PROXY STATEMENT

For Annual Meeting of Stockholders

To be Held on May 25, 2016

Proxies in the form enclosed with this statement are solicited by the Board of Directors (the **Board**) of Milestone Scientific Inc. (**we** , **us** , **our** , the **Company** or **Milestone**) to be used at the Annual Meeting of Stockholders (the **Meeting**) and any adjournments thereof, to be held at Golenbock Eiseman Assor Bell & Peskoe LLP, 437 Madison Avenue, New York, New York on May 25, 2016 at 9:00 AM, Eastern Time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Board knows of no other business which will come before the meeting. This Proxy Statement and the accompanying proxy will be mailed to stockholders on or about April 15, 2016.

THE VOTING AND VOTE REQUIRED

Record Date and Quorum

Only stockholders of record at the close of business on March 28, 2016 (the **Record Date**) are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 21,687,164 outstanding shares of common stock, par value \$.001 per share (**Common Stock**) and 7,000 outstanding shares of our Series A Convertible Preferred Stock, par value \$.001 per share (**Preferred Stock**). Each share of Common Stock is entitled to one vote, and each share of Preferred Stock is entitled to approximately 392.93 votes. In the aggregate, the holders of all classes, voting as a single class, may cast 24,437,655 votes at the Annual Meeting. Shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted as specified. A quorum will be present at the Annual Meeting of stockholders owning not less than one-third of the shares issued and outstanding on the Record Date are present at the meeting in person or by Proxy.

Voting of Proxies

The persons acting as proxies pursuant to the enclosed proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the proxyholders will vote the shares represented by the proxy: (i) for the election of the five (5) director nominees named in this Proxy Statement; (ii) for approval of the amendments to the 2011 Stock Option Plan (described below); (iii) for approval of the non-binding advisory resolution relating to the compensation of the Company's Named Executive Officers; (iv) for advisory approval of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent auditors for the fiscal year ending December 31, 2016; and (v) in the proxyholders' discretion, on any other business that may come before the meeting and any adjournments of the meeting.

All votes will be tabulated by the Inspector of Elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Under the Company's bylaws and Delaware law: (1) shares represented by proxies that reflect abstentions or broker non-votes (i.e., shares held by a broker or nominee that are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum; (2) there is no cumulative voting, and the director nominees receiving the highest number of votes, up to the number of directors to be elected, are elected and, accordingly, abstentions, broker non-votes and withholding of authority to vote will not affect the election of directors; and (3) proxies that reflect abstentions and broker non-votes will be treated as unvoted for purposes of determining approval of that proposal and will not be counted as votes for or against that proposal.

Voting Requirements

Election of Directors. The election of the director nominees will require a plurality of the votes cast on the matter at the Annual Meeting. With respect to the election of directors, votes may be cast in favor of or withheld with respect to each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Approval of the amendments to the 2011 Stock Option Plan, approval of the non-binding advisory resolution relating to the compensation of the Company's Named Executive Officers and advisory approval of the appointment of independent auditors. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Annual Meeting is required to approve each of these matters. An abstention will be treated as present for quorum purposes. However, since an abstention is not treated as a vote for or against the matter, it will have no effect on the outcome of the vote on either matter.

Revocability of Proxy

A proxy may be revoked by the stockholder giving the proxy at any time before it is voted by delivering oral or written notice to the Corporate Secretary of Milestone at or prior to the Annual Meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Expenses of Solicitation

Milestone will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of Milestone telephonically, electronically or by other means of communication. Milestone will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

Dr. Zelnick's professional experience and background as a medical doctor and in clinical research, have given him the expertise needed to serve as one of our directors. Dr. Zelnick became a director in February 2015.

