VOTING SECURITIES

Our Amended and Restated Articles of Incorporation (the **Charter**) provide that each share of Class A Common Stock is entitled to one vote and that each share of Class B Common Stock is entitled to ten votes, except: (i) any share of Class B Common Stock not voted by either Joseph M. Field or David J. Field, in their own right or pursuant to a proxy, is entitled to one vote; (ii) the holders of Class A Common Stock, voting as a single class, are entitled to elect two Class A Directors; (iii) each share of Class B Common Stock is entitled to one vote with respect to certain *Going Private Transactions* (as defined in the Charter); and (iv) as required by law. Therefore:

Shareholders of our Class A Common Stock at the close of business on March 9, 2015 will be entitled to vote on Proposals 1 through 3.

Shareholders of our Class B Common Stock at the close of business on March 9, 2015 will only be entitled to vote on Proposals 2 and 3.

At the close of business on March 9, 2015, there were 32,420,518 outstanding shares of Class A Common Stock, which include 1,618,155 shares that are either unvested restricted stock or vested but deferred shares of restricted stock (neither of which has the right to vote). As a result, as of the close of business on March 9, 2015, there were 30,802,363 shares of our outstanding shares of Class A Common Stock entitled to vote at the Annual Meeting. In addition, at the close of business on March 9, 2015 there were 7,197,532 outstanding shares of our Class B Common Stock and no outstanding shares of our Class C Common Stock. Each share of Class B Common Stock voted by

Joseph M. Field or David J. Field with respect to any proposal other than Proposal 1 (with respect to which Class B shares cannot vote) is entitled to ten votes. Holders of our Class C Common Stock, of which there are none, would not be entitled to vote on these proposals.

INFORMATION ABOUT QUORUM AND REQUIRED VOTES

The presence in person or by proxy of shareholders entitled to cast at least a majority of the votes that all shareholders are entitled to cast on a particular matter or proposal to be acted upon at the meeting shall constitute a quorum for the purposes of consideration and action on the matter or proposal. Assuming a quorum is present, votes on the proposals will be tallied as follows:

Proposal 1: Election of Class A Directors. The two persons nominated as Class A Directors receiving the most votes from shares of Class A Common Stock will be elected.

Proposal 2: Election of Directors Other Than Class A Directors. The four persons nominated as Directors, other than Class A Directors, receiving the most votes from all shares of Class A Common Stock and Class B Common Stock will be elected.

Proposal 3: Ratification of the Selection of Independent Registered Public Accounting Firm. The ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2015 requires the affirmative vote from a majority of the votes of all shares of Class A Common Stock and Class B Common Stock that are present in person or by proxy and are voting on such proposal.

In the event a quorum is not present at the meeting and such meeting is adjourned to a later date at least fifteen days after the initial date of the meeting, then those shareholders who attend the adjourned meeting shall nevertheless constitute a quorum for the purpose of acting upon the matters to be considered.

Unless otherwise required by our Bylaws or by applicable law, approval of any other matter properly presented for a vote at the meeting will require the affirmative vote of a majority of the votes cast by all holders of Class A Common Stock and Class B Common Stock present in person or by proxy; provided that if any shareholders are entitled to vote thereon as a class, such approval will require the affirmative vote of a majority of the votes cast by the shareholders entitled to vote as a class who are present in person or by proxy.

Shares of our common stock represented by proxies that are marked *withhold authority* or are marked *abstain*, or which constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum. Broker non-votes occur when a nominee holding shares of our common stock for a beneficial owner has not received voting instructions from the beneficial owner and such nominee does not possess, or chooses to not exercise, discretionary authority with respect thereto. With respect to any matter to be decided by a plurality (such as the election of Directors) or a majority of the votes cast at the meeting, proxies marked *withhold authority* or marked *abstain*, or which constitute broker non-votes will not be counted for the purpose of determining the number of votes cast at the meeting and will have no effect on the outcome of such vote.

PROPOSAL 3**RATIFICATION OF THE SELECTION OF****INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM****DESCRIPTION OF PROPOSAL**

The Audit Committee of our Board of Directors has selected PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2015 and is proposing that the shareholders ratify such selection. Although ratification is not required by law, the Audit Committee believes that our shareholders should be given an opportunity to express their views on the subject. SEC Rule 10A-3(b)2 requires that the audit committee must be directly responsible for the appointment . . . of any registered public accounting firm. Since the Audit Committee cannot abdicate this authority to the shareholders, the ratification of the selection is not binding. Any failure of the shareholders to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm would, however, be considered by the Audit Committee in determining whether to continue the engagement of PricewaterhouseCoopers LLP.

INFORMATION CONCERNING INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PricewaterhouseCoopers LLP (**PwC**) has served as our independent registered public accounting firm since June 2002. Our Audit Committee has appointed PwC to serve as our independent registered public accounting firm for the year ending December 31, 2015. Such representative will have an opportunity to make a statement, if he or she desires, and will be available to respond to appropriate questions of shareholders.

TOTAL	\$ 621,800	\$ 561,800

- (1) The professional services rendered for 2014 and 2013 included: (i) the audit of our annual financial statements and our internal control over financial reporting; and (ii) reviews of the financial statements included in our Quarterly Reports on Form 10-Q. Amounts include the reimbursement of expenses incurred by our accounting firm in connection with their performance of such professional services.
- (2) A subscription service for PwC's accounting guidance.

Utilization of De Minimis Approval Exemption. Zero percent of the Principal Accounting Firm Fees listed above were approved under the approval provisions of Rule 2-01(c)(7)(i)(C) of Regulation S-X.

Pre-Approval Policies. The Audit Committee maintains policies and procedures for the pre-approval of work performed by the independent auditors since, under the amended and restated Audit Committee Charter, all auditor engagements must be approved in advance by the Audit Committee.

RECOMMENDATION OF THE BOARD OF DIRECTORS

Our Board of Directors unanimously recommends that you vote **FOR** the ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors for the year ending December 31, 2015.

Compensation Committee. The Compensation Committee consists of David J. Berkman, Chairman, Mark R. LaNeve and Robert S. Wiesenthal. The Compensation Committee met three times in 2014. A copy of the Amended and Restated Compensation Committee Charter is posted on our website located at www.entercom.com/investors (Select *Governance*). Each member of the Compensation Committee is independent as defined in Section 303A.02 of the listing standards of the New York Stock Exchange.

The Compensation Committee conducts a general review of our compensation plans to ensure that they meet corporate objectives, including review and approval of all compensation paid to our executive officers. The responsibilities of the Compensation Committee also include administering and interpreting the Entercom Equity Compensation Plan, including selecting the officers, employees and other qualified recipients who will be granted awards thereunder. A narrative description of our Committee's processes and procedures for the consideration and determination of executive and Director compensation is contained in the Compensation Discussion and Analysis in

this Proxy Statement.

During 2014, neither the Company nor the Compensation Committee utilized any other compensation consultant in determining or recommending the amount or form of executive or Director compensation other than in a role limited to: (a) consulting on broad-based plans that do not discriminate in scope, terms, or operation in favor of our executive officers or Directors, and that are available generally to all salaried employees; or (b) providing information that either is not customized for us or that is customized based on parameters that are not developed by the compensation consultant and about which the compensation consultant does not provide advice.

Compensation Committee Interlocks And Insider Participation. None of the members of the Compensation Committee was at any time one of our officers or employees. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as members of our Board of Directors or Compensation Committee.

Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee consists of David J. Berkman, Chairman, Joel Hollander and Robert S. Wiesenthal. The Nominating/Corporate Governance

Committee met twice in 2014. The Committee informally engages in discussions with management throughout the year. A copy of the Amended and Restated Nominating/Corporate Governance Committee Charter is posted on our website located at www.entercom.com/investors (Select *Governance*).

The Nominating/Corporate Governance Committee is responsible for the recommendation of criteria for selection of Board members and assisting our Board of Directors in identifying candidates. The Nominating/Corporate Governance Committee will consider nominees recommended by shareholders. Shareholders should submit any such recommendations to our Corporate Secretary. In addition, shareholders may make their own director nominations in accordance with the procedures for Shareholder Director Nominations described in this Proxy Statement under the heading *Shareholder Proposals For 2016 Annual Meeting*.

While the Nominating/Corporate Governance Committee has not established any specific minimum qualifications that must be met by a Committee-recommended nominee for a position on our Board of Directors, the Committee may consider the following criteria in recommending candidates for election to our Board of Directors: (i) experience in corporate management, such as serving or having served as an officer of a publicly-held company; (ii) experience in the media, communication and/or radio broadcasting industries; (iii) experience as a board member of another publicly-held company; (iv) academic expertise in the media, communication and/or radio broadcasting industries or in specific areas of our operations; and (v) financial experience necessary to assist in meeting our corporate governance requirements.

While the Nominating/Corporate Governance Committee has not established any requirement to consider diversity in identifying nominees for Director, the Committee's Charter provides that the Committee may consider differences of viewpoint, professional experience, education, skill and other individual qualities and attributes.

The Nominating/Corporate Governance Committee identifies prospective candidates for recommendation to our Board of Directors upon recommendations from other Directors, management and our shareholders. In addition, the Committee has in the past retained the services of a professional search firm to identify prospective candidates. The Committee does not have a formal review policy for prospective Committee-recommended nominees.

Each of the nominees was elected by the shareholders at the previous annual meeting of shareholders.

Executive Committee. The Executive Committee consists of Joseph M. Field, Chairman, David J. Field and David J. Berkman. The Executive Committee did not meet in 2014. The Executive Committee has the authority to approve, upon unanimous consent of such committee, acquisitions and expenditures for certain radio and radio related synergistic investments subject to pre-defined size limits.

Board Leadership Structure and Risk Oversight

Since our inception in 1968, Joseph M. Field has served as our Chairman. In addition, Joseph M. Field served as our Chief Executive Officer from our inception until 2002. Upon the promotion of David J. Field to the position of Chief Executive Officer in 2002, the roles of Chief Executive Officer and Chairman were split. While the roles of CEO and Chairman are presently split, we do not have a policy requiring the bifurcation of these two positions.

Although we do not have a lead independent Director, pursuant to our governance guidelines, non-management Directors hold executive sessions without management present generally following each regular board meeting. In 2014, our board held five meetings and the independent Directors held four executive sessions. The presiding Director determines the agenda for the session and, after the session, acts as a liaison between the non-management Directors and the Chairman. This regular rotation of the presiding Director role allows all of our independent Directors to play a leadership role on our board.

As of March 9, 2015, Joseph M. Field beneficially owned 1,547,785 shares of our Class A common stock and 6,148,282 shares of our Class B common stock, representing approximately 61.9% of the total voting power of all of our outstanding common stock. Accordingly, Joseph M. Field is generally able to control the vote on all matters submitted to the vote of shareholders and, therefore, is able to direct our management and policies, except with respect to those matters in which the shares of our Class B common stock are only entitled to one vote and those matters requiring a class vote under the provisions of our articles of incorporation, bylaws or applicable law, including, without limitation, the election of the two Class A Directors.

In accordance with NYSE requirements, our Audit Committee's charter provides that it is responsible for discussing with management our policies with respect to risk assessment and risk management. In addition, our Audit Committee also discusses with management our significant financial risk exposures and the actions management has taken to limit, monitor or control such exposures. While the Audit Committee has primary responsibility for overseeing risk management, our entire

Board of Directors is actively involved in overseeing risk management for the company. The full board also engages in periodic discussions with our CEO, CFO, and other company officers as the board may deem appropriate. In addition, each of our board committees considers the risks within its area of responsibilities. We believe that the leadership structure of our board supports the Board's effective oversight of the company's risk management.

Director Meeting Attendance.

Committee and Board Meetings. Each Director attended at least 75% of the aggregate of the meetings of both our Board of Directors and the meetings of the committee(s) on which such Director served during 2014.

Annual Shareholders' Meetings. We do not maintain a policy regarding Director attendance at the Annual Meeting of shareholders. At the 2014 Annual Meeting of shareholders, five of the six Directors elected at such meeting were present.

Non-Management Directors

Meetings. Our non-management Directors regularly meet in executive sessions. At these meetings, one Director presides. The role of presiding Director rotates among the chairpersons of the following committees of our Board of Directors, in the following order: (i) Nominating/Corporate Governance Committee, (ii) Compensation Committee, and (iii) Audit Committee; provided that, if any such chairperson is absent, then such absent Director is skipped in the rotation and the next chairperson in the foregoing order serves as the presiding Director at such meeting.

Communications With Non-Management Directors. We have established a process for interested parties to make their concerns known to the non-management Directors. See below under *Communications With Directors*.

Communications With Directors

We have established a mechanism to facilitate the ability of interested parties to make their concerns known to our Board of Directors, our non-management Directors or any other group or specific individual Director(s). Specifically, any interested party desiring to so communicate can either: (i) send an email to **directors** followed by the extension **@entercom.com**. In order to enable spam filtering, only email with the subject line: ***ETM Board Message*** will be read; or (ii) send a letter to Entercom Communications Corp., 401 E. City Avenue, Suite 809, Bala Cynwyd, Pennsylvania 19004, Attn: Director Communication. Each correspondence sent in the foregoing manner (other than mail regarding matters that are not in the province of our Board of Directors) is distributed in print form to our Directors or such other sub-group thereof as may be specified by the sender.

TRANSACTIONS WITH RELATED PERSONS

2014 Transactions

During 2014 there were no, and currently there are no proposed, transactions in which we were or are to be a participant where the amount involved exceeds \$120,000 and in which any related person had or will have a direct or indirect material interest, which would be required to be disclosed herein pursuant to Item 404(b) of regulation S-K.

Policies And Procedures For Review, Approval, Or Ratification

Our Board of Directors, upon the recommendation of our Nominating / Corporate Governance Committee, adopted a Related Party Transactions Policy. This policy provides that *Interested Transactions* with *Related Parties*, as defined in the policy, are subject to approval or ratification.

For purposes of the policy:

an *Interested Transaction* is any transaction, arrangement or relationship or series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which: (i) the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year; (ii) we are a participant; and (iii) any Related Party has or will have a direct or indirect interest (other than solely as a result of being a director or a less than ten percent beneficial owner of another entity).

a *Related Party* is any: (i) person who is or was (since the beginning of the last year for which we have filed a Form 10-K and proxy statement, even if they do not presently serve in that role) an executive officer, Director or nominee for election as a Director; (ii) beneficial owner of greater than five percent of our common stock; or (iii) immediate family members of any of the foregoing. Immediate family members include a person's spouse, parents, stepparents, children, stepchildren, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, and brothers- and sisters-in-law and anyone not falling into one of the foregoing categories who resides in such person's home (other than a tenant or employee).

