not occurred) and (ii) the Equity Sponsors shall mean each of Bain Capital, KKR, BAML Capital Partners, Citigroup, Bank of America Corporation, and Dr. Thomas F. Frist Jr. and their respective affiliates, subsidiaries, successors and assignees (other than the Company and its subsidiaries).

Special Meetings of Stockholders

The Amended and Restated Certificate of Incorporation provides that special meetings of stockholders of the Company may be called only by either the Board of Directors, pursuant to a resolution adopted by the affirmative vote of the majority of the total number of directors then in office, or by the Chairman of the Board or the Chief Executive Officer of the Company; provided that, prior to the Trigger Date, special meetings of stockholders of the Company may also be called by the secretary of the Company at the request of the holders of a majority of the outstanding shares of common stock.

Action on Written Consent

Pursuant to the Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, prior to the Trigger Date, stockholders are able to take action by written consent; however, following the Trigger Date, any action required or permitted to be taken at an annual or special meeting of stockholders of the Company may be taken only upon the vote of the stockholders at an annual or special meeting duly called and may not be taken by written consent of the stockholders.

Corporate Opportunities

The Amended and Restated Certificate of Incorporation provides that we renounce any interest or expectancy of the Company in the business opportunities of the Investors and of their officers, directors, agents, shareholders, members, partners, affiliates and subsidiaries and each such party shall not have any obligation to offer us those opportunities unless presented to a director or officer of the Company in his or her capacity as a director or officer of the Company.

Amendment to Amended and Restated Certificate of Incorporation

The Amended and Restated Certificate of Incorporation provides that on or following the Trigger Date, the affirmative vote of the holders of at least seventy-five percent (75%) of the voting power of all outstanding shares of the Company entitled to vote generally in the election of directors, voting together in a single class, is required to adopt any provision inconsistent with, to amend or repeal any provision of, or to adopt a bylaw inconsistent with certain specified provisions of the Amended and Restated Certificate of Incorporation.

Advance Notice Requirements for Stockholder Proposals and Director Nominations

Our Amended and Restated Bylaws provides that stockholders seeking to nominate candidates for election as directors or to bring business before an annual or special meeting of stockholders must provide timely notice of their proposal in writing to the secretary of the Company. Generally, to be timely, a stockholder's notice must be delivered to, mailed or received at our principal executive offices, addressed to the secretary of the Company, and within the following time periods:

in the case of an annual meeting, no earlier than 120 days and no later than 90 days prior to the first anniversary of the date of the preceding year's annual meeting; provided, however, that if (A) the annual

Table of Contents

meeting is advanced by more than 30 days, or delayed by more than 60 days, from the first anniversary of the preceding year's annual meeting, or (B) no annual meeting was held during the preceding year, to be timely the stockholder notice must be received no earlier than 120 days before such annual meeting and no later than the later of 90 days before such annual meeting or the tenth day after the day on which public disclosure of the date of such meeting is first made; and

in the case of a nomination of a person or persons for election to the Board of Directors at a special meeting of the stockholders called for the purpose of electing directors, no earlier than 120 days before such special meeting and no later than the later of 90 days before such annual or special meeting or the tenth day after the day on which public disclosure of the date of such meeting is first made.

In no event shall an adjournment, postponement or deferral, or public disclosure of an adjournment, postponement or deferral, of a meeting of the stockholders commence a new time period (or extend any time period) for the giving of the stockholder notice.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of the New York Stock Exchange, which would apply as long as our common stock is listed on the New York Stock Exchange, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or then outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

One of the effects of the existence of unissued and unreserved common stock or preferred stock may be to enable our Board of Directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of our company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive the stockholder of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

Limitation on Directors Liability and Indemnification

Section 145(a) of the General Corporation Law of the State of Delaware (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Section 145(b) of the DGCL grants each corporation organized thereunder the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no

Table of Contents

indemnification shall be made pursuant to Section 145(b) of the DGCL in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation, or an amendment thereto, to eliminate or limit the personal liability of a director to the corporation or its stockholders of monetary damages for violations of the director's fiduciary duty of care as a director, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Our Amended and Restated Certificate of Incorporation indemnifies the directors and officers to the full extent of the DGCL and also allows the Board of Directors to indemnify all other employees. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

We maintain a directors' and officers' insurance policy. The policy insures directors and officers against unindemnified losses arising from certain wrongful acts in their capacities as directors and officers and reimburses us for those losses for which we have lawfully indemnified the directors and officers. The policy contains various exclusions that are normal and customary for policies of this type.

On November 1, 2009, we entered into an indemnification priority and information sharing agreement with the Equity Sponsors and certain of their affiliated funds to clarify the priority of advancement and indemnification obligations among us and any of our directors appointed by the Equity Sponsors and other related matters.

The foregoing summaries are subject to the complete text of our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws and the DGCL and are qualified in their entirety by reference thereto.

We believe that our Amended and Restated Certificate of Incorporation, Amended and Restated Bylaws and insurance are necessary to attract and retain qualified persons as directors and officers.

The limitation of liability and indemnification provisions in our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and other stockholders. Furthermore, a stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers as required or allowed by these indemnification provisions.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions or any other provisions described in this prospectus, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Delaware Anti-Takeover Statutes

Certain Delaware law provisions may make it more difficult for someone to acquire us through a tender offer, proxy contest or otherwise.

Table of Contents

Section 203 of the DGCL, provides that, subject to certain stated exceptions, an interested stockholder is any person (other than the corporation and any direct or indirect majority-owned subsidiary) who owns 15% or more of the outstanding voting stock of the corporation or is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the three-year period immediately prior to the date of determination, and the affiliates and associates of such person. A corporation may not engage in a business combination with any interested stockholder for a period of three years following the time that such stockholder became an interested stockholder unless:

prior to such time the board of directors of the corporation approved either the business combination or transaction which resulted in the stockholder becoming an interested stockholder;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding shares owned by persons who are directors and also officers and employee stock plans in which participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

at or subsequent to such time, the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

The effect of these provisions may make a change in control of our business more difficult by delaying, deferring or preventing a tender offer or other takeover attempt that a stockholder might consider in its best interest. This includes attempts that might result in the payment of a premium to stockholders over the market price for their shares. These provisions also may promote the continuity of our management by making it more difficult for a person to remove or change the incumbent members of the board of directors.

Capitalized terms used in this section and not defined have the meanings assigned to those terms in the indenture.

Debt securities may be issued as original issue discount securities to be sold at a substantial discount below their principal amount. The terms of the debt securities of any series may differ from the terms of the debt securities of any other series, and the terms of particular debt securities within any series may differ from each other. Unless otherwise expressly provided in the prospectus supplement relating to any series of debt securities, the applicable issuer may, without the consent of the holders of the debt securities of any series, reopen an existing series of debt securities and issue additional debt securities of that series.