Board Leadership Structure

The Board believes that the segregation of the roles of Board Chairman and the Chief Executive Officer ensures better overall governance of the Company and provides meaningful checks and balances regarding its overall performance. This structure allows our Chief Executive Officer to focus on developing and implementing the Company's business plans and supervising the Company's day-to-day business operations, and allows our Chairman to lead the Board in its oversight and advisory notes. Because of the many responsibilities of the Board and the significant time and effort required by each of the Chairman and the Chief Executive Officer to perform their respective duties, the Company believes and having separate persons in these roles enhances the ability of each to discharge those duties effectively and enhances the Company's prospects for success. The Board also believes that having separate positions provides a clear delineation of responsibilities for each position and fosters greater accountability of management. For the foregoing reasons, the Board had determined that its leadership structure is appropriate and in the best interest of the stockholders.

The Board's Oversight of Risk Management

The Board recognizes that companies face a variety of risks, including credit risk, liquidity risk, strategic risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face; (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee; (3) implement appropriate and responsive risk management strategies consistent with the Company's risk profile; and (4) integrate risk management into Company decision-making. The Board encourages and management promotes a corporate culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. The Board also continually works, with the input of management and executive officers, to assess and analyze the most likely areas of future risk for the Company.

Committees of the Board

The Board has standing audit, compensation and nominating and corporate governance committees (respectively, the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.)

Attendance at Committee and Board Meetings

In 2015, the Board held a total of eight meetings; the Audit Committee held a total of four meetings, the Compensation Committee held a total of four meetings; and the Nominating and Corporate Governance Committee did not meet. Each of our directors attended 100% of the aggregate of the total number of meetings of the Board and all of the meetings of the committees of the Board on which he or she served. All of our then directors attended our annual meeting of stockholders in 2015.

Compensation Committee

The Compensation Committee reviews and recommends to the Board the compensation and benefits of all officers of the Company, reviews general policy matters relating to compensation and benefits of employees of the Company, and administers the issuance of stock options to the Company's officers, employees, directors and consultants. The Compensation Committee is comprised of three members, Leonard M. Schiller, Leslie Bernhard and Edward J. Zelnick, M.D. A copy of the Compensation Committee Charter has been posted on our Web site at www.milestonescientific.com.

Audit Committee

The Audit Committee was established to meet with management and the Company's independent accountants to determine the adequacy of internal controls and other financial reporting matters. The Audit Committee's purpose is to: (A) assist the Board in its oversight of: (i) the integrity of our financial statements; (ii) our compliance with legal and regulatory requirements; (iii) our independent auditors' qualifications and independence; (iv) the performance of our internal audit function and independent auditors to decide whether to appoint, retain or terminate our independent auditors; and (v) the preparation of our Annual Report on Form 10-K for the fiscal year ended December 31, 2015; and (B) to pre-approve all audit, audit-related and other services, if any, to be provided by the independent auditors. The Audit Committee is comprised of Leslie Bernhard and Leonard M. Schiller, and Edward Zelnick, M.D., all of whom are independent as defined in the listing standards of the NYSE MKT and Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Board adopted a revised written charter for the Audit Committee in July 2005 (the Charter). A copy of the Charter has been posted on our Web site at www.milestonescientific.com.

Audit Committee Financial Expert

The Board has determined that Leslie Bernhard is an audit committee financial expert, as that term is defined in Item 407(d)(5) of Regulation S-K, and independent for purposes of the listing standards of the NYSE MKT and Section 10A(m)(3) of the Exchange Act.

Nominating and Corporate Governance Committee

The Board formed a Nominating and Corporate Governance Committee in May 2004. The members of the Nominating and Corporate Governance Committee are Leonard M. Schiller, Leslie Bernhard and Edward J. Zelnick, M.D.

