Table of Contents

Warrants

We may issue warrants for the purchase of preferred stock or common stock or debt securities of our company. We may issue warrants independently or together with other securities. Warrants sold with other securities as a unit may be attached to or separate from the other securities. We will issue warrants under one or more warrant agreements between us and a warrant agent that we will name in the applicable prospectus supplement.

Units

We may also issue units comprised of one or more of the other securities described in this prospectus in any combination. Each unit may also include debt obligations of third parties, such as U.S. Treasury securities. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security.

Peabody Energy Corporation

We are the world's largest private sector coal company. As of September 30, 2015, we owned interests in 26 active coal mining operations located in the United States and Australia. We have a majority interest in 25 of those mining operations and a 50% equity interest in Middlemount Coal Pty Ltd., which owns the Middlemount Mine in Queensland, Australia. In addition to our mining operations, we market and broker coal from other coal producers, both as principal and agent, and trade coal and freight-related contracts.

In 2014, we produced and sold 227.2 million and 249.8 million tons of coal, respectively, from continuing operations. During that period, 75% of our total sales (by volume) were to U.S. electricity generators, 23% were to customers outside the U.S. and 2% were to the U.S. industrial sector, with approximately 83% of our worldwide sales (by volume) delivered under long-term contracts.

We conduct business through six operating segments: Australian Metallurgical Mining, Australian Thermal Mining, Midwestern U.S. Mining, Powder River Basin Mining, Western U.S. Mining and Trading and Brokerage.

Our principal executive offices are located at 701 Market Street, St. Louis, Missouri 63101-1826, and our telephone number is (314) 342-3400. Our Internet website address is www.peabodyenergy.com. Information on our website is not a part of, or incorporated by reference in, this prospectus.

For purposes of the computation of the ratio of earnings to fixed charges, earnings consist of income from continuing operations before income taxes and losses from equity investments plus fixed charges. Fixed charges consist of interest expense on all indebtedness plus the interest component of lease rental expense. A ratio of combined fixed charges and preferred stock dividends to earnings will be included as necessary in the applicable prospectus supplement if we issue and sell preferred stock thereunder.

USE OF PROCEEDS

Unless otherwise indicated in the prospectus supplement, we will use all or a portion of the net proceeds from the sale of our securities offered by this prospectus and the prospectus supplement for general corporate purposes. General corporate purposes may include repayment of debt, capital expenditures, possible acquisitions and any other purposes that may be stated in any prospectus supplement. The net proceeds may be invested temporarily or applied to repay short-term or revolving debt until they are used for their stated purpose.

DIVIDEND POLICY

In connection with our ongoing efforts to manage our cash and preserve liquidity, our board of directors suspended our quarterly dividend beginning in the third quarter of 2015. Our board of directors will continue to evaluate the appropriate dividend rate over time.

DESCRIPTION OF DEBT SECURITIES

The following description of the terms of the debt securities summarizes certain general terms that will apply to the debt securities offered by us. The description is not complete, and we refer you to the indentures, which are included as exhibits to the registration statement of which this prospectus is a part. In addition, the terms described below may be amended, supplemented or otherwise modified pursuant to one or more supplemental indentures. Any such amendments, supplements or modifications will be set forth in the applicable prospectus supplement. Capitalized items have the meanings assigned to them in the indentures. The referenced sections of the indentures and the definitions of capitalized terms are incorporated by reference in the following summary.

The debt securities that we may issue will be senior, senior subordinated or subordinated debt, may be guaranteed by substantially all of our wholly-owned domestic subsidiaries, and may be convertible into shares of our common stock.

The senior, senior subordinated or subordinated debt securities that we may issue will be issued under separate indentures among us, U.S. Bank National Association, as trustee and, if guaranteed, the subsidiary guarantors thereto. Senior debt securities will be issued under a Senior Indenture, senior subordinated debt securities and subordinated debt securities will be issued under a Subordinated Indenture. Collectively, we refer to the Senior Indenture and the Subordinated Indenture as the Indentures. For purposes of the summary set forth below, obligor refers to Peabody Energy Corporation. This summary of the Indentures is qualified by reference to the Indentures. You should refer to the Indentures in addition to reading this summary. The summary is not complete and is subject to the specific terms of the Indentures.

