We have provided this proxy statement and the accompanying proxy card and notice of annual meeting in connection with the solicitation of proxies by the board of trustees of Prentiss Properties Trust, a Maryland real estate investment trust, for use at our 2003 annual meeting of shareholders to be held at the Embassy Suites Hotel, 3880 West Northwest Highway, Dallas, Texas 75220, on Thursday, May 15, 2003 at 12:00 noon, local time and any adjournments or postponements thereof. The mailing address of our principal executive office is

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

3890 West Northwest Highway, Suite 400, Dallas, Texas 75220. We are mailing this proxy statement and the proxy card and notice of annual meeting, all enclosed herewith, on or about April 4, 2003, to our shareholders of record. The date of this proxy statement is April 4, 2003.

PURPOSES OF THE ANNUAL MEETING

At the 2003 Annual Meeting, the holders of record of our common shares of beneficial interest, par value \$0.01 per share, on March 14, 2003 will vote upon the following matters:

- (1) The proposal to elect two Class I trustees to serve until our 2006 Annual Meeting of our shareholders and until the respective successor of each is duly elected and qualified ("Proposal One");
- (2) The proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent accountants for 2003 ("Proposal Two"); and
- (3) The transaction of such other matters that may properly be brought before the 2003 Annual Meeting and at any adjournments or postponements thereof.

The board of trustees recommends that you vote "FOR" each of Proposal One and Proposal Two.

RECORD DATE AND VOTING

Record Date and Shareholders List

The board of trustees has established the close of business on March 14, 2003 as the record date. Only our shareholders of record at the close of business on the record date will be entitled to receive notice of, and to vote at, the annual meeting and any adjournments or postponements thereof. At the close of business on the record date, we had 39,093,987 common shares outstanding.

The Proxy

We are making the solicitation of proxies primarily by mail and Internet. We will bear the cost of preparing and mailing this proxy statement and the accompanying material, and the cost of any supplementary solicitations, which may be made by mail, telephone, telegraph, facsimile, electronically or personally by our officers and employees. We do not expect that specially engaged employees or paid solicitors will make the solicitation. Although we might use such employees or solicitors if we deem them necessary, we have not made arrangements or contracts with any such employees or solicitors as of the date of this proxy statement.

The board of trustees has selected Gregory S. Imhoff and J. Kevan Dilbeck as proxies, and they are named as such on the proxy card. The proxy will be voted as specified by the shareholder in the spaces provided on the proxy card, or if no specification is made, it will be voted in favor of the proposals. A shareholder giving a proxy has the power to revoke it either by delivering written notice of such revocation to our corporate secretary before the annual meeting or by attending the annual meeting and voting in person. Beneficial owners of our common shares held in the name of a broker or other intermediary may vote and revoke a previous vote only through, and in accordance with, procedures established by the record holder(s) or their agent(s).

In voting by proxy in regard to Proposal One, shareholders may vote in

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

favor of all of the nominees, withhold their votes as to all of the nominees, or withhold their votes as to any specified nominee. Shareholders may not abstain with respect to the election of trustees. With regard to Proposal Two, shareholders may vote in favor of the proposal, vote against the proposal, or abstain from voting with respect to the proposal.

How You Can Vote

You may attend the annual meeting and vote your shares in person. You also may choose to submit your proxies by any of the following methods:

Authorizing a Proxy by Mail. If you choose to vote by mail, simply complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided.

Authorizing a Proxy by Telephone. You may authorize a proxy to vote your shares by telephone by calling the toll-free telephone number provided on the proxy card. Telephone proxy authorization is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a Control Number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you authorize a proxy to vote by telephone, you should not return your proxy card.

Authorizing a Proxy by Internet. You may also authorize a proxy to vote through the Internet by signing on to the web site identified on the proxy card and following the procedures described in the web site. Internet proxy authorization is available 24 hours a day, and the procedures are designed to authenticate proxies authorized by using a Control Number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you authorize a proxy to vote through the Internet, you should not return your proxy card.

2

Quorum, Required Vote and Voting Rights

Quorum. Unless a quorum is present at the annual meeting, no action may be taken at the meeting except the adjournment thereof until a later time. The presence at the annual meeting, in person or by proxy, of shareholders holding a majority of the outstanding common shares on the record date, March 14, 2003, will constitute a quorum for the transaction of business. Shares that are represented at the annual meeting but abstain from voting on any or all matters and shares that are "broker non-votes" (when brokers or nominees return a properly executed proxy but do not vote on a particular matter because they have no discretionary power to vote and have received no instructions from the beneficial owners thereof or persons entitled to vote thereon) will be counted as shares present and entitled to vote in determining whether a quorum is present at the annual meeting. The election inspectors appointed for the annual meeting will determine the number of common shares present at the meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. With respect to Proposal One, if a quorum is present, a vote of a plurality of all the votes cast by shareholders on the matter, in person or by proxy, will elect each nominee for trustee. Votes marked "For" Proposal One will be counted in favor of all nominees, except to the extent the proxy withholds authority to vote for a specified nominee. Votes "withheld" from a trustee-nominee also have no effect on the vote since a plurality of the shares cast at the annual meeting is required for the election of each trustee.

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

Shareholders may not abstain from voting with respect to the election of trustees. Because the election of trustees is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal One.

Approval of Proposal Two requires the majority of all the votes cast on the matter at the annual meeting by shareholders at which a quorum is present in person or by proxy. Abstentions from voting on Proposal Two will not be counted as votes cast and therefore will have no effect on the outcome of the proposal. Broker non-votes will not be treated as a vote cast with respect to Proposal Two and therefore will have no effect on the outcome of the proposal.

Voting Rights. With respect to each proposal, each shareholder will be entitled to one vote per common share held by the shareholders as of the record date.