The Nominating and Corporate Governance Committee has dual responsibilities. The Nominating and Corporate Governance Committee will assist the Board by identify and recommending individuals qualified to become member of the Board. Additionally, the committee will evaluate the size and composition of the Board and its members, reviewing governance issues and making recommendations to the Board regarding possible changes and reviewing and monitoring compliance with the code of ethics and insider trading policy.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Corporate Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Corporate Governance Committee, a stockholder must submit the recommendation in writing and must include the following information: the name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company; and, the person's consent to be named as a director if selected by the Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to the Company's Chief Financial Officer at 220 South Orange Avenue, NJ 07039 and must be received not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating and Corporate Governance Committee believes that the minimum qualifications for service as a director of the Company are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating and Corporate Governance Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating and Corporate Governance Committee may also receive suggestions from current Board members, the Company's executive officers or other sources, which may be either unsolicited or in response to requests from the committee for such candidates. The Nominating and Corporate Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating and Corporate Governance Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating and Corporate Governance Committee may consider all such information in light of information regarding any other candidates that the committee might be evaluating for membership on the Board. In certain instances, Nominating and Corporate Governance Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating and Corporate Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Additionally, the Nominating and Corporate Governance Committee will assist the Board on corporate governance. Specifically, the Nominating and Corporate Governance Committee will evaluate the size and composition of the Board and its members, reviewing governance issues and making recommendations to the Board regarding possible changes and reviewing and monitoring compliance with the code of ethics and insider trading policy.

The Nominating and Corporate Governance Committee adopted a revised written charter in July 2005, which is available to security holders on Milestone's website at www.milestonescientific.com.

Director Independence

The Board has determined that Leonard M. Schiller, Leslie Bernhard and Edward J. Zelnick, M.D. (the Independent Directors), are independent as that term is defined in the listing standards of the NYSE MKT. As disclosed above, Leslie Bernhard, Leonard Schiller and Edward Zelnick, M.D., are the members of all three committees of the Board and are independent for such purposes.

In determining director independence, the Board also considered any and all equity awards, if any, to the Independent Directors for the year ended December 31, 2015, disclosed in Director Compensation below, and determined that such awards were compensation for services rendered to the Board and therefore did not impact their ability to continue to serve as Independent Directors.

Stockholder Communication with the Board

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent c/o Corporate Secretary at 220 South Orange Avenue, Livingston, NJ 07039. All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company's Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

In general, options awarded under the 2004 Stock Option Plan became exercisable over a three-year period from the grant date and expire five years after the date of grant. For the year ended December 31, 2015, 216,666 shares were exercised.
- (2) The 2011 Stock Option Plan provides for awards of options to purchase up to a maximum 2,000,000 shares of Milestone's common stock and expires in June 2021. Options may be granted to employees, directors and consultants of Milestone for the purchase of common stock of Milestone at a price not less than the fair market value of the common stock on the date of grant. In general, options become exercisable over a three-year period from the grant date and expire five years after the date of grant. No options were exercised in 2015.

Stock Plan

In December 2007, the Board authorized Milestone to issue up to \$1 million of its common stock to vendors or employees, and to grant them piggy back registration rights in the usual form, at a value of not less than 90% of the market value on the date of the agreement for the vendor or employee to accept said shares. Such future shares are not included in the above noted shares reserved for future issuance. At December 31, 2015 and 2014 there were \$11,316, respectively, available to be issued under this plan.

PROPOSAL NO. 2

APPROVAL OF AMENDMENTS TO THE 2011 STOCK OPTION PLAN TO CHANGE THE NAME OF THE PLAN, TO PROVIDE FOR AWARDS OF SHARES OF THE COMPANY'S COMMON STOCK AND TO INCREASE THE MAXIMUM NUMBER OF SHARES WHICH MAY BE ISSUED THEREUNDER

FROM 2,000,000 TO 4,000,000

(ITEM 2 ON THE PROXY CARD)

In March 2016 the Board adopted, subject to stockholder approval, amendments (the Amendments) to the 2011 Stock Option Plan (the 2011 Plan): (i) changing the name of the 2011 Plan to the Milestone Scientific Inc. 2011 Equity Compensation Plan ; (ii) providing for awards of shares of the Company s common stock; and (iii) increasing the maximum number of shares which may be issued thereunder from 2,000,000 to 4,000,000. The Board determined that the Amendments are in the Company s best interests and recommends approval by the stockholders. A copy of the Amendment to the 2011 Plan is attached as Appendix A to this Proxy Statement.

