**Item 1.01. Entry into a Material Definitive Agreement.**

On September 21, 2015, ConAgra Foods, Inc. (the Company ) entered into Amendment No. 4 to Revolving Credit Agreement (the Amendment ) with JPMorgan Chase Bank, N.A., as administrative agent and a lender (the Agent ), and the other financial institutions party thereto (collectively, the Revolving Lenders ), amending that certain Revolving Credit Agreement, dated as of September 14, 2011, as amended, among the Company, the Agent and the Revolving Lenders (the Revolving Credit Agreement ). A copy of the Amendment is filed herewith as Exhibit 10.1. The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is incorporated herein by reference.

**Item 2.02. Results of Operations and Financial Condition.**

On September 22, 2015, the Company issued a press release and posted a question and answer document ( Q&A ) on its website containing information on the Company s first quarter fiscal 2016 financial results. The press release and Q&A are furnished with this Form 8-K as Exhibits 99.1 and 99.2, respectively.

The press release and Q&A include the non-GAAP financial measures of diluted earnings per share from continuing operations adjusted for items impacting comparability, adjusted operating profit for each of the Consumer Foods and Commercial Foods segments, adjusted unallocated corporate expense, effective tax rate excluding items impacting comparability and net debt. Management considers GAAP financial measures as well as such non-GAAP financial information in its evaluation of the Company s financial statements and believes these non-GAAP measures provide useful supplemental information to assess the Company s operating performance and financial position. To the extent required, these measures are reconciled in the press release and Q&A to the most directly comparable measures as reported in accordance with GAAP, and should be viewed in addition to, and not in lieu of, the Company s diluted earnings per share, operating performance and financial measures as calculated in accordance with GAAP. The inability to predict the amount and timing of future items makes a detailed reconciliation of projections of diluted EPS and effective tax rate adjusted for items impacting comparability, impracticable.