Edgar Filing: BROOKWOOD MEDICAL CENTER OF GULFPORT INC - Form POSASR

Unless otherwise described in a prospectus supplement relating to any series of debt securities and except to the limited extent set forth below under Merger, Consolidation and Sale of Assets, the indentures do not contain any provisions that would limit the issuer's ability or the ability of any of the issuer's subsidiaries to incur indebtedness or other liabilities or that would afford holders of debt securities protection in the event of a business combination, takeover, recapitalization or highly leveraged or similar transaction involving the applicable issuer. Accordingly, an issuer and its subsidiaries may in the future enter into

Table of Contents

transactions that could increase the amount of its consolidated indebtedness and other liabilities or otherwise adversely affect its capital structure or credit rating without the consent of the holders of the debt securities of any series.

Registration, Transfer and Payment

Unless otherwise indicated in the applicable prospectus supplement, each series of debt securities will be issued in registered form only, without coupons.

Unless otherwise indicated in the applicable prospectus supplement, registered debt securities will be issued in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

Unless otherwise indicated in the applicable prospectus supplement, the debt securities will be payable and may be surrendered for registration of transfer or exchange and, if applicable, for conversion into or exchange for other securities or property, at an office or agency maintained by HCA Holdings, Inc. or HCA Inc., as applicable, in the United States of America. However, the applicable issuer, at its option, may make payments of interest on any registered debt security by check mailed to the address of the person entitled to receive that payment or by wire transfer to an account maintained by the payee with a bank located in the United States of America. Unless otherwise indicated in the applicable prospectus supplement, no service charge shall be made for any registration of transfer or exchange, redemption or repayment of debt securities, or for any conversion or exchange of debt securities for other securities or property, but the applicable issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with that transaction.

Unless otherwise indicated in the applicable prospectus supplement, the issuer will not be required to:

issue, register the transfer of or exchange debt securities of any series during a period beginning at the opening of business 15 days before any selection of debt securities of that series of like tenor and terms to be redeemed and ending at the close of business on the day of that selection;

register the transfer of or exchange any registered debt security, or portion of any registered debt security, selected for redemption, except the unredeemed portion of any registered debt security being redeemed in part; or

issue, register the transfer of or exchange a debt security which has been surrendered for repayment at the option of the holder, except the portion, if any, of the debt security not to be repaid.

Ranking of Debt Securities

The unsecured debt securities of each series of each issuer will be unsecured, unsubordinated obligations of the applicable issuer and will rank on a parity in right of payment with all of such issuer's other unsecured and unsubordinated indebtedness. The secured debt securities of each series of each issuer will be unsubordinated obligations of the applicable issuer and will rank on a parity in right of payment with all other unsecured and unsubordinated indebtedness of the applicable issuer, except that the secured debt securities of any series will effectively rank senior to unsecured and unsubordinated indebtedness of the applicable issuer in respect of claims against the collateral that is pledged to secure those secured debt securities.

The debt securities will be the exclusive obligations of the applicable issuer. Each issuer is a holding company, and substantially all of its respective consolidated assets are held and substantially all of its respective consolidated revenues are generated by its subsidiaries. Accordingly, the issuer's cash flow and ability to service its indebtedness, including the debt securities, depend on the results of operations of its respective subsidiaries and upon the ability of its respective subsidiaries to provide cash to the applicable issuer, whether in the form of dividends, loans or otherwise, to pay amounts due on such issuer's obligations, including the debt securities. The subsidiaries of each issuer are separate and distinct legal entities and have no obligation, contingent or otherwise,

Table of Contents

to make payments on the debt securities (except, in the case of any subsidiary that has guaranteed any debt securities, its obligations under its Guarantee of those debt securities for so long as that Guarantee remains in effect) or to make any funds available to the applicable issuer. Certain debt and security agreements entered into by certain of the issuers' subsidiaries contain various restrictions, including restrictions on payments and loans by subsidiaries to the applicable issuer and the transfer by the subsidiaries to the applicable issuer of assets pledged as collateral under such agreements. In addition, dividends, loans or other distributions from subsidiaries to the applicable issuer may be subject to additional contractual and other restrictions, are dependent upon the results of operations of such subsidiaries and are subject to other business considerations.

The unsecured debt securities of the applicable issuer will be effectively subordinated to all of the existing and future secured indebtedness of such issuer to the extent of the value of the collateral securing that indebtedness. Consequently, in the event of a bankruptcy, liquidation, dissolution, reorganization or similar proceeding with respect to the applicable issuer, the holders of such issuer's secured indebtedness will be entitled to proceed directly against the collateral that secures that secured indebtedness, and such collateral will not be available for satisfaction of any amounts owed by the applicable issuer under its unsecured indebtedness, including the unsecured debt securities, until that secured indebtedness is satisfied in full. Unless otherwise provided in the applicable prospectus supplement, the indentures will not limit the issuer's ability to incur secured indebtedness.

The unsecured debt securities of the issuers (other than any unsecured debt securities that have been guaranteed by any of such issuer's subsidiaries for so long as the Guarantees of those debt securities remain in effect) will be effectively subordinated to all existing and future liabilities and preferred equity of the applicable issuer's subsidiaries. These liabilities may include indebtedness, trade payables, other guarantees, lease obligations, swaps and letter of credit obligations. Therefore, the issuer's rights and the rights of the issuer's creditors, including the holders of unsecured debt securities, to participate in the assets of any subsidiary upon that subsidiary's bankruptcy, liquidation, dissolution, reorganization or similar circumstances will be subject (except in the case of any subsidiary that has guaranteed any unsecured debt securities for so long as its Guarantee of those debt securities remains in effect) to the prior claims of the subsidiary's creditors, except to the extent that an issuer may itself be a creditor with recognized claims against the subsidiary. However, even if an issuer is a creditor of one or more of its subsidiaries, its claims would still be effectively subordinate to any security interest in, or mortgages or other liens on, the assets of the subsidiary and would be subordinate to any indebtedness of the subsidiary senior to that held by the applicable issuer. Unless otherwise provided in the applicable prospectus supplement, the indentures will not limit the ability of any of the respective issuer's subsidiaries to incur additional secured or unsecured indebtedness, guarantees or other liabilities.

Guarantees

The debt securities of any series of each issuer may be guaranteed by one or more of its subsidiaries and, in the case of HCA Inc., the debt securities will be guaranteed by HCA Holdings, Inc. The Guarantors of any series of guaranteed debt securities of each issuer may differ from the Guarantors of any other series of guaranteed debt securities of each issuer. In the event HCA Holdings, Inc. or HCA Inc., as applicable, issues a series of guaranteed debt securities, the specific Guarantors of the debt securities of that series will be identified in the applicable prospectus supplement.

If HCA Holdings, Inc. or HCA Inc., as applicable, issues a series of guaranteed debt securities, a description of some of the terms of Guarantees of those debt securities will be set forth in the applicable prospectus supplement. Unless otherwise provided in the prospectus supplement relating to a series of guaranteed debt securities, each Guarantor of the debt securities of such series will unconditionally guarantee the due and punctual payment of the principal of, and premium, if any, and interest, if any, on and any other amounts payable with respect to, each debt security of such series and the due and punctual performance of all of the applicable issuer's other obligations under the applicable indenture with respect to the debt securities of such series, all in accordance with the terms of such debt securities and the applicable indenture.