General

Under the Indentures, we will be able to issue from time to time, in one or more series, an unlimited amount of debt securities. Each time that we issue a new series of debt securities, the supplement to the prospectus relating to that new series will specify the terms of those debt securities, including:

designation, amount and denominations;

percentage of principal amount at which the debt securities will be issued;

maturity date;

interest rate and payment dates;

terms and conditions of exchanging or converting debt securities for other securities;

Table of Contents

the currency or currencies in which the debt securities may be issued;

redemption terms;

whether the debt securities will be guaranteed by our subsidiaries;

whether the debt securities and/or any guarantees will be senior, senior subordinated or subordinated; and

any other specific terms of the debt securities, including any deleted, modified or additional events of default or remedies or additional covenants provided with respect to the debt securities, and any terms that may be required by or advisable under applicable laws or regulations.

Unless otherwise specified in any prospectus supplement, the debt securities will be issuable in registered form without coupons and in denominations of \$1,000 and any integral multiple thereof. No service charge will be made for any transfer or exchange of any debt securities, but the issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Debt securities may bear interest at a fixed rate or a floating rate. Debt securities bearing no interest or interest at a rate that at the time of issuance is below the prevailing market rate may be sold at a discount below their stated principal amount. Special U.S. federal income tax considerations applicable to discounted debt securities or to some debt securities issued at par that are treated as having been issued at a discount for U.S. federal income tax purposes will be described in the applicable prospectus supplement.

In determining whether the holders of the requisite aggregate principal amount of outstanding debt securities of any series have given any request, demand, authorization, direction, notice, consent or waiver under the Indentures, the principal amount of any series of debt securities originally issued at a discount from their stated principal amount that will be deemed to be outstanding for such purposes will be the amount of the principal thereof that would be due and payable as of the date of the determination upon a declaration of acceleration of the maturity thereof.

Payments relating to the debt securities generally will be paid by us, at U.S. Bank National Association's corporate trust office. However, we may elect to pay interest by mailing checks directly to the registered holders of the debt securities. You can transfer your debt securities at U.S. Bank National Association's corporate trust office.

Ranking

Unless otherwise described in the prospectus supplement for any series, the debt securities that we issue will be unsecured and will rank on a parity with all of our other unsecured and unsubordinated indebtedness.

We conduct a material amount of our operations through our subsidiaries. Our right to participate as a shareholder in any distribution of assets of any of our subsidiaries (and thus the ability of holders of the debt securities that we issue to benefit as creditors of Peabody Energy Corporation from such distribution) is junior to creditors of that subsidiary. As a result, claims of holders of the debt securities that we issue will generally have a junior position to claims of creditors of our subsidiaries, except to the extent that we may be recognized as a creditor of those subsidiaries or those subsidiaries guarantee the debt securities.

Subordinated Debt Securities

Unless otherwise described in the prospectus supplement of any series, our obligation to make any payment on account of the principal of or premium, if any, and interest, if any, on the subordinated debt securities we issue will be subordinate and junior in right of payment to our obligations to the holders of our senior indebtedness to the extent described in the Subordinated Indenture.

Table of Contents

In the case of our liquidation, dissolution or bankruptcy or similar proceeding, whether voluntary or involuntary, all of our obligations to holders of our senior indebtedness will be entitled to be paid in full before any payment can be made on account of the principal of, or premium, if any, or interest, if any, on the subordinated debt securities.

Unless otherwise described in the prospectus supplement of any series, we may not pay principal of, premium, if any, or interest on the subordinated securities (or pay any other obligations relating to the subordinated securities, including additional interest, fees, costs, expenses, indemnities and rescission or damage claims) or make any deposit pursuant to the Subordinated Indenture and may not purchase, redeem or otherwise retire any subordinated securities (except as otherwise described in the Subordinated Indenture) if either of the following occurs (a **Payment Default**):

any obligation on any of our Designated Senior Indebtedness (as defined in the Subordinated Indenture) is not paid in full in cash when due (after giving effect to any applicable grace period); or

any other default on our Designated Senior Indebtedness occurs and the maturity of such Designated Senior Indebtedness is accelerated in accordance with its terms;

unless, in either case, the Payment Default has been cured or waived and any such acceleration has been rescinded or such Designated Senior Indebtedness has been paid in full in cash; provided, however, that we will be entitled to pay the subordinated securities without regard to the foregoing if we and the trustee receive written notice approving such payment from the representatives of all Designated Senior Indebtedness with respect to which the Payment Default has occurred and is continuing.

By reason of the above subordination in favor of the holders of our senior indebtedness, in the event of our bankruptcy or insolvency, holders of our senior indebtedness may receive more, ratably, and holders of the subordinated debt securities having a claim pursuant to the subordinated debt securities may receive less, ratably, than our other creditors.

