Notes:-

- 1) The above results have been reviewed by the Audit Committee of the Board and were approved by the Board of Directors at its meeting held on February 10, 2014.
- 2) Figures for the previous periods / year have been regrouped / reclassified, wherever necessary.
- 3) In October 2008, the Company moved the Nano project from Singur in West Bengal to Sanand in Gujarat. In June 2011, the newly elected Government of West Bengal (State Government) enacted a legislation to cancel the land lease agreement. The Company challenged the legal validity of the legislation. In June 2012, the High Court of Calcutta ruled against the validity of the legislation and restored Company's rights under the land lease agreement.