Table of Contents

Notwithstanding the foregoing, unless otherwise provided in the prospectus supplement relating to a series of guaranteed debt securities, the applicable indenture will contain provisions to the effect that the obligations of each Guarantor under its Guarantees and such indenture shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor, result in the obligations of such Guarantor under such Guarantees and such indenture not constituting a fraudulent conveyance or fraudulent transfer under applicable law. However, there can be no assurance that, notwithstanding such limitation, a court would not determine that a Guarantee constituted a fraudulent conveyance or fraudulent transfer under applicable law. If that were to occur, the court could void the applicable Guarantor's obligations under that Guarantee, subordinate that Guarantee to other debt and other liabilities of that Guarantor or take other action detrimental to holders of the debt securities of the applicable series, including directing the holders to return any payments received from the applicable Guarantor.

The applicable prospectus supplement relating to any series of guaranteed debt securities will specify other terms of the applicable Guarantees, which may include provisions that allow a Guarantor to be released from its obligations under its Guarantee under specified circumstances or that provide for one or more Guarantees to be secured by specified collateral.

Unless otherwise expressly stated in the applicable prospectus supplement, each Guarantee will be the unsubordinated and unsecured obligation of the applicable Guarantor and will rank on a parity in right of payment with all other unsecured and unsubordinated indebtedness and guarantees of such Guarantor. Each Guarantee (other than a secured Guarantee) will be effectively subordinated to all existing and future secured indebtedness and secured guarantees of the applicable Guarantor to the extent of the value of the collateral securing that indebtedness and those guarantees. Consequently, in the event of a bankruptcy, liquidation, dissolution, reorganization or similar proceeding with respect to any Guarantor that has provided an unsecured Guarantee of any debt securities, the holders of that Guarantor's secured indebtedness and secured guarantees will be entitled to proceed directly against the collateral that secures that secured indebtedness or those secured guarantees, as the case may be, and such collateral will not be available for satisfaction of any amount owed by such Guarantor under its unsecured indebtedness and unsecured guarantees, including its unsecured Guarantees of any debt securities, until that secured debt and those secured guarantees are satisfied in full. Unless otherwise provided in the applicable prospectus supplement, the indentures will not limit the ability of any Guarantor to incur secured indebtedness or issue secured guarantees.

Unless otherwise expressly stated in the applicable prospectus supplement, each secured Guarantee will be an unsubordinated obligation of the applicable Guarantor and will rank on a parity in right of payment with all other unsecured and unsubordinated indebtedness and guarantees of such Guarantor, except that such secured Guarantee will effectively rank senior to such Guarantor's unsecured and unsubordinated indebtedness and guarantees in respect of claims against the collateral securing that secured Guarantee.

Book-entry Debt Securities

The debt securities of a series may be issued in whole or in part in the form of one or more global debt securities. Global debt securities will be deposited with, or on behalf of, a depository which, unless otherwise specified in the applicable prospectus supplement relating to the series, will be DTC. Global debt securities may be issued in either temporary or permanent form. Unless and until it is exchanged in whole or in part for individual certificates evidencing debt securities, a global debt security may not be transferred except as a whole by the depository to its nominee or by the nominee to the depository, or by the depository or its nominee to a successor depository or to a nominee of the successor depository.

HCA Holdings, Inc. and HCA Inc. anticipate that global debt securities will be deposited with, or on behalf of, DTC and that global debt securities will be registered in the name of DTC's nominee, Cede & Co. All interests in global debt securities deposited with, or on behalf of, DTC will be subject to the operations and procedures of DTC and, in the case of any interests in global debt securities held through Euroclear Bank S.A./N.V. (Euroclear) or Clearstream Banking, société anonyme (Clearstream, Luxembourg), the operations

Table of Contents

and procedures of Euroclear or Clearstream, Luxembourg, as the case may be, HCA Holdings, Inc. and HCA Inc. also anticipate that the following provisions will apply to the depository arrangements with respect to global debt securities. Additional or differing terms of the depository arrangements may be described in the applicable prospectus supplement.

DTC has advised the issuers that it is:

a limited-purpose trust company organized under the New York Banking Law;

a banking organization within the meaning of the New York Banking Law;

a member of the Federal Reserve System;

a clearing corporation within the meaning of the New York Uniform Commercial Code; and

a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934.

DTC holds securities that its participants deposit with DTC. DTC also facilitates the settlement among its participants of securities transactions, including transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts, which eliminates the need for physical movement of securities certificates. Direct participants include securities brokers and dealers, banks, trust companies, clearing corporations and other organizations. Access to the DTC system is also available to others, sometimes referred to in this prospectus as indirect participants, that clear transactions through or maintain a custodial relationship with a direct participant either directly or indirectly. Indirect participants include securities brokers and dealers, banks and trust companies. The rules applicable to DTC and its participants are on file with the SEC.

Purchases of debt securities within the DTC system must be made by or through direct participants, which will receive a credit for the debt securities on DTC's records. The ownership interest of the actual purchaser or beneficial owner of a debt security is, in turn, recorded on the direct and indirect participants' records. Beneficial owners will not receive written confirmation from DTC of their purchases, but beneficial owners are expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the direct or indirect participants through which they purchased the debt securities. Transfers of ownership interests in debt securities are to be accomplished by entries made on the books of participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in the debt securities, except under the limited circumstances described below.

To facilitate subsequent transfers, all debt securities deposited by participants with DTC will be registered in the name of DTC's nominee, Cede & Co. The deposit of debt securities with DTC and their registration in the name of Cede & Co. will not change the beneficial ownership of the debt securities. DTC has no knowledge of the actual beneficial owners of the debt securities. DTC's records reflect only the identity of the direct participants to whose accounts the debt securities are credited. Those participants may or may not be the beneficial owners. The participants are responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct and indirect participants to beneficial owners will be governed by arrangements among them, subject to any legal requirements in effect from time to time. Redemption notices shall be sent to DTC or its nominee. If less than all of the debt securities of a series are being redeemed, DTC will reduce the amount of the interest of each direct participant in the debt securities under its procedures.

In any case where a vote may be required with respect to the debt securities of any series, neither DTC nor Cede & Co. will give consents for or vote the global debt securities. Under its usual procedures, DTC will mail an omnibus proxy to HCA Holdings, Inc. or HCA Inc., as applicable, after the record date. The omnibus proxy

Table of Contents

assigns the consenting or voting rights of Cede & Co. to those direct participants to whose accounts the debt securities are credited on the record date identified in a listing attached to the omnibus proxy. Principal and premium, if any, and interest, if any, on the global debt securities will be paid to Cede & Co., as nominee of DTC. DTC's practice is to credit direct participants' accounts on the relevant payment date unless DTC has reason to believe that it will not receive payments on the payment date. Payments by direct and indirect participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the account of customers in bearer form or registered in street name. Those payments will be the responsibility of DTC's direct and indirect participants and not of DTC, HCA Holdings, Inc., HCA Inc., any trustee or any underwriters or agents involved in the offering or sale of any debt securities. Payment of principal, premium, if any, and interest, if any, to DTC is HCA Holdings, Inc.'s or HCA Inc.'s, as applicable, responsibility, disbursement of payments to direct participants is the responsibility of DTC, and disbursement of payments to the beneficial owners is the responsibility of direct and indirect participants.