Reopening of Issue

We may, from time to time, reopen an issue of debt securities without the consent of the holders of the debt securities and issue additional debt securities with the same terms (including maturity and interest payment terms) as debt securities issued on an earlier date. After such additional debt securities are issued they will be fungible with the previously issued debt securities to the extent specified in the applicable prospectus supplement.

Debt Guarantees

Our debt securities may be guaranteed by substantially all of our wholly-owned domestic subsidiaries, the subsidiary guarantors. If debt securities are guaranteed by subsidiary guarantors, that guarantee will be set forth in the applicable Indenture or a supplemental indenture.

Payments with respect to subsidiary guarantees of our senior subordinated debt securities and subordinated debt securities will be subordinated in right of payment to the prior payment in full of all senior indebtedness of each such subsidiary guarantor to the same extent and manner that payments with respect to our senior subordinated debt securities and subordinated debt securities are subordinated in right of payment to the prior payment in full of all of our senior indebtedness.

Merger and Consolidation

Unless otherwise described in the prospectus supplement of any series, we may, under the applicable Indenture, without the consent of the holders of debt securities, consolidate with, merge with or into or transfer

Table of Contents

all or substantially all of our assets to any other corporation organized under the laws of the United States or any of its political subdivisions provided that:

the surviving corporation assumes all of our obligations under the applicable Indenture;

at the time of such transaction, no event of default, and no event that, after notice or lapse of time, would become an event of default, shall have happened and be continuing; and

certain other conditions are met.

Modification

Generally, our rights and obligations and the holders' rights may be modified with the consent of holders of a majority of the outstanding debt securities of each series affected by such modification. However, unless otherwise described in the prospectus supplement of any series, no modification or amendment may occur without the consent of the affected holder of a debt security if that modification or amendment would do any of the following:

change the stated maturity date of the principal of, or any installment of interest on, any of the holder's debt securities;

reduce the principal amount of, or the interest (or premium, if any) on, the debt security (including, in the case of a discounted debt security, the amount payable upon acceleration of maturity or provable in bankruptcy);

change the currency of payment of the debt security;

impair the right to institute suit for the enforcement of any payment on the debt security or adversely affect the right of repayment, if any, at the option of the holder;

reduce the percentage of holders of debt securities necessary to modify or amend the applicable Indenture or to waive any past default;

release a guarantor from its obligations under its guarantee, other than in accordance with the terms thereof; or

modify our obligations to maintain an office or agency.

A modification that changes a covenant or provision expressly included solely for the benefit of holders of one or more particular series will not affect the rights of holders of debt securities of any other series.

Each Indenture provides that the obligor and U.S. Bank National Association, as trustee, may make modifications without the consent of the debt security holders in order to do the following:

evidence the assumption by a successor entity of the obligations of the obligor under the applicable Indenture;

convey security for the debt securities to U.S. Bank National Association;

add covenants, restrictions or conditions for the protection of the debt security holders;

provide for the issuance of debt securities in coupon or fully registered form;

establish the form or terms of debt securities of any series;

cure any ambiguity or correct any defect in an Indenture that does not adversely affect the interests of a holder;

evidence the appointment of a successor trustee or more than one trustee;

surrender any right or power conferred upon us;

Table of Contents

comply with the requirements of the SEC in order to maintain the qualification of the applicable Indenture under the Trust Indenture Act of 1939, as amended;

add or modify any other provisions with respect to matters or questions arising under an Indenture that we and U.S. Bank National Association may deem necessary or desirable and that will not adversely affect the interests of holders of debt securities;

modify the existing covenants and events of default solely in respect of, or add new covenants or events of default that apply solely to, debt securities not yet issued and outstanding; or

to provide for guarantees of the debt securities and to specify the ranking of the obligations of the guarantors under their respective guarantees.

Events of Default

Under the Indentures, an event of default means, unless otherwise described in the prospectus supplement of any series, any one of the following:

failure to pay interest on a debt security for 30 days;

failure to pay principal and premium, if any, when due;

failure to pay or satisfy a sinking fund installment when due;

failure by Peabody Energy Corporation or by a guarantor of the debt securities to perform any other covenant in the applicable Indenture that continues for 60 days after receipt of notice;

certain events in bankruptcy, insolvency or reorganization; or

a guarantee being held in any judicial proceeding to be unenforceable or invalid.