Background and Reason for the Proposal

In order to continue our program of equity-based incentive compensation to attract and retain the personnel necessary for our success and to provide more flexibility to the Compensation Committee, our Board has approved the Amendments. The Board's reasons for the Amendments are as follows:

The Board believes that the ability to grant shares of Milestone common stock as well as options will enhance our ability to provide incentives to employees, directors and consultants whose performance contribute to our long-term success and growth; and will increase the identity of interests of such people with those of our stockholders which will help build loyalty to us through recognition and the opportunity for stock ownership.

As of the Record Date, only 139,990 shares of Milestone common stock were available for future grants under the 2011 Plan. Accordingly, the Board believes that an increase in the maximum number of shares to 4,000,000 is necessary to provide us with enough shares to continue our program of equity-based incentive compensation.

Changing the name of the 2011 Plan to the Milestone Scientific Inc. 2011 Equity Compensation Plan better reflects the nature of the equity awards which may be granted under the 2011 Plan.

The purpose of the 2011 Plan is to provide incentives to our employees, directors and consultants whose performance will contribute to our long-term success and growth, to strengthen Milestone's ability to attract and retain employees, directors and consultants of high competence, to increase the identity of interests of such people with those of our stockholders and to help build loyalty to Milestone through recognition and the opportunity for stock ownership. The 2011 Plan is administered by the Compensation Committee.

As of the Record Date, the approximate number of employees who are eligible to participate in the 2011 Plan is 15 including four executive officers. The approximate number of non-employee Board members who are eligible to participate in the 2011 Plan is three and we do not currently have any consultants that we are considering for participation in the 2011 Plan.

As of the Record Date, under the 2011 Plan we had outstanding options covering a total of 1,860,010 shares of Milestone common stock. Of these options, options for 576,095 shares are held by Leonard Osser, our Chief Executive Officer, options for 562,971 shares are held by Joseph D. Agostino, our Chief Financial Officer and options for 132,780 shares are held by Gian Domenico Trombetta, President and Chief Executive Officer of our Dental Division (Wand Dental Inc.). The balance of the outstanding options, options for 588,164 shares, are held by various officers and other employees and directors and have a weighted average exercise price of \$1.72.

Terms of Options

The 2011 Plan permits the granting of both incentive stock options and nonqualified stock options. Generally, the option price of both incentive stock options and non-qualified stock options must be at least equal to 100% of the fair market value of the shares on the date of grant. The maximum term of each option is ten years. For any participant who owns shares possessing more than 10% of the voting rights of Milestone's outstanding shares of common stock, the exercise price of any incentive stock option must be at least equal to 110% of the fair market value of the shares subject to such option on the date of grant and the term of the option may not be longer than five years. Options become exercisable at such time or times as the Compensation Committee may determine at the time it grants options.

Federal Income Tax Consequences

We believe that under current law the following U.S. Federal income tax consequences generally would arise with respect to option and stock awards under the 2011 Plan.

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to the Company or the grantee. The exercise of a non-qualified stock option will require an employee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, an employee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares. Milestone will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the employee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to Milestone or its employee. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a disqualifying disposition), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

Common Stock. Generally, unless the participant elects, pursuant to Section 83(b) of the U.S. Internal Revenue Code of 1986, as amended, to recognize income in the taxable year which the Milestone common stock had been awarded, the participant is required to recognize income for federal income tax purposes in the first taxable year during which the participant's rights over the Milestone common stock are transferable or are not subject to a substantial risk of forfeiture, whichever occurs earlier. At such time, we will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes.

Plan Benefits Under the 2011 Plan

Future awards under the 2011 Plan will be granted in the discretion of the Compensation Committee. The type, number, recipients, and other terms of such future awards cannot be determined at this time. Information regarding our recent practices with respect to annual incentive awards and stock-based compensation under existing plans is presented in the Executive Compensation and Outstanding Equity Awards at December 31, 2015 elsewhere in this Proxy Statement and in our financial statements for the fiscal year ended December 31, 2015 included in the Annual Report on Form 10K for the year ended December 31, 2015 which accompanies this Proxy Statement.

