**Item 1.01. Entry into a Material Definitive Agreement.**

On December 3, 2013, Western Gas Partners, LP (the Partnership), together with its general partner, entered into an Underwriting Agreement (the Underwriting Agreement) with Deutsche Bank Securities Inc., Barclays Capital Inc., Citigroup Global Markets Inc., Morgan Stanley & Co. LLC, RBC Capital Markets, LLC, UBS Securities LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters, relating to the public offering of 4,500,000 common units representing limited partner interests in the Partnership at a price to the public of \$61.51 per unit. Pursuant to the Underwriting Agreement, the Partnership granted the underwriters a 30-day option to purchase up to an additional 675,000 common units to cover over-allotments.

The offering is expected to close on December 6, 2013, subject to customary closing conditions. The net proceeds from the sale of the common units in the offering (assuming no exercise of the underwriters' option to purchase additional common units) are expected to be approximately \$273.6 million (including the proportionate capital contribution by the Partnership's general partner and after deducting underwriting discounts and commissions and estimated expenses).

The offering was made pursuant to the Partnership's shelf registration statement on Form S-3 (File No. 333-174043), which became effective on May 9, 2011.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership, customary conditions to closing, indemnification obligations of the Partnership and the underwriters, including for liabilities under the Securities Act of 1933, other obligations of the parties and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

***Relationships***

From time to time, certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions.