An event of default relating to one series of debt securities does not necessarily constitute an event of default with respect to any other series issued under the applicable Indenture. If an event of default exists with respect to a series of debt securities, U.S. Bank National Association or the holders of at least 25% of the then-outstanding debt securities of that series may declare the principal of that series due and payable.

Any event of default with respect to a particular series of debt securities may be waived by the holders of a majority of the then-outstanding debt securities of that series, except for a failure to pay principal, premium or interest on the debt security.

U.S. Bank National Association may withhold notice to the holder of the debt securities of any default (except in payment of principal, premium, interest or sinking fund payment) if U.S. Bank National Association thinks that withholding such notice is in the interest of the holders.

Subject to the specific duties that arise under the applicable Indenture if an event of default exists, U.S. Bank National Association is not obligated to exercise any of its rights or powers under the applicable Indenture at the request of the holders of the debt securities unless they provide reasonable indemnity satisfactory to it. Generally, the holders of a majority of the then-outstanding debt securities can direct the proceeding for a remedy available to U.S. Bank National Association or for exercising any power conferred on U.S. Bank National Association as the trustee.

Trustee's Relationship

U.S. Bank National Association or its affiliates may from time to time in the future provide banking and other services to us in the ordinary course of its business. The Indentures provide that we will indemnify U.S. Bank National Association against any and all loss, liability, claim, damage or expense incurred that arises from

Table of Contents

the trust created by the applicable Indenture unless the loss, liability, claim, damage or expense results from U.S. Bank National Association's negligence or willful misconduct.

Global Securities

We may issue some of the debt securities as global securities that will be deposited with a depository identified in a prospectus supplement. Global securities may be issued in registered form and may be either temporary or permanent. A prospectus supplement will contain additional information about depository arrangements.

Registered global securities will be registered in the depository's name or in the name of its nominee. When we issue a global security, the depository will credit that amount of debt securities to the investors that have accounts with the depository or its nominee. The underwriters or the debt security holder's agent will designate the accounts to be credited, unless the debt securities are offered and sold directly by us, in which case, we will designate the appropriate account to be credited.

Investors who have accounts with a depository, and people who have an interest in those institutions, are the beneficial owners of global securities held by that particular depository.

We will not maintain records regarding ownership or the transfer of global securities held by a depository or to its nominee. If you are the beneficial owner of global securities held by a depository, you must get information directly from the depository.

As long as a depository is the registered owner of a global security, that depository will be considered the sole owner of the debt securities represented by that global security. Except as set forth below, beneficial owners of global securities held by a depository will not be entitled to:

register the represented debt securities in their names;

receive physical delivery of the debt securities; or

be considered the owners or holders of the global security under the applicable Indenture.

Payments on debt securities registered in the name of a depository or its nominee will be made to the depository or its nominee.

When a depository receives a payment, it must immediately credit the accounts in amounts proportionate to the account holders' interests in the global security. The beneficial owners of a global security should, and are expected to, establish standing instructions and customary practices with their investors that have an account with the depository, so that payments can be made with regard to securities beneficially held for them, much like securities held for the accounts of customers in bearer form or registered in street name.

A global security can only be transferred in whole by the depository to a nominee of such depository or to another nominee of a depository. If a depository is unwilling or unable to continue as a depository and we do not appoint a successor depository within ninety days, we will issue certificated debt securities in exchange for all of the global securities held by that depository. In addition, we may eliminate all global securities at any time and issue certificated

debt securities in exchange for them. Further, we may allow a depository to surrender a global security in exchange for certificated debt securities on any terms that are acceptable to us and the depository. Finally, an interest in the global security is exchangeable for a certificated debt security if an event of default has occurred as described above under Events of Default.

If any of these events occur, we will execute, and U.S. Bank National Association will authenticate and deliver to the beneficial owners of the global security in question, a new registered security in an amount equal to

Table of Contents

and in exchange for that person's beneficial interest in the exchanged global security. The depository will receive a new global security in an amount equal to the difference, if any, between the amount of the surrendered global security and the amount of debt securities delivered to the beneficial owners. Debt securities issued in exchange for global securities will be registered in the same names and in the same denominations as indicated by the depository's records and in accordance with the instructions from its direct and indirect participants.

The laws of certain jurisdictions require some people who purchase securities to actually take physical possession of those securities. The limitations imposed by these laws may impair your ability to transfer your beneficial interests in a global security.

Conversion Rights

The terms and conditions, if any, upon which the debt securities are convertible into shares of our common stock will be set forth in the prospectus supplement relating thereto. These terms will include the conversion price, the conversion period, provisions as to whether conversion will be at the option of the Holder or us, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of those debt securities.