Recommendation of the Board of Directors

The Board recommends that the stockholders vote FOR the approval of the amendments to the 2011 Plan.

Employment Contracts

As of September 1, 2009, Milestone entered into a five-year employment agreement with Leonard Osser as its Chief Executive Officer. The term of the 2009 agreement is automatically extended for successive one-year periods unless prior to August 1 of any year, either party notifies the other that he or it chooses not to extend the term. Under the

2009 agreement, the CEO receives base compensation of \$300,000 per year. In addition, the CEO, may earn annual bonuses up to an aggregate of \$400,000, payable one half in cash and one half in common stock, contingent upon achieving targets set for each year by the Compensation Committee. In addition, if in any year of the term of the agreement the CEO earns a bonus, he shall also be granted five-year stock options to purchase twice the number of bonus shares earned. Each such option is to be exercisable at a price per share equal to the fair market value of a share on the date of grant (110%) of the fair market value if the CEO is a 10% or greater stockholder on the date of grant). The options shall vest and become exercisable to the extent of one-third of the shares covered at the end of each of the first three years following the date of grant, but shall only be exercisable while the CEO is employed by Milestone or within 30 days after the termination of his employment.

In accordance with the employment contract, 776,862 shares of Milestone common stock are to be paid out at the end of the contract in settlement of \$830,985 at December 31, 2015 and 706,716 shares of Milestone common stock are to be paid out at the end of the contract in settlement of \$630,985 at December 31, 2014 of accrued deferred compensation and, accordingly, such shares have been classified in stockholders' equity with the common stock classified as to be issued.

This 2009 agreement suspended the previous 2008 employment with 40-months remaining in its term. In March 2014, the 2009 agreement was amended to extend its remaining term to 120-months.

Objective of Executive Compensation Program

The primary objective of the executive compensation program is to attract and retain qualified, energetic managers who are enthusiastic about the mission and culture of the Company. A further objective of the compensation program is to provide incentives and reward each manager for their contribution. In addition, Milestone strives to promote an ownership mentality among key leadership and the Board.

The Compensation Committee reviews and approves, or in some cases recommends for the approval of the full, the annual compensation procedures for the Named Executive Officers.

The compensation program is designed to reward teamwork, as well as each manager's individual contribution. In measuring the Named Executive Officers' contribution, the Compensation Committee considers numerous factors including the growth, strategic business relationships and financial performance. Regarding most compensation matters, including executive and director compensation, the management provides recommendations to the Compensation Committee; however, the Compensation Committee does not delegate any of its functions to others in setting compensation. Milestone does not currently engage any consultant to advise on executive and/or director compensation matters.

Stock price performance has not been a factor in determining annual compensation because the price of Milestone common stock is subject to a variety of factors outside of Milestone's control. Milestone does not have an exact formula for allocating between cash and non-cash compensation.

Annual chief executive officer compensation consists of a base salary component and periodic stock option grants. It is the Compensation Committee's intention to set totals for the chief executive officer for cash compensation sufficiently high enough to attract and retain a strong motivated leadership team, but not so high that it creates a negative perception with the other stakeholders. The chief executive officer receives stock option grants under the stock option plan. The number of stock options granted to the executive officer is made on a discretionary rather than a formula basis by the Compensation Committee. The chief executive officer's current and prior compensation is considered in setting future compensation. In addition, Milestone reviews the compensation practices of 28 other companies. To some extent, the compensation plan is based on the market and the companies that compete for executive management. The elements of the plan (e.g., base salary, bonus and stock options) are similar to the elements used by many companies. The exact base pay, stock option grant, and bonus amounts are chosen in an attempt to balance the competing objectives of fairness to all stakeholders and attracting and retaining executive managers.

