Item 2.02. Results of Operations and Financial Condition.

On February 5, 2013, Allergan, Inc. (Allergan) issued a press release announcing operating results for the fourth quarter and full year ended December 31, 2012. In its press release, Allergan included non-GAAP financial measures, as defined in Regulation G promulgated by the Securities and Exchange Commission. A copy of the press release is furnished as Exhibit 99.1 hereto and is incorporated herein by reference.

This information and the information contained in the press release shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. The information in Item 2.02 of this Current Report is not incorporated by reference into any filings of Allergan made under the Securities Act of 1933, as amended, whether made before or after the date of this Current Report, regardless of any general incorporation language in the filing unless specifically stated so therein.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On February 1, 2013, Allergan completed its previously announced review of strategic options for maximizing the value of its obesity intervention business and has formally committed to pursue a sale of that business unit. Accordingly, Allergan has engaged in confidential discussions with third parties regarding a potential sale of its obesity intervention business and will begin to consider offers for the sale of that business unit. Allergan currently expects to execute a signed agreement to sell the obesity intervention business in the first half of 2013; however, Allergan cannot assure any outcome or the timing of any outcome related to this process.

For financial reporting purposes, beginning in the first quarter of 2013, Allergan intends to classify its obesity intervention business as discontinued operations in Allergan's statement of earnings and balance sheet, and expects to report income from discontinued operations and a separate expected disposal loss from the write-down to fair value of the net assets held for sale. At this time, Allergan is unable in good faith to make a determination of an estimate or range of estimates required by paragraphs (b), (c) and (d) of Item 2.05 of Form 8-K with respect to the charges associated with this decision. As permitted by Item 2.05 of Form 8-K, Allergan will file an amendment to this Current Report on Form 8-K under Item 2.05 within four business days after the Allergan's determination of such estimate or range of estimates.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On January 31, 2013, Herbert W. Boyer, Ph.D., Vice Chairman of Allergan's Board of Directors (the Board) since 2001, notified Allergan of his decision to retire from the Board, effective immediately prior to Allergan's 2013 annual meeting of stockholders (the Annual Meeting). Dr. Boyer's retirement from the Board is not due to any disagreement with Allergan or the Board. In connection with Dr. Boyer's retirement, on January 31, 2013, the Board appointed Michael R. Gallagher to serve as Allergan's lead independent director, effective immediately prior to the Annual Meeting.

On January 31, 2013, Stephen J. Ryan, M.D. notified Allergan of his decision to retire from the Board, effective immediately prior to the Annual Meeting. Dr. Ryan's retirement from the Board is not due to any disagreement with Allergan or the Board.

On January 31, 2013, the Board increased the size of the Board from 10 to 11 members and appointed Timothy Proctor to fill the resulting vacancy and serve as a member of the Board, each effective as of February 4, 2013. The Board also approved a reduction in the size of the Board from 11 to 9 directors, effective immediately prior to the Annual Meeting, to account for the retirements of Dr. Boyer and Dr. Ryan from the Board.

Mr. Proctor was also appointed by the Board to serve as a member of the Board's Organization and Compensation Committee and its Audit and Finance Committee. Mr. Proctor will receive compensation in accordance with Allergan's current non-employee director compensation program, which was effective as of January 1, 2013, and pursuant to which Mr. Proctor will receive a fixed annual value of approximately \$450,000, comprised of (i) cash compensation for annual retainers and meeting fees with an approximate value of \$100,000 and (ii) a targeted fixed annual equity award of approximately \$350,000.

Item 9.01. Financial Statements and Exhibits.
