Item 1.01 Entry into a Material Definitive Agreement.

The information set forth in Item 2.01 below is incorporated by reference in this item.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 12, 2013, PowerSecure International, Inc., a Delaware corporation (the Company), acquired Solais Lighting, Inc., a Delaware corporation (Solais). Solais is a Connecticut-based LED lighting company with a proprietary portfolio of LED lamps and fixtures for commercial and industrial applications. Solais' innovative designs, which are covered by a variety of patents and patents pending, provide their products with enhanced light output, thermal management, optics and light quality, and aesthetics.

The acquisition of Solais is intended to strengthen and complement the Company's existing LED business through the addition of new product lines and new skill sets around product design, product commercialization, and manufacturing and sourcing capabilities. In addition, Solais will add to the Company's capabilities in marketing LED lighting through distributor channels.

The acquisition was accomplished through a merger (the Merger) of Solais into Brite Idela, Inc., a Delaware corporation, which was formed to effectuate the merger and renamed Solais Lighting, Inc. after the Merger (Solais PowerSecure). As a result of the Merger, the assets, properties, business, debts, liabilities and obligations of Solais prior to the Merger became vested in Solais PowerSecure.

The Merger was consummated pursuant to an Agreement and Plan of Merger, dated as of April 12, 2013 (the Merger Agreement), by and among the Solais, the stockholders of Solais (the Solais Stockholders), the Company and Solais PowerSecure. The merger consideration paid by the Company to the stockholders of Solais was valued at an aggregate of \$15 million, less an adjustment deducting the working capital deficit of approximately \$0.2 million, and is subject to a post-closing true up adjustment of the final closing working capital balance. As a result, the aggregate merger consideration paid by the Company consisted of approximately \$6.5 million in cash plus 675,160 shares of common stock, par value \$.01 per share, of the Company (Shares). For purposes of the Merger and the merger consideration, the Shares were valued at \$12.22 per Share, which was their volume-weighted average closing sale price as reported on the Nasdaq Global Select Market over the five trading days immediately preceding the date the Merger was completed. All outstanding shares of capital stock of Solais were converted into and exchanged for the merger consideration.

The Merger became effective on April 12, 2013 when a Certificate of Merger was filed with the Secretary of State of the State of Delaware.

The Merger Agreement contains customary representations and warranties as well as indemnification obligations, and limitations thereon, by the Company and the Solais Stockholders to each other, including a \$1.5 million two year escrow out of the cash portion of the merger consideration to support the indemnification obligations of the Solais Stockholders. In addition, the Merger Agreement contains a four year covenant not to compete by James Leahy, the President and a Solais Stockholder, against the Company and its affiliates in the LED lighting business, and related customary restrictive covenants.

The foregoing description of the acquisition of Solais contains forward-looking statements, including statements relating to the projected success of the Solais business and the projected financial results of the acquired Solais business and the effect of the acquisition on the financial results of the Company, which are made within the meaning of and pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. A more thorough discussion of certain risks, uncertainties and other factors that may affect the Company is included in the Company's most recent Annual Report on Form 10-K and in subsequent reports, including the Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, that the Company files or furnishes with the Securities and Exchange Commission.

Cautionary Note Regarding the Merger Agreement

The Merger Agreement has been attached as an exhibit hereto to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or Solais. The Merger Agreement contains representations and warranties made by the Company, Solais and the Solais Stockholders. Such representations and warranties were made only for the purposes of the Merger Agreement, are solely for the benefit of the parties to the Merger Agreement, and are not intended to be and should not be relied upon by any other person. In addition, these representations and warranties should not be treated as establishing matters of fact, but rather as a way of allocating risk between the parties. Moreover, certain of the representations and warranties may be subject to limitations agreed upon by the parties to the Merger Agreement and are qualified by information in confidential disclosure schedules provided by Solais and the Solais Stockholders to the Company. These representations and warranties may apply standards of materiality in a way that is different from what may be material to investors, and were made only as of the date of the Merger Agreement or such other date or dates as may be specified in the Merger Agreement and are subject to more recent developments. Accordingly, investors are not third party beneficiaries under the Merger Agreement and should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about the Solais, the Company or the assets, business, properties, debts or liabilities of Solais.

Item 3.02 Unregistered Sales of Equity Securities.