Except under the limited circumstances described below, beneficial owners of interests in a global debt security will not be entitled to have debt securities registered in their names and will not receive physical delivery of debt securities. Accordingly, each beneficial owner must rely on the procedures of DTC to exercise any rights under the debt securities and the indenture.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. These laws may impair the ability to transfer or pledge beneficial interests in global debt securities.

DTC is under no obligation to provide its services as depository for the debt securities of any series and may discontinue providing its services at any time. Neither HCA Holdings, Inc., HCA Inc. nor any trustee nor any underwriters or agents involved in the offering or sale of any debt securities will have any responsibility for the performance by DTC or its participants or indirect participants under the rules and procedures governing DTC. As noted above, beneficial owners of interests in global debt securities generally will not receive certificates representing their ownership interests in the debt securities. However, if

DTC notifies HCA Holdings, Inc. or HCA Inc., as applicable, that it is unwilling or unable to continue as a depository for the global debt securities of any series or if DTC ceases to be a clearing agency registered under the Securities Exchange Act of 1934 (if so required by applicable law or regulation) and a successor depository for the debt securities of such series is not appointed within 90 days of the notification to HCA Holdings, Inc. or HCA Inc., as applicable, or of HCA Holdings, Inc. or HCA Inc., as applicable, becoming aware of DTC's ceasing to be so registered, as the case may be,

HCA Holdings, Inc. or HCA Inc., as applicable, determines, in its sole discretion, not to have the debt securities of any series represented by one or more global debt securities, or

an Event of Default under the applicable indenture has occurred and is continuing with respect to the debt securities of any series, HCA Holdings, Inc. or HCA Inc., as applicable, will prepare and deliver certificates for the debt securities of that series in exchange for beneficial interests in the global debt securities of that series. Any beneficial interest in a global debt security that is exchangeable under the circumstances described in the preceding sentence will be exchangeable for debt securities in definitive certificated form registered in the names and in the authorized denominations that the depository shall direct. It is expected that these directions will be based upon directions received by the depository from its participants with respect to ownership of beneficial interests in the global debt securities.

Clearstream, Luxembourg and Euroclear hold interests on behalf of their participating organizations through customers' securities accounts in Clearstream, Luxembourg's and Euroclear's names on the books of their respective depositories, which hold those interests in customers' securities accounts in the depositories' names on the books of DTC. At the present time, Citibank, N.A. acts as U.S. depository for Clearstream, Luxembourg and JPMorgan Chase Bank, N.A. acts as U.S. depository for Euroclear (the U.S. Depositories).

Table of Contents

Clearstream, Luxembourg holds securities for its participating organizations (Clearstream Participants) and facilitates the clearance and settlement of securities transactions between Clearstream Participants through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream, Luxembourg provides to Clearstream Participants, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing.

Clearstream, Luxembourg is registered as a bank in Luxembourg, and as such is subject to regulation by the Commission de Surveillance du Secteur Financier and the Banque Centrale du Luxembourg, which supervise and oversee the activities of Luxembourg banks. Clearstream Participants are financial institutions including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations, and may include any underwriters or agents involved in the offering or sale of any debt securities or their respective affiliates. Indirect access to Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with a Clearstream Participant. Clearstream, Luxembourg has established an electronic bridge with Euroclear as the operator of the Euroclear System (the Euroclear Operator) in Brussels to facilitate settlement of trades between Clearstream, Luxembourg and the Euroclear Operator.

Distributions with respect to global debt securities held beneficially through Clearstream, Luxembourg will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depository for Clearstream, Luxembourg. Euroclear holds securities and book-entry interests in securities for participating organizations (Euroclear Participants) and facilitates the clearance and settlement of securities transactions between Euroclear Participants, and between Euroclear Participants and participants of certain other securities intermediaries through electronic book-entry changes in accounts of such participants or other securities intermediaries. Euroclear provides Euroclear Participants, among other things, with safekeeping, administration, clearance and settlement, securities lending and borrowing, and related services. Euroclear Participants are investment banks, securities brokers and dealers, banks, central banks, supranationals, custodians, investment managers, corporations, trust companies and certain other organizations, and may include any underwriters or agents involved in the offering or sale of any debt securities or their respective affiliates. Non-participants in Euroclear may hold and transfer beneficial interests in a global debt security through accounts with a participant in the Euroclear System or any other securities intermediary that holds a book-entry interest in a global debt security through one or more securities intermediaries standing between such other securities intermediary and Euroclear.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable Belgian law (collectively, the Terms and Conditions). The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear and receipts of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants, and has no record of or relationship with persons holding through Euroclear Participants.

Distributions on interests in global debt securities held beneficially through Euroclear will be credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by the U.S. Depository for Euroclear.

Transfers between Euroclear Participants and Clearstream Participants will be effected in the ordinary way in accordance with their respective rules and operating procedures.

Cross-market transfers between direct participants in DTC, on the one hand, and Euroclear Participants or Clearstream Participants, on the other hand, will be effected through DTC in accordance with DTC s rules on behalf of Euroclear or Clearstream, Luxembourg, as the case may be, by its U.S. Depository; however, such

cross-market transactions will require delivery of instructions to Euroclear or Clearstream, Luxembourg, as the case may be, by the counterparty in such system in accordance with the applicable rules and procedures and within the established deadlines (European time) of such system. Euroclear or Clearstream, Luxembourg, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its U.S. Depository to take action to effect final settlement on its behalf by delivering or receiving interests in global debt securities in DTC, and making or receiving payment in accordance with normal procedures for same-day fund settlement applicable to DTC. Euroclear Participants and Clearstream Participants may not deliver instructions directly to their respective U.S. Depositories.

Due to time zone differences, the securities accounts of a Euroclear Participant or Clearstream Participant purchasing an interest in a global debt security from a direct participant in DTC will be credited, and any such crediting will be reported to the relevant Euroclear Participant or Clearstream Participant, during the securities settlement processing day (which must be a business day for Euroclear or Clearstream, Luxembourg) immediately following the settlement date of DTC. Cash received in Euroclear or Clearstream, Luxembourg as a result of sales of interests in a global debt security by or through a Euroclear Participant or Clearstream Participant to a direct participant in DTC will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream, Luxembourg cash account only as of the business day for Euroclear or Clearstream, Luxembourg following DTC's settlement date.

Euroclear and Clearstream, Luxembourg are under no obligation to perform or to continue to perform the foregoing procedures and such procedures may be discontinued at any time without notice. Neither HCA Holdings, Inc. or HCA Inc. nor any trustee nor any underwriters or agents involved in the offering or sale of any debt securities will have any responsibility for the performance by Euroclear or Clearstream, Luxembourg or their respective participants of their respective obligations under the rules and procedures governing their operations.

The information in this section concerning DTC, Euroclear and Clearstream, Luxembourg and their book-entry systems has been obtained from sources that HCA Holdings, Inc. and HCA Inc. believe to be reliable, but HCA Holdings, Inc. and HCA Inc. take no responsibility for the accuracy of that information.