3

PROPOSAL ONE ELECTION OF TRUSTEES

Nominees for Election to the Board of Trustees

Our declaration of trust divides the board of trustees into three classes as nearly equal in number as possible, with each class serving a term of three years. If a quorum is present, a vote of a plurality of all the shares cast by shareholders, in person or by proxy, will elect each nominee for trustee. The board of trustees has set the number of trustees constituting the current board of trustees at seven, two of whom will be re-elected at the annual meeting.

The Nominating & Corporate Governance Committee of our board of trustees has nominated the two present Class I trustees, Thomas F. August and Lawrence A. Wilson, to serve as Class I trustees until our annual meeting in 2006 and until the respective successor of each is duly elected and qualified. The remaining members of the board of trustees will continue as members thereof until their respective terms expire, as indicated below, or until their respective successors are duly elected and qualified.

If any nominee becomes unavailable or unwilling to serve us as a trustee for any reason, the persons named as proxies in the proxy card are expected to consult with our management in voting the shares represented by them. The board of trustees has no reason to doubt the availability of the nominees, and each has indicated his willingness to serve us as a trustee if reelected by the shareholders at the annual meeting.

Committees and Meetings of the Board of Trustees

Trustee Meetings. Our business is under the general management of our board of trustees as required by our declaration of trust, bylaws and the laws of Maryland. Nominations of persons for election to the board of trustees may be made at an annual meeting of shareholders (i) pursuant to our notice of meeting, (ii) by or at the direction of the trustees or (iii) by any of our shareholders who was a shareholder of record at the time of giving of notice provided for in our bylaws, who is entitled to vote at the meeting and who complied with the notice procedures set forth in our bylaws. Only such persons who are nominated in accordance with the procedures set forth in our bylaws shall be eligible to serve as trustees. Our declaration of trust requires that a majority of our trustees must not also be officers, employees or affiliates of any of our subsidiaries or any partnership which is one of our affiliates. There are presently seven trustees on our board of trustees, including five independent trustees. The board of trustees held eight meetings during 2002, and each of the trustees attended at least 75% of the aggregate of the board of trustees' and applicable committee meetings.

The board of trustees presently has an Audit Committee, a Compensation Committee and a Nominating & Corporate Governance Committee. The Board may, from time to time, form other committees as circumstances warrant. Such committees will have authority and responsibility as delegated by the board of trustees.

Audit Committee. The board of trustees has established an Audit Committee which currently consists of three independent trustees, Messrs. Steinhart, Riggs and Parker, each of whom are independent as defined in Section 303.01 of the listing standards of the New York Stock Exchange. The Audit Committee's charter was adopted by the full board of trustees, and a copy of the charter was attached as Annex A to our 2001 proxy statement. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls. The Audit Committee held four

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

meetings during 2002.

Compensation Committee. The board of trustees has established a Compensation Committee which currently consists of two independent trustees, Messrs. Wilson and Hynes. The Compensation Committee determines compensation for our executive officers, establishes salaries of and awards of performance-based bonuses to our executive officers, and determines awards of restricted shares and grants of share options under our share incentive plans. The Compensation Committee held one meeting during 2002.

Nominating & Corporate Governance Committee. The board of trustees established a Nominating & Corporate Governance Committee and adopted its charter on October 23, 2002. The committee is comprised of five trustees each of which are independent as defined under the rules of the New York Stock Exchange. The Nominating & Corporate Governance Committee is responsible for the development, recommendation and evaluation of the board's Corporate Governance Guidelines. In addition, the committee assists the board by identifying individuals qualified to become board members and recommends board member nominees to be elected at each annual meeting of shareholders. The committee also recommends board committee member nominees and is responsible for leading the board in its annual review of board performance. The Nominating & Corporate Governance Committee held one meeting in 2002. The committee will consider shareholder recommendations for board membership. Any shareholder wishing to recommend a nominee should submit a recommendation in writing, indicating the nominee's qualifications and other relevant biographical information and providing confirmation of the nominee's consent to serve as a trustee, to Gregory S. Imhoff, our Corporate Secretary at 3890 West Northwest Highway, Suite 400, Dallas, Texas 75220.

5

Meetings of Non-Management Trustees

On October 23, 2002, the board of trustees adopted Corporate Governance Guidelines, as recommended by the Nominating & Corporate Governance Committee. The Corporate Governance Guidelines, in part, provide that the non-management trustees of the company shall meet in executive sessions every quarter apart from the full board. Ronald G. Steinhart has been selected to be the presiding trustee at the meetings of the non-management trustees. Shareholders and other parties interested in communicating directly with the presiding trustee of such non-management trustee sessions or with the non-management trustees as a group may do so by writing to attention: Ronald G. Steinhart, Presiding Trustee, at 3890 West Northwest Highway, Suite 400, Dallas, Texas 75220.

Prior to joining us, Mr. Ernst served as a Senior Vice President in Bank of America's Real Estate Finance Group where he managed a team of lenders covering national accounts including many public real estate companies. Mr. Ernst holds an MBA with a focus on Real Estate and Finance, and a B.A. in American Government, both from the University of Virginia. Terms of Office

Our board of trustees elects our officers annually at a meeting held after each annual meeting of shareholders, or as soon thereafter as necessary and convenient in order to fill vacancies or newly created offices. Each officer holds office until his successor is duly elected and qualified or until death, resignation or removal, if earlier. The board of trustees may remove any officer or agent elected or appointed by the board of trustees whenever in its judgment our best interests will be served thereby, but such removal shall be without prejudice to the contractual rights, if any, of the person so removed.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires executive officers, trustees and persons who beneficially own more than 10% of our common shares to file initial reports of ownership and reports of changes in ownership with the SEC. Officers, trustees and greater than 10% beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies furnished to us and representations from our executive officers and trustees, we believe that all Section 16(a) filing requirements for the year ended December 31, 2002 applicable to our executive officers, trustees and greater than 10% beneficial owners were satisfied. Based on written representations from the executive officers and trustees, we believe that no Forms 5 for trustees, officers and greater than 10% beneficial owners were required to be filed with the SEC for the period ended December 31, 2002.