DESCRIPTION OF CAPITAL STOCK

On September 30, 2015, we filed a certificate of amendment (the "Certificate of Amendment") to our third amended and restated certificate of incorporation with the Secretary of State of the State of Delaware to effect 1-for-15 reverse stock split of the outstanding shares of our common stock. As a result, our authorized capital stock consists of (1) 53,333,333 shares of common stock, par value \$0.01 per share, of which 18,535,216 shares were outstanding on December 10, 2015, (2) 10 million shares of preferred stock, par value \$0.01 per share, 750,000 of which are reserved for the 4.75% Convertible Junior Subordinated Debentures due 2066 (the "Debentures"), of which no shares are issued or outstanding and (3) 40 million shares of series common stock, par value \$0.01 per share, of which no shares are issued or outstanding. As of December 10, 2015, there were 1,226 holders of record of our common stock. The following description of our capital stock and related matters is qualified in its entirety by reference to our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and amended and restated by-laws.

The following summary describes elements of our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and amended and restated by-laws.

Common Stock

Holders of common stock are entitled to one vote per share on all matters to be voted upon by the stockholders. The holders of common stock do not have cumulative voting rights in the election of directors. Holders of common stock are entitled to receive ratably dividends if, as and when dividends are declared from time to time by our board of directors out of funds legally available for that purpose, after payment of dividends required to be paid on outstanding preferred stock or series common stock, as described below. Upon liquidation, dissolution or winding up, any business combination or a sale or disposition of all or substantially all of the assets, the holders of common stock are entitled to receive ratably the assets available for distribution to the stockholders after payment of liabilities and accrued but unpaid dividends and liquidation preferences on any outstanding preferred stock or series common stock. The common stock has no preemptive or conversion rights and is not subject to further calls or assessment by us. There are no redemption or sinking fund provisions applicable to the common stock.

Perpetual Preferred Stock

Holders of perpetual preferred stock issued upon conversion of the Debentures will be fully paid and non-assessable, and holders will have no preemptive or preferential right to purchase any of our other securities. The perpetual preferred stock has a liquidation preference of \$1,000 per share, is not convertible and is redeemable at our option at any time at a cash redemption price per share equal to the liquidation preference plus any accumulated dividends. Holders are entitled to receive cumulative dividends at an annual rate of 3.0875% if and when declared by our board of directors. If we fail to pay dividends on the perpetual preferred stock for five years, or upon the occurrence of a mandatory trigger event, as defined in the certificate of designations governing the perpetual preferred stock, we generally must sell warrants or preferred stock with specified characteristics and use the funds from that sale to pay accumulated dividends after the payment in full of any deferred interest on the Debentures, subject to certain limitations. In the event of a mandatory trigger event, we may not declare dividends on the perpetual preferred stock other than those funded through the sale of warrants or preferred stock as described above. Any deferred interest on the Debentures at the time of notice of conversion will be reflected as accumulated dividends on the perpetual preferred stock at issuance. Additionally, holders of the perpetual preferred stock are entitled to elect two additional members to serve on our board of directors if (i) prior to any remarketing of the perpetual preferred stock, we fail to declare and pay dividends with respect to the perpetual preferred stock for 10 consecutive years or (ii) after any successful remarketing or any final failed remarketing of the perpetual preferred stock, we fail to declare and pay six

dividends thereon, whether or not consecutive. The perpetual preferred stock may be remarketed at the holder's election after December 15, 2046 or earlier, upon the first occurrence of a change of control if we do not redeem the perpetual preferred stock. There were no outstanding shares of perpetual preferred stock as of December 10, 2015.

Preferred Stock and Series Common Stock

Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) authorizes our board of directors to establish one or more series of preferred stock or series common stock. With respect to any series of preferred stock or series common stock, our board of directors is authorized to determine the terms and rights of that series, including:

the designation of the series;

the number of shares of the series, which our board may, except where otherwise provided in the preferred stock or series common stock designation, increase or decrease, but not below the number of shares then outstanding;

whether dividends, if any, will be cumulative or non-cumulative and the dividend rate of the series;

the dates at which dividends, if any, will be payable;

the redemption rights and price or prices, if any, for shares of the series;

the terms and amounts of any sinking fund provided for the purchase or redemption of shares of the series;

the amounts payable on shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the affairs of our company;

whether the shares of the series will be convertible into shares of any other class or series, or any other security, of our company or any other corporation, and, if so, the specification of the other class or series or other security, the conversion price or prices or rate or rates, any rate adjustments, the date or dates as of which the shares will be convertible and all other terms and conditions upon which the conversion may be made;

restrictions on the issuance of shares of the same series or of any other class or series; and

the voting rights, if any, of the holders of the series.