Redemption and Repurchase

The debt securities of any series may be redeemable at the option of HCA Holdings, Inc. or HCA Inc., as applicable, or may be subject to mandatory redemption by HCA Holdings, Inc. or HCA Inc., as applicable, as required by a sinking fund or otherwise. In addition, the debt securities of any series may be subject to repurchase or repayment by HCA Holdings, Inc. or HCA Inc., as applicable, at the option of the holders. The applicable prospectus supplement will describe the terms, the times and the prices regarding any optional or mandatory redemption by HCA Holdings, Inc. or HCA Inc., as applicable, or any repurchase or repayment at the option of the holders of any series of debt securities.

Secured Debt Securities

The debt securities of any series and the Guarantees, if any, of the debt securities of any series may be secured by collateral. The applicable prospectus supplement will describe any such collateral and the terms of such secured debt securities.

Merger, Consolidation and Sale of Assets

Unless otherwise specified in the applicable prospectus supplement, the indentures provide that HCA Holdings, Inc. or HCA Inc., as applicable, will not consolidate or merge with or into or wind up into (whether or not the Issuer is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

either (1) HCA Holdings, Inc. or HCA Inc., as applicable, is the surviving corporation or (2) the Person formed by or surviving any such consolidation or merger (if other than HCA Holdings, Inc. or HCA Inc.,

Table of Contents

as applicable,) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a corporation organized or existing under the laws of the jurisdiction of organization of the applicable issuer or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Person, as the case may be, being herein called the Successor Company);

the Successor Company, if other than the applicable issuer, shall expressly assume all the obligations of the applicable issuer pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory in form to the trustee;

immediately after giving effect to the transaction described above, no Event of Default under the applicable indenture, and no event which, after notice or lapse of time or both would become an Event of Default under the applicable indenture, shall have occurred and be continuing;

with respect to any guaranteed debt securities, each Guarantor, unless it is the other party to the transactions described above, shall have by supplemental indenture confirmed that its Guarantee shall apply to such person's obligations under the applicable indenture and the debt securities; and

the trustee shall have received the officers' certificate and opinion of counsel called for by the applicable indenture.

In addition, with respect to secured debt securities, unless otherwise specified in the applicable prospectus supplement, the indentures provide that immediately after giving pro forma effect to the transaction described above, (1) the Collateral owned by the Successor Company will continue to constitute Collateral under the applicable indenture and related security documents and (2) to the extent any assets of the Person which is merged or consolidated with or into the Successor Company are assets of the type which would constitute Collateral under the related security documents, the Successor Company will take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the security documents in the manner and to the extent required by the applicable indenture.

In the case of any such merger, consolidation, sale, assignment, transfer, lease, conveyance or other disposition in which HCA Holdings, Inc. or HCA Inc., as applicable, is not the continuing entity and upon execution and delivery by the successor person of the supplemental indenture described above, such Successor Person shall succeed to, and be substituted for, HCA Holdings, Inc. or HCA Inc., as applicable, and may exercise every right and power of HCA Holdings, Inc. or HCA Inc., as applicable, under the applicable indenture with the same effect as if such successor person had been named as HCA Holdings, Inc. or HCA Inc., as applicable, therein, and HCA Holdings, Inc. or HCA Inc., as applicable, shall be automatically released and discharged from all obligations and covenants under the applicable indenture and the debt securities issued under that indenture.

With respect to guaranteed debt securities, unless otherwise specified in the applicable prospectus supplement, the merger, consolidation and transfer of assets provisions described above are equally applicable to each of the Guarantors in its capacity as guarantor of such debt securities.

Events of Default

Unless otherwise specified in the applicable prospectus supplement, an Event of Default with respect to the debt securities of any series is defined in the applicable indenture as being:

- (1) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the debt securities;
- (2) default for 30 days or more in the payment when due of interest on or with respect to the debt securities;
- (3) default in the deposit of any sinking fund payment when and as due with respect to any of the debt securities of that series;

Table of Contents

(4) default in the performance, or breach, of any covenant or warranty of the issuer in the applicable indenture, and continuance of such default or breach for a period of 60 days after there has been given written notice by the trustee or the holders of at least 10% in principal amount of the outstanding debt securities (with a copy to the trustee) specifying such default or breach and requiring it to be remedied;

(5) HCA Holdings, Inc. or HCA Inc., as applicable, pursuant to or within the meaning of any Bankruptcy Law: (i) commences proceedings to be adjudicated bankrupt or insolvent; (ii) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law; (iii) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property; (iv) makes a general assignment for the benefit of its creditors; or (v) generally is not paying its debts as they become due;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against HCA Holdings, Inc. or HCA Inc. as applicable, in a proceeding in which the issuer is to be adjudicated bankrupt or insolvent; appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the issuer, or for all or substantially all of the property of the issuer; or orders the liquidation of the issuer; and the order or decree remains unstayed and in effect for 60 consecutive days;

(7) if applicable, the Guarantee of any Significant Subsidiary shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of any Guarantor that is a Significant Subsidiary, as the case may be, denies that it has any further liability under its Guarantee or gives notice to such effect, other than by reason of the termination of the indenture or the release of any such Guarantee in accordance with the indenture; or

(8) any other Event of Default established for the debt securities of that series.

No Event of Default with respect to any particular series of debt securities necessarily constitutes an Event of Default with respect to any other series of debt securities. The indentures provide that, within 90 days after the occurrence of any default with respect to the debt securities of any series, the trustee will mail to all holders of the debt securities of that series notice of that default. Except in the case of a default relating to the payment of principal, premium, if any, or interest on debt securities of any series, the trustee may withhold from the holders notice of any continuing default if and so long as a committee of its responsible officers in good faith determines that withholding the notice is in the interests of the holders of the debt securities. The trustee shall not be deemed to know of any default unless a responsible officer of the trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the trustee at the corporate trust office of the trustee.

The indentures provide that if any Event of Default (other than an Event of Default specified in clauses (5) or (6) of the second preceding paragraph with respect to of HCA Holdings, Inc. or HCA Inc., as applicable) occurs and is continuing under the indenture, the trustee or the holders of at least 25% in principal amount of the then total outstanding debt securities may declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding debt securities to be due and payable immediately. Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately. The trustee shall have no obligation to accelerate the debt securities if and so long as a committee of its Responsible Officers in good faith determines acceleration is not in the best interest of the holders of the debt securities. Notwithstanding the foregoing, in the case of an Event of Default arising under clauses (5) or (6), all outstanding debt securities shall be due and payable immediately without further action or notice. The holders of a majority in aggregate principal amount of the then outstanding debt securities by written notice to the trustee may on behalf of all of the holders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium that has become due solely because of the acceleration) have been cured or waived.

Subject to the provisions of the Trust Indenture Act of 1939 requiring the trustee, during the continuance of an Event of Default under the applicable indenture, to act with the requisite standard of care, the trustee is under

Table of Contents

no obligation to exercise any of its rights or powers under the applicable indenture at the request or direction of any of the holders of debt securities of any series unless those holders have offered the trustee indemnity reasonably satisfactory to the trustee against the costs, fees and expenses and liabilities which might be incurred in compliance with such request or direction. Subject to the foregoing, holders of a majority in principal amount of the outstanding debt securities of any series issued under the applicable indenture have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee under the indenture with respect to that series. The indentures require the annual filing by HCA Holdings, Inc. or HCA Inc., as applicable, with the trustee of a certificate which states whether or not HCA Holdings, Inc. or HCA Inc., as applicable, are in default under the terms of the indenture.