EXECUTIVE COMPENSATION

Compensation Committee Interlocks and Insider Participation

During 2002, the Compensation Committee of our board of trustees consisted of Messrs. Hynes, Riggs and Wilson, all of whom are independent trustees. On October 23, 2002, Mr. Riggs resigned from the Compensation Committee in anticipation of his increased duties, due to the Sarbanes-Oxley Act of 2002, as a member of our Audit Committee and as Chairman of our Nominating & Corporate Governance Committee. Thus, as of December 31, 2002, our Compensation Committee consisted of two independent trustees, Messrs. Hynes and Wilson. Our board of trustees adopted a Compensation Committee Charter on October 23, 2002. The Compensation Committee Charter provides that officers of the company may not attend the meetings of the Compensation Committee unless invited by the Chairman of the Compensation Committee (this codified the Committee's policy that was already in effect for 2002). Consequently, no officers of the Company, including Messrs. Prentiss and August, participated in deliberations of the Compensation Committee during 2002.

- (2) In accordance with the rules of the SEC, the amounts shown on this table represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the assumed rates of stock appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date and do not reflect our estimates or projections of future prices of our common shares. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of our common shares, the option holder's continued employment through the option period, and the date on which the options are exercised.

Savings Plan

Along with our operating partnership Prentiss Properties Acquisition Partners, L.P., and designated subsidiaries, including Prentiss Properties Limited, Inc., we have adopted the Employee Savings Plan & Trust of our predecessor company, which originally adopted the Employee Savings Plan & Trust in 1987. Prior service with the predecessor company is credited in full as service with us or Prentiss Properties Acquisition Partners, L.P. and designated subsidiaries for all purposes under the Employee Savings Plan & Trust, including eligibility and vesting.

The Employee Savings Plan & Trust is a defined contribution plan that is qualified under Section 401(k) of the Internal Revenue Code of 1986. Contributions made by employees or by us to the plan, and income earned on these contributions, are not taxable to employees until withdrawn from the plan. Our employees may enroll in the Employee Savings Plan & Trust on March 1, June 1, September 1, and December 1 after completing one year of employment with us and attaining age 21. Plan participants are immediately vested in their pre-tax contributions, matching and our discretionary contributions, and earnings thereon.

The Employee Savings Plan & Trust permits each plan participant to elect to defer up to 15% of base compensation, subject to the annual statutory limitation (\$11,000 for 2002, \$10,500 for 2001, \$10,500 for 2000, \$10,000 for 1999 and 1998 and \$9,500 for 1997 and 1996) prescribed by Section 402(g) of the Internal Revenue Code, on a pre-tax basis. Along with Prentiss Properties Acquisition Partners, L.P., and designated subsidiaries, we will make matching contributions for our respective plan participants equal to 25% of amounts deferred up to 6% of the participant's compensation.

For the years 2000 and 2001, we made an additional matching contribution in a total amount of \$600,000 for both years combined to the Employee Savings Plan & Trust. This matching contribution will be in addition to the match participating employees currently receive. The first portion of the additional match was \$300,000 and was available to all employees who made contributions to their account during the calendar year 2000 and were employees as of December 31, 2000. The second additional match was \$300,000 and was available to all employees who made contributions to their accounts during 2001 and

15

were employees as of December 31, 2001. The second match was made in January 2002. We did not make a matching contribution for 2002.

Share Purchase Plan

Under our Share Purchase Plan, and with respect only to year 2001, our employees were able to purchase our common shares directly from us at a 25% discount to the then-current market value at the date of purchase for the first \$10,000 of an individual employee's payroll deduction. Employees may make subsequent purchases, including purchases in all subsequent years, of our common shares at a 15% discount. An employee's purchases, on an annual basis, under the Share Purchase Plan will be limited to the lesser of 20% of the employee's base salary or \$25,000. The maximum number of our common shares that may be purchased under the Share Purchase Plan is 500,000. Employees who participate in the plan

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

will recognize income, and we will be allowed a business expense deduction, equal to the discount at the time of a purchase. As of March 14, 2003, a total of 256,686 of our common shares have been issued under the Share Purchase Plan with approximately 150 individuals participating in 2002.

Key Employee Share Option Plan

We have adopted a Key Employee Share Option Plan. Pursuant to the Key Employee Share Option Plan, our officers and other selected employees who earn bonuses may have the option of deferring the payment of such bonuses. When an election to defer is made and accepted by the Compensation Committee, the participant may elect to have such deferred compensation deemed to be invested in various mutual funds. The Company then will issue an option to purchase the shares of such funds at a discounted price. If the Company then purchases the mutual fund shares to later satisfy the option exercise, the mutual fund shares will be deposited in a trust that is subject to the claims of the Company's creditors upon the Company's bankruptcy or insolvency. In addition, if we so provide, we may also grant participants options to purchase our common shares at a 15% discount to the then-current market value at the date of the purchase, which is the same discount available to all employees under the Share Purchase Plan, or other investments offered through the Key Employee Share Option Plan. For 2001 bonuses payable in March 2002, and for 2002 bonuses payable in March 2003, we suspended the 15% discount. If a participant elects to purchase our common shares with the deferred bonus compensation, we will purchase our common shares on the open market and place them in the trust discussed above for the benefit of such participant. An option may be exercised, and the trust may deliver our common shares or other property held for the benefit of a participant beginning six months from the date they were placed in the trust. Options generally remain exercisable until one month from the date of voluntary employment termination by the employee, the date of termination by us for cause, one year from the date of termination from employment for any other reason, and the fifteenth anniversary of the date of grant of the option. The purpose of the Key Employee Share Option Plan is to provide a vehicle for the payment of compensation otherwise payable to the participants, in a form that will provide incentives and rewards for meritorious performance and encourage the participants' continuance as employees. The Compensation Committee administers the Key Employee Share Option Plan.