PROPOSAL 4

ADVISORY APPROVAL OF THE APPOINTMENT OF INDEPENDENT AUDITORS

(ITEM 4 ON THE PROXY CARD)

Baker Tilly Virchow Krause, LLP has been our independent auditor since September 2007. Their audit report appears in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015. A representative of Baker Tilly Virchow Krause, LLP will be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Selection of the independent accountants is not required to be submitted to a vote of our stockholders for ratification. In addition, the Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. The Audit Committee expects to appoint Baker Tilly Virchow Krause, LLP to serve as independent auditors to conduct an audit of Milestone's accounts for the 2016 fiscal year. However, the Board is submitting this matter to Milestone's stockholders as a matter of good corporate practice. If the stockholders fail to vote on an advisory basis in favor of the selection, the Audit Committee will take that into consideration when deciding whether to retain Baker Tilly Virchow Krause, LLP, and may retain that firm or another without re-submitting the matter to the stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Milestone and the stockholders.

Recommendation of the Board

The Board recommends that the stockholders vote FOR advisory approval of the appointment of the independent auditor.

Audit Committee Administration of the Engagement

The engagement with Baker Tilly Virchow Krause, LLP, the principal accountants, was approved in advance by the Board of Directors and the Audit Committee. No non-audit or non-audit related services were approved by the Audit Committee in 2015.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee charter provides that the Audit Committee will pre-approve audit services and non-audit services to be provided by the independent auditors before the accountant is engaged to render these services. The Audit Committee may consult with management in the decision-making process, but may not delegate this authority to management. The Audit Committee may delegate its authority to preapprove services to one or more committee members, provided that the designees present the pre-approvals to the full committee at the next committee meeting. All audit and non-audit services performed by the independent accountants have been pre-approved by the Audit Committee to assure that such services do not impair the auditors' independence from us.

OTHER BUSINESS

As of the date of this Proxy Statement, we know of no other business that will be presented for consideration at the Annual Meeting other than the items referred to above. If any other matter is properly brought before the Annual Meeting for action by stockholders, the persons designated as proxies will vote all shares in accordance with the recommendation of the Board or, in the absence of such a recommendation, in accordance with their best judgment.

ADDITIONAL INFORMATION

Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. If you would like to receive a separate copy of this year's Proxy Statement or Annual Report, please address your request for delivery of the Proxy Statement and/or Annual Report to Joseph D. Agostino, Chief Financial Officer, Milestone Scientific Inc., 220 South Orange Avenue in Livingston, New Jersey 07039.

Requirements, Including Deadlines, for Submission of Proxy Proposals, Nomination of Directors and Other Business of Stockholders

Stockholders interested in presenting a proposal for consideration at the annual meeting of stockholders in 2017 must follow the procedures found in Rule 14a-8 under the Exchange Act. To be eligible for inclusion in the Company's 2017 proxy materials, all qualified proposals must be received by our Corporate Secretary no later than December 16, 2016. A stockholder who wishes to make a proposal at the next annual meeting of stockholders without including the proposal in our proxy statement must notify us not less than thirty (30) days and not more than sixty (60) days prior to the scheduled annual meeting, regardless of any postponements, deferrals or adjournments of that meeting to a later date; provided, however, that if less than forty (40) days' notice or prior public disclosure of the date of the scheduled annual meeting is given or made, notice by the stockholder, to be timely, must be so delivered or received not later than the close of business on the tenth (10th) day following the earlier of the day on which such notice of the date of the scheduled annual meeting was mailed or the day on which such public disclosure was made. If a stockholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by us for the next annual meeting of stockholders will have discretionary authority to vote on the proposal. Stockholder proposals should be addressed to the Corporate Secretary, Milestone Scientific Inc., 220 South Orange Avenue in Livingston, New Jersey 07039.

EVERY STOCKHOLDER, WHETHER OR NOT HE OR SHE EXPECTS TO ATTEND THE ANNUAL MEETING IN PERSON, IS URGED TO EXECUTE THE PROXY AND RETURN IT PROMPTLY IN THE ENCLOSED BUSINESS REPLY ENVELOPE.
