## **Item 1.01 Entry into a Material Definitive Agreement**

### ***Revolving Corporate Credit Facility***

On August 16, 2017, Marriott Vacations Worldwide Corporation (the *Company*) and certain of its subsidiaries entered into several agreements relating to a new revolving credit facility (the *Revolving Corporate Credit Facility*), including (1) a Credit Agreement, dated as of August 16, 2017 (the *Credit Agreement*), among the Company, its subsidiary Marriott Ownership Resorts, Inc. (the *Borrower* or *MORI*), the several banks and other financial institutions or entities from time to time parties to the Credit Agreement (the *Lenders*) and JPMorgan Chase Bank, N.A., as administrative agent (*JPMorgan*), and (2) a Guarantee and Collateral Agreement, dated as of August 16, 2017 (the *Guarantee and Collateral Agreement*), made by the Company, the Borrower and certain other subsidiaries of the Company in favor of JPMorgan as administrative agent for the Lenders.

The borrowing capacity of the Credit Agreement is \$250 million, including a letter of credit sub-facility of \$30 million. The Credit Agreement will provide support for the Company's business, including ongoing liquidity and letters of credit. Borrowings under the Credit Agreement will generally bear interest at a floating rate plus an applicable margin that varies from 0.50 percent to 2.75 percent depending on the type of loan with corresponding base rate selected by the Company and the Company's credit rating. In addition, the Borrower will pay a commitment fee on the unused availability under the Credit Agreement at a rate that varies from 20 basis points per annum to 40 basis points per annum, also depending on the Company's credit rating.

The Credit Agreement contains affirmative and negative covenants and representations and warranties customary for financings of this type. In addition, the Credit Agreement contains financial covenants, including covenants requiring the Company to maintain (1) a maximum ratio of consolidated secured net debt to consolidated adjusted EBITDA (as defined in the Credit Agreement) of 2.00 to 1.00, and (2) a minimum ratio of consolidated adjusted EBITDA to consolidated interest expense of 3.00 to 1.00.

Pursuant to the Guarantee and Collateral Agreement, the obligations of the Borrower under the Credit Agreement are guaranteed by the Company and by each of its direct and indirect, existing and future, domestic subsidiaries (excluding certain special purpose subsidiaries), and are secured by a perfected first priority security interest in substantially all of the assets of the Company and the guarantors, subject to certain exceptions.

### ***Amendment of Warehouse Credit Facility***

On August 17, 2017, the Company and certain of its subsidiaries entered into Omnibus Amendment No. 6 (the *Warehouse Amendment*) to the Third Amended and Restated Standard Definitions that are attached or incorporated by reference into certain of the agreements associated with the \$250 million warehouse credit facility that the Company and certain of its subsidiaries amended and restated in September 2014 (the *Warehouse Credit Facility*), including, among others: (1) the Third Amended and Restated Indenture and Servicing Agreement, dated as of September 1, 2014, by and among Marriott Vacations Worldwide Owner Trust 2011-1 (the *Trust*), MORI, and Wells Fargo Bank, National Association (*Wells Fargo*); and (2) the Second Amended and Restated Sale Agreement, dated as of September 1, 2014, by and between the Company's subsidiary MORI SPC Series Corp. and the Trust.

The Warehouse Credit Facility allows for the securitization of vacation ownership notes receivable on a non-recourse basis. From time to time, MORI SPC Series Corp. will sell to the Trust vacation ownership notes receivable that it purchases from MORI. Pursuant to the Indenture, the Trust will pledge such vacation ownership notes receivable to a trustee to secure notes issued by the Trust. The advance rate for vacation ownership notes receivable securitized using the Warehouse Credit Facility varies based on the characteristics of the securitized vacation ownership notes receivable. Prior to the execution of the Warehouse Amendment, the Company was required pursuant to the Warehouse Credit Facility to comply with the financial covenants included in the Prior Credit Agreement (as defined

below); the Warehouse Amendment provides that the Company will be required to comply with certain financial covenants in the Credit Agreement.
