<u>Forward-Looking Information</u>	

This Current Report on Form 8-K and the documents incorporated by reference into this Current Report, contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not guarantees of future results and conditions but rather are subject to various factors, risks and uncertainties that could cause our actual results to differ materially from those expressed in these forward-looking statements, including, but not limited to: (1) conditions within the automotive industry, including (i) the automotive vehicle production volumes and schedules of our customers, (ii) the financial condition of our customers and the effects of any restructuring or reorganization plans that may be undertaken by our customers or suppliers, including work stoppages, and (iii) possible disruptions in the supply of commodities to us or our customers due to financial distress, work stoppages, natural disasters or civil unrest; (2) our ability to satisfy future capital and liquidity requirements; including our ability to access the credit and capital markets at the times and in the amounts needed and on terms acceptable to us; our ability to comply with financial and other covenants in our credit agreements; and the continuation of acceptable supplier payment terms; (3) our ability to satisfy pension and other post-employment benefit obligations; (4) our ability to access funds generated by foreign subsidiaries and joint ventures on a timely and cost-effective basis; (5) our ability to execute on our transformational plans and cost-reduction initiatives in the amounts and on the timing contemplated; (6) general economic conditions, including changes in interest rates, currency exchange rates and fuel prices; (7) the timing and expenses related to internal restructurings, employee reductions, acquisitions or dispositions and the effect of pension and other post-employment benefit obligations; (8) increases in raw material and energy costs and our ability to offset or recover these costs, increases in our warranty, product liability and recall costs or the outcome of legal or regulatory proceedings to which we are or may become a party; and (9) those factors identified in our filings with the SEC. Caution should be taken not to place undue reliance on our forward-looking statements, which represent our view only as of the date of this Current Report, and which we assume no obligation to update. New business wins and re-wins do not represent firm orders or firm commitments from customers, but are based on various assumptions, including the timing and duration of product launches, vehicle productions levels, customer price reductions and currency exchange rates.