1996 Share Incentive Plan

Prior to our initial public offering, the board of trustees adopted, and our then sole shareholder approved, the 1996 Share Incentive Plan for the purpose of attracting and retaining executive officers, trustees and employees. The Compensation Committee of the board of trustees administers the 1996 Share Incentive Plan. The Compensation Committee may not delegate its authority with respect to grants and awards to individuals subject to Section 16 of the Exchange Act.

Our officers and employees generally will be eligible to participate in the 1996 Share Incentive Plan. The Compensation Committee selects the individuals who will participate in the 1996 Share Incentive Plan. The Compensation Committee may not grant to a participant in the 1996 Share Incentive Plan, in any calendar year, options to purchase more than 390,000 of our common shares or SARs that cover more than 390,000 common shares. Options granted with tandem SARs shall be treated as a single

award for purposes of applying the limitation in the preceding sentence. No participant in the 1996 Share Incentive Plan may be issued, in any calendar

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

year, more than 50,000 common shares pursuant to an award of Restricted Shares (defined below) or Performance Shares (defined below).

The 1996 Share Incentive Plan currently authorizes the issuance of up to 5,000,000 common shares. The 1996 Share Incentive Plan provides for the grant of (i) share options not intended to qualify as incentive share options under Section 422 of the Internal Revenue Code, (ii) Performance Shares, (iii) SARs, issued alone or in tandem with options, (iv) Restricted Shares, which are contingent upon the attainment of performance goals or subject to vesting requirements or other restrictions and (v) incentive awards. The Compensation Committee prescribes the conditions that must occur for Restricted Shares to vest or for Performance Shares to vest and incentive awards to be earned.

Our incentive compensation awards are designed to reward and motivate key employees for achieving financial and operational objectives and increasing long term value of our common shares. We pay incentive compensation annually through a combination of stock option and restricted stock awards based upon the achievement of target objectives for certain performance measures for the most recently completed fiscal year. The Compensation Committee uses equal weightings of total shareholder return and our performance relative to our peer group of REITs as our primary performance measures for determining incentive compensation awards. To a lesser degree, growth in funds from operations per share, and for certain participants, the performance of the employee's department or division will influence such determinations. Incentive compensation amounts actually paid are determined based on whether the "threshold," "target" or "maximum" pre-determined levels for each performance measure are met. If target performance is achieved, each participant's total compensation will be between the median and 75th percentile of the market competitive incentive remuneration practices found among our peer group of REITs. Should we exceed our target performance levels, the total compensation to each participant should approximate the 75th percentile of such competitive practices, while if less than target performance is achieved, the total compensation will be substantially below the median of such competitive practices. Annual incentives will not be awarded if the "threshold" levels of performance are not realized.

We believe that our incentive award program further aligns the interests of our executives with those of our shareholders since share-related compensation is directly tied to shareholder value. Stock options and restricted shares awarded under this aspect of the 1996 Share Incentive Plan vest 33.3% per annum beginning one year following the anniversary of the award grant.

In connection with the grant of options under the 1996 Share Incentive Plan, the Compensation Committee will determine the option exercise period and any vesting requirements. An option may be exercised for any number of whole shares less than the full number for which the option could be exercised. A plan participant will have no rights as a shareholder with respect to our common shares subject to his or her option until the option is exercised. To the extent an option has not become exercisable at the time of a plan participant's termination of employment, the plan participant will forfeit the option unless the Compensation Committee exercises its discretion to accelerate vesting for the plan participant. If a plan participant is terminated due to dishonesty or similar reasons, all unexercised options, whether vested or unvested, will be forfeited. Any common shares subject to options which are forfeited (or expire without exercise) pursuant to the vesting requirement or other terms established at the time of grant will again be available for grant under the 1996 Share Incentive Plan. The exercise price of options granted under the 1996 Share Incentive Plan may not be less than the fair market value of our common shares on the date of grant. Payment of the exercise price of an option granted under the 1996 Share Incentive Plan may be made in cash, cash equivalents acceptable to the Compensation Committee or, if permitted by the option agreement, by exchanging common shares having a fair market value equal to the option exercise price.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

As of March 14, 2003 all trustees on our board of trustees and approximately 520 of our employees were eligible to receive options under the 1996 Share Incentive Plan. As of March 14, 2003, we had granted 4,489,312 options under the 1996 Share Incentive Plan, 2,377,054 of which had been exercised, 519,246 of which had been forfeited and 1,593,012 of which remained outstanding as of such

17

date. A total of 624,884 common shares remain available for grant as of March 14, 2003. To see a table setting forth information regarding grants of options to our executive officers during the 2002 fiscal year, see "-Option Grants in Last Fiscal Year." We did not grant SARs under the 1996 Share Incentive Plan in 2002.

We may not grant options, SARs, Restricted Shares, incentive award or performance shares under the 1996 Share Incentive Plan after December 31, 2006. The board of trustees may amend or terminate the 1996 Share Incentive Plan at any time, but an amendment will not become effective without shareholder approval if the amendment materially (i) increases the number of shares that may be issued under the 1996 Share Incentive Plan (other than adjustments provided in the 1996 Share Incentive Plan); (ii) changes the eligibility requirements; or (iii) increases the benefits that may be provided under the 1996 Share Incentive Plan. No amendment will affect a participant's outstanding award without the participant's consent.