Under this policy, our Nominating / Corporate Governance Committee reviews the material facts relating to all Interested Transactions that require the Committee's approval and either approves or disapproves of our entry into the Interested Transaction, subject to certain exceptions. If advance Committee approval of an Interested Transaction is not feasible, then the Interested Transaction shall be considered and, if the Committee determines it to be appropriate, ratified at the Committee's next regularly scheduled meeting. In determining whether to approve or ratify an Interested Transaction, the Committee will take into account, among other factors it deems appropriate, whether the Interested Transaction is on terms no less favorable to us than terms generally available from an unaffiliated third-party under the same or similar circumstances and the extent of the Related Person's interest in the transaction.

Standing Pre-Approval for Certain Interested Transactions

Under the policy, certain transactions are deemed to be pre-approved by the Committee, even if the aggregate amount involved will exceed \$100,000. These transactions include: (i) employment of executive officers; (ii) director compensation; (iii) certain transactions with other companies; (iv) certain charitable contributions; (v) transactions where all shareholders receive proportional benefits; and (vi) transactions involving competitive bids.

COMPENSATION INFORMATION

COMPENSATION DISCUSSION AND ANALYSIS

OVERVIEW. The Compensation Committee (or the **Committee**) of our Board of Directors consists of David J. Berkman, Chairman, Mark R. LaNeve and Robert S. Wiesenthal. Our Committee is responsible for managing and annually reviewing all annual bonus, long-term incentive compensation, equity compensation, employee pension and welfare benefit plans. For executive officers, our Committee evaluates performance and determines compensation policies and levels. Our Committee's duties are memorialized in its charter, which is available on our website at www.entercom.com.

Our executive officer compensation programs are comprised of the following elements: (i) base salary; (ii) incentive compensation (including annual discretionary incentive bonuses of both cash and equity); and (iii) other compensation such as employee benefit plans including our 401(K) plan, deferred compensation plan, health insurance and life/disability insurance. Our executive officer compensation programs are designed to motivate our executive officers and management employees to attain financial, operational and strategic objectives. These programs generally provide incentives to achieve both annual and longer-term objectives. In making compensation determinations, we assess both the performance of our business and our executives relative to those objectives.

Our compensation policy has been to provide competitive compensation while also seeking to align the financial goals of our executives and management with those of our shareholders. The Committee selectively utilizes performance based equity awards to further this goal. For example, all equity grants to our Chief Executive Officer in 2014 were performance based. To ensure that pay is competitive, we regularly compare our pay practices with those of our competitors and the general competitive market for executive talent. We also consider the performance of our business as compared to the performance of our competitors.

PROCESS. Our Committee meets on a regularly scheduled basis at least two times per year, and typically more frequently as our Committee deems necessary or desirable. Members of our Committee monitor executive compensation trends and discuss compensation matters with our Chief Executive Officer, our Chief Financial Officer and among themselves informally throughout the year. This informal process facilitates the on-going monitoring of the appropriateness of our executive compensation packages and serves to prepare our Committee members for the formal meetings so that definitive compensation decisions can be more easily made at such meetings. In addition, our Committee from time to time has utilized and relied upon the analysis and recommendations of independent compensation consultants. For example, in 2010 the Committee directly engaged Fredrick W. Cook & Co. Inc. as compensation consultants to assist the Committee in reviewing executive compensation.

Our Committee is involved in compensation considerations throughout the year. The process for annual compensation changes and incentive compensation grants typically includes Committee deliberation as well as reports and recommendations made by management at the request of the Committee. Specifically, our Chief Executive Officer presents a report which highlights our performance as a company and the performance of our Chief Executive Officer during the preceding year, as well as compensation previously earned by senior management in prior years. Our Chief Executive Officer then provides our Committee with a recommendation for: (i) executive officer compensation; (ii) senior management compensation; (iii) annual equity grants to the remaining members of our management team and key employees; and (iv) a level of authority for our Chief Executive Officer to make additional equity

compensation grants throughout the year. While no formal process for determining compensation is prescribed in the Committee's charter or otherwise, this informal process has evolved.

The process of determining compensation also involves our Committee's consideration of peer compensation levels. While our Committee does not have a policy regarding benchmarking, our Committee does consider peer compensation when establishing compensation levels. The only manner in which peer compensation levels were used by the Committee in 2014 was as set forth below under the heading *Determination of Compensation*.

Once it receives and considers the various pieces of information, reports and presentations described above, our Committee then meets without management present to determine the appropriate level of compensation. Our Committee sets the compensation of our Chief Executive Officer as well as the other Named Executive Officers.

Our Committee considered the results of our shareholders' Say on Pay vote at our 2014 Annual Meeting of Shareholders. In 2014, approximately 96.7% of the shareholder votes were cast For the resolution stating that the shareholders approved the compensation paid to our Named Executive Officers. Our Committee believes that this level of support reflects favorably upon the Company's policies and process for determining executive compensation.

ELEMENTS OF COMPENSATION.

Base Salary. In setting base salaries for our Named Executive Officers, our Committee generally considers (i) the experience, capabilities, qualities, performance record and relative effectiveness of the individual, (ii) the scope and complexity of the position, (iii) our size; and (iv) the compensation paid by our competitors. In particular, we attempt to set base salaries at levels that are competitive in the industry and in relation to the particular job function of the executive officer.

The annual base salary is intended to reward the executive officer for the day-to-day demands, complexities and difficulties of such officer's job. The objective is to set base salaries at levels that we and the applicable executive officer believe are fair, given the job functions and their individual performance and experience in relation to those job functions. We attempt to provide annual base salaries that will help to retain the executives and discourage them from seeking or accepting other employment opportunities.

We are party to an employment agreement with each of our Named Executive Officers other than Eugene D. Levin. Specifically, we have employment agreements with: (i) David J. Field, Chief Executive Officer; (ii) Stephen F. Fisher, Executive Vice President and Chief Financial Officer; (iii) Louise C. Kramer, Station Group President; and (iv) Andrew P. Sutor, IV, Senior Vice President and General Counsel. Each of these agreements provides for a contractual level of base salary.

Incentive Compensation. Our Committee has historically utilized two forms of incentive compensation: cash and equity awards. The cash component is designed to convey an immediate benefit for services performed by the recipient, while the equity component is generally tied to vesting requirements (both time based and performance based) and is designed to not only compensate for past service, but to also retain and motivate the recipient.

Annual Bonus Awards. All of our Named Executive Officers are eligible to receive bonuses which are determined after a review of our overall performance as well as the individual performance of each such executive officer. For 2014, each Named Executive Officer received a bonus as described in the Summary Compensation Table and below in this Compensation Discussion and Analysis under the heading *Named Executive Officer Compensation*.

Our Committee has significant flexibility in awarding bonuses. The decision to increase or decrease cash bonuses from year to year is generally based on a variety of factors that our Committee deems appropriate, including our overall performance, the individual executive's performance, the business environment which existed during the year and any extraordinary events that arose during the course of the year. We believe this flexibility and our history of appropriately rewarding performance provide a strong incentive to our executive officers to perform in a manner that will allow us to achieve our corporate objectives.

Equity Compensation. To promote our long-term objectives, the Entercom Equity Compensation Plan permits awards to our employees, employees of our subsidiaries, non-employee directors and certain advisors and consultants who are in a position to make a significant contribution to our long-term success. Such equity awards are permitted to be made in the form of nonqualified stock options, incentive stock options, stock appreciation rights and restricted stock / restricted stock unit awards. Equity grants may be time based or performance based.

Determination of Compensation. In order to determine the cash and equity incentive compensation for our senior executive officers (including David J. Field, our Chief Executive Officer), our Committee considered a number of factors including those detailed below.