Unless required by law or by any stock exchange, the authorized shares of preferred stock and series common stock, as well as shares of common stock, are available for issuance without further action by our stockholders.

Although we have no intention at the present time of doing so, we could issue a series of preferred stock or series common stock that could, depending on the terms of the series, impede the completion of a merger, tender offer or other takeover attempt. We will make any determination to issue preferred stock or series common stock based on our judgment as to the best interests of the company and our stockholders. We, in so acting, could issue preferred stock or series common stock having terms that could discourage an acquisition attempt or other transaction that some, or a majority, of stockholders might believe to be in their best interests or in which they might receive a premium for their common stock over the market price of the common stock.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of the New York Stock Exchange, which would apply so long as the common stock remains listed on the New York Stock Exchange, require stockholder approval of certain issuances equal to or exceeding 20% of the then-outstanding voting power or then-outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

One of the effects of the existence of unissued and unreserved common stock, preferred stock or series common stock may be to enable our board of directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of our company by means

Table of Contents

of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive the stockholders of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

Anti-Takeover Effects of Provisions of Delaware Law and Our Charter and By-laws

Delaware Law

Our company is a Delaware corporation subject to Section 203 of the Delaware General Corporation Law. Section 203 provides that, subject to certain exceptions specified in the law, a Delaware corporation shall not engage in certain business combinations with any interested stockholder for a three-year period following the time that the stockholder became an interested stockholder unless:

prior to such time, our board of directors approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of our voting stock outstanding at the time the transaction commenced, excluding certain shares; or

at or subsequent to that time, the business combination is approved by our board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

Generally, a business combination includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an interested stockholder is a person who, together with that person's affiliates and associates, owns, or within the previous three years did own, 15% or more of our outstanding voting stock.

Under certain circumstances, Section 203 makes it more difficult for a person who would be an interested stockholder to effect various business combinations with a corporation for a three-year period. The provisions of Section 203 may encourage companies interested in acquiring our company to negotiate in advance with our board of directors because the stockholder approval requirement would be avoided if our board of directors approves either the business combination or the transaction which results in the stockholder becoming an interested stockholder. These provisions also may have the effect of preventing changes in our board of directors and may make it more difficult to accomplish transactions which stockholders may otherwise deem to be in their best interests.

Certificate of Incorporation; By-laws

Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and our amended and restated by-laws contain provisions that could make more difficult the acquisition of the company by means of a tender offer, a proxy contest or otherwise.

Removal of Directors. Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and our amended and restated by-laws provide that directors may be removed only for

cause and only upon the affirmative vote of holders of at least 75% of the voting power of all the outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class.

Stockholder Action. Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and our amended and restated by-laws provide that stockholder action can be taken only at an annual or special meeting of stockholders and may not be taken by written consent in lieu of a meeting. Our third amended and restated certificate of incorporation (as amended, including the Certificate of

Table of Contents

Amendment) and our amended and restated by-laws provide that special meetings of stockholders can be called only by our chief executive officer or pursuant to a resolution adopted by our board of directors. Stockholders are not permitted to call a special meeting or to require that the board of directors call a special meeting of stockholders.

Advance Notice Procedures. Our amended and restated by-laws establish an advance notice procedure for stockholders to make nominations of candidates for election as directors, or bring other business before an annual or special meeting of our stockholders. This notice procedure provides that only persons who are nominated by, or at the direction of our board of directors, the chairman of the board, or by a stockholder who has given timely written notice to the secretary of our company prior to the meeting at which directors are to be elected, will be eligible for election as directors. This procedure also requires that, in order to raise matters at an annual or special meeting, those matters be raised before the meeting pursuant to the notice of meeting we deliver or by, or at the direction of, our chairman or by a stockholder who is entitled to vote at the meeting and who has given timely written notice to the secretary of our company of his intention to raise those matters at the annual meeting. If our chairman or other officer presiding at a meeting determines that a person was not nominated, or other business was not brought before the meeting, in accordance with the notice procedure, that person will not be eligible for election as a director, or that business will not be conducted at the meeting.