Unless otherwise specified in the applicable prospectus supplement, no holder of any debt securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to the applicable indenture, or for the appointment of a receiver or trustee, or for any other remedy under the indenture, unless:

such holder has previously given written notice to the trustee of a continuing Event of Default with respect to the debt securities of such series;

the holders of not less than 25% in principal amount of the total outstanding debt securities of such series shall have made written request to the trustee to institute proceedings in respect of such Event of Default in its own name as trustee under the indenture;

holders have offered to the trustee security or indemnity reasonably satisfactory to the trustee against any loss liability or expense incurred in compliance with such request;

the trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

holders of a majority in principal amount of the total outstanding debt securities have not given the trustee a direction inconsistent with such request within such 60-day period.

Notwithstanding any other provision of the indenture, the right of any holder of a debt security to receive payment of principal, premium, if any, and interest on the debt security, on or after the respective due dates expressed in the debt security, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder.

Amendment, Supplement and Waiver

Unless otherwise specified in the applicable prospectus supplement, the indentures permit HCA Holdings, Inc. or HCA Inc., as applicable, any Guarantors party to such indenture and the trustee, with the consent of the holders of at least majority in principal amount of the outstanding debt securities of each series issued under the applicable indenture and affected by a modification or amendment, to modify or amend any of the provisions of the applicable indenture or of the debt securities of the applicable series or the rights of the holders of the debt securities of that series under the applicable indenture. However, no such modification or amendment shall, among other things:

change the stated maturity of the principal of, or installment of interest, if any, on, any debt securities, or reduce the principal amount thereof or the interest thereon or any premium payable upon redemption thereof;

change the currency in which the principal of (and premium, if any) or interest on such debt securities are denominated or payable;

adversely affect the right of repayment or repurchase, if any, at the option of the holder after such obligation arises, or reduce the amount of, or postpone the date fixed for, any payment under any sinking fund or impair the right to institute suit for the enforcement of

any payment on or after the stated maturity thereof (or, in the case of redemption, on or after the redemption date);

Table of Contents

reduce the percentage of holders whose consent is required for modification or amendment of the indenture or for waiver of compliance with certain provisions of the indenture or certain defaults;

modify the provisions that require holder consent to modify or amend the indenture or that permit holders to waive compliance with certain provisions of the indenture or certain defaults;

impair the right of any holder to receive payment of principal of, or interest on such holder's debt securities on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such holder's debt securities; or

except as expressly permitted by the indenture, modify the Guarantees of any Significant Subsidiary in any manner adverse to the holders of any debt securities.

without in each case obtaining the consent of the holder of each outstanding debt security issued under such indenture affected by the modification or amendment.

Unless otherwise specified in the applicable prospectus supplement, the indentures also contain provisions permitting HCA Holdings, Inc. or HCA Inc., as applicable, any Guarantors party to such indenture and the trustee, without the consent of the holders of any debt securities issued under the applicable indenture, to modify or amend the indenture, among other things:

to evidence the succession of another corporation to HCA Holdings, Inc. or HCA Inc., as applicable, or, if applicable, any Guarantor under the applicable indenture and the assumption by such successor of the covenants of HCA Holdings, Inc. or HCA Inc., as applicable, in compliance with the requirements set forth in the indenture;

to add to the covenants for the benefit of the holders or to surrender any right or power herein conferred upon the HCA Holdings, Inc. or HCA Inc., as applicable;

to add any additional Events of Default;

to make any amendment to the provisions of the indenture relating to the transfer and legending of debt securities as permitted by the indenture, including, without limitation to facilitate the issuance and administration of the debt securities; provided, however, that (i) compliance with the indenture as so amended would not result in debt securities being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of holders to transfer debt securities; or

The holders of a majority in aggregate principal amount of the outstanding debt securities of any series may, on behalf of all holders of debt securities of that series, waive any past default under the applicable indenture with respect to debt securities of that series and its consequences, except a default in the payment of the principal of, or premium, if any, or interest, if any, on debt securities of that series or, in the case of any debt securities which are convertible into or exchangeable for other securities or property, a default in any such conversion or exchange, or a default in respect of a covenant or provision which cannot be modified or amended without the consent of the holder of each outstanding debt security of the affected series.

Discharge, Defeasance and Covenant Defeasance

Unless otherwise provided in the applicable prospectus supplement, HCA Holdings, Inc. and HCA Inc., as applicable, may discharge certain obligations to holders of the debt securities of a series that have not already been delivered to the trustee for cancellation and that either have become due and payable or will become due and payable within one year (or scheduled for redemption within one year) by depositing with the trustee, in trust, funds in U.S. dollars in an amount sufficient to pay the entire indebtedness including the principal, premium, if any, and interest to the date of such deposit (if the debt securities have become due and payable) or to the maturity thereof or the redemption date of the debt securities of that series, as the case may be.

The indentures provide that the applicable issuer may elect either (1) to defease and be discharged from any and all obligations with respect to the debt securities of a series (except for, among other things, obligations to register the transfer or exchange of the debt securities, to replace temporary or mutilated, destroyed, lost or stolen debt securities, to maintain an office or agency with respect to the debt securities and to hold moneys for payment in trust) (legal defeasance) or (2) to be released from its obligations to comply with the restrictive covenants under the indenture, and any omission to comply with such obligations will not constitute a default or an event of default with respect to the debt securities of a series and clauses (3), (5) and (6) under Events of Default will no longer be applied (covenant defeasance). Legal defeasance or covenant defeasance, as the case may be, will be conditioned upon, among other things, the irrevocable deposit by the issuer with the trustee, in trust, of an amount in U.S. dollars, or U.S. government obligations, or both, applicable to the debt securities of that series which through the scheduled payment of principal and interest in accordance with their terms will provide money in an amount sufficient to pay the principal or premium, if any, and interest on the debt securities on the scheduled due dates therefor.

If HCA Holdings, Inc. or HCA Inc., as applicable, effects covenant defeasance with respect to the debt securities of any series, the amount in U.S. dollars, or U.S. government obligations, or both, on deposit with the trustee will be sufficient, in the opinion of a nationally recognized firm of independent accountants, to pay amounts due on the debt securities of that series at the time of the stated maturity but may not be sufficient to pay

amounts due on the debt securities of that series at the time of the acceleration resulting from such event of default. However, HCA Holdings, Inc. or HCA Inc., as applicable, would remain liable to make payment of such amounts due at the time of acceleration.

HCA Holdings, Inc. or HCA Inc., as applicable, will be required to deliver to the trustee an opinion of counsel that the deposit and related defeasance will not cause the holders and beneficial owners of the debt securities of that series to recognize income, gain or loss for U.S. federal income tax purposes. If HCA Holdings, Inc. or HCA Inc., as applicable, elects legal defeasance, that opinion of counsel must be based upon a ruling from the U.S. Internal Revenue Service or a change in law to that effect.