(i) Our Committee considered our operating performance versus our 2014 business plan. In this regard, our Committee recognized that we did not meet our key plan financial objectives other than with respect to Expenses. In considering our performance versus our 2014 business plan, the Committee recognized that: (a) the radio industry's

revenue growth was worse than what was assumed in preparing the Company's 2014 business plan; (b) that through the first nine months of the year, the revenue growth of the Company exceeded the revenue growth of the overall radio industry; and, (c) the Company's cost controls led to station operating expenses (excluding SmartReach Digital) which were flat as compared to the prior year and were better than plan.

(ii) Our Committee recognized that: (a) our same station revenue growth was in line with, but did not exceed that of, our peer group of public company radio station operators (*identified below*); and (b) our market share was in line with, but did not exceed that of, our markets.

(iii) Our Committee noted that for 2014 our stock price increased by 16% and exceeded that of the S&P 500 (+11%) and Cumulus Media, Inc. (-45%). In addition, since December 31, 2012 our stock price increased 74% compared to 58% and 44% increases for Cumulus Media, Inc. and the S&P 500, respectively.

(iv) Our Committee considered actions taken towards the enhancement of future growth including: (a) reaching an agreement to acquire Lincoln Financial Media Company with minimal balance sheet impact, adding 14 stations (assuming 1 FCC required divestiture) and allowing us to enter three new top 20 markets; (b) reducing net debt by \$57 million in 2014; (c) launching new brands in San Francisco and Memphis; and (d) acquiring translators to expand brand presence in a number of markets.

Determination of CEO Incentive Compensation. In addition to the factors detailed above, at the beginning of calendar year 2014, our Committee identified certain goals and objectives relating to the performance of our Chief Executive Officer, David J. Field. Specifically, for 2014 our Committee identified a number of goals and objectives as follows:

Achieve 2014 business plan

- Revenue
- Expense
- BCF
- EBITDA
- Adjusted EPS and
- Free Cash Flow

Exceed peer operating performance

- Market share
- Same-station revenue growth vs. public company peer group

Exceed peer group stock performance

Enhancement of future growth potential through strategic and operational initiatives and improvements, with particular attention to:

- M&A
- Capital structure management
- Digital platforms

- Organizational capabilities
- Brands and content
- Leadership / people - deepen the bench
- Industry initiatives and leadership
- Successful SmartReach Digital rollout
- Develop events and DTC business

If there are portfolio changes due to merger and acquisition activity, goals then to be adjusted accordingly.

For purposes of the same station revenue growth analysis we considered a peer group of companies engaged in the business of operating radio stations. This group included: CBS Radio, Cumulus Media, Inc., and iHeart Media Radio. For purposes of the stock performance analysis we considered Cumulus Media, Inc.

Free Cash Flow and Adjusted Earnings Per Share are Non-GAAP Financial Measures.

We calculate Free Cash Flow as operating income (loss): (i) plus depreciation and amortization, non-cash compensation expense (which is otherwise included in station operating expenses and corporate general and administrative expenses), impairment loss and income (loss) from discontinued operations before income taxes (benefit), and impairment loss; and (ii) less net interest expense (excluding amortization of deferred financing costs), gains (loss) on sale of assets, taxes paid and capital expenditures.

We calculate Adjusted Earnings as net income (loss) adjusted to exclude: (i) income (loss) from discontinued operations before income taxes (benefit); (ii) reported taxes; (iii) gain/loss on sale of assets, derivative instruments and investments; (iv) non-cash compensation expense; (v) other income; (vi) impairment loss; and (vii) gain/loss on early extinguishment of debt. In calculating Adjusted Earnings, income taxes are reflected at the expected statutory federal and state tax rate of 42% without discrete items of tax and valuation allowances. To calculate adjusted earnings per share, we divide adjusted earnings by Weighted Average Shares - Diluted.

In order to assist our Committee in determining the level of Mr. Field's incentive compensation, our Committee reviewed Mr. Field's performance in light of these goals and objectives. In conducting such a review, our Committee considered many of the factors discussed above under *Determination of Incentive Compensation*.

Pursuant to his employment agreement, Mr. Field was eligible for a bonus of up to \$1.3 Million (representing 150% of his base salary). In determining the actual amount of Mr. Field's bonus, the Committee considered the goals and objectives listed above. Specifically,

With respect to achieving our 2014 business plan, no targets (other than expense) were met.

With respect to exceeding our peer group's operating performance, the Company equaled but did not exceed the peer group's operating performance.

With respect to exceeding our peer stock price performance, the target was met.

With respect to enhancing our future growth potential through strategic and operational initiatives and improvements, the Committee found that the goals and objectives were satisfied.

Our Committee did not adopt, nor did it employ, any objective quantifiable standards. Instead, our Committee's ultimate determination for 2014 was based upon a subjective evaluation of Mr. Field's overall performance as well as all of the relevant factors identified above. The Committee then subjectively awarded Mr. Field a bonus of \$750,000. This amount represents approximately 56% of the target bonus payable pursuant to Mr. Field's employment agreement.

Section 162(m) Compliance / 2014 Annual Determination - Entercom Annual Incentive Plan. In accordance with the Entercom Annual Incentive Plan (described below under the heading *Tax Issues Relating To Executive Compensation*), the Committee adopted a *Section 162(m) Compliance Document* so that compensation provided under such Plan for 2014 is considered performance-based compensation and tax deductible by Entercom. Such compensation can include the cash bonus awarded to Mr. Field as described above.

The Committee determined that for purposes of the 2014 incentive cash compensation under the Plan, revenue growth, station operating expenses, adjusted earnings per share and free cash flow per share would be the performance measures. The Committee also established a threshold (the **Threshold**) with respect to such performance measures. Specifically, the Threshold for 2014 was the satisfaction of at least two of the following criteria (the **Criteria**) computed in a manner consistent with past practice:

1. Revenue growth of at least 1% (computed on a same station basis)
2. Station operating expense of less than \$264 million;
3. Adjusted Earnings Per Share of at least \$0.35; and
4. Free Cash Flow Per Share of at least \$0.80.

Free Cash Flow Per Share and Adjusted Earnings Per Share are Non-GAAP Financial Measures. The calculation of Free Cash Flow and Adjusted Earnings Per Share are presented earlier in this report. To calculate Free Cash

Flow Per Share, we divide Free Cash Flow by Weighted Average Shares - Diluted.

If the Threshold is met, then any cash bonus paid to Mr. Field (subject to the maximum award authorized under the Entercom Annual Incentive Plan) for 2014 will be considered performance-based compensation and will be tax deductible by Entercom.

For 2014, the Committee determined that at least two of the four Criteria had been satisfied and that the Threshold had been met. Specifically, the Committee found that:

1. Station operating expense was \$258 million, thus satisfying the Criteria
2. Adjusted Earnings Per Share was \$0.79, thus satisfying the Criteria; and
3. Free Cash Flow Per Share was \$1.46, thus satisfying the Criteria.

Accordingly, because the Threshold for 2014 was satisfied, the cash component of Mr. Field's 2014 bonus is considered performance-based compensation and is tax deductible by Entercom.

Other Compensation. Our Committee has provided for a number of additional elements of benefit based compensation. These components are designed to accomplish a variety of objectives including: (i) maximizing the full benefit under applicable tax regulations (e.g., our 401(K)); (ii) providing for the health and welfare of our employees and their families (e.g., our employee benefit plans); (iii) conveying a level of security in the context of any possible change of control (e.g. our general severance policy as well as any employee specific agreed upon severance or change of control agreements); and (iv) providing executives with an appropriate level of perquisites.

- ***401(K) Plan.*** We maintain a 401(K) Plan which is generally available to all of our full-time employees. Executive officer participation in this plan is on the same basis as our other employees. All of our Named Executive Officers participate in our 401(K) Plan.