Trustees' Share Incentive Plan

Shareholders approved our Amended and Restated Trustees' Share Incentive Plan at our 2002 Annual Shareholders' Meeting. The amended and restated Trustees' Share Incentive Plan increased by 300,000 shares the aggregate number of our common shares that could be issued under the prior Trustees' Share Incentive Plan, extended the duration of the Trustees' Share Incentive Plan by 10 years, and gave the board of trustees broader authority in terms of the types, amounts and dates of share grants that they may authorize than they were given under the prior Trustees' Share Incentive Plan. In addition to providing for the issuance of options, our Amended and Restated Trustees' Share Incentive Plan gives us the discretion to issue restricted stock and other share-based awards each subject to such terms and conditions as the Compensation Committee determines.

Pursuant to our Amended and Restated Trustees' Share Incentive Plan, we may grant nonqualified options to purchase our common shares to our independent trustees. Pursuant to the Amended and Restated Trustees' Share Incentive Plan, each independent trustee receives quarterly grants of our common shares having a fair market value of approximately \$6,250 on the date of issuance. Each independent trustee automatically receives an option for 10,000 common shares on the date of the first board of trustees meeting following the annual meeting of shareholders at which the independent trustee is first elected to the board of trustees. However, an independent trustee who is first elected or appointed to the board of trustees other than at an annual meeting of shareholders will receive an option for 10,000 of our common shares on the date of such election or appointment. Independent trustees are granted options to purchase 7,500 common shares annually on July 1.

The exercise price of options granted under the Amended and Restated Trustees' Share Incentive Plan is the fair market value of our common shares on the date of grant. Options granted under the Amended and Restated Trustees' Share Incentive Plan upon election or appointment of an independent trustee

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

become exercisable for 2,500 shares on each of the first through fourth anniversaries of the date of grant, provided that the trustee is a member of the board of trustees on such anniversary date. Annual options granted to an independent trustee are fully vested and exercisable when granted. The maximum number of our common shares that we may issue under the Trustees' Share Incentive Plan is 500,000.

As of March 14, 2003, five of our trustees were eligible to receive options under the Amended and Restated Trustees' Share Incentive Plan. As of March 14, 2003, 212,500 options had been granted under the Amended and Restated Trustees' Share Incentive Plan, 140,000 of which had been exercised, none of which had been forfeited and 72,500 of which remained outstanding as of such date. A total of 261,775 of our common shares remain available for grant as of March 14, 2003. To see a table setting forth information regarding grants of options to our executive officers during the 2002 fiscal year, see "Executive Compensation - Option Grants in Last Fiscal Year." We did not grant SARs under the Trustees' Share Incentive Plan in 2002.

Effective January 1, 2002, the board of trustees approved an award of up to 10,000 shares to each independent trustee, to increase each independent trustees' compensation and to reward each trustee for

18

five years of service on our board of trustees. Each award will vest subject to our performance at the end of fiscal 2006. The exact amount of each award will depend on the total return to our shareholders over the five year award period, with the full 10,000 shares being awarded to each trustee if the total return to our shareholders over the five-year period has been greater than 14%. No shares will be awarded if the total return to our shareholders over the five-year period is less than 8%.

Trustee Compensation

Currently, each of our trustees who is also one of our executive officers or employees receives no compensation as such for service as members of either the board of trustees or committees thereof. Independent trustees receive a fee of \$1,250 plus expenses for attendance in person at each meeting of the board of trustees, \$500 for each telephonic meeting of the board of trustees and \$750 for each committee meeting attended. We pay the fee for attending committee meetings only when a committee meeting is not held on the same day as a meeting of the board of trustees. Each member of the Audit Committee receives \$3,000 annually. Independent trustees are also eligible to receive our common shares, options to purchase our common shares and other forms of equity compensation pursuant to the Amended and Restated Trustees' Share Incentive Plan as discussed above.

Deferred Compensation Plans

As of February 12, 2003, we adopted deferred compensation plans for our executive officers and independent trustees. The Executive Choice Share Deferral Plan for our executives allows our executive officers to elect to defer the receipt of shares issued upon the exercise of options pursuant to our 1996 Share Incentive Plan. In addition, the Executive Choice Share Deferral Plan allows our officers to defer receipt of restricted securities issued pursuant to our 1996 Share Incentive Plan and to defer receipt of our common shares received pursuant to our Key Employee Share Option Plan and Share Purchase Plan. The Executive Choice Deferred Compensation Plan provides a means for our executives to defer receipt of salary and bonus and property received under the Key Employee Share Option Plan, other than our common shares.

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

We also adopted two deferred compensation plans for our trustees, similar to those adopted for our executives. Under the Executive Choice Share Deferral Plan for Trustees, the independent members of our board of trustees may defer receipt of shares issued upon the exercise of options received under the Amended and Restated Trustees' Share Incentive Plan. Under the Executive Choice Deferred Compensation Plan for Trustees, our independent trustees may defer other compensation received pursuant to service on our board of trustees.

For each of the deferred compensation plans described above, the executive's or the trustee's receipt of shares and other compensation is deferred by placing such shares or other compensation in an account, which is treated as an unfunded deferred compensation obligation of the company, and the employee or trustee does not receive the shares or other compensation until he elects to receive the shares or other compensation at a future date. Each of the plans described above is intended solely as a means of deferring gain that would otherwise be realized by our officers and trustees and is not intended to amend any other plan or program.

Employment Agreements

We entered into employment agreements with Messrs. Prentiss and August on October 22, 1996. Mr. Prentiss' agreement was amended and restated effective February 14, 2001 and has an initial employment term of five years. Mr. Prentiss' agreement is renewable upon mutual agreement of both parties. Mr. August's agreement was amended and restated effective May 10, 2000 and has an initial employment term of three years. Mr. August's agreement will automatically be renewed for successive one-year periods unless otherwise terminated pursuant to the agreement. Messrs. Prentiss' and August's agreements provide for 2001 base annual compensation of \$350,000 for Mr. Prentiss and \$330,000 for Mr. August. Incentive

19

compensation for Messrs. Prentiss and August is to be determined by the Compensation Committee. Mr. Prentiss' employment agreement provides for an annual \$50,000 increase in base salary. Mr. Prentiss waived his 2002 salary increase as part of our plan to reduce overhead and other expenses. Mr. August's agreement provides that the Compensation Committee may approve increases in his base salary. Each of the employment agreements provides for certain severance payments in the event of a change in control of Prentiss Properties Trust, disability or termination by us without cause or by the employee with cause. We employ no other individuals pursuant to an employment agreement.