HCA Holdings, Inc. or HCA Inc., as applicable, may exercise our legal defeasance option notwithstanding our prior exercise of our covenant defeasance option.

The indemnification provided by Section 317 for acts while serving as a director or officer of the corporation, but not involving breach of duty to the corporation and its shareholders, shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw to the extent authorized by the corporation's articles of incorporation.

Section 607.0850 of the Florida Business Corporation Act authorizes, among other things, a company to indemnify any person who was or is a party to any proceeding (other than an action by or in the right of the company) by reason of the fact that he is or was a director, officer, employee or agent of the company (or is or was serving at the request of the company in such a position for any entity) against liability incurred in connection with such proceedings, if he or she acted in good faith and in a manner reasonably believed to be in the best interests of the company and, with respect to criminal proceedings, had no reasonable cause to believe his or her conduct was unlawful.

The Florida Business Corporation Act requires that a director, officer or employee be indemnified for actual and reasonable expenses (including attorneys' fees) to the extent that he or she has been successful on the merits or otherwise in the defense of any proceeding. Florida law also allows expenses of defending a proceeding to be advanced by a company before the final disposition of the proceedings, provided that the officer, director or employee undertakes to repay such advance if it is ultimately determined that indemnification is not permitted.

The Florida Business Corporation Act states that the indemnification and advancement of expenses provided pursuant to Section 607.0850 is not exclusive and that indemnification may be provided by a company pursuant to other means, including agreements or bylaw provisions. Florida law prohibits indemnification or advancement of expenses, however, if a judgment or other final adjudication establishes that the actions of a director, officer or employee constitute (i) a violation of criminal law, unless he or she had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful; (ii) a transaction from which such person derived an improper personal benefit; (iii) willful misconduct or conscious disregard for the best interests of the company in the case of a derivative action or a proceeding by or in the right of a stockholder, or (iv) in the case of a director, a circumstance under which the liability provisions of Section 607.0834 of the Florida Business Corporation Act (relating to the liability of directors for improper distributions) are applicable.

The bylaws of all the Florida corporate registrants indemnify their officers and directors against all reasonable expense incurred by them in defending claims or suits, irrespective of the time of the occurrence of the claims or causes of action in such suits, made or brought against them as officers or directors of the corporation, and against all liability in such suits, except in such cases as involve gross negligence or willful misconduct in the performance of their duties. Such indemnification extends to the payment of judgments against such officers and directors and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the corporation or amounts paid in settlement to the corporation. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or directors. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

A limited liability company may, and has the power to, but is not required to, indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever. Notwithstanding the foregoing, indemnification or advancement of expenses should not be made to or on behalf of any member, manager, managing member, officer, employee, or agent if a judgment or other final adjudication establishes that the actions, or omissions to act, of such member, manager, managing member, officer, employee, or agent were material to the cause of action so adjudicated and constitute any of the following: (i) a violation of criminal law, unless the member, manager, managing member, officer, employee, or agent had no reasonable cause to believe such conduct was unlawful; (ii) a transaction from which the member, manager, managing member, officer, employee, or agent derived an improper personal benefit;

Georgia Registrants

(a) Columbia Polk General Hospital, Inc., Columbus Cardiology, Inc., Marietta Surgical Center, Inc., and Redmond Physician Practice Company are incorporated under the laws of Georgia.

Section 14-2-202(b)(4) of the Georgia Business Corporation Code provides that a corporation's articles of incorporation may include a provision that eliminates or limits the liability of directors for monetary damages to a corporation or its shareholders for any action taken, or failure to take any action, as a director. The section does not, however, authorize a corporation to eliminate or limit the liability of a director for appropriating, in violation of his or her duties, any business opportunity of the corporation, for acts or omissions which involve intentional misconduct or a knowing violation of law, for any transaction from which the director received an improper personal benefit, or authorizing a dividend, stock repurchase or redemption, distribution of assets or other distribution in violation of Section 14-2-640 of the Georgia Business Corporation Code if it is established that the director did not perform his or her duties in compliance with Section 14-2-832 of the Georgia Business Corporation Code, which sets forth general standards for directors. Section 14-2-202(b)(4) also does not eliminate or limit the right of a corporation or any shareholder to seek an injunction, a rescission or any other equitable (non-monetary) relief for any action taken or not taken by a director. In addition, Section 14-2-202(b)(4) applies only to claims against a director arising out of his or her role as a director and does not relieve a director from liability arising from his or her role as an officer or in any other capacity.

Sections 14-2-852 and 14-2-857 of the Georgia Business Corporation Code provide that any director or officer who is wholly successful in the defense of any proceeding to which he or she was a party because he or she was an officer or a director of the corporation is entitled to indemnification against reasonable expenses as of right. On the other hand, if the charges made in any action are sustained, the determination of whether the required standard of conduct has been met will be made, in accordance with the provisions of Georgia Business Corporation Code Section 14-2-855, by either the board of directors or a committee thereof, acting by disinterested members, by special legal counsel or by the shareholders, but shares owned by or voted under the control of directors seeking indemnification may not be voted.

The bylaws of each of the Georgia corporate registrants indemnify their officers and directors against all reasonable expense incurred by them in defending claims or suits, irrespective of the time of the occurrence of the claims or causes of action in such suits, made or brought against them as officers or directors of the corporation, and against all liability in such suits, except in such cases as involve gross negligence or willful misconduct in the performance of their duties. such officers and directors and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the corporation or amounts paid in settlement to the corporation. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or directors. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

(b) Dublin Community Hospital, LLC, Northlake Medical Center, LLC, Palmyra Park Hospital, LLC and Redmond Park Hospital, LLC are registered under the laws of Georgia.

Georgia law provides that a limited liability company may indemnify a member, manager or other person against liability incurred in connection with the limited liability company subject to any standards or restrictions set forth in the articles of organization or operating agreement. Unless the member or manager is aware of information which would cause any reliance to be unwarranted, he or she is entitled to rely upon information prepared or presented by other members, managers, committees and employees of the limited liability company and legal counsel, public accountants or other professionals or experts.

However, Georgia law does not permit indemnification if the member or manager has engaged in any intentional misconduct or a knowing violation of law or was involved in any transaction in which the member or manager received a personal benefit as a result of his or her breach of any provision in the operating agreement.

The operating agreements of each of the Georgia limited liability companies indemnify their officers and managers against all reasonable expense incurred by them in defending claims or suits, irrespective of the time of the occurrence of the claims or causes of action in such suits, made or brought against them as officers or managers of the limited liability company, and against all liability in such suits, except in such cases as involve gross negligence or willful misconduct in the performance of their duties. Such indemnification extends to the payment of judgments against such officers and managers and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the company or amounts paid in settlement to the company. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or managers. Such right of indemnification is not exclusive of any right to which such officer or manager may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and managers.

Idaho Registrants

(a) Eastern Idaho Health Services, Inc. and West Valley Medical Center, Inc. are incorporated under the laws of Idaho.