- ***Deferred Compensation Plans.*** We maintain deferred compensation plans for our non-employee directors as well as our management employees. Under each plan, participants are permitted to defer a portion of their income for specific time periods. Our obligations under such plans are unsecured.

- ***Employee Benefit Plans.*** We have a number of benefit plans available to all of our full time employees. These benefits include Medical Insurance, Dental Plan, voluntary Short-Term Disability Insurance, Long-Term Disability Plan, Life Insurance and Accidental Death and Dismemberment Insurance Plans, MEDEX Travel Assist Program, and a voluntary Vision Insurance Plan.

- ***Severance and Change-of-Control Benefits.*** We have a severance policy which is applicable to all of our employees. Under this policy, full-time employees are eligible for up to fifteen weeks of severance (subject to certain requirements). Eugene D. Levin is eligible to participate in our severance policy. Our employment agreements with David J. Field, Stephen F. Fisher, Louise C. Kramer and Andrew P. Sutor govern severance for those officers. In addition, each of these agreements contains provisions which are effective upon a change of control. The applicable severance and change of control provisions for each such officer is described below.

- ***Personal Usage of Jet Card*** We participate in a limited jet card program. We permit our Chairman, CEO/President and other executive officers approved by our CEO/President to use our jet card for personal use, subject to the terms of our Aircraft Usage Policy. Under this policy, our executives must reimburse us for all usage and other incremental charges relating to any such flight(s). While this personal usage is by definition a perquisite, as it is not generally available to all of our employees, there is no associated dollar value of compensation since the executives reimburse us for the entire cost for each personal flight.

- ***Car Allowance.*** Each of our Named Executive Officers, other than Andrew P. Sutor, is provided with either a car allowance or use of a company-owned vehicle.

TAX ISSUES RELATING TO EXECUTIVE COMPENSATION.

Overview. Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes limitations upon the federal income tax deductibility of certain compensation paid to our Chief Executive Officer and to each of our other four most highly compensated executive officers (excluding our Chief Financial Officer). Under these limitations, we may deduct such compensation only to the extent that during any year the compensation paid to any such officer does not exceed \$1,000,000 or meets certain specified conditions (such as certain performance-based compensation that has been approved by our shareholders). While our Board desires to maximize the tax deductibility of our executive compensation, some elements of executive compensation may not be tax deductible, and our compensation plans and policies may be modified if our Committee determines that such action is in the best interest of us and our shareholders, even if such action may result in some loss of deductibility. An aggregate of approximately \$1.4 million in compensation expense in 2014 was over the Section 162(m) limit and therefore was not deductible for tax purposes.

162(m) Compliance / Entercom Annual Incentive Plan. In 2008, we established the Entercom Annual Incentive Plan (the **AI Plan**). The plan was re-approved by our shareholders in 2012. The purpose of the AI Plan is to provide designated employees with the opportunity to receive cash incentive awards. We believe that the AI Plan enhances the incentive for participants to contribute materially to our growth, thereby benefiting us and our shareholders. All of our employees are eligible to participate in the AI Plan. Subject to the limitations in the AI Plan, the Committee determines the amount of any award under the AI Plan. The Committee has the authority to adjust the amount of any award to take into account such factors as it may deem relevant. The maximum cash award that may be earned for any fiscal year by any individual is \$3,000,000. The Committee may also determine whether an award is to qualify as performance-based compensation pursuant to Section 162(m)(4)(C) of the Code.

To the extent necessary to comply with Section 162(m)(4)(C) of the Code, no later than ninety days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee: (i) designates one or more Section 162(m) Participants; (ii) selects the Performance Criteria applicable to the Performance Period; (iii) establishes the various Performance Targets and amounts which may be earned for such Performance Period; and (iv) specifies the relationship between the Performance Criteria and the Performance Targets and the amounts which may be earned by each Section 162(m) Participant for such Performance Period.

For purposes of the AI Plan, the term *Performance Criteria* means the following business criteria with respect to us, any subsidiary or any division or operating unit of us: (i) net income, (ii) pre- or after-tax income (loss), (iii) operating income (loss), (iv) fixed expenses, (v) cash flow, (vi) earnings per share, (vii) return on equity, (viii) return on invested capital or assets, (ix) cost reductions or savings, (x) funds from operations, (xi) funds from operations per share, (xii) appreciation in the fair market value of our stock, (xiii) revenue, (xiv) net revenue, (xv) market share, (xvi) cash available for distribution, (xvii) cash available for distribution per share, (xviii) total shareholder return, (xix) return on invested capital, (xx) economic value added, (xxi) improvement in cash flow (before or after tax), (xxii) successful capital raises, (xxiii) confidential business unit objectives, (xxiv) free cash flow, (xxv) free cash flow per share, (xxvi) adjusted free cash flow, (xxvii) adjusted free cash flow per share, (xxviii) broadcast cash flow, (xxix) adjusted broadcast cash flow, and (xxx) earnings before any one or more of the following items: interest, taxes, depreciation or amortization; each as determined in accordance with generally accepted accounting principles and/or subject to such adjustments as may be specified by the Committee. The preceding criteria may also be evaluated, where appropriate: (a) on a same station basis; (b) on the basis of growth in any of these criteria; (c) on a comparison basis with a peer group; and/or (d) as a percentage of revenue.

SECURITY OWNERSHIP REQUIREMENTS / GUIDELINES. The Corporate Governance Guidelines adopted by our Board encourage directors to purchase shares of our stock. Our Board, however, recognizes that the number of shares of our stock owned by any director is a personal decision, and our Board determined not to adopt a policy requiring ownership by Directors of a minimum number of our shares. Similarly, we do not have a requirement relating to Named Executive Officer ownership of our shares.

NAMED EXECUTIVE OFFICER COMPENSATION.

David J. Field, President and Chief Executive Officer. Our Principal Executive Officer is David J. Field. Mr. Field serves as our President and Chief Executive Officer pursuant to an employment agreement dated December 23, 2010. This agreement had an initial term of three years with automatic one year extensions following the initial term unless either party provides prior notice of non-extension. Mr. Field's employment agreement again auto renewed for one year in 2014. This agreement provides for an annual base salary, subject to annual three percent increases, and for an annual cash performance-based bonus target of 150% of his annual base salary. Mr. Field's salary for 2014 was \$878,114. In addition, Mr. Field receives certain other benefits as provided from time to time to our senior executive officers as described above.

Incentive Compensation. In recognition of his services during 2014, and in light of the considerations described above and in accordance with the terms of his employment agreement, on January 21, 2015, our Committee awarded Mr. Field a bonus of \$750,000. In addition, on February 19, 2015, our Committee awarded Mr. Field an equity award of 225,000 RSUs which vest as follows: (a) 75,000 RSUs which vest over four years; and (b) 150,000 RSUs (**Performance RSUs**) which may vest on or after February 19, 2017 upon the achievement of certain performance targets based on the Total Shareholder Return of our Class A common stock. Total Shareholder Return means: (A) (i) the average closing price over any consecutive 20 trading day period of a share of our Class A common stock minus (ii) the closing price of a share of our Class A common stock on February 18, 2015 (the **Base Price**), divided by (B) the Base Price (subject to certain possible adjustments). The performance targets are the share prices of our Class A common stock that represent a three year Compound Annual Growth Rate of Total Shareholder Return of

8%, 12% and 16% respectively, with one-third of the Performance RSUs vesting at each such target level. Accordingly, the vesting targets are: (x) one-third vesting at \$15.26 per share; (y) one-third vesting at \$17.01 per share; and (z) one-third vesting at \$18.90 per share. Any Performance RSUs remaining unvested on February 19, 2018 will terminate.