The terms of Messrs. Prentiss' and August's employment agreements require that Messrs. Prentiss and August devote substantially all of their business time to our affairs. These agreements also, subject to certain exceptions, prohibit them from engaging, directly or indirectly, during the term of their employment plus the period beginning on the date of the termination of employment with us and ending on the second anniversary of such date, in any activity anywhere in the U.S. in which we compete.

Securities Authorized for Issuance under Equity Compensation Plans

The following table sets forth certain information, as of December 31, 2002, with respect to all compensation plans previously approved by our security holders, as well as compensation plans not previously approved by our security holders.

(1) Pursuant to our Key Employee Share Option Plan, the material terms of which are described above, officers and other selected key employees of our operating partnership or management service company who earn bonuses have the option of deferring the payment of such bonuses. Such deferred compensation may be used to purchase various mutual funds and/or our common shares. Pursuant to the participant's election, we purchase shares on the open market and place them in a trust for the benefit of such participant. The trust may deliver to the participant shares or the fair market value of such shares beginning 6 months from the date they were placed in the trust. The purpose of the deferred compensation plan is to provide a vehicle for the payment of compensation otherwise payable to the participants, in a form that will provide incentives and rewards for meritorious performance and encourage the recipients' continuance as our employees. During the 2000 plan year we provided a discount of 15% on the purchase price of our common shares purchased by participants in the plan. For the 2001 and 2002 plan years, the deferred compensation plan did not provide for a discount on our common shares. As of December 31, 2002 the investments included 86,529 of our common share purchased in the open market.

Messrs. Hynes and Wilson comprise the Compensation Committee of the board of trustees. We do not employ any of the members of the Compensation Committee.

Also, on April 15, 1999, we granted 20,000 options to Mr. Hipps to purchase shares which vest at the rate of 33 1/3% per year over a three-year period commencing on the date of the grant. Based upon our performance for the 1999 fiscal year, we awarded to our

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

named executive officers incentive compensation in the form of stock options and restricted stock grants on March 1, 2000. The options and restricted stock were granted pursuant to our 1996 Share Incentive Plan and are listed in the long-term compensation columns of the Summary Compensation Table.

Based upon our performance for the 2000 fiscal year, we awarded to our executive officers named in this Proxy Statement, incentive compensation in the form of stock options and restricted stock grants. We granted the options and restricted stock pursuant to our 1996 Share Incentive Plan and such grants are listed in the long-term compensation columns of the Summary Compensation Table.

Based upon our performance for the 2001 fiscal year, we awarded to our executive officers named in this Proxy Statement, incentive compensation in the form of stock options and restricted stock grants. We granted the options and restricted stock pursuant to our 1996 Share Incentive Plan and such grants are listed in the long-term compensation columns of the Summary Compensation Table.

Based upon our performance for the 2002 fiscal year, we awarded to our executive officers named in this Proxy Statement, incentive compensation in the form of stock options and restricted stock grants. We granted the options and restricted stock pursuant to our 1996 Share Incentive Plan and such grants are listed in the long-term compensation columns of the Summary Compensation Table.

Messrs. Prentiss, August, Krueger, Wiberg and Hipps exercised options during 2002. See "Executive Compensation - Option Exercises in Last Fiscal Year." The Compensation Committee may also award shares of Restricted Shares, performance shares or SARs to our executive officers pursuant to the 1996 Share Incentive Plan. All such awards have been reflected herein.

Chairman of the Board and CEO Compensation

In determining the appropriate compensation for our Chairman of the Board and Chief Executive Officer, the Compensation Committee uses as its guide our performance, competitive practices, and the Compensation Committee's policy, as discussed above, of determining compensation with reference to the compensation paid to similarly situated executives of comparable companies. The Compensation Committee considers appropriate adjustments in the compensation of our Chairman of the Board and Chief Executive Officer concurrently with similar adjustments it makes for our other executive officers.

On March 5, 2003, we adjusted Messrs. Prentiss' and August's 2003 compensation to \$450,000 and \$500,000, respectively.

We did not adjust Messrs. Prentiss' or August's compensation in 2002, and thus their compensation remained \$350,000 and \$330,000, respectively, in 2002 for 2002. Messrs. Prentiss and August received a bonus in March 2003 for the 2002 year of \$230,000 and \$220,000, respectively.

We adjusted Messrs. Prentiss' and August's compensation to \$350,000 and \$330,000, respectively, in 2001 for 2001. In addition, Messrs. Prentiss and August received a bonus in March 2002 for the 2001 year of \$256,515 and \$241,857, respectively.

We adjusted Messrs. Prentiss' and August's compensation to \$317,000 and \$310,000, respectively, in 2000 for 2000. In addition, Messrs. Prentiss and August received a bonus in March 2001 for the 2000 year of \$418,400 and \$410,861, respectively.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

In determining the amounts described above, the Compensation Committee reviewed cash compensation levels for executive officers of other publicly traded REITs with approximately comparable levels of capitalization to ours and for various other REITs as reported by the National Association of Real Estate Investment Trust's annual Study of Executive Compensation, prepared by FPL Associates, an independent executive compensation consulting firm based in Chicago, Illinois.

This report has been furnished by the members of the Compensation Committee.