Under Title 30, Section 30-1-851 of the Idaho Code, a corporation's directors and officers may be indemnified against certain liabilities which they may incur in their capacities as such. The material terms of the indemnification provisions are indemnification:

with respect to civil, criminal, administrative or investigative proceedings brought because the defendant is or was serving as an officer, director, employee or agent of the company;

for judgments, fines and amounts paid in settlement reasonably incurred;

if the defendant acted in good faith and reasonably believed in the case of conduct in his official capacity that his conduct was in the best interests of the company, and in all other cases that his conduct was at least not opposed to the best interests of the company; and

if, with respect to a criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

Attorneys' fees are included in such indemnification to the extent the indemnified party is successful on the merits in defense of the proceeding. If the foregoing criteria are met, indemnification also applies to a suit threatened or pending by the company against the officer, director, employee or agent with respect to attorneys' fees unless there is negligence on the part of the indemnified party. Indemnification is made only upon a determination by the company that it is proper under the circumstances because the applicable standard is met.

Generally, expenses for defense may be paid in advance of final disposition of the proceeding if the indemnified party provides a written affirmation of his good faith belief that he has met the relevant standard of conduct under the Idaho Code and further provides a written undertaking to repay such amounts if it is determined that the applicable standard has not been met.

The bylaws of both of the Idaho corporations indemnify their officers and directors against all reasonable expense incurred by them in defending claims or suits, irrespective of the time of the occurrence of the claims or causes of action in such suits, made or brought against them as officers or directors of the corporation, and against all liability in such suits, except in such cases as involve gross negligence or willful misconduct in the performance of their duties. Such indemnification extends to the payment of judgments against such officers and directors and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the corporation or amounts paid in settlement to the corporation. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or directors. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

trust, or other enterprise, against expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement, actually and reasonably incurred by them in connection with the action, suit, or proceeding, unless it is ultimately determined by a court of competent jurisdiction that they breached their fiduciary duties by intentional misconduct, fraud, or a knowing violation of law or did not act in good faith and in a manner which they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. In addition, the applicable statutory provisions mandate that the corporation indemnify its directors and officers who have been successful on the merits or otherwise in defense of any action, suit, or proceeding against expenses, including attorneys' fees, actually and reasonably incurred by them in connection with the defense. The corporation will advance expenses incurred by directors or officers in defending any such action, suit, or proceeding upon receipt of written confirmation from such officers or directors that they have met certain standards of conduct and an undertaking by or on behalf of such officers or directors to repay such advances if it is ultimately determined that they are not entitled to indemnification by the corporation.

The bylaws of all the Nevada corporate registrants indemnify their officers and directors against all reasonable expense incurred by them in defending claims or suits, irrespective of the time of the occurrence of the claims or causes of action in such suits, made or brought against them as officers or directors of the corporation, and against all liability in such suits, except in such cases as involve gross negligence or willful misconduct in the performance of their duties. Such indemnification extends to the payment of judgments against such officers and directors and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the corporation or amounts paid in settlement to the corporation. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or directors. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

Section 86.411 of the NRS permits a limited liability company to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (except an action by or in the right of the limited liability company), by reason of being or having been a manager or member of the limited liability company. As with corporations, indemnification may include attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person to be indemnified. Section 86.421 of the NRS permits a limited liability company to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the limited liability company to procure a judgment in its favor by reason of being or having been a manager or member of the limited liability company except that indemnification may not be made for any claim, issue or matter as to which such a person has been finally adjudged by a court of competent jurisdiction to be liable to the limited liability company or for amounts paid in settlement to the limited liability company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that, in view of all the circumstances, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper. In either case, however, to be entitled to indemnification, the person to be indemnified must have acted in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the limited liability company and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 86.431 of the NRS also provides that to the extent a manager or member of a limited liability company has been successful on the merits or otherwise in defense of any such action, he or she must be indemnified by the limited liability company against expenses, including attorneys' fees actually and reasonably incurred in connection with the defense.

Section 86.461 of the NRS permits a limited liability company to purchase and maintain insurance or make other financial arrangements on behalf of the limited liability company's managers or members for any liability and expenses incurred by them in their capacities as managers or members or arising out of their status as such, whether or not the limited liability company has the authority to indemnify him, her or them against such liability and expenses.

The Tennessee Business Corporation Act (TBCA) sets forth in Sections 48-18-502 through 48-18-508 the circumstances governing the indemnification of directors and officers of a corporation against liability incurred in the course of their official capacities. Section 48-18-502 of the TBCA provides that a corporation may indemnify any director against liability incurred in connection with a proceeding if (i) the director acted in good faith, (ii) the director reasonably believed, in the case of conduct in his or her official capacity with the corporation, that such conduct was in the corporation's best interest, or, in all other cases, that his or her conduct was not opposed to the best interests of the corporation and (iii) in connection with any criminal proceeding, the director had no reasonable cause to believe that his or her conduct was unlawful. In actions brought by or in the right of the corporation, however, the TBCA provides that no indemnification may be made if the director or officer is adjudged to be liable to the corporation. Similarly, the TBCA prohibits indemnification in connection with any proceeding charging improper personal benefit to a director, if such director is adjudged liable on the basis that a personal benefit was improperly received. In cases where the director is wholly successful, on the merits or otherwise, in the defense of any proceeding instigated because of his or her status as a director of a corporation, Section 48-18-503 of the TBCA mandates that the corporation indemnify the director against reasonable expenses incurred in the proceeding. Notwithstanding the foregoing, Section 48-18-505 of the TBCA provides that a court of competent jurisdiction, upon application, may order that a director or officer be

indemnified for reasonable expense if, in consideration of all relevant circumstances, the court determines that such individual is fairly and reasonably entitled to indemnification, whether or not the standard of conduct set forth above was met. Officers who are not directors are entitled, through the provisions of Section 48-18-507 of the TBCA, to the same indemnification afforded to directors under Sections 48-18-503 and 48-18-505.

Such indemnification extends to the payment of judgments against such officers and directors and to reimbursement of amounts paid in settlement of such claims or actions and may apply to judgments in favor of the corporation or amounts paid in settlement to the corporation. Such indemnification also extends to the payment of counsel fees and expenses of such officers and directors in suits against them where successfully defended by them or where unsuccessfully defended, if there is no finding or judgment that the claim or action arose from the gross negligence or willful misconduct of such officers or directors. Such right of indemnification is not exclusive of any right to which such officer or director may be entitled as a matter of law and shall extend and apply to the estates of deceased officers and directors.

In cases where the person is wholly successful, on the merits or otherwise, in the defense of any proceeding instigated because of his or her status as a director of a corporation, Section 48-249-115 of the TLLCA mandates that the LLC indemnify the person against reasonable expenses incurred in the proceeding. Notwithstanding the foregoing, Section 48-249-115 of the TLLCA provides that a court of competent jurisdiction, upon application, may order that a responsible person be indemnified for reasonable expense if, in consideration of all relevant circumstances, the court determines that such individual is fairly and reasonably entitled to indemnification, whether or not the standard of conduct set forth above was met. Officers, employees, and agents who are not responsible persons are entitled, through the provisions of Section 48-249-115 of the TLLCA to the same degree of indemnification afforded to responsible persons under Section 48-249-115.

Item 17. Undertakings.

Each undersigned registrant hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or

proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the relevant trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Securities and Exchange Commission under section 305(b)(2) of the Act.