Termination / Severance Compensation. David J. Field's employment agreement may be terminated by either party. In the event that Mr. Field is terminated by us without cause (as defined in the agreement) or he resigns for good reason (as defined in the agreement) prior to the execution of a binding agreement which would result in a change in control, if consummated, or more than two years following a change in control, subject to his execution of a release of claims against us, all of Mr. Field's outstanding equity compensation awards that vest on the basis of our performance will become fully vested and we will pay him a lump sum payment in an amount equal to the greater of: (i) the sum of two years' annual base salary and two times the highest annual bonus paid during the preceding three year period, or (ii) the sum of the base salary and annual bonuses that would otherwise have been payable through the end of the then current term of the

agreement. If such termination occurs following the execution of a binding agreement which would result in a change in control if consummated on or prior to two years following a change in control, subject to his execution of a release of claims against us, all of Mr. Field's outstanding equity compensation awards will become fully vested, and we will pay him a lump sum payment in an amount equal to the sum of three years' annual base salary and three times the highest annual bonus paid to him during the preceding three year period. We will also pay his COBRA premiums for continued health coverage, to the extent he elects such coverage, for a period of up to eighteen months. Additionally, should any of these payments become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, we will make an additional payment in an amount sufficient to place Mr. Field in the same after-tax position as if the excise tax had not applied.

Furthermore, in the event that David J. Field dies or becomes disabled, then all of Mr. Field's outstanding equity compensation awards that vest on the basis of our performance will become fully vested and we will pay him (or his estate, if applicable) a lump sum payment in an amount equal to the sum of two years' annual base salary and two times the highest annual bonus paid during the preceding three year period, and we will also pay his COBRA premiums for continued health coverage, to the extent he elects such coverage, for a period of up to eighteen months.

Finally, Mr. Field's agreement also provides that in the event of a Change in Control (as defined in the agreement) all of Mr. Field's then outstanding equity compensation awards will become fully vested and exercisable.

Stephen F. Fisher, Executive Vice President and Chief Financial Officer. Our Principal Financial Officer is Stephen F. Fisher. Mr. Fisher serves as our Executive Vice President and Chief Financial Officer pursuant to an employment agreement dated February 11, 2014. This agreement has an initial term of approximately two years (through February 29, 2016) with automatic one year extensions following the initial term unless either party provides at least 120 days prior notice of non-renewal. Mr. Fisher's salary for 2014 was \$604,826. Mr. Fisher's employment agreement provides for an annual base salary, subject to annual increase of 3%, and for an annual cash performance-based bonus target of 80% of his annual base salary. In addition, Mr. Fisher is eligible to participate in our benefit plans generally available to our officers as described above.

Incentive Compensation. In recognition of his services during 2014, and in light of the considerations described above and in accordance with the terms of his employment agreement, on January 21, 2015, our Committee awarded Mr. Fisher a bonus of \$300,000. In addition, on February 19, 2015, our Committee awarded Mr. Fisher an equity award of 66,666 RSUs which vest 50% per year over two years, as called for in his employment agreement.

Termination / Severance Compensation. We may terminate Mr. Fisher's employment for Cause (as defined in the Entercom Equity Compensation Plan) or at our convenience. In the event of a termination by us for Cause, our obligations under the agreement cease. In the event of a termination by us without Cause, subject to certain conditions: (i) we must pay to Mr. Fisher a one-time bonus (calculated as one full year target bonus (i.e., 80% of salary) plus a prorated partial year target bonus); (ii) we must continue to pay Mr. Fisher's salary and auto allowance through one year from the termination date; (iii) all grants of options and RSUs will continue to vest through February 29, 2016; and (iv) any vested options may be exercised at any time within the later of two years from the date of termination or ninety days from the date of vesting, but in no event later than the expiration of the original ten year term of the option. In addition, if we relocate our main corporate offices, then under certain circumstances, Mr. Fisher may terminate the agreement within thirty days thereof. Any such termination would be deemed to be a termination by us without Cause under Mr. Fisher's agreement.

If Mr. Fisher's agreement terminates as of any February 28th (or 29th in the case of a leap year), due to a party electing to exercise the 120 day non-renewal out and we make Mr. Fisher an offer to continue employment for a period of at least one year with a salary and bonus package which is equal to or greater than Mr. Fisher's then current salary and annual incentive bonus package (a **Qualified Offer**), it will not be deemed a termination by us and there will be no acceleration of the vesting of options or RSUs or extension of the period for exercise of options after termination from

that provided in the Entercom Equity Compensation Plan and there will be no payment of severance or continuation of salary or bonus payments thereafter. In the event of such a termination where we have not made a Qualified Offer, then subject to certain conditions: (i) we must pay to Mr. Fisher a one-time bonus (calculated as one full year target bonus (i.e., 80% of salary)); and (ii) we must continue to pay Mr. Fisher's salary and auto allowance for one year from the date of such termination. These provisions relating to a Qualified Offer continue to apply to each extension of employment pursuant to any prior Qualified Offer or alternative agreement made pursuant to the agreement.

The performance targets are the share prices of our Class A common stock that represent a three year Compound Annual Growth Rate of Total Shareholder Return of 8%, 12% and 16% respectively, with one-third of the Performance RSUs vesting at each such target level. - (1) Includes amounts accrued during the year and either paid in the subsequent year and/or recognized in the subsequent year under a deferred compensation plan.
- (2) Unless otherwise indicated, restricted stock units (RSUs), which are subject to service conditions, vest over four years as follows: (i) 50% after two years; (ii) 25% after three years; and (iii) 25% after four years. For equity incentive plan awards that are subject to market conditions (in addition to service conditions), the fair value and expected term was determined by using the Monte Carlo simulation model, which uses certain variables such as expected volatility, a risk free interest rate and expected dividends. The Monte Carlo method begins with the fair value of the stock price on the date of grant and applies a discount based upon the probability of the stock vesting after meeting the market conditions. The fair value of the Company's stock at the time of grant was \$9.44 per share. After applying the valuation model discount, the value used in this chart was \$6.90 per share. For more information, refer to the discussion of Share-Based Compensation included in the notes to the consolidated financial statements included in the Company's annual report on Form 10-K.