PERFORMANCE GRAPH

The following performance graph compares the change in the cumulative total shareholder return on our common shares for the period October 22, 1996, which was the first day our common shares traded on the New York Stock Exchange, through December 31, 2002, with the changes in the S&P 500 Index, the SNL Securities Office/Industrial REIT Index and the National Association of Real Estate Investment Trusts Equity Index (the "NAREIT Equity Index") for the same period. The performance graph assumes a base share price of \$100 for our common shares on October 22, 1996 and each index for comparative purposes. Total return equals appreciation in share price plus dividends paid, and assumes that all dividends are reinvested. The performance graph is not necessarily indicative of future investment performance. Information in the performance graph was compiled by SNL Securities L.C.

- (1) In computing the number of common shares beneficially owned by a person, common shares subject to options held by that person that are currently exercisable or that become exercisable within 60 days of the record date are deemed outstanding for such person but are not deemed to be outstanding for purposes of computing the ownership percentage for any other person. In addition, the computation of the number of common shares beneficially owned by a person assumes that all units of beneficial interest in our operating partnership held by the person are redeemed for common shares. The total number of common shares outstanding used in calculating the percentage of all common shares and units assumes that all of the units held by other persons are redeemed for common shares.
- (2) Includes 241,667 common shares issuable upon the exercise of options granted under the 1996 Share Incentive Plan, 191,667 of which are currently exercisable, 50,000 of which are exercisable within 60 days. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Sharing of Offices and Employees

We share executive offices and certain employees with one of our

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

affiliates, Prentiss Properties Limited, Inc. We each bear our share of costs including allocable portions of rent, salaries, office expenses, employee benefits and various fixtures and equipment. To the extent that services are provided between the companies, we allocate such estimated costs to the related party. The total estimated costs allocated between Prentiss Properties Trust and Prentiss Properties Limited, Inc. from January 1, 2002 through December 31, 2002 totaled \$4,600,000.

Officer Loan Program

In June 1999, we granted loans to certain of our employees. Each unsecured loan has a term of five years, accrues interest at 7% per annum and is with recourse as to each borrower. Borrowers make payments to us quarterly at a rate equal to the original principal amount of the loans multiplied by the percentage obtained by dividing the amount of the quarterly dividend per common share that we declare by the closing price of one of our common shares on the date(s) amounts were advanced.

The loans contain loan forgiveness provisions with the purpose of securing the continued and future employment services of the borrowers. One-third of the unpaid principal amount of each loan will be forgiven on the third, fourth and fifth anniversaries of the loan grant, provided that there has been no default by the borrower, including termination of the borrower's employment.

Unsecured Moving Incentive Loans

We loaned \$74,375 to Christopher M. Hipps on June 1, 1999. We loaned \$74,583 to Daniel K. Cushing on January 1, 2002. Each of the loans were entered into to assist Messrs. Hipps and Cushing with moving expenses incurred when they re-located to assume new management positions. The loans contain loan forgiveness provisions with the purpose of securing the continued and future employment services of the borrowers. One-fifth of the unpaid principal amount of each loan will be forgiven on the first, second, third, fourth and fifth anniversaries of the loan grant, provided that there has been no default by the borrower, including termination of the borrower's employment.

Home Loans

On June 14, 2002, we loaned Daniel K. Cushing \$500,000 at 0% interest to purchase a home in California. We entered into the loan to help induce Mr. Cushing to accept the position of Regional Director of our North California Region and to compensate Mr. Cushing for the high cost of living in California. The loan is non-recourse, is secured by the home Mr. Cushing purchased in California and is due on the earlier of (1) the termination of Mr. Cushing's employment with us, (2) the sale of Mr. Cushing's California residence and (3) June 14, 2012.

Sarbanes-Oxley Act Impact on Officer and Director Loans

Section 402 of the Sarbanes-Oxley Act of 2002 prohibits companies from extending or maintaining credit, arranging for the extension of credit, or renewing an extension of credit in the form of a personal loan to any director or executive officer of such companies. In 2002, our board of trustees passed a resolution prohibiting such loans or extensions of credit to our officers or trustees. Section 402 of the Sarbanes-Oxley Act does, however, provide that an extension of credit maintained by a company on the date of enactment of the act shall not be subject to the prohibitions of the act, provided that there is no material modification to any term of any such extension of credit or any renewal of such extension of credit on or after the date of enactment of the act. Thus, while we will not be entering into any additional loans with our officers or trustees, the loans described above, having existed prior to the enactment of the

Sarbanes-Oxley Act, will continue to be forgiven and will continue to be governed by the original terms of such loans.

Current Loan Balances

The highest aggregate amount of all loans described above since January 1, 2002 was \$3,849,823. The amount of indebtedness of our executive officers as of March 14, 2003 is set forth in the table below.

Name ----	Loan Principal Balance -----
Thomas F. August	\$ 272,254
Robert K. Wiberg	211,753
Lawrence J. Krueger	211,753
Michael A. Ernst	120,996
Christopher M. Hipps	278,413
Daniel K. Cushing	695,579

Purchase of Remaining Voting Interests of Taxable REIT Subsidiary

Tax legislation prohibits us from owning more than 10% of the voting common stock of an issuer or more than 10% of the value of an issuer, except for our interests in our operating partnership, our non-corporate subsidiaries, taxable REIT subsidiaries, or any qualified REIT subsidiary. To comply with this legislation, in March 2001, our operating partnership, through the following related transactions, formed Prentiss Properties Resources, Inc. to act as a taxable REIT subsidiary under the Real Estate Investment Trust Modernization Act which allows a corporation, other than a REIT, in which a REIT directly or indirectly owns stock, to perform services for tenants without disqualifying the rents received:

- o Our operating partnership contributed to Prentiss Properties Resources, Inc. among other things, (1) \$1 million, (2) all of the outstanding non-voting common stock of our third-party service provider, Prentiss Properties Limited, Inc., (3) two promissory notes with a combined original principal amount of \$34.7 million issued by Prentiss Properties Limited to our operating partnership and (4) real property located in Dallas, Texas and in return Prentiss Properties Resources issued to our operating partnership 958.5 shares of its non-voting common stock and a promissory note in the amount of \$5 million.
- o Ampulla, LLC, which is wholly-owned by Michael V. Prentiss, contributed all of its voting common stock of Prentiss Properties Limited to Prentiss Properties Resources in return for 21.5 shares of non-voting and 20 shares of voting common stock of Prentiss Properties Resources.
- o Our operating partnership subsequently purchased Ampulla's 21.5 shares of the non-voting common stock of Prentiss Properties Resources for approximately \$72,000.