Amendment. Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) provides that the affirmative vote of the holders of at least 75% of the voting power of the outstanding shares entitled to vote, voting together as a single class, is required to amend provisions of our certificate of incorporation relating to the prohibition of stockholder action without a meeting, the number, election and term of our directors and the removal of directors. Our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) further provides that our by-laws may be amended by our board or by the affirmative vote of the holders of at least 75% of the outstanding shares entitled to vote, voting together as a single class.

DESCRIPTION OF WARRANTS

The following description of the warrant agreements summarizes certain general terms that will apply to the warrants that we may offer. The description is not complete, and we refer you to the warrant agreements, which will be filed with the SEC promptly after the offering of any warrants and will be available as described under the heading *Incorporation of Certain Documents by Reference* in this prospectus.

We may issue warrants to purchase debt securities, common stock, preferred stock or other securities. We may issue warrants independently or as part of a unit with other securities. Warrants sold with other securities as a unit may be attached to or separate from the other securities. We will issue warrants under one or more warrant agreements between us and a warrant agent that we will name in the applicable prospectus supplement.

The prospectus supplement relating to any warrants we are offering will include specific terms relating to the offering, including a description of any other securities sold together with the warrants. These terms will include some or all of

the following:

the title of the warrants;

the aggregate number of warrants offered;

Table of Contents

the price or prices at which the warrants will be issued;

the currency or currencies, including composite currencies, in which the prices of the warrants may be payable;

the designation, number and terms of the debt securities, common stock, preferred stock or other securities or rights, including rights to receive payment in cash or securities based on the value, rate or price of one or more specified commodities, currencies or indices, purchasable upon exercise of the warrants and procedures by which those numbers may be adjusted; the exercise price of the warrants and the currency or currencies, including composite currencies, in which such price is payable;

the dates or periods during which the warrants are exercisable;

the designation and terms of any securities with which the warrants are issued as a unit;

if the warrants are issued as a unit with another security, the date on and after which the warrants and the other security will be separately transferable;

if the exercise price is not payable in U.S. dollars, the foreign currency, currency unit or composite currency in which the exercise price is denominated;

any minimum or maximum amount of warrants that may be exercised at any one time;

any terms relating to the modification of the warrants; and

any other terms of the warrants, including terms, procedures and limitations relating to the transferability, exchange, exercise or redemption of the warrants.

Warrants issued for securities other than our debt securities, common stock or preferred stock will not be exercisable until at least one year from the date of sale of the warrant.

DESCRIPTION OF UNITS

The following descriptions of the units and any applicable underlying security or pledge or depository arrangements summarize certain general terms that will apply to the applicable agreements. These descriptions do not restate those agreements in their entirety. We urge you to read the applicable agreements because they, and not the summaries, define your rights as holders of the units. We will make copies of the relevant agreements available as described under the heading "Incorporation of Certain Documents by Reference" in this prospectus.

As specified in the applicable prospectus supplement, we may issue units comprised of one or more of the other securities described in this prospectus in any combination. Each unit may also include debt obligations of third parties, such as U.S. Treasury securities. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security. The prospectus supplement will describe:

the designation and terms of the units and of the securities comprising the units, including whether and under what circumstances the securities comprising the units may be held or transferred separately;

a description of the terms of any unit agreement governing the units;

a description of the provisions for the payment, settlement, transfer or exchange of the units; and

whether the units will be issued in fully registered or global form.

PLAN OF DISTRIBUTION

We may sell the securities offered by this prospectus:

to or through underwriting syndicates represented by managing underwriters;

through one or more underwriters without a syndicate for them to offer and sell to the public;

Table of Contents

through dealers or agents; or

The applicable prospectus supplement will describe that offering, including:

the name or names of any underwriters, dealers or agents involved in the sale of the offered securities;

the purchase price and the proceeds to us from that sale;

any underwriting discounts, commissions agents fees and other items constituting underwriters or agents compensation;

any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers; and

Transactions through dealers may include block trades in which dealers will attempt to sell the securities as agent but may position and resell the block as principal to facilitate the transaction. The securities may be sold through dealers or agents or to dealers acting as market makers.

If underwriters are used in the sale, the offered securities will be acquired by the underwriters for their own account. The underwriters may resell the offered securities in one or more transactions, including negotiated transactions, at a fixed public offering price at varying prices determined at the time of sale, at market prices prevailing at the time of the sales or at prices related to such prevailing market prices. The offered securities may be offered through an underwriting syndicate represented by many underwriters. The obligations of the underwriters to purchase the offered securities will be subject to certain conditions. The securities may be sold on any national securities exchange on which the securities may be listed at the time of sale, in the over-the-counter market or in transactions otherwise than on such exchanges or in the over-the-counter market or in transactions that include special offerings and exchange distributions pursuant to and in accordance with the rules of such exchanges.