- (3) On February 11, 2014, Mr. Field was granted 225,000 RSUs which are subject to market conditions (in addition to service conditions) at an average fair value of \$9.44 per share (\$6.90 per share after applying the discount model described in note 2 above). These RSUs will vest on February 10, 2016 upon the achievement of certain performance targets. Specifically, if the share price that would result in a Compound Annual Growth Rate (CAGR) of the Total Shareholder Return (as defined in the grant instrument) at any time during the first two years of the grant, minus the value of any dividends paid on each share of common stock during the period commencing on the date of the grant, is equal to the 8%, 12% and 16% targets, then one-third of such RSUs will vest at each such target level.
- (4) Includes amounts accrued during the year and paid to Mr. Field in the subsequent year pursuant to the Entercom Annual Incentive Plan.
- (5) All other compensation includes: (i) medical insurance premiums of \$19,135, \$16,501 and \$16,713 for 2014, 2013 and 2012, respectively; (ii) an auto allowance of \$14,400 for 2014, 2013 and 2012; and (iii) a Company 401(K) contribution of \$3,188, \$3,188 and \$4,250 for 2014, 2013 and 2012, respectively.
- (6) On February 11, 2014, the Company granted to Mr. Fisher: (a) 66,667 RSUs with a fair value of \$9.44 per share of which 50% vest on February 28, 2015 and 50% vest on February 29, 2016; and (b) 50,000 RSUs which are subject to market conditions (in addition to service conditions) at an average fair value of \$9.44 per share (\$6.90 per share after applying the discount model described in note 2 above). These RSUs can vest beginning on February 10, 2015 and ending on February 10, 2016 upon the achievement of certain performance targets. Specifically, if the share price that would result in a CAGR of the Total Shareholder Return (as defined in the grant instrument) at any time during the first two years of the grant, minus the value of any dividends paid on each share of common stock during the period commencing on the date of the grant, is equal to the 8%, 12% and 16% targets, then one-third of such RSUs will vest at each such target level.
- (7) All other compensation includes: (i) an automobile allowance of \$18,000 for 2014, 2013 and 2012; (ii) medical insurance premiums of \$15,177, \$13,130 and \$13,216 for 2014, 2013 and 2012, respectively, and (iii) a Company 401(K) contribution of \$3,188, \$3,188 and \$4,076 for 2014, 2013 and 2012, respectively.
- (8) On February 11, 2014, the Company granted to Ms. Kramer: (a) 45,000 RSUs with a fair value of \$9.44 per share; and (b) 15,000 RSUs which are subject to market conditions (in addition to service conditions) at an average fair value of \$9.44 per share (\$6.90 per share after applying the discount model described in note 2 above). These RSUs can vest beginning on February 10, 2015 and ending on February 10, 2016 upon the achievement of certain performance targets. Specifically, if the share price that would result in a CAGR of the Total Shareholder Return (as defined in the grant instrument) at any time during the first two years of the grant, minus the value of any dividends paid on each share of common stock during the period commencing on the date of the grant, is equal to the 8%, 12% and 16% targets, then one-third of such RSUs will vest at each such target level.

On February 8, 2013 and on May 16, 2013, the Company granted Ms. Kramer 17,500 RSUs and 25,000 RSUs, respectively, at a fair value of \$7.73 per share and \$9.30 per share, respectively.

- (10) The Company made the following grants to Mr. Sutor: (a) on February 11, 2014, 12,500 RSUs at a fair value of \$9.44 per share; and (b) on February 4, 2013, 5,000 RSUs at a fair value of \$8.12 per share.
- (11) All other compensation includes: (i) medical insurance premiums of \$11,987 and \$12,743 for 2014 and 2013, respectively; and (ii) a Company 401(K) contribution of \$3,162 and \$3,188 for 2014 and 2013, respectively.

Levin. These RSUs vest over four years as follows: (a) 50% two years from the grant date; (b) 25% three years from the grant date; and (c) 25% four years from the grant date. In addition, on February 11, 2014 we granted Stephen F. Fisher 66,667 RSUs which vest 50% per year over two years.

In addition, on February 11, 2014 we granted certain performance targets based on the Total Shareholder Return of our Class A common stock. Specifically we granted: (i) David J. Field 225,000 RSUs which may vest on or after February 10, 2016; (ii) Stephen F. Fisher 50,000 RSUs which may vest on or after February 10, 2015; and (iii) Louise C. Kramer 15,000 RSUs which may vest on or after February 10, 2015. For purposes of these market based grants, Total Shareholder Return means: (A) (i) the average closing price over any consecutive 20 trading day period of a share of our Class A common stock minus (ii) the closing price of a share of our Class A common stock on February 10, 2014 (the **Base Price**), divided by (B) the Base Price (subject to certain possible adjustments). The performance targets are the share prices of our Class A common stock that represent a two year Compound Annual Growth Rate of Total Shareholder Return of 8%, 12% and 16% respectively, with one-third of the these RSUs vesting at each such target level. Accordingly, the vesting targets are: (x) one-third vesting at \$11.01 per share; (y) one-third vesting at \$11.84 per share; and (z) one-third vesting at \$12.70 per share. Any Performance RSUs remaining unvested on February 11, 2016 will terminate.

All of the above described grants of restricted stock units include the non-preferential right to receive a dividend equivalent amount upon vesting equal to the accumulated dividends payable on such shares while such shares were unvested. As of December 31, 2014, there were no accrued dividends attributable to these shares of restricted stock.

TERMINATION OR CHANGE-IN-CONTROL PAYMENTS

David J. Field. David J. Field's employment agreement may be terminated by either party. In the event that Mr. Field is terminated by us without cause (as defined in the agreement) or he resigns for good reason (as defined in the agreement) prior to the execution of a binding agreement which would result in a change in control, if consummated, or more than two years following a change in control, subject to his execution of a release of claims against us, all of Mr. Field's outstanding equity compensation awards that vest on the basis of our performance shall become fully vested and we shall pay him a lump sum payment in an amount equal to the greater of: (i) the sum of two years' annual base salary and two times the highest annual bonus paid during the preceding three year period, or (ii) the sum of the base salary and annual bonuses that would otherwise have been payable through the end of the then current term of the agreement. If such termination occurs following the execution of a binding agreement which would result in a change in control if consummated on or prior to two years following a change in control, subject to his execution of a release of claims against us, all of Mr. Field's outstanding equity compensation awards shall become fully vested, and we shall pay him a lump sum payment in an amount equal to the sum of three years' annual base salary and three times the highest annual bonus paid to him during the preceding three year period. We shall also pay his COBRA premiums for continued health coverage, to the extent he elects such coverage, for a period of up to eighteen months. Additionally, should any of these payments become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, we shall make an additional payment in an amount sufficient to place Mr. Field in the same after-tax position as if the excise tax had not applied. Assuming a December 31, 2014 termination by us without cause, Mr. Field would have received \$3.8 million.

Furthermore, in the event that David J. Field dies or becomes disabled, then all of Mr. Field's outstanding equity compensation awards that vest on the basis of our performance shall become fully vested and we shall pay him (or his estate, if applicable) a lump sum payment in an amount equal to the sum of two years' annual base salary and two times the highest annual bonus paid during the preceding three year period, and we shall also pay his COBRA premiums for continued health coverage, to the extent he elects such coverage, for a period of up to eighteen months.

Finally, Mr. Field's agreement also provides that in the event of a change in control (as defined in the agreement) all of Mr. Field's then outstanding equity compensation awards shall become fully vested and exercisable.

Stephen F. Fisher. We may terminate Mr. Fisher's employment for Cause (as defined in the Entercom Equity Compensation Plan) or at our convenience. In the event of a termination by us for Cause, our obligations under the agreement cease. In the event of a termination by us without Cause, subject to certain conditions: (i) we must pay to Mr. Fisher a one-time bonus (calculated as one full year target bonus (i.e., 80% of salary) plus a prorated partial year target bonus); (ii) we must continue to pay Mr. Fisher's salary and auto allowance through the longer of February 29, 2016 or one year from the termination date; (iii) all grants of options and RSUs will continue to vest through February 29, 2016; and (iv) any vested options may be exercised at any time within the later of two years from the date of termination or ninety days from the date of vesting, but in no event later than the expiration of the original ten year term of the option. Assuming a December 31, 2014 termination by us without Cause, Mr. Fisher would have received \$1.4 million.