After giving effect to the above series of transactions, during 2001, our operating partnership became the owner of 98% of the value of Prentiss Properties Resources, holding all of the outstanding non-voting common stock, and Ampulla became the owner of 2% of the value of Prentiss Properties Resources, holding all of the outstanding voting common stock, and Prentiss

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

Properties Limited became a wholly-owned subsidiary of Prentiss Properties Resources.

The ownership structure remained unchanged until January 1, 2003. Effective January 1, 2003, we acquired from Ampulla, LLC, the single member limited liability company owned by Michael V. Prentiss, the remaining outstanding voting interest in Prentiss Properties Resources, for gross consideration of approximately \$67,000.

REPORT OF THE AUDIT COMMITTEE

The board of trustees has established an Audit Committee which currently consists of three independent trustees, Messrs. Steinhart, Riggs and Parker. The board of trustees has adopted a written charter for the Audit Committee. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls. The Audit Committee held four meetings during 2002. In performing its duties, the Audit Committee meets with the independent accountants without the presence of any of the members of management and meets with management without the presence of PricewaterhouseCoopers LLP, to help ensure the independence of PricewaterhouseCoopers LLP. The Audit Committee then meets without the presence of either of PricewaterhouseCoopers LLP or management.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

Our management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. Our independent public accountants are responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States.

PricewaterhouseCoopers LLP has served as our and our subsidiaries' independent auditor for the year ended December 31, 2002 and will, pending ratification by our shareholders at the annual meeting, continue to so serve for the year ending December 31, 2003 until and unless changed by action of the board of trustees. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions.

In connection with the fiscal year 2002 financial statements, the Audit Committee (1) reviewed and discussed the audited financial statements with management; (2) discussed with the auditors the matters required by Statement on Auditing Standards No. 61; (3) received and discussed with the auditors the matters required by Independence Standards Board Statement No. 1; (4) discussed the auditor's independence with the auditors; and (5) considered whether the provision of services by the auditors for matters other than the annual audit and quarterly reviews is compatible with maintaining the auditor's independence. Based on these reviews and discussions, the Audit Committee has recommended to the board of trustees, and the board of trustees has resolved that our audited financial statements be included in the Securities and Exchange Commission Annual Report on Form 10-K for the fiscal year ended December 31, 2002. The Audit Committee believes that the provision of services by PricewaterhouseCoopers LLP to us is compatible with maintaining the principal accountant's independence.

Audit Fees. The total fees for professional services rendered in connection with the audit of our annual financial statements, including those contained in our annual report on Form 10-K, and the review of the financial statements included in our quarterly reports on Form 10-Q totaled \$226,500 for fiscal year 2002.

Financial Information Systems Design and Implementation Fees. PricewaterhouseCoopers LLP did not render any services related to financial information systems design and implementation for the fiscal year 2002.

All Other Fees. Aggregate fees billed for all other services rendered by PricewaterhouseCoopers LLP for fiscal year 2002 totaled \$172,153. Fees included in "Other Fees" are the following: \$32,648 for our 2001 Tax Review, \$85,731 for separate audits of several of our properties and other SEC filings, \$15,000 for audit of our Employee Savings Plan & Trust, \$4,002 for a German Tax Representation Fee pursuant to

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

If you and other residents at your mailing address own shares of common stock in street name, your broker or bank may have sent you a notice that your household will receive only one Annual Report and Proxy Statement for each company in which you hold stock through that broker or bank. Nevertheless, each stockholder will receive a separate proxy card. This practice, known as "householding," is designed to reduce our printing and postage costs. If you did not respond that you did not want to participate in householding, the broker or bank will assume that you have consented, and will send one copy of our Annual Report and Proxy Statement to your address. You may revoke your consent to householding at any time by sending your name, the name of your brokerage firm, and your account number to Gregory S. Imhoff, our Senior Vice President and Corporate Secretary, at 3890 West Northwest Highway, Suite 400, Dallas, Texas 75220, telephone: (214) 654-0886. The revocation of your consent to householding will be effective 30 days following its receipt. In any event, if you did not receive an individual copy of this Proxy Statement or our Annual Report, we will send a copy upon written or oral request to our Corporate Secretary at the address listed immediately above.

ANNUAL REPORT AND FORM 10-K

Accompanying this Proxy Statement is a copy of our Annual Report to Shareholders for the year ended December 31, 2002, which contains financial and other information pertaining to us. The Annual Report does not form any part of the materials for the solicitation of proxies.

We will furnish to each beneficial owner of our common shares entitled to vote at the annual meeting, upon written request to Gregory S. Imhoff, our Senior Vice President and Corporate Secretary, at 3890 West Northwest Highway, Suite 400, Dallas, Texas, 75220, telephone (214) 654-0886, a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2002, including the financial statements and financial statement schedules filed by us with the SEC.

OTHER MATTERS

The board of trustees knows of no other business to be brought before the annual meeting. If any other matters properly come before the annual meeting, the proxies will be voted on such matters in accordance with the judgment of the persons named as proxies therein, or their substitutes, present and acting at the meeting.
