INTRODUCTORY NOTES

On November 5, 2013, the board of directors of the Registrant unanimously approved an amendment to the 2012 Plan (the 2012 Plan Amendment), subject to approval by the Registrant s stockholders at the Registrant s 2014 annual meeting of stockholders (the Annual Meeting), to increase the total number of shares of Common Stock reserved for issuance under the 2012 Plan from 2,000,000 to 4,000,000, plus that number of shares of Common Stock that would otherwise return to the available pool of unissued shares reserved for awards under the Prior Plans. On February 19, 2014, the Registrant held the Annual Meeting, at which the Registrant s stockholders approved the 2012 Plan Amendment. This Registration Statement on Form S-8 (the Registration Statement) registers the offer and sale of an additional 2,000,000 shares of Common Stock available for grants under the 2012 Plan pursuant to the 2012 Plan Amendment.

These 2,000,000 shares of Common Stock are in addition to the 2,000,000 shares of Common Stock, plus that number of shares of Common Stock that would otherwise return to the available pool of unissued shares reserved for awards under the Prior Plans, that were initially registered on the Registrant s registration statement on Form S-8 filed with the Commission on March 7, 2012 (Registration No. 333-179942). This Registration Statement relates to securities of the same class as those to which such prior registration statement relates. Pursuant to General Instruction E to Form S-8, the contents of such prior registration statement are incorporated herein by reference and made a part of this Registration Statement, except as modified or superseded hereby.

Item 6. Indemnification of Directors and Officers.

The Registrant's restated certificate of incorporation, as amended, eliminates the personal liability of the directors of the Registrant for monetary damages for breach of fiduciary duties as a director of the Registrant to the fullest extent permitted by paragraph (7) of subsection (b) of the Delaware General Corporation Law (the "DGCL"), except (i) for any breach of the directors' duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for unlawful dividends or distributions or (iv) for any transaction from which the director derived an improper personal benefit.

The Registrant's amended and restated bylaws permit the Registrant to indemnify its directors, officers, employees and agents to the fullest extent permitted by the DGCL. Section 145 of the DGCL provides that a director, officer, employee or agent of the Registrant who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Registrant), by reason of the fact that the person is or was a director, officer, employee or agent of the Registrant shall be indemnified and held harmless by the Registrant to the fullest extent authorized by the DGCL against all expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the conduct was unlawful. If it is determined that the conduct of such person meets these standards, such person may be indemnified for expenses incurred and amounts paid in connection with such proceeding if actually and reasonably incurred in connection therewith.

If such a proceeding is brought by or on behalf of the Registrant (i.e., a derivative suit), such person may be indemnified against all expenses actually and reasonably incurred by such person in connection with the defense or settlement of such proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Registrant. There can be no indemnification with respect to any matter as to which such person is adjudged to be liable to the Registrant unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the Court of Chancery or such other court shall deem proper.

The Registrant may advance expenses incurred by an officer or director of the Registrant in defending a proceeding upon receipt of an undertaking by or on behalf of such officer or director to repay any amount so advanced if it is

ultimately determined that such person is not eligible for indemnification by the Registrant.

The indemnification rights and advancement of expenses provided in Section 145 of the DGCL are not exclusive of additional rights to indemnification for breach of fiduciary duties to the Registrant and its stockholders or advancement of expenses to the extent any such additional rights are authorized in the Registrant's restated certificate of incorporation, and are not exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

The Registrant has entered into a separate Indemnification Agreement (the "Indemnification Agreement") with each of its directors and executive officers (each, an "Indemnitee"). Under the Indemnification Agreement, each

Indemnitee is entitled to be indemnified against all expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by or on behalf of such Indemnitee in connection with any claims, proceedings or other actions brought against such Indemnitee as a result of the Indemnitee's service to the Registrant, provided that the Indemnitee (i) acted in good faith, (ii) reasonably believed the action was in the Registrant's best interest and (iii) in criminal proceedings, reasonably believed his or her conduct was not unlawful. Additionally, the Indemnification Agreement entitles the Indemnitee to contribution of expenses from the Registrant in any proceeding in which the Registrant is jointly liable with such Indemnitee, but for which indemnification is not otherwise available.

The Indemnification Agreement also entitles each Indemnitee to advancement of expenses incurred by an Indemnitee in connection with any claim, proceeding or other action in advance of the final adjudication of any such claim, proceeding or other action, provided that the Indemnitee agrees to reimburse the Registrant for all such advances if it shall ultimately be determined that the Indemnitee is not entitled to indemnification.