If Mr. Fisher's agreement terminates as of any February 28th (or 29th in the case of a leap year) thereafter, due to a party electing to exercise the 120 day non-renewal out and we make Mr. Fisher an offer to continue employment for a period of at least one year with a salary, equity and bonus package which is equal to or greater than Mr. Fisher's then current salary, equity and annual incentive bonus package (a **Qualified Offer**), it shall not be deemed a termination by us and there shall be no acceleration of the vesting of options or RSUs or extension of the period for exercise of options after termination from that provided in the Entercom Equity Compensation Plan and there shall be no payment of severance or continuation of salary or bonus payments thereafter. In the event of such a termination where we have not made a Qualified Offer, then subject to certain conditions: (i) we must pay to Mr. Fisher a one-time bonus (calculated as one full year target bonus (i.e., 80% of salary)); and (ii) we must continue to pay Mr. Fisher's salary and

auto allowance for one year from the date of such termination. These provisions relating to a Qualified Offer continue to apply to each extension of employment pursuant to any prior Qualified Offer or alternative agreement made pursuant to the agreement.

Louise C. Kramer. We may terminate Ms. Kramer's employment for Cause (as defined in her agreement) or at our convenience. In the event of a termination by us for Cause, our obligations under the agreement cease. In the event of a termination by us without Cause, subject to certain conditions, (i) we must continue to pay Ms. Kramer's salary and auto allowance for one year from the termination date; (ii) all grants of options and RSUs will continue to vest during such one year period. Assuming a December 31, 2014 termination by us without Cause, Ms. Kramer would have received \$0.5 million.

If Ms. Kramer's agreement terminates as of March 30, 2016 (or any March 30 thereafter), due to a party electing to exercise the 120 day non-renewal out and we make Ms. Kramer an offer to continue employment for a period of at least one year with a salary and bonus package which is equal to or greater than Ms. Kramer's then current salary and annual incentive bonus package (a **Qualified Offer**), it shall not be deemed a termination by us and there shall be continued vesting or payment of severance or continuation of salary or bonus payments thereafter. In the event of such a termination where we have

not made a Qualified Offer, then subject to certain conditions: (i) we must continue to pay Ms. Kramer's salary and auto allowance for one year from the termination date; (ii) all grants of options and RSUs will continue to vest during such one year period. These provisions relating to a Qualified Offer continue to apply to each extension of employment pursuant to any prior Qualified Offer or alternative agreement made pursuant to the agreement.

Andrew P. Sutor, IV. We may terminate Mr. Sutor's employment for Cause or at our convenience. In the event of a termination by us for Cause, our obligations under the agreement cease. In the event of a termination by us without Cause, subject to certain conditions: (i) we must pay to Mr. Sutor a one-time bonus equal to six months of Mr. Sutor's then present salary. Assuming a December 31, 2014 termination by us without Cause, Mr. Fisher would have received \$0.1 million.

Eugene D. Levin. Mr. Levin is eligible to participate in our severance policy which is applicable to all of our employees. Under this policy, full-time employees are eligible for up to fifteen weeks severance (subject to certain requirements). Assuming a December 31, 2014 termination by us without cause Eugene D. Levin would have received \$0.1 million.

- (1) As of December 31, 2014: (i) the maximum number of shares authorized under the Plan was 10.3 million shares; and (ii) 3.2 million shares remain available for future grant under the Plan. The shares authorized under the Entercom Equity Compensation Plan (the Plan) increase each January 1 by 1.5 million shares (or a lesser number as may be determined by the Company's Board of Directors). For January 1, 2015, our Board of Directors determined that no additional shares would be added to the Plan.

ENTERCOM EQUITY COMPENSATION PLAN

Overview. In 2014 the Plan was amended and restated again to extend the Plan through February 2, 2024. The purpose of the Plan is to attract and retain our employees, employees of our subsidiaries (including employees who are Named Executive Officers or Directors) and to provide incentives to our non-employee Directors and certain advisors and consultants who perform services for us and our subsidiaries. The Plan provides for grants of: (i) options intended to qualify as incentive stock options (**ISOs**) within the meaning of Section 422 of the Code; (ii) nonqualified stock options that are not intended to so qualify (**NQSOs**); (iii) restricted stock / restricted stock units; and (iv) stock appreciation rights (**SARs**).

Shares. As of March 9, 2015, an aggregate of 10.3 million shares of Class A Common Stock are authorized for issuance under the Plan, of which 2.6 million remain available for issuance. The Plan as originally amended and restated in 2005 initially authorized 8.5 million shares, plus an additional 1.5 million shares per year (effective each January 1). For January 1, 2007, 2008, 2013, 2014 and 2015, our Board of Directors determined that no additional shares would be added to the Plan, while for each of January 1, 2006, and 2009 through and including 2012 the

additional 1.5 million shares were added to the Plan. In addition, as a result of the Company's 2006 Option Exchange Program (pursuant to which options surrendered net of restricted stock issued were not available for reissuance) and the Company's 2009 Option Exchange Program (pursuant to which all options surrendered were not available for reissuance) the number of shares that can be issued under the Plan was effectively reduced by an aggregate of 5.7 million shares. Accordingly, the following table shows the shares that have been authorized for issuance under the Plan:

Initial Authorized Amount	8,500,000
Annual Increases	7,500,000
2006 Option Exchange Program Decrease	(3,574,376)
2009 Option Exchange Program Decrease	(2,084,518)
TOTAL	10,341,106

Only shares of Class A Common Stock may be issued under the Plan. The number of shares for which ISOs may be issued under the Plan may not exceed 1.85 million shares, subject to adjustment. If and to the extent grants awarded under the Plan expire or are terminated for any reason without being exercised, the shares of Class A Common Stock subject to such grant will again be available for purposes of the Plan.

Administration of the Plan. The Plan is administered and interpreted by the Compensation Committee (the **Committee**) of the Board of Directors. The Committee shall consist of two or more persons who may be outside directors as defined under Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**), and related Treasury regulations and non-employee directors as defined under Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Subject to ratification or approval by the Board if the Board retains such right, the Committee has authority to: (i) determine the individuals to whom grants shall be made under the Plan; (ii) determine the type, size and terms of the grants to be made to each such individual; (iii) determine the time when grants will be made and the commencement and duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability; and (iv) deal with any other matters arising under the Plan.

Eligibility for Participation. The following are eligible to be participants in the Plan (**Participants**): (i) all employees of us and our subsidiaries (**Employees**), including Employees who are officers or members of the Board; (ii) members of the Board who are not Employees (**Non-Employee Directors**); and (iii) those consultants and advisors who perform services for us or any of our subsidiaries (**Key Advisors**), if the Key Advisors are natural persons rendering bona fide services and such services are not in connection with the offer or sale of securities in a capital-raising transaction. The aggregate number of shares of our stock that may be granted to any individual during any calendar year may not exceed 925,000 shares.

Change of Control. Upon a Change of Control, unless the Committee determines otherwise: (i) each Grantee with outstanding Grants shall receive written notice of such Change of Control; (ii) all outstanding Options and SARs shall automatically accelerate and become fully exercisable; and (iii) the restrictions and conditions on all outstanding restricted stock shall immediately lapse. Upon a Change of Control where we are not the surviving corporation (or survive only as a subsidiary of another corporation), unless the Committee determines otherwise, all outstanding Options and SARs that are not exercised shall be assumed by, or replaced with comparable options and rights by, the surviving corporation. A change of control is defined as: (i) any person becoming a beneficial owner of securities of us representing more than 50% of all votes required to elect a majority of the Board, provided that a Change of Control shall not be deemed to occur as a result of a change of ownership resulting from the death of a shareholder; (ii) the consummation by us of: (a) a merger or consolidation where our shareholders will not own more than 50% of all votes required to elect a majority of the Board of Directors of the surviving corporation, or (b) the consummation of an agreement providing for the sale or disposition by us of all or substantially all of our assets; (iii) a liquidation or dissolution of us; or (iv) any person completing a tender offer or exchange offer for shares representing more than 50% of all votes required to elect a majority of our Board.