We may enter into derivative transactions or forward sale agreements on securities with third parties. In such event, we may pledge the securities underlying such transaction to the counterparties under such agreements, to secure our delivery obligations. The counterparties or third parties may borrow securities from us or third parties and sell such

securities in a public offering. This prospectus may be delivered in conjunction with such sales. Upon settlement of such transactions, we may deliver securities to the counterparties that, in turn, the counterparties may deliver to us or third parties, as the case may be, to close out the open borrowings of securities. The counterparties in such transactions will be an underwriter and will be identified in the applicable prospectus supplement.

We may authorize agents, underwriters or dealers to solicit offers by specified institutions to purchase securities offered by this prospectus pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. These contracts will be subject only to those conditions set forth in the prospectus supplement. The prospectus supplement will set forth the commission payable for soliciting such contracts.

We may agree to indemnify underwriters, dealers or agents against certain civil liabilities, including liabilities under the Securities Act, and may also agree to contribute to payments which the underwriters, dealers or agents may be required to make.

Item 15. *Indemnification of Directors and Officers.****Delaware Corporation Registrants***

Peabody Energy Corporation, Arid Operations Inc., Big Sky Coal Company, BTU Western Resources, Inc., Colorado Yampa Coal Company, Cottonwood Land Company, Cyprus Creek Land Company, Gallo Finance Company, Highwall Mining Services Company, Juniper Coal Company, Kayenta Mobile Home Park, Inc., Midwest Coal Acquisition Corp., Peabody America, Inc., Peabody Energy Generation Holding Company, Peabody Energy Investments, Inc., Peabody Energy Solutions, Inc., Peabody International Investments, Inc., Peabody International Services, Inc., Peabody Investments Corp., Peabody Natural Resources Company, Peabody Southwestern Coal Company, Peabody Venezuela Coal Corp., Peabody Western Coal Company, Pond River Land Company, Riverview Terminal Company and Shoshone Coal Corporation (the Delaware Corporation Registrants) are incorporated in the State of Delaware. Section 145 of the Delaware General Corporation Law provides that, among other things, a corporation may indemnify directors and officers as well as other employees and agents of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with threatened, pending or completed actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation, a derivative action), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with the defense or settlement of such actions,

and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

Article Sixth of our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and Article IV of our amended and restated bylaws requires indemnification to the fullest extent permitted by Delaware law. Our third amended and restated certificate of incorporation (as

amended, including the Certificate of Amendment) requires indemnification and the advancement of expenses incurred by officers or directors in relation to any action, suit or proceeding. Similar provisions are contained in the certificate of incorporation and/or bylaws of the other Delaware Corporation Registrants.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duties as a director, except for liability (i) for any transaction from which the director derives an improper personal benefit, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law (certain illegal distributions) or (iv) for any breach of a director's duty of loyalty to the company or its stockholders. Article Sixth of our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) includes such a provision.

In connection with our existing indemnification procedures and policies and the rights provided for by our third amended and restated certificate of incorporation (as amended, including the Certificate of Amendment) and amended and restated by-laws, we have executed indemnification agreements with our directors and executive officers.

Pursuant to those agreements, to the fullest extent permitted by the laws of the State of Delaware, we have agreed to indemnify those persons against any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that the indemnified person is or was or has agreed to serve at our request as a director, officer, employee or agent, or while serving as our director or officer, is or was serving or has agreed to serve at our request as a director, officer, employee or agent (which, for purposes of the indemnification agreements, includes a trustee, partner, manager or a position of similar capacity) of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity. The indemnification provided by these agreements is from and against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the indemnified person or on his or her behalf in connection with the action, suit or proceeding and any appeal therefrom, but shall only be provided if the indemnified person acted in good faith and in a manner the indemnified person reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action, suit or proceeding, had no reasonable cause to believe the indemnified person's conduct was unlawful.

We have obtained officers' and directors' liability insurance which insures against liabilities that our officers and directors, in such capacities, may incur.

Section 8.75 of the IBCA provides that a corporation may indemnify any person who, by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than one brought on behalf of the corporation, against actual and reasonable expenses (including attorneys' fees), judgments, fines and settlement payments incurred in connection with the action, suit or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of such corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe his or her conduct was unlawful. (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) Each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in

the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the

offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(6) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
